Notwithstanding anything to the contrary contained herein, Owner shall have the right to interview and approve each individual selected by Operator to hold a position as a Hotel Executive Staff Member prior to his or her appointment, which approval shall not be unreasonably withheld or delayed. Prior to appointing an individual to a Hotel Executive Staff Member position, Operator shall provide Owner with a written summary of such individual's professional experience and qualifications and shall offer Owner the opportunity to interview the candidate at the Hotel or another mutually acceptable location. Owner will forego its right to interview any such individual if Owner or its authorized representative is unwilling or unable to participate in the interview within ten (10) days following Operator's offer. Owner shall be deemed to have approved the appointment of any such individual unless Owner delivers notice of its disapproval of such appointment within ten (10) days after Operator's offer to Owner to interview the candidate. Owner acknowledges that it may not reject more than three (3) qualified candidates proposed by Operator for any Hotel Executive Staff Member position. Owner further acknowledges that, notwithstanding Owner's right to interview and approve the hiring of each individual to hold a position as a Hotel Executive Staff Member, Operator shall have sole discretion to remove or replace any such individual (with such replacement subject to the approval rights set forth herein) (provided Operator shall not relocate the general manager or director of sales to any other System Hotel without the prior consent of Owner within thirty-six (36) months of such individual's hire).

(c) Operator may elect to use the services of its Affiliates in fulfilling its obligations under this Agreement. If an Affiliate of Operator performs services Operator is required to provide, Operator shall be ultimately responsible to Owner, and Owner shall not pay more for the Affiliate's services and expenses than Operator would have been entitled to receive under this Agreement had Operator performed the services. If an Affiliate of Operator provides goods to the Hotel, such goods shall be supplied at prices and on terms at least as favorable to the Hotel as generally available in the relevant market.

(d) Any Hotel Employees who are not then represented by a collective bargaining representative shall be entitled to participate in the incentive programs, profit sharing and/or other

employee retirement, disability, health, welfare or other benefit plan or plans then made available by Operator to similarly situated employees of other System Hotels, in accordance with their respective terms. Operator will have the right to charge the Hotel with its allocable share of the cost of any such plan or plans and any contributions to be made thereunder provided that such charges and contributions shall be determined by Operator in good faith on a fair and equitable basis with respect to charges and contributions imposed for the same or similar plans at other hotels then managed by Operator, subject to Legal Requirements, and to the extent set forth in the Annual Operating Budget. Operator's rights under this Subsection (d) shall be subject to the condition that Operator shall not put into effect any amendment to any existing plan, or adopt any additional plan, which is not imposed upon all other similarly situated System Hotels.

(e) During the Term of this Agreement and for a period of twelve (12) months following termination, Owner shall not, and shall use reasonable efforts to ensure that its Affiliates do not, hire, solicit for hire, make any referrals for employment, retain as a consultant, or use the services of, any person who is employed at the Hotel as a Hotel Executive Staff Member and any Corporate Personnel, and Owner shall use reasonable efforts to prevent any other company (and any Affiliate of such other company) working on behalf of Owner or its Affiliates (including, without limitation, companies that operate or manage hotels for Owner or its Affiliates) from hiring, retaining as a consultant or using the services of any such person. The foregoing shall not prohibit Owner, any Owner Affiliate or any other company working on behalf of Owner or its Affiliates from hiring, retaining as a consultant or using the services of any such person to the extent such person is responding to a general advertisement or other solicitation of employment not specifically directed towards any Hotel Executive Staff Member or Corporate Personnel. The provisions of this section shall survive expiration or termination of this Agreement.

4.2 **Annual Plan**. [Operator shall use the existing Fiscal Year 2019 budget prepared by the existing Hotel manager as a guide to operate the Hotel pending delivery of Operator's Fiscal Year 2019 Annual Plan. On or before November 1st of each year following the Commencement Date, Operator shall submit to Owner an Annual Plan for the next Fiscal Year and on or before December 1st of each year following the Commencement Date, Owner either shall accept the Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan ("**Owner's Annual Plan Objections**"). Within seven (7) days after Operator's receipt of Owner's Annual Plan Objections, Owner and Operator shall agree upon a date to meet and discuss Owner's Annual Plan Objections with the goal of agreeing upon an Annual Plan for the subject Fiscal Year. In the event Owner objects to the Annual Plan or any specific items expense in the Annual Plan and Owner and Operator are unable to reach agreement thereon as provided above prior to commencement of the Fiscal Year in question, pending such agreement, the Annual Plan or the specific item or items of expense (not revenue) in question shall be suspended and replaced for such period of disagreement by an amount equal to the actual Operating Expenses for the immediately preceding Fiscal Year subject to an adjustment equal to the percentage increase in the CPI over the last twelve (12) month period

