5. Public Comments

At this time, the Mayor opens the floor to comments from the audience. Comments should relate to a specific agenda item, not listed on the agenda for a Public Hearing, or to a concern within the jurisdiction of the City. Mayor and Council meetings serve the purpose of conducting city business and are not a forum for the unlimited expression of opinion. The Mayor reserves the right to limit comments to matters germane to city business and may refer speakers to the City Manager or other staff for resolution.

6. Mayor And Council Comments
7. Adjourn

Public involvement and citizen engagement is welcome as Hapeville operates a very open, accessible and transparent government. We do however remind our attendees/residents that there are times allocated for public comments on the agenda. In order for council to conduct their necessary business at each meeting, we respectfully ask that side-bar conversations and comments be reserved for the appropriate time during the meeting. This will allow the City Council to conduct the business at hand and afford our meeting attendees ample time for comments at the appropriate time during the meeting.
