#### 7.II. Consideration And Action To Provide A Special Exception At 917 Virginia Avenue

##### Background:

Rajesh Patel, applicant and developer, has submitted a revised plan for the 22,000 sf mixed-use commercial/retail building at 917 Virginia Avenue, Parcel Identification Number 14 012700040377. The building will be two stories with 13,000 sf of retail on the first floor and 9,000 sf of office space on the second floor. The site plan calls for a side drive-through window to accommodate a national food chain as part of the overall project. The property is accessed from Virginia Ave, Rainey Avenue, and Elkins Street with curb cuts only on Rainey Avenue and Elkins Avenue.

Though staff worked with Mr. Patel and his design team to re-orient the drive-through window to the rear and allow for stacking within the site and not onto Rainey, the national tenant has indicated that the queuing is not sufficient and has requested an alternate drive-through location (side).

The Planning Commission considered this request on December 11, 2018 and recommended the Mayor and Council grant the special use permit. Staff supported their recommendation.

Regions Bank delivered the lowest rate.

After additional research, the quote from Custom Truck and Body Works was still the lowest. ## PLANNER'S REPORT

TO: Adrienne Senter  
FROM: Lynn Patterson  
RE: Special Exception Request for 917 Virginia Ave  
DATE: December 7, 2018

### BACKGROUND

Raj Patel, applicant and developer, has submitted a revised plan for the 22,000 sf mixed-use commercial/retail building. The building will be two stories with 13,000 sf of retail on the first floor and 9,000 sf of office space on the second floor. The site plan calls for a side drive-through window to accommodate a national food chain as part of the overall project. The property is accessed from Virginia Ave, Rainey Avenue, and Elkins Street with curb cuts only on Rainey Avenue and Elkins Avenue. Eighty-two parking spaces are provided. The property is zoned U-V, Urban Village and is subject to the Commercial Mixed Use Area requirements of the Architectural Design Standards.

The proposed project will front Virginia Avenue with a 5' setback adjacent to an existing sidewalk. The purpose of this design is to create infill along Virginia Avenue that is pedestrian friendly and creates a visual cue of desired retail and commercial activity. Parking is located to the rear of the building.

Though staff worked with Mr. Patel and his design team to re-orient the drive-through window to the rear and allow for stacking within the site and not onto Rainey, the national tenant has indicated that the queueing is not sufficient and has requested an alternate drive-through location (side). The City recently adopted a zoning text amendment regarding restaurants and drive-throughs. For the U-V zoning district,

(9) Restaurants or carryout restaurants but not including drive-through/drive-in restaurants with a maximum size of 6,000 square feet. Such restaurants shall be allowed to operate no more than six billiard tables upon the premises. Drive-through or drive-in restaurants may be allowed through special permit. The desired configuration for a drive-through or drive-in restaurant in this district is not a stand-alone building but rather part of a larger development and the site plan specifically addresses pedestrian orientation and safety.

The proposed re-location of the proposed drive-through is to the side. The drive-through is located 50'+ from both Rainey and Virginia Avenue. No pedestrians would cross the drive-through lanes and would not conflict with pedestrian accessibility nor create an environment not reminiscent of fast food row. The applicant is proposing additional landscaping to screen the queueing lanes and drive-through.

Through the Special Exceptions section of the Code of Ordinances, Mayor & Council can grant location of drive through windows with a recommendation from the Planning Commission.

## CODE

### Sec. 93-24-10. - Special exceptions.

- (a) Special exceptions and special property use permits shall be decided by the mayor and council.
- (b) The planning commission shall review and make nonbinding recommendations to the mayor and council on special exceptions and special property use permits.
- (c) Special exceptions may be sought for:
  - (3) Location and number of drive-throughs.