immediately preceding the start of the Fiscal Year in question. Notwithstanding anything to the contrary contained herein, Owner shall not have the right to withhold its approval with respect to the following aspects of the Annual Plan: (i) employee wages, compensation, and benefit programs to the extent applied on a system-wide basis to the other hotels managed by Operator, taking into account fluctuation for local market conditions; (ii) the Centralized Services Charge, and (iii) costs over which Operator has no reasonable control, including, without limitation, taxes, insurance, utility rates, payments due under Mortgages and Legal Requirements.

Approval of the Capital Budget constitutes an authorization for Operator to expend money for Capital Improvements and for FF&E as provided in the Capital Budget, unless Owner's approval thereof specifically requires Operator to obtain additional approvals prior to commencing such work. Any revisions, substitutions or additions to the approved Capital Budget must be approved by Owner in writing.

(c) Operator shall use commercially reasonable efforts to operate the Hotel in accordance with the approved Annual Plan. The parties acknowledge that: (i) the approved Annual Plan is an estimate only; (ii) unforeseen circumstances during the course of the applicable Fiscal Year may make adherence to the approved Annual Plan impracticable or impossible; and (iii) Operator shall be entitled to depart therefrom due to causes of the foregoing nature. Operator may (w) incur variable expenses directly attributable to occupancy or revenues above forecasted levels; (x) pay all taxes, utilities, insurance premiums and charges provided for in contracts and leases entered into pursuant to this Agreement that are not within Operator's ability to control; (y) make any expenditures reasonably required on an emergency basis to avoid or mitigate damage to the Hotel or injury to persons or property, provided that Operator notify Owner as promptly as reasonably possible; and (z) make any expenditures necessary to comply with, or to cure or prevent any violation of any Mortgage and Legal Requirements. In addition to, and without limiting the foregoing, Operator shall be permitted, in its discretion and without the approval of Owner, to deviate from the approved Annual Operating Budget as follows: by up to ten percent (10%) of the approved department expense line item, or by up to five percent (5%) of the aggregate total expenditures in the approved Annual Operating Budget. If Operator determines that circumstances will result in material changes between actual results and the approved Annual Plan during the course of the Fiscal Year, Operator shall, within thirty (30) days of such determination, notify Owner, which shall include a reforecast of revenues and expenses through the remainder of the Fiscal Year. Unless otherwise specified, all references to the Annual Plan in this Agreement shall be deemed to refer to the Annual Plan approved by Owner, subject to Operator's right to depart therefrom pursuant to this Section 4.2(c).

Operator further covenants and agrees that upon termination of this Agreement, whether upon its expiration or at any sooner termination thereof, it shall execute any documentation and perform any other acts which may be reasonably necessary or appropriate to effect the transfer or issuance of an alcoholic beverage license to the subsequent owner or Operator of the Hotel, provided that Operator shall not incur liability or cost in connection with such transfer or issuance. Owner covenants and agrees to pay any and all costs (including reasonable attorney's fees) incurred by Operator or its designee in effecting the transfer or obtaining such licenses and such covenant and agreement shall survive the expiration or termination of this Agreement.

4.5 **Notice of Violations**. Operator shall promptly notify Owner in writing of any written notice received from any regulatory or governmental body regarding an actual or perceived violation of any Legal Requirements.

To the extent not otherwise provided by Licensor pursuant to the terms and conditions of the License Agreement, Operator may provide or cause its affiliated companies to provide for the Hotel the benefit of certain reservation systems, centralized accounting services, IT services, purchasing services, revenue management services, training, satisfaction surveys, and/or other centralized services as may be made available generally to similar properties managed by Operator from time to time (individually and collectively, the "**Centralized Services**"). The Centralized Services currently provided by Operator, along with the Centralized Services Charge as of the Effective Date, are described in Exhibit B attached hereto. The Centralized Services and the Centralized Services Charge shall be subject to change from time to time, subject to clauses (a)-(d) above.

