5. Questions On Agenda Items

The public is encouraged to communicate their questions, concerns, and suggestions during Public Comments. The Council does listen to your concerns and will have Staff follow-up on any questions you raise. Any and all comments should be addressed to the Governing Body, not to the general public and delivered in a civil manner in keeping with common courtesy and decorum.

7. Old Business

8. New Business

9. City Manager Report

10. Adjourn

Public involvement and citizen engagement is welcome as Hapeville operates a very open, accessible and transparent government. We do however remind our attendees/residents that there are times allocated for public comments on the agenda. In order for council to conduct their necessary business at each meeting, we respectfully ask that side-bar conversations and comments be reserved for the appropriate time during the meeting. This will allow the City Council to conduct the business at hand and afford our meeting attendees ample time for comments at the appropriate time during the meeting.