When acting upon an application for a special exception, in addition to the requirements listed under the above references, the planning commission and the mayor and council shall give consideration to the following factors where applicable:

- (1) The proposed design and location of the particular development;
  - (2) The possible traffic generating characteristics of the proposed development;
  - (3) The effects the proposed development will have on the present or intended character of the area in which it proposes to locate;
  - (4) The availability of public utilities, facilities and services; and
  - (5) The character, and effect of the parking demands of the proposed development.
- (e) After considering the above-listed factors and after reviewing the planning commission recommendation, the mayor and council shall take any actions or establish any reasonable conditions of approval, such as planted buffers, as will accomplish the intent and purpose of this chapter.

## RECOMMENDATION

Given the location and character of the proposed development as a project encompassing more than the single restaurant (see definition above) and the previous special exceptions granted by the Mayor & Council, staff recommends the modification of the previously approved special exception to locate the drive-through to the side of the building. This will enable the applicant to secure a national brand and service the community while maintaining the intent of the U-V zoning.

RE: 2019 City of Hapeville Alcoholic Beverage License Applications (Change of Ownership) of Kimpton Hotel & Restaurant Group, LLC ("Kimpton") d/b/a Kimpton Hotel & Restaurant Group – Two Porsche Drive, Hapeville, GA 30354 (the "Hotel")

Dear Mr. Young:

Thank you for arranging our phone call this afternoon with you, Ms. Grigg-Epps and Ms. Patel. This firm represents the owner ("Acron") of the Hotel. We are assisting Kimpton Hotel & Restaurant Group, LLC with regard to its above referenced alcoholic beverage license applications (the "Applications"). This letter is a request that:

1. The Mayor and City Council of the City of Hapeville consider the Applications at their Tuesday, January 8, 2019 meeting; and
2. At such meeting, vote to approve the Applications, subject to Kimpton causing to be furnished to Ms. Griggs-Epps, a copy of the legal advertisements of the Applications in and affidavits from the South Metro Neighbor newspaper as provided by City of Hapeville Code of Ordinances Section 5-1-4 (11).

The Hotel is undergoing a change of management company. As a result, Kimpton, the new hotel management company, must obtain alcoholic beverage licenses for the Hotel from the City of Hapeville and the Georgia Department of Revenue. We note that ownership of the Hotel is not changing and that the current Hotel general manager, Mike Sutter, will continue to serve as general manager. To facilitate an orderly transition of the alcoholic beverage service at the Hotel between the current hotel management company and Kimpton, Kimpton needs City of Hapeville alcohol licenses in hand not later than the morning of Friday, January 18, 2019.

As part of the City of Hapeville alcohol licensing process, a legal advertisement is required in the South Metro Neighbor. The advertisement simply identifies the alcohol license application, the identity of the hotel owner and the identity of the general manager. The advertisement does NOT identify a date of consideration of the Applications or that the mayor and council are considering the Applications. The City of Hapeville Code of Ordinances does require that the advertisement run prior to the mayor and city council's consideration of the Applications.

In consultation with Ms. Griggs-Epps in early December, we confirmed that the Applications must be filed with her not later than December 21 in order for the mayor and city council to consider the Applications on January 8, 2019. The Applications were filed with Ms.

Mr. Timothy Young, City Manager  
City of Hapeville  
January 4, 2019  
Page 2 of 2

Griggs-Epps on December 21. However, it appears that due to the Christmas and New Year's holidays, the South Metro Neighbor advertisements are scheduled for January 9 and January 16, 2019 and not before.

We note that when the Hotel opened in Fall 2017, the mayor and city council considered the current management company's alcohol license applications in this same manner, i.e., the mayor and city council considered the applications prior to the legal advertisements running and the alcohol licenses were not issued until subsequent proof of the advertisements were submitted to the city clerk, Ms. Elkins. By this letter, Acron makes this same request.

Thank you for your consideration of this request.