ARTICLE 6
ADVERTISING

Subject to the provisions of the License Agreement, Operator shall arrange and contract for all advertising, which Operator may reasonably deem necessary, in accordance with Section 4.2, for the operation of the Hotel. So long as the License Agreement may be in effect, Operator generally shall advertise the Hotel under the name required by the License Agreement for the Hotel.

ARTICLE 7
RESERVE FOR FF&E

7.1 **Reserve for Replacement of FF&E**. The Reserve shall be funded pursuant to Section 7.2, and Operator shall be authorized to use amounts in the Reserve to pay for the cost of FF&E Expenditures and Capital Improvements.

7.2 **Transfers to Reserve for FF&E**. Commencing on the Commencement Date and continuing thereafter during the remainder of the Term, Operator shall deposit monthly into the Reserve for FF&E and Capital Improvements an amount equal to the amounts required by Lender and/or by Licensor; provided that in no event will the amounts to be deposited monthly into the Reserve be less than an amount equal to four percent (4%) of Gross Revenues throughout the Term.

7.3 **Annual Adjustment**. At the end of each Fiscal Year and following receipt by Operator of the annual accounting referred to in ARTICLE 10, an adjustment will be made if necessary and if available, so that the appropriate amount shall have been deposited in the Reserve for such Fiscal Year.

7.4 **Maintenance of Reserve**. The proceeds from the sale of FF&E no longer needed for the operation of the Hotel shall be deposited in the Reserve, but not credited against the obligation to deposit cash in such fund for the then current Fiscal Year. All interest earned or accrued on amounts invested from the Reserve shall be added to the Reserve (but shall not be credited against Owner's obligations to fund the Reserve), and shall not constitute Gross Revenues or be included therein.

7.5 **Accumulation of Reserve and Additional Cost of FF&E and Capital Improvements**. Owner and Operator acknowledge and agree that portions of the Reserve may, from time to time in accordance with the then-current Annual Plan, be used for more significant expenditures than could be reserved for in a single year. Accordingly, at the end of each Fiscal Year, any amounts remaining in the Reserve shall be carried forward to the next Fiscal Year, and shall be in addition to the amount to be reserved in the next Fiscal Year. In the event at any time there are insufficient funds in the Reserve for any Fiscal Year to pay the cost of FF&E Expenditures in accordance with the Annual Plan, then Owner will, within thirty (30) days after request therefor by Operator, provide the additional funds to Operator to pay for such excess.

ARTICLE 8
REPAIRS AND MAINTENANCE AND CAPITAL IMPROVEMENTS

8.1 **Repairs and Maintenance**. Operator shall, from time to time, make such expenditures from the Reserve (or, to the extent insufficient, from funds otherwise provided by Owner) for (a) FF&E Expenditures and (b) repairs and maintenance of HVAC, mechanical and electrical systems, exterior and interior repainting; resurfacing building walls and floors; resurfacing parking areas; replacing folding walls; and miscellaneous similar expenditures (collectively, "**Repairs and Maintenance**") as required by the License Agreement, any Mortgage, Legal Requirements, Annual Plan and otherwise in the condition required by this Agreement. Except in the event of an emergency, Force Majeure Event or otherwise under circumstances in which it would be unreasonable to seek to obtain prior approval (and provided that Operator shall notify Owner of any such expenditure within a reasonable time given the nature and scope of the emergency), all expenditures for the foregoing shall be as provided in the Annual Plan. If any such Repairs and Maintenance shall be made necessary by any condition against the occurrence of which Owner has received the guaranty or warranty of the builder of the Hotel or of any supplier of labor or materials for the Hotel or of any supplier of labor or materials for the construction of the Hotel, then Operator shall, at Owner's direction, invoke said guarantees or warranties in Owner's or Operator's name and Owner shall cooperate in all reasonable respects with Operator in the enforcement thereof.

