Deem Application Complete

- Marco's Pizza – 832 Virginia Avenue

City Manager, Tim Young asked for clarification on the type of license Marco's was applying for and is Minal Patel the only manager? He also asked about the missing dates for Mr. Patel's previous addresses and dates of employment. City Clerk, Crystal Epps confirmed that the application was for an "on-premise consumption" alcohol license and that Mr. Patel is the only manager. And, Mrs. Epps said that Mr. Patel would be emailing his dates for his previous addresses and employment.

City Planner, Lynn Patterson stated that Marco's doesn't have any outside tables yet, however, Marco's would have to adhere to code if in the future they decide to make an outdoor dining area. Ms. Patterson said she would write something up to give to Tim to include in the background for the agenda.

Mr. Young instructed Mrs. Epps to send an email to Mr. Patel strongly recommending that he send the dates needed to complete his application by Friday afternoon to include in the Council packet.

Chief Glavosek said that everything checked out regarding background and code.

Board recommends that Marco's Pizza alcohol beverage application goes before Council.