Sincerely,

SARD & LEFF, LLC

RE: 2019 City of Hapeville Alcoholic Beverage License Applications (Change of Ownership) of Kimpton Hotel & Restaurant Group, LLC ("Kimpton") d/b/a Kimpton Hotel & Restaurant Group – Two Porsche Drive, Hapeville, GA 30354 (the "Hotel")

Dear Mr. Young:

Thank you for arranging our phone call this afternoon with you, Ms. Grigg-Epps and Ms. Patel. This firm represents the owner ("Acron") of the Hotel. We are assisting Kimpton Hotel & Restaurant Group, LLC with regard to its above referenced alcoholic beverage license applications (the "Applications"). This letter is a request that:

1. The Mayor and City Council of the City of Hapeville consider the Applications at their Tuesday, January 8, 2019 meeting; and
2. At such meeting, vote to approve the Applications, subject to Kimpton causing to be furnished to Ms. Griggs-Epps, a copy of the legal advertisements of the Applications in and affidavits from the South Metro Neighbor newspaper as provided by City of Hapeville Code of Ordinances Section 5-1-4 (11).

The Hotel is undergoing a change of management company. As a result, Kimpton, the new hotel management company, must obtain alcoholic beverage licenses for the Hotel from the City of Hapeville and the Georgia Department of Revenue. We note that ownership of the Hotel is not changing and that the current Hotel general manager, Mike Sutter, will continue to serve as general manager. To facilitate an orderly transition of the alcoholic beverage service at the Hotel between the current hotel management company and Kimpton, Kimpton needs City of Hapeville alcohol licenses in hand not later than the morning of Friday, January 18, 2019.

As part of the City of Hapeville alcohol licensing process, a legal advertisement is required in the South Metro Neighbor. The advertisement simply identifies the alcohol license application, the identity of the hotel owner and the identity of the general manager. The advertisement does NOT identify a date of consideration of the Applications or that the mayor and council are considering the Applications. The City of Hapeville Code of Ordinances does require that the advertisement run prior to the mayor and city council's consideration of the Applications.

In consultation with Ms. Griggs-Epps in early December, we confirmed that the Applications must be filed with her not later than December 21 in order for the mayor and city council to consider the Applications on January 8, 2019. The Applications were filed with Ms.

Mr. Timothy Young, City Manager  
City of Hapeville  
January 4, 2019  
Page 2 of 2

Griggs-Epps on December 21. However, it appears that due to the Christmas and New Year's holidays, the South Metro Neighbor advertisements are scheduled for January 9 and January 16, 2019 and not before.

We note that when the Hotel opened in Fall 2017, the mayor and city council considered the current management company's alcohol license applications in this same manner, i.e., the mayor and city council considered the applications prior to the legal advertisements running and the alcohol licenses were not issued until subsequent proof of the advertisements were submitted to the city clerk, Ms. Elkins. By this letter, Acron makes this same request.

Thank you for your consideration of this request.

Sincerely,

SARD & LEFF, LLC

RE: 2019 City of Hapeville Alcoholic Beverage License Applications (Change of Ownership) of Kimpton Hotel & Restaurant Group, LLC ("Kimpton") d/b/a Kimpton Hotel & Restaurant Group – Two Porsche Drive, Hapeville, GA 30354 (the "Hotel")

Dear Mr. Young:

Thank you for arranging our phone call this afternoon with you, Ms. Grigg-Epps and Ms. Patel. This firm represents the owner ("Acron") of the Hotel. We are assisting Kimpton Hotel & Restaurant Group, LLC with regard to its above referenced alcoholic beverage license applications (the "Applications"). This letter is a request that:

1. The Mayor and City Council of the City of Hapeville consider the Applications at their Tuesday, January 8, 2019 meeting; and
2. At such meeting, vote to approve the Applications, subject to Kimpton causing to be furnished to Ms. Griggs-Epps, a copy of the legal advertisements of the Applications in and affidavits from the South Metro Neighbor newspaper as provided by City of Hapeville Code of Ordinances Section 5-1-4 (11).

The Hotel is undergoing a change of management company. As a result, Kimpton, the new hotel management company, must obtain alcoholic beverage licenses for the Hotel from the City of Hapeville and the Georgia Department of Revenue. We note that ownership of the Hotel is not changing and that the current Hotel general manager, Mike Sutter, will continue to serve as general manager. To facilitate an orderly transition of the alcoholic beverage service at the Hotel between the current hotel management company and Kimpton, Kimpton needs City of Hapeville alcohol licenses in hand not later than the morning of Friday, January 18, 2019.