8.2 **Capital Improvements**. Owner shall, from time to time, at its sole expense (which may include funds deposited in the Reserve), make such Capital Improvements in or to the Hotel as Owner shall determine are necessary to comply with the Operating Standards. If Capital Improvements shall be required at any time during the Term by the terms of the License Agreement, to maintain the Hotel in accordance with the Operating Standards or Legal Requirements, or because Operator and Owner jointly agree upon the desirability thereof, then in such event all such Capital Improvements shall be made with as little hindrance to the operation of the Hotel as reasonably possible. Notwithstanding the foregoing, as long as the Hotel can continue to operate without interruption, Owner shall have the right to contest the need for any

such Capital Improvements required by any Legal Requirements and may postpone compliance therewith, if so permitted by law and if such postponement will not expose Operator to any civil or criminal liability. All recommendations by Operator of Capital Improvements shall be submitted in conjunction with the Capital Budget for the Fiscal Year described in Section 4.2(b). In the event that Owner elects to perform Major Renovations to the Hotel, Owner may request Operator to oversee the performance of the Major Renovations, in which case the parties shall enter into an agreement for project management services in a form and on such terms and conditions (including the amount of any project management fees) mutually acceptable to both parties.

8.3 **Liens**. Owner and Operator shall cooperate and use all commercially reasonable efforts to prevent any liens from being filed against the Hotel that arise from any maintenance, changes, repairs, alterations, improvements, renewals or replacements in or to the Hotel.

8.4 **Notice of Force Majeure Event**. In the event of any occurrence constituting a Force Majeure Event, Operator shall promptly notify Owner of such occurrence and shall keep Owner informed as to the extent and impact thereof on the Hotel.

ARTICLE 9
WORKING CAPITAL AND OPERATING ACCOUNT; DISTRIBUTION OF EXCESS CASH

9.1 **Working Capital**. Owner shall provide initial Working Capital in an amount equal to $1,000 per guest room at the Hotel. Owner shall at all times cause sufficient Working Capital to be on hand in the Operating Account. In no event shall Owner permit the Working Capital in the Operating Accounts to be less than an amount equal to the estimated monthly operating expenses of the Hotel for the ensuing sixty (60) day period, as reflected in the then current Annual Operating Budget. From time to time, upon fifteen (15) days prior written notice from Operator that such funds are required, Owner shall furnish to Operator funds that Operator deems reasonably necessary to assure that the Hotel shall have adequate Working Capital as herein provided.

9.2 **Depository Account**. All monies received by Operator in the operation of the Hotel shall be received in trust by Operator for the benefit of Owner and shall be deposited in a "**Depository Account**" in Owner's name, with certain of Owner's employees as authorized signatories, in a bank or trust company selected by Owner. Such monies shall not be commingled with other funds belonging to Operator and shall be swept on a daily basis into the Operating Account.

9.3 **Operating Account**. Owner and Operator shall also establish an Operating Account for paying the Hotel's expenses permitted herein to be charged to the Hotel and/or Owner. The Operating Account shall be in Owner's name, with Operator's employees as the authorized signatories, in a bank or trust company selected by Owner. Operator shall pay all Operating Expenses of the Hotel and amounts owed Operator and its Affiliates hereunder (including the Management Fee and Centralized Services Charges) out of the Operating Account. Checks drawn on the Operating Account or other documents of withdrawal from such accounts shall be signed by a designated representative of Operator approved by Owner. The Operating Account shall provide that, upon Owner's written direction, Operator and its representatives may be removed

as authorized signatories of such account but only upon termination of this Agreement. Owner shall make arrangements to deposit from the Depository Account into the Operating Account on a daily basis any money which is required to cover payments from the Operating Account permitted herein, including any payments for capital expenditures permitted herein. If Owner fails to do so and such failure continues for three (3) business days after notice from Operator, such failure shall be deemed an Owner Event of Default and Owner shall indemnify and hold Operator harmless from any loss or expense Operator might incur as a result of such deposit not having been made, and Operator may exercise its right to terminate pursuant to Section 15.2. All risk of loss with respect to funds in the Operating Account shall be borne by Owner.

9.4 **Distribution of Excess Cash**. Within twenty-five (25) days of the close of each Accounting Period, Operator shall distribute to Owner all sums remaining in the Operating Account in excess of the then Working Capital requirements of the Hotel determined in accordance with Section 9.1 of this Agreement.

