What is a SPLOST?

A Special Purpose Local Option Sales Tax (SPLOST) is a sales tax used to fund capital outlay projects proposed by the county government and municipal governments.

A Transportation SPLOST is simply a sales tax where the capital outlays are intended for transportation purposes only

How does SB 369 create a special district within Fulton County?

Creates a special district for just Fulton County as a whole and a special district for City of Atlanta. The special district for COA is based on its geographic boundaries including the portion in DeKalb County.

'Metropolitan Municipality' = City of Atlanta

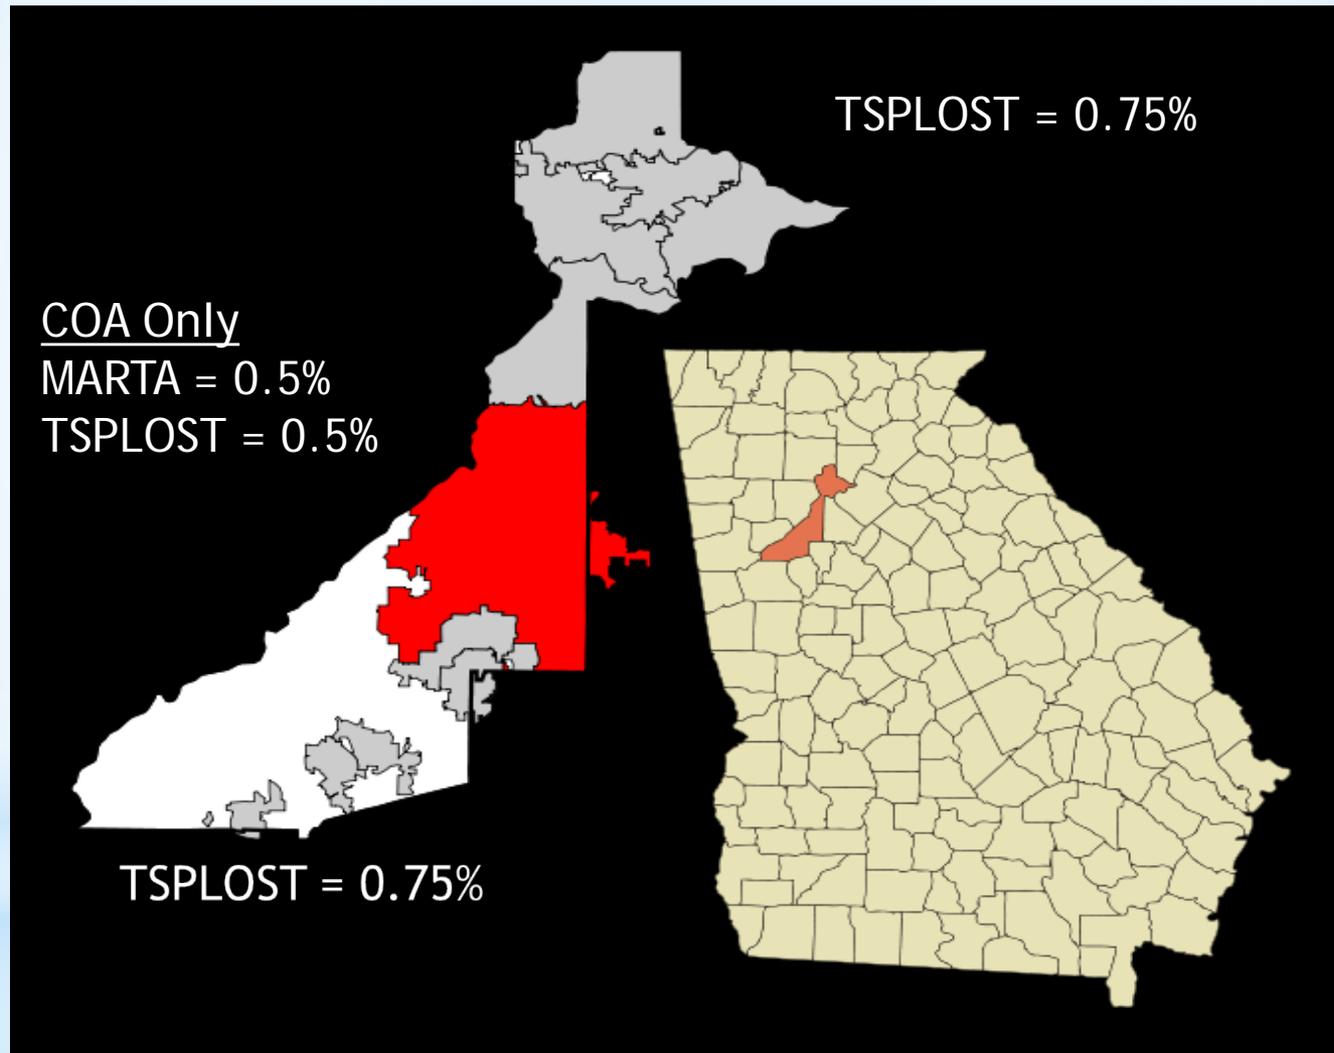

'Metropolitan County' minus 'Metropolitan Municipality' = Fulton County outside of COA

Is there a maximum tax rate?

The max rate in the City of Atlanta is 0.75%. Under SB 369, the City of Atlanta is allowed up to 0.5 cents for MARTA. The combined tax can be no more than 1.0%. Therefore, TSPLOST for COA would be limited to 0.50 %.

The max rate for Fulton County outside COA is 0.75%. While there is no current legislation that allows for additional tax, this bill limits any future increases to 0.25%. TSPLOST plus any future tax can be no more than 1.0%.

How much money will be raised in 5 years from April 2017 to March 2022?

Fulton County outside the City of Atlanta = **\$500-\$600** million
City of Atlanta TSPLOST = **\$280-\$300** million
City of Atlanta MARTA = TBD

ESTIMATED 'FULTON OUTSIDE COA' TSPLOST FORMULA ALLOCATIONS

Formula Factor = (Local Gov. Pop./County Pop.)

Jurisdiction Formula Amount = Formula Factor x Revenue Projection

UNION CITY	20,427	3.58%	\$ 20,329,383
FULTON (UNINCORPORATED)	94,888	16.62%	\$ 94,434,545
Totals	570,861	100.00%	\$ 568,132,946

What happens if collections differ from projections?

It is suggested that a tiered process be used:
Tier I Projects - Projects that are based on 85% of Revenue projections

Tier II Projects - Projects that are based on revenue above 85% of the projections up to 100%

Tier III Projects - Projects that can be built if revenue exceeds 100% of projections.

Will there be Project Criteria?