As part of the City of Hapeville alcohol licensing process, a legal advertisement is required in the South Metro Neighbor. The advertisement simply identifies the alcohol license application, the identity of the hotel owner and the identity of the general manager. The advertisement does NOT identify a date of consideration of the Applications or that the mayor and council are considering the Applications. The City of Hapeville Code of Ordinances does require that the advertisement run prior to the mayor and city council's consideration of the Applications.

In consultation with Ms. Griggs-Epps in early December, we confirmed that the Applications must be filed with her not later than December 21 in order for the mayor and city council to consider the Applications on January 8, 2019. The Applications were filed with Ms.

Mr. Timothy Young, City Manager  
City of Hapeville  
January 4, 2019  
Page 2 of 2

Griggs-Epps on December 21. However, it appears that due to the Christmas and New Year's holidays, the South Metro Neighbor advertisements are scheduled for January 9 and January 16, 2019 and not before.

We note that when the Hotel opened in Fall 2017, the mayor and city council considered the current management company's alcohol license applications in this same manner, i.e., the mayor and city council considered the applications prior to the legal advertisements running and the alcohol licenses were not issued until subsequent proof of the advertisements were submitted to the city clerk, Ms. Elkins. By this letter, Acron makes this same request.

Thank you for your consideration of this request.

Sincerely,

SARD & LEFF, LLC

**GENERAL PROVISIONS OF THIS AGREEMENT**

- 8.1 The brief capitalized and underlined headings or titles preceding each paragraph are for purposes of identification, convenience and ease of reference, and shall be disregarded in the construction of this Agreement.
- 8.2 No failure of either party hereto to exercise any right or power granted under this Agreement, or to insist upon strict compliance by the other party with this Agreement, and terms and conditions of this Agreement, shall constitute a waiver of either party's right to demand exact and strict compliance by the other party hereto with the terms and conditions of this Agreement.
- 8.3 This Agreement shall be governed by, construed under, performed and enforced in accordance with the laws of Georgia.
- 8.4 Should any provision of this Agreement require judicial interpretation, it is agreed and stipulated by and between the parties that the court interpreting or construing the same shall not apply a presumption that the terms, conditions, and provisions hereof shall be more strictly construed against one party by reason of the rule of construction that an instrument is to be construed more strictly against the party who prepared the same.
- 8.5 This Agreement may be executed in two (2) counterparts, each of which is deemed an original of equal dignity with the other and which is deemed one and the same instrument as the other.
- 8.6 The termination of this Agreement shall not operate to cut off any claims or causes of action in favor of Licensor or Licensee which occurred or arose prior to the effective date of such termination.
- 8.7 Licensee hereby acknowledges that it has not been induced by any representation, statements, or warranties by Licensor including, but not limited to, representations or warranties with respect to title to the Premises or the condition or suitability thereof for Licensee's purpose.
- 8.8 Licensee shall not place or store, nor permit to be placed or stored, any Hazardous Substances (as defined in 42 U.S.C. Sections 9601, et seq.), petroleum products or other pollutants, toxic substances or environmental hazards on or under the Property.
- 8.9 Fulton County, the requestor of said License, further agrees that, as between the City of Hapeville and Fulton County, and to the extent allowable under Law, the County shall be responsible for all costs and damages stemming from all claims, actions, damages, liability and expense, including without limitation reasonable

attorneys' fees and costs, in connection with personal injury or property damage arising out of the acts or omissions of the County, its employees, agents or contractors upon the Property or any property surrounding the Property in conducting the permitted activities. Notwithstanding the foregoing and only as to third parties, nothing herein shall be construed as a waiver of the County's sovereign immunity and the immunities available to County officials, officers, employees and agents.