9.5 **Lender Requirements**. The provisions of this ARTICLE 9 shall be subject to the requirements of any Lender. Operator will cooperate with all cash management and other similar requirements reasonably imposed by any Lender, provided such cash management or other requirements acknowledge that so long as Operator is managing the Hotel, Operator shall continue to receive payment of Management Fees, Reimbursable Expenses and payroll expenses as contemplated herein.

ARTICLE 10
BOOKS, RECORDS AND STATEMENTS

10.1 **Books and Records**. Operator shall keep full and adequate books of account and other records reflecting the results of operation of the Hotel in accordance with the Uniform System of Accounts and GAAP. The books of account and all other records relating to or reflecting the operation of the Hotel shall be kept either at the Hotel or at Operator's corporate offices and shall be available to Owner and its representatives and its auditors or accountants, at all reasonable times for examination, audit, inspection and transcription at Owner's sole cost and expense. All of such books and records pertaining to the Hotel shall be the property of Owner. Upon any termination of this Agreement, all of such books and records forthwith shall be turned over to Owner at a location designated by Owner so as to insure the orderly continuance of the operation of the Hotel, but such books and records shall thereafter be available to Operator at all reasonable times for inspection, audit, examination and transcription for a period of three (3) years. In addition to the Hotel's books and records, Operator shall maintain Guest Data in accordance with its privacy policy and the License Agreement; provided, however, Owner and Operator shall jointly own all Guest Data, and each may use such Guest Data in any commercially reasonable manner that: (a) does not violate the terms of this Agreement, (b) during the Term of this Agreement, does not interfere with and/or is not detrimental to the operation or financial performance of the Hotel, and (c) does not violate any Legal Requirements applicable to the use of Guest Data.

10.2 **Financial Reports**.

(a) Operator shall deliver to Owner within twenty (20) days following the close of each Accounting Period a monthly profit and loss statement reflecting a comparison of periodic and year-to-date actual revenues and expenses with the Annual Operating Budget as well as a periodic and year-to-date comparison of such actual revenues and expenses with those of the prior Fiscal Year.

(b) Within seventy-five (75) days after the end of each Fiscal Year, Operator shall deliver to Owner an annual accounting, showing the results of operation of the Hotel during the Fiscal Year and a computation of Gross Revenues, Operating Expenses, and Gross Operating Profit, if any, and any other information necessary to make the computations required hereby or which may be requested by Owner, all for such Fiscal Year. The annual accounting for any Fiscal Year shall be controlling over the interim accountings for such Fiscal Year.

(c) Operator shall prepare and deliver any additional reports or information as Owner is required to provide under the License Agreement.

10.3 **Audits by Owner**. Owner shall have the right to audit, conducted either by Owner's internal personnel or by a third party auditor retained by Owner, at its expense and not as an Operating Expense of the Hotel (except as provided below), all items of expense and revenue under this Agreement including, but not limited to, Gross Revenues, Operating Expenses, depreciation, the Management Fee and the Reserve. Operator shall cooperate and assist with such audit. In the event that an audit reflects an underpayment to Owner or Operator or an overpayment to Operator or Owner, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the audit results to Operator, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. In the event any audit establishes that Operator has overstated or understated Gross Revenues or Operating Expenses by more than five percent (5%), the costs of such audit shall be paid for by Operator (and shall not be an Operating Expense of the Hotel).

10.4 **Accounting Services**. Subject to the provision of sufficient input, review, approval and signoff by Owner, during the Term, Operator (or its Affiliate) shall render certain accounting services to and on behalf of Owner, which shall include:

(a) separate from the Hotel books and records, the maintenance of Owner's corporate books of account, including without limitation capital accounting (to be performed under Operator's capitalization policy) and check cutting services with respect to Owner's FF&E account for the payment of FF&E Expenditures;

(b) the provision of financial reporting services, utilizing Operator's standard reports, which shall be delivered within the reporting deadlines required by Lender, but in no event less than twenty (20) days monthly, forty five (45) days quarterly and ninety (90) days annually;

(c) the making of all of Owner's required payments with respect to (i) any Mortgage (on behalf of Owner in satisfaction of Owner's obligations under Section 23.5), (ii) Taxes (as set forth in Section 13.1) and (iii) Insurance Costs (as set forth in Section 12.1);

(d) if applicable, the processing of Lender requisitions from the Reserve;

(e) coordination of deliverables for Lender reporting requirements;

(f) cooperation with an independent accounting firm approved in Owner's sole discretion in connection with securitization vehicle reporting deadlines and audit procedures under Regulation AB; and

(g) other related services as mutually agreed by Owner and Operator from time to time (collectively, the "**Accounting Services**").