- Projects will be chosen by each of the municipal jurisdictions and unincorporated Fulton County. The manner in which the projects will be chosen will be entirely up to each jurisdiction. It is proposed that general project criteria be used by each jurisdiction and that these criteria be adopted by the Mayors and Commissioners at regular Mayor's meeting.
 - Roadway Capital Expansion Projects
 - System State of Good Repair
 - Safety and Operational
 - System Efficiency/Travel Demand Management/Transit
 - Freight and Economic Development
- The **Final Project Master List** will be a summation of each jurisdiction's list combined together. This Master List will be included in an intergovernmental agreement.
- Per code, an intergovernmental agreement has to be reached on levying the tax, the rate of the tax and a project list.

How does a referendum get called?

- A formal meeting is called by the BOC inviting each city by written notice. The referendum will only be considered if qualified municipalities and county representing 60% of the population of the portion of Fulton outside the City of Atlanta agree to move forward.
- A similar process is in play for the City of Atlanta except the City Council approves the list of projects to move forward to the Fulton County Board of Commissioners.
- The referendum will then be signed by the Fulton Board of Commissioners unless a super majority (5 votes) of the Board of Commissioners vote NOT to move the referendum forward. In the case of City of Atlanta, Fulton County Board still signs the resolution since they have more of City in regards to geographic area than DeKalb County.

Once passed, how will oversight occur?

Fulton County and the cities could create a Fulton Transportation Investment Citizen's Oversight Council.

- Recommended that the Council consist of 15 total members
 - one appointee for each Mayor and one member appointed by the Fulton County Chairman
 - will not be any elected official from within the County or municipalities represented
- Would oversee the progress and implementation of the program.
- Would furnish annual reports to the Board of Commissioners and each Mayor of the cities within the County. The Annual Report will include a complete list of projects and the progress of the projects.
- The Council would meet twice per year and will be paid a per diem for their service on the Council. This per diem would be paid from the proceeds of the Sales Tax.