Fulton County reserves the right to self-fund for its workers' compensation, automobile liability and general and excess liability coverages for its activities on the Property or any property surrounding the Premises in conducting the activities authorized by this Agreement. Notwithstanding, the County shall provide and maintain a certificate of liability insurance from the County to the City, covering the County's contractors for the duration of the Agreement. In the alternative, the County shall ensure that its contractor provides sufficient insurance to cover the project and to include the City as an additional insured. The County may self-fund this obligation.

8.10 This Agreement supersedes all prior negotiations, discussions, statements and agreements between Licensor and Licensee and, until such time as the parties enter into a Use Agreement concerning the Property, constitutes the full, complete and entire agreement between the parties with respect to the Property and Licensee's use thereof. No member, officer, employee, representative or agent of Licensor or Licensee has authority to make, or has made, any statement, agreement, representation or contemporaneous agreement, oral or written, in connection herewith, amending, supplementing, modifying, adding to, deleting from, or changing the terms and conditions of this Agreement. No modification of or amendment to this Agreement shall be binding on either party hereto unless such modification or amendment shall be properly authorized, in writing, properly signed by both Licensor and Licensee and incorporated in and by reference made a part hereof.

8.11 This Agreement is being entered into with the expectation that a Use Agreement for the Property, referenced in several places herein, shall be presented for consideration to the City of Hapeville Council and its Mayor.

**IN WITNESS WHEREOF**, Licensor and Licensee, acting by and through their duly authorized representatives, have caused these presents to be executed all as of the date hereinabove set forth.

<b>Payment Frequency:</b>	Semiannually. Based on the anticipated commencement date identified above, a proposed payment schedule is attached.

<b>Prepayment:</b>	Prepayable in whole on any payment date at a premium of 3% of the amount prepaid in year 1, 2% in year 2, 1% in year 3.
<b>Issuance Costs:</b>	Lessee will pay a documentation fee of \$250 per schedule.
<b>Tax Status:</b>	The Interest Rate has been established on the assumption that Lessee is a state or political subdivision within the meaning of Section 103 of the Internal Revenue Code, and that therefore interest will be exempt from federal income tax. Lessee will make customary representations, warranties and covenants to establish and maintain the exemption. If qualified, Lessee will designate the Agreement as “bank qualified.” If the interest component of rental payments is determined to be taxable, Lessee will pay Lessor on demand such amounts (including additional interest, fines, penalties

and other additions to tax) as will restore to Lessor its contemplated after-tax yield on the financing.

All opinions shall expressly provide that successors and assigns of Lessor may rely on them.

**Documentation:** Lessor's standard form documentation, which such proposed changes as Lessor may approve in its sole discretion.

**Funding:** If applicable, an escrow account at SunTrust Bank will be established to hold the financing proceeds. Monies in escrow will be disbursed from time to time, upon delivery of documentation specified in the escrow agreement and approval of Lessor, to pay costs of the Property. Lessee will pay a \$250 fee at closing for the escrow account set up. Any additional fees, costs and expenses specified in the escrow agreement will be paid out of the escrow account earnings. However, in the event there are not sufficient escrow account earnings to pay any such fees, costs and expenses, the Lessee agrees to pay the shortfall amount. Any surplus escrow account earnings will be for the benefit of the Lessee.

If Lessee intends to be reimbursed for any equipment cost associated with the Agreement, intent for reimbursement from the proceeds of the Agreement must be evidenced, and must qualify under the Treasury Regulation Section 1.150.2.

**Market Disruption:** Notwithstanding anything contained herein to the contrary, in the event any material change shall occur in the financial markets after the date of this proposal, including but not limited to any governmental action or other event which materially adversely affects the extension of credit by banks, leasing companies or other lending institutions, Lessor may modify the indicative pricing described above.

**Credit Approval:** This proposal is subject to credit approval.

**Proposal Expiration:** This proposal expires on December 12, 2018 if not awarded to Lessor by a written notification on or before that date. The Interest Rate is subject to change based on the three (3) and four (4) year swap rates until the financing is awarded to the Lessor. Upon award, Lessor will set the Interest Rate and honor the quoted rate for a closing on or before January 31, 2019.