In consideration for its provision of the Accounting Services hereunder, Operator shall receive the Accounting Services Fee, which amount shall be payable pursuant to Section **Error! Reference source not found.**, and which reflects Operator's cost reimbursement only, without mark-up or profit to Operator. In the event the scope of the Accounting Services is materially increased (including through use of reports other than Operator's standard forms), the Accounting Services Fee may be increased as mutually determined by the parties. Owner may elect at any time to terminate the Accounting Services by delivery of seventy five (75) days' prior written notice to Operator, in which event the date of termination of the Accounting Services will be the last day of the calendar quarter following the month in which Operator receives Owner's written notice of termination, and the Accounting Services Fee shall cease to be due from and after the date of such termination.

ARTICLE 11
MANAGEMENT FEES AND OTHER PAYMENTS

11.1 **Management Fee**. For each Fiscal Year or portion thereof, Operator shall receive, by a distribution made by Operator out of the Operating Account at the end of each Accounting Period, subject to delivery of the monthly reports described in Section 10.2(a) (except with respect to the Incentive Fee, which, if due, shall be paid at the end of each calendar quarter upon the submission of the reports described in Section 10.2(b) with respect to such calendar quarter) in respect of its management services hereunder, a management fee calculated as follows (collectively, the "**Management Fee**"):

(a) a base fee (the "**Base Fee**") in an amount equal to two and one half percent (2.5%) of Gross Revenues in respect of any applicable period; plus

(b) an incentive fee (the "**Incentive Fee**") in an amount equal to fifteen percent (15%) of Adjusted GOP for such Fiscal Year. A sample calculation of the Incentive Fee is attached hereto as Exhibit C.

(c) Notwithstanding the forgoing, the aggregate Management Fee payable in any given Fiscal Year shall not exceed four percent (4%) of Gross Revenues for such Fiscal Year.

11.2 **Payment of Management Fee**. The Incentive Fee shall be computed separately for each Fiscal Year and shall not be accumulated from Fiscal Year to Fiscal Year. The Incentive Fee shall be prorated for any partial Fiscal Year (provided that in the event this Agreement is terminated due to an Event of Default by Operator, no Incentive Fee shall be payable with respect to the Fiscal Year in which such termination occurs). The Incentive Fee shall be adjusted, if necessary, within sixty (60) days after receipt by Owner of the annual accounting for such Fiscal

Year or receipt by Operator of Owner's documentation supporting the calculation of Owner's Priority Return. Upon request by Operator, Owner shall provide sufficient evidence and back up documentation to support Owner's calculation of Owner's Priority Return, including without limitation sufficient evidence and back up documentation to allow Operator to properly verify Owner's Invested Capital and Owner's Additional Invested Capital. Owner or Operator shall be entitled to audit the determination and calculation of the Management Fee. In the event that an audit reflects an underpayment or overpayment of the Management Fee to Operator, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the results of such audit to the other party, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. The calculation and payment of the Incentive Fee shall survive the termination of this Agreement.

11.3 **Other Payments**. Operator shall receive, by a distribution made by Operator out of the Operating Account at the end of each Accounting Period, the Centralized Services Charges and Accounting Services Fee for each Accounting Period concurrently with the payment of the Base Fee at the end of each Accounting Period. Operator shall also receive reimbursement from Owner for those reasonable out of pocket costs actually incurred by Operator which are or were directly and exclusively related to transitional management services provided by Operator prior to the Commencement Date, as outlined in the Transition Budget attached hereto as Exhibit D (the "**Transition Budget**"). Additionally, Operator shall, in accordance with the Annual Plan, be entitled to reimburse itself directly from the Operating Account for all Reimbursable Expenses incurred by it in connection with the performance of this Agreement. If requested by Owner, Operator shall provide a statement showing in reasonable detail the nature and amount of such expenses, together with supporting documentation reasonably requested by Owner.

