Dear Ms. Harrison,

Residents of the City of Hapeville rely on the North Springs/Doraville/College Park station to connect to destinations throughout the MARTA Rail system including job centers, sports events, concerts, and the Airport.

Currently, available MARTA parking at North Springs/Doraville/College Park often fills up on workdays and during special events and undercuts the reliability of utilizing the MARTA rail system to reach those job centers and special events.

As Mayor of Hapeville, and on behalf of my constituents, I support MARTA's offer to purchase the AT&T parking facility at North Springs/Doraville/College Park to increase the reliability and access to the MARTA rail system from our community.

Sincerely,

Alan Hallman,
Mayor