Tim,

We looked at numerous vans online that were better suited for our needs and what is common in our field. What we collected were a range of four vehicles ranging from \$23,990 (2017) to \$52,240 (2019). There is more inventory out there but here are some ideas and price ranges on the vehicles, so you and Councilman Adams can get an idea of what we're looking at price wise. I've included the links to each vehicle. Let me know if you want more details.

<b>Payment Frequency:</b>	Semiannually. Based on the anticipated commencement date identified above, a proposed payment schedule is attached.
<b>Structure:</b>	Lease/purchase financing under a Master Lease/Purchase Agreement and an Equipment Schedule (the “Agreement”). Rental payments will be subject to annual appropriation.  Lessee will be responsible for all costs and expenses associated with operation, maintenance, taxes and insurance.
<b>Security:</b>	A security interest in the Property.
<b>Prepayment:</b>	Prepayable in whole on any payment date at a premium of 3% of the amount prepaid in year 1, 2% in year 2, 1% in year 3.
<b>Issuance Costs:</b>	Lessee will pay a documentation fee of \$250 per schedule.
<b>Tax Status:</b>	The Interest Rate has been established on the assumption that Lessee is a state or political subdivision within the meaning of Section 103 of the Internal Revenue Code, and that therefore interest will be exempt from federal income tax. Lessee will make customary representations, warranties and covenants to establish and maintain the exemption. If qualified, Lessee will designate the Agreement as “bank qualified.” If the interest component of rental payments is determined to be taxable, Lessee will pay Lessor on demand such amounts (including additional interest, fines, penalties

All opinions shall expressly provide that successors and assigns of Lessor may rely on them.

**Documentation:** Lessor's standard form documentation, which such proposed changes as Lessor may approve in its sole discretion.

**Funding:** If applicable, an escrow account at SunTrust Bank will be established to hold the financing proceeds. Monies in escrow will be disbursed from time to time, upon delivery of documentation specified in the escrow agreement and approval of Lessor, to pay costs of the Property. Lessee will pay a \$250 fee at closing for the escrow account set up. Any additional fees, costs and expenses specified in the escrow agreement will be paid out of the escrow account earnings. However, in the event there are not sufficient escrow account earnings to pay any such fees, costs and expenses, the Lessee agrees to pay the shortfall amount. Any surplus escrow account earnings will be for the benefit of the Lessee.

If Lessee intends to be reimbursed for any equipment cost associated with the Agreement, intent for reimbursement from the proceeds of the Agreement must be evidenced, and must qualify under the Treasury Regulation Section 1.150.2.

**Market Disruption:** Notwithstanding anything contained herein to the contrary, in the event any material change shall occur in the financial markets after the date of this proposal, including but not limited to any governmental action or other event which materially adversely affects the extension of credit by banks, leasing companies or other lending institutions, Lessor may modify the indicative pricing described above.

**Credit Approval:** This proposal is subject to credit approval.

**Proposal Expiration:** This proposal expires on December 12, 2018 if not awarded to Lessor by a written notification on or before that date. The Interest Rate is subject to change based on the three (3) and four (4) year swap rates until the financing is awarded to the Lessor. Upon award, Lessor will set the Interest Rate and honor the quoted rate for a closing on or before January 31, 2019.

## MEMORANDUM

**TO:** Hapeville City Council  
**FROM:** City Attorneys  
**CC:** Tim Young  
**DATE:** January 4, 2019  
**RE:** Regulation of Electric Scooters

---

Council,

Attached you will find proposed ordinances regarding the regulation of electric scooters. There are numerous cities within our state that are in the process of drafting ordinances, and I will continue to follow these cities, and provide sample ordinances as they become available.