11.4 **Treatment of Proceeds of Business Interruption Insurance and Condemnation Awards**. In the event of a casualty or condemnation for temporary use resulting in the payment of business interruption insurance (with respect to such casualty) or a condemnation award (with respect to such condemnation for temporary use), the amount of such proceeds shall be considered a part of Gross Revenues for the purpose of computing Operator's Management Fee, unless such Management Fees are paid directly to Operator by way of receipt of business interruption proceeds.

ARTICLE 12

The cost of any blanket coverage shall be equitably prorated among the properties and activities covered, provided that the portion of such cost allocated to the Hotel shall be no greater than if the same insurance coverage were written separately. Upon request, any such proration by Owner or Operator of blanket coverage shall be subject to the reasonable approval of the other party.

(g) The parties acknowledge that, as of the Effective Date, Operator will not provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program; provided, however, that Owner may elect to have Operator provide such insurance at any time during the Term, in which case the provisions of this Section 12.2(g) shall apply. If at any time during the Term, Owner elects to have Operator provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program, certain coverage limits will be shared with other properties owned and/or managed by Affiliates of Operator. Owner agrees that if there is a loss at the Hotel that results in a reduction of the amount of insurance coverage with respect to other properties covered by such master property insurance program, all costs of reinstating the full amount of coverage with respect to such other properties to the coverage that was available for such other properties under such master property insurance program immediately prior to such loss at the Hotel shall be borne by Owner as an expense of the Hotel. Conversely, if there is a loss at another property covered by such master insurance program that results in a reduction of the amount of insurance coverage with respect to the Hotel, all costs of reinstating the full amount of coverage with respect to the Hotel shall not be borne by Owner as an expense of the Hotel, but shall be borne by Operator or the owner of the applicable property that suffered such loss. The obligations of Owner and/or Operator pursuant to this Section 12.2(g) shall survive (i) the expiration or termination of this Agreement or termination of similar agreements, if any, related to Operator's affiliated properties on the shared program; and (ii) any election of Owner or Operator to remove the Hotel from the master insurance program and/or the removal of any of Operator's affiliated properties from the shared master insurance program. Notwithstanding the foregoing, (A) after a loss the relevant party will only be required to reinstate coverage, if any, up to an amount that results in a total amount of coverage that is sufficient for all properties under the program that are also obligated to a reinstatement provision, if Owner and Operator mutually agree at their sole discretion that the remaining amount of coverage is sufficient; provided if Owner and Operator do not mutually agree, an independent third-party consultant (i.e., a consultant who has not had any

direct relationship with either party in the preceding twenty-four (24) month period) selected by Operator will make such determination, (B) the amount of coverage to be reinstated by the relevant party will be limited to what is sufficient only for the properties in Operator's master shared insurance program that are obligated by the same reinstatement provisions per this Section 12.2(g) and (C) the maximum amount of lost shared limit to be reinstated by the relevant party after a loss will be equal to the amount of lost shared limit that was lost due to a loss at the relevant party's property. Owner also agrees that it shall bear as an expense of the Hotel all costs for any additional limits or coverages that may be requested by Owner that are above the limits in such master insurance program. Owner may elect to remove the Hotel from Operator's master insurance program upon thirty (30) days prior written notice (or upon three (3) business days prior written notice if such termination is effective on the annual renewal date of such master insurance program). Any premium prepaid by Owner for such terminated coverage shall be credited to Owner in an amount calculated by the insurance carrier in its sole and absolute discretion. Operator will use reasonable efforts to give written notice to Owner within ten (10) business days after any property is added or removed from Operator's shared master insurance program and will confirm the same upon request by Owner.

ARTICLE 13
REAL AND PERSONAL PROPERTY TAXES; UTILITIES

Operator shall pay, for and on behalf of Owner from funds of the Hotel, all real estate taxes, all personal property taxes and all betterment assessments levied against the Hotel or any of its component parts. Operator shall promptly deliver to Owner all notices of assessments, valuations and similar documents to be filed by Owner, which are received from taxing authorities by Operator.

13.2 **Utilities, Etc**. To the extent sufficient funds are available in the Operating Account or otherwise made available in a timely manner by Owner, Operator shall promptly pay all fuel, gas, light, power, water, sewage, garbage disposal, telephone and other utility bills currently as they are incurred in connection with the Hotel from the Gross Revenues or Working Capital.

