Councilman Ward 1 Jimmy Lovern

Councilman Ward 2 Lew Valero

III. Welcome

IV. Presentations and Recognitions

V. Public Comments on Agenda Items

VI. Administrative

VII. Old Business

VIII. New Business

A) Consideration to adopt Resolution 2011-01 Solid Waste Management Plan 2010-2014.

Summary and Background

In August of 2010, we approved a Resolution authorizing the Transmittal of the City of Hapeville Solid Waste Management Plan Update to the Atlanta Regional Commission for review and approval. In order to be in compliance with DCA, we need a resolution authorizing the adoption of the Solid Waste Management Plan 2010-2014.

B) Consideration to enter into a real property agreement between the City of Hapeville and the Georgia Department of Transportation for the Hapeville TE Depot Project (0009052).

Summary and Background

This real property agreement confirms all the rules and regulations of right of way acquisition for this federal project have been followed. The City of Hapeville already owns the depot property where the project is being implemented, however, the signing of this agreement is still required for federal funding.

C) Consideration to approve purchase of plants, materials and other necessary items related to the I-85 Gateway Beautification Project and to authorize an amount not to exceed \$ 50,000 for implementation of this project.

Summary and Background

We were awarded the I-85 Gateway Beautification Grant in August of 2010. GDOT, who awarded the \$ 50,000 grant, has two planting periods allowable in the fall and spring. In order to make the spring planting deadline of March 15, 2011

IX. Status Update by Departments

X. Public Comments

XI. Executive Session

XIV. Adjournment