Attached, you will find:

- City of Decatur's Memorandum regarding an interim operating agreement for EScooters
- City of Oakland's Draft Ordinance
- Summary of City of West Lafayette's Proposed Ordinance

## Memo

To: City Commission  
From: Peggy Merriss, City Manager  
Date: December 14, 2018  
Re: Interim Operating Agreement for EScooters

---

The purpose of this memorandum is to recommend authorizing the City Manager to execute interim operating agreements for the use of EScooters in the City of Decatur as long as the agreements are substantially similar to the following draft and are approved to form by the City Attorney.

EScooters (also referred to as Stand up electric scooters) were deployed in the City earlier this Fall without notice to, or in consultation with, the City of Decatur. Complaints about the number of scooters, scooters blocking sidewalks, streets and driveways and scooters being operated in an unsafe and erratic manner have steadily increased. The two firms we have noted operating in the City of Decatur are Bird Rides, Inc. and LimeBike.

In general, we believe that supporting an innovative mobility solution like the one provided by EScooters is consistent with the City's strategic plan and community transportation plan for last mile connectivity and for local trips. They also can reduce the number of vehicular trips and contribute to better air quality. However, we recognize that the City has a role in protecting the safety and welfare of the public as well as assuring that sidewalks are reserved primarily for pedestrian activity.

The Georgia Municipal Association convened a working group of ten Georgia cities to discuss issues related to EScooter operations, including how to permit and regulate deployment, the impacts on transportation systems and public safety, insurance and indemnification and other topics. We have had stakeholder meetings that have included City staff, the Pedestrian Committee of the Active Living Advisory Board and with MARTA. The proposed agreements are only an interim step to allow us time to provide the City Commission with an ordinance for consideration in first quarter 2019.

The following draft agreement would be used as interim step set for a ninety-day period. The draft agreement includes provisions suggested by the EScooter operations staff working group that includes representatives from the City Manager's Office and from the Active Living, Fire, Police and Public Works Departments. In addition, input was provided by the Pedestrian Committee of the Active Living Advisory Board, the Georgia Municipal Association and from source documents used by other municipalities.

The highlights of the proposed interim agreement include:

Limiting the term to ninety days, with one-month extensions after that time period. However, the agreement can be terminated with notice by either party.

Limiting the initial fleet for any agreement to 50 units.

Designating the allowed use on streets, bike paths or bike lanes and prohibiting the use on sidewalks.

Establishing safety standards.

Providing parking regulations.

Establishing signage and notice requirements.

Setting permit and operating fees.

Providing that the City can remove EScooters. Retrieval of the EScooters would cost \$75 per unit and after providing notice, the City could dispose of the EScooters in any manner determined by the City.

Describing data sharing standards.

Setting liability policies and establishing insurance coverage limits and coverages.

Another option taken by other communities has been to adopt a ban on EScooters for some specific time period to provide the opportunity to assess the feasibility of EScooter operations and to develop ordinances, regulations and guidelines. Our recommendation is to move forward using the interim agreement approach versus instituting a ban or moratorium. However, if we are not successful in obtaining satisfactory agreements, it is anticipated in that January, 2019 the City Commission would be provided with an ordinance temporarily banning EScooters.

It is anticipated that some of the specific terms may change as we go through negotiations with operating companies and in consultation with the City Attorney. It is recommended that the City Commission authorize the City Manager to execute an interim agreement as long as it is substantially similar to the draft and is approved to form by the City Attorney.

INTRODUCED BY COUNCILMEMBERS KAPLAN AND CALO: CITY OF OAKLAND

FILED

APR 14 2011 11:08 AM

City Attorney

**OAKLAND CITY COUNCIL**

**ORDINANCE No. \_\_\_\_\_ C.M.S.**

**ORDINANCE AMENDING TITLE 10 AND TITLE 12.08 OF THE OAKLAND MUNICIPAL CODE TO ESTABLISH REGULATIONS AND NEW PERMITS TO OPERATE AND PARK DOCKLESS BIKE AND SCOOTER SHARING PROGRAMS IN THE PUBLIC RIGHT OF WAY**