What would the ballot question look like?

FULTON OUTSIDE CITY OF ATLANTA

Shall an additional ___ percent sales tax be collected in part of _____ County _____ for _____ years for the purpose of transportation improvements and congestion reduction?

SAMPLE BALLOT: Shall an additional 0.75 percent sales tax be collected in part of FULTON County OUTSIDE OF THE CITY OF ATLANTA for FIVE years for the purpose of transportation improvements and congestion reduction?

CITY OF ATLANTA

Shall an additional ___ percent sales tax be collected in the City of _____ for _____ years for the purpose of transportation improvements and congestion reduction?

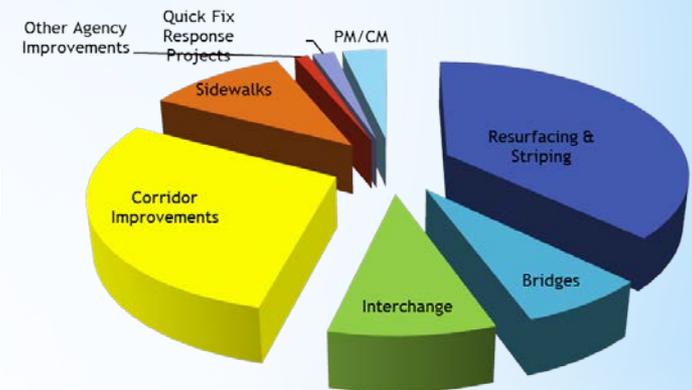

SAMPLE BALLOT: Shall an additional 0.5 percent sales tax be collected in the City of ATLANTA for FIVE years for the purpose of transportation improvements and congestion reduction?

Can the tax be renewed at the end of the five (5) year period?

Yes, the tax can be renewed following the same process. This process can occur while the current tax is still being collected.

Will all the monies go to actual projects?

Yes, nearly all of funds will go to projects. However, there will be monies set aside for program management. Funds for Project engineering and Rights of Way will also be spent. Program management cost typically is in the range of 3%. Please note that the law does require that 1% be paid to the general fund of the state treasury in order to defray the cost of administration at the state treasury.