**WHEREAS**, the City of Oakland recognizes the practice of bike sharing as a beneficial mode of transportation that reduces demand for private vehicles, decreases per capita greenhouse-gas emissions, and creates more affordable mobility options for all of Oakland's residents; and

**WHEREAS**, dockless bike share sharing and scooter sharing services, which do not require a docking station to operate and may be electric-assist vehicles (E-bikes and E-scooters), have the potential to offer the same benefits as bike sharing, and may offer additional mobility benefits for the public, including larger, more equitable service areas and accommodation for riders with a greater range of physical abilities; and

**WHEREAS**, the Energy and Climate Action Plan (Resolution No. 84126 C.M.S.) calls for a 36% reduction in greenhouse gas emissions and 20% reduction in vehicle-miles traveled from 2005 levels by 2020; and

**WHEREAS**, the City of Oakland, through its "Alternative Modes Policy" (Resolution No. 73036 C.M.S.) supports transportation alternatives to private, single-occupant vehicles; and

**WHEREAS**, the City of Oakland applied for Transportation Fund for Clean Air funding and received \$660,616.00 for the Oakland Bike Share Program; and

**WHEREAS**, the City of Oakland adopted a Bike Sharing Policy (Resolution No. 85715 C.M.S.) which calls for the implementation of a bike sharing program that facilitates the "last mile" of transit trips and non-auto short trips; and

**WHEREAS**, the City of Oakland has the authority, pursuant to City Charter Article I, to amend the Municipal Code to amend the Master Fee Schedule to include permit fees for dockless bike sharing and scooter sharing operations; and

**WHEREAS**, unregulated, unpermitted shared-use bikes and scooters proliferating in our community can cause problems, including impeding the public right of way, lack of accountability for improper use and placement, and can cause tripping hazards; and

**WHEREAS**, this ordinance is exempt from CEQA pursuant to CEQA Guidelines Sections 15301 (existing facilities), and 15061(b) (3) (no significant effect on the environment); and

**WHEREAS**, effective and responsible regulation can help ensure that these new services can provide improved mobility options for the public, while also incentivizing appropriate placement and responsible behavior, and local jobs and accountability; now, therefore

## **NOTICE AND DIGEST**

**ORDINANCE AMENDING TITLE 10 AND TITLE 12.08 OF THE OAKLAND MUNICIPAL CODE TO ESTABLISH REGULATIONS AND NEW PERMITS TO OPERATE AND PARK DOCKLESS BIKE AND SCOOTER SHARING PROGRAMS IN THE PUBLIC RIGHT OF WAY**

Ordinance creating a regulated permit program for the establishment, operation and oversight of shared mobility services featuring dockless bikes and scooters, including electric-assist bike and scooters (e-bikes and e-scooters) that operate and park in the public right of way.

## WHAT THE PROPOSED ORDINANCE CALLS FOR

- ▶ **Permits:** Companies would need to get a permit from the city, valued at \$15,000 a year, plus \$1 per scooter operating in West Lafayette. Erik Carlson, West Lafayette's development director, said the permit cost structure was based on an ordinance Indianapolis approved in 2018. Companies would have to prove it had insurance. The companies also would need to have customer service telephone number answered by "a live person or live persons who are available 24 hours a day."
- ▶ **Scooter regulations:** Each scooter would need a number visible to nearby pedestrians could identify the company and the particular device. Scooters would need to be equipped with a bell, horn or other "lawful sound-signaling device." Users would not be able to ride a scooter "while controlling an animal, either by hand or on a leash." The company would need to come up with ways the users sign off on an understanding that scooter riders need to follow all traffic law, not ride on sidewalks, yield to pedestrians and follow proper parking procedures.
- ▶ **Data sharing:** The West Lafayette ordinance would pin permits to promises from the company to share information about origin and destination data, the total number of users and trips, average number of trips per day, total number of crashes reported each month, trends about routes and other trends, reported complaints, banned user information and the maximum number of scooters in use at any time in the previous month.
- ▶ **Miscellaneous:** Companies would have to "commit to no less than six educational events each year, focused on user safety."