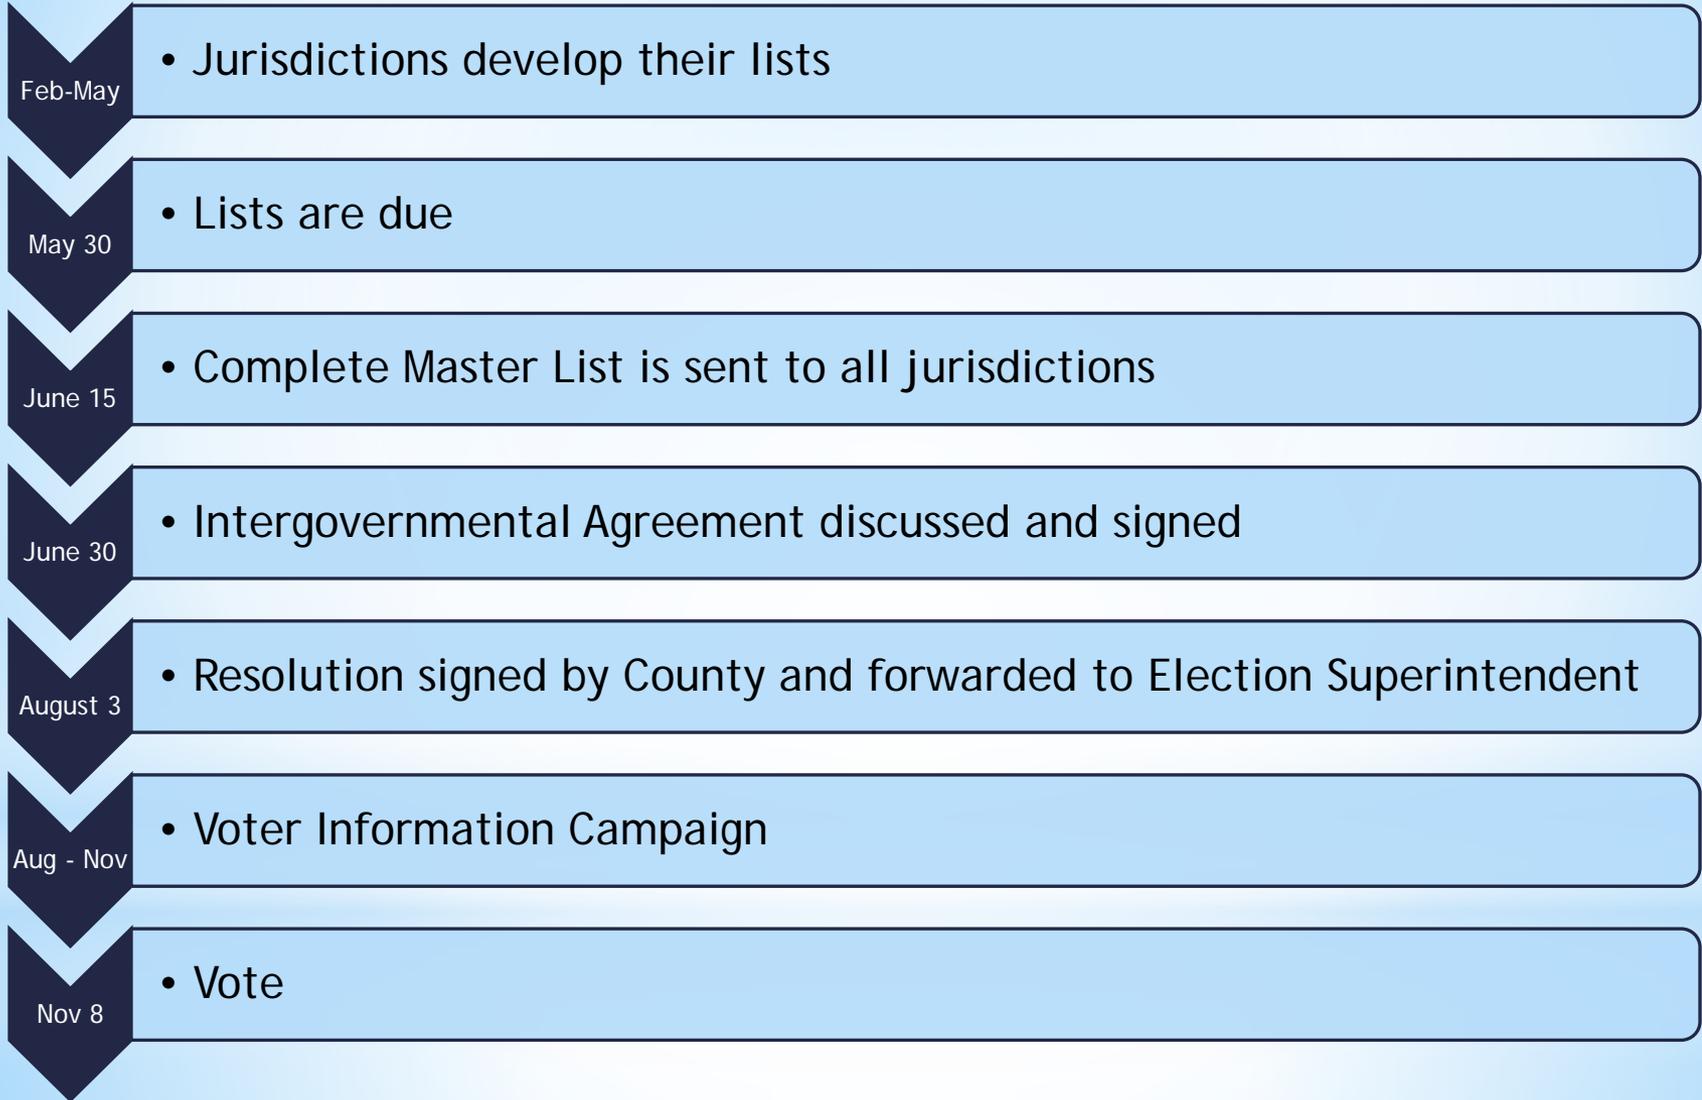

What about MARTA?

A sales tax for MARTA within the City of Atlanta is allowed under SB 369. Up to a 0.5 % sales tax that runs concurrent with the existing MARTA tax can be voted on in the Nov 8 election. For details on how the MARTA sales tax works, see SB 369. (Lines 19-119).