ARTICLE 14

(a) If the Hotel or any portion thereof shall be damaged or destroyed at any time or times during the Term by fire, casualty or any other cause commonly covered by fire and extended coverage insurance, to the extent required or permitted by any Lender and to the extent insurance proceeds are made available by Lender for such purpose, Owner will at its own cost and expense and with due diligence, repair and/or restore the Hotel so that after such repair and/or restoration, the Hotel shall be in substantially the same condition as it was immediately prior to such damage or destruction.

(b) Owner shall notify Operator within thirty (30) days after Owner determines whether or not Lender will permit, and make insurance proceeds available to carry out, such repair and/or

restoration, in which case Owner shall complete such repair and/or restoration pursuant to the last sentence of Section 14.1(a).

(c) If Owner advises Operator as provided in clause (b) above that Lender will not permit, and make insurance proceeds available to carry out, such repair and/or restoration, or fails to advise Operator as provided in clause (b) above, Operator may terminate this Agreement by written notice to Owner, within one hundred fifty (150) days after such damage or destruction, in which case, Owner shall pay to Operator the Termination Fee (provided Owner's obligation to pay the Termination Fee shall be limited to the extent of insurance proceeds which are made available to pay such Termination Fee).

14.2 **Condemnation**. If the whole of the Hotel shall be taken or condemned in any eminent domain, condemnation, compulsory acquisition or like proceeding by any competent authority or if such a portion thereof shall be taken or condemned as to make it imprudent or unreasonable, in the sole opinion of Owner, to use the remaining portion as a hotel of the type and class immediately preceding such taking or condemnation, then this Agreement shall terminate as of the date title vests in the condemning authority. Operator has no interest in any award paid to Owner; however, Operator shall have the right, in the case of a condemnation that results in the termination of this Agreement, to institute a separately available administrative proceeding or judicial action intended to determine just compensation in connection with the condemnation, for the purpose of representing Operator's compensable interest in this Agreement. If only a part of the Hotel shall be taken or condemned and the taking or condemnation of such part does not, in the opinion of Owner, make it unreasonable or imprudent to operate the remainder as a hotel of the type and class immediately preceding such taking or condemnation, this Agreement shall not terminate, and so much of any award to Owner shall be made available as shall be reasonably necessary for making alterations or modifications of the Hotel, or any part thereof, so as to make it a satisfactory architectural unit as a hotel of similar type and class as prior to the taking or condemnation.

14.3 **Reinstatement**. If within twelve (12) months following any termination of this Agreement pursuant to Section 14.1 or 14.2, Owner or any of its Affiliates intends to commence repair and/or restoration of the Hotel, Owner shall promptly give notice to Operator in writing of such intention, and at Operator's election (exercisable by giving written notice to Owner within thirty (30) days of the date upon which Operator receives such notice from Owner), this Agreement shall be deemed reinstated in accordance with all the terms and conditions hereof (and Operator shall repay to Owner any Termination Fee received by Operator within ten (10) days after the Hotel is substantially re-opened). Operator's duties shall be suspended until the Hotel is substantially reopened and the termination date (and Term) shall be extended to reflect the period of time the Hotel is closed. The provisions of this Section 14.3 shall survive the expiration or termination of this Agreement.

14.4 **Mortgage Requirements**. Actions as to damage or destruction and condemnation shall be taken only in a manner that is consistent with the terms and conditions of any Mortgage and any conflict between those terms and conditions and the provisions of this Agreement shall be resolved in favor of such Mortgage.

ARTICLE 15
EVENTS OF DEFAULT

15.1 **Operator Defaults**. Each of the following shall constitute an Event of Default by Operator:

(a) The failure of Operator to perform, keep or fulfill any of the covenants, undertakings, obligations or conditions to be kept, observed or performed by Operator and such failure shall continue for a period of (i) ten (10) days after written notice from Owner to Operator with respect to payment of any funds or delivery of any of the financial reports required under Section 10.2, or (ii) thirty (30) days after written notice from Owner to Operator with respect to any other obligations of Operator under this Agreement; provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Operator commenced the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion, not to exceed in any event ninety (90) days after Owner's delivery of such notice.

(b) If Operator shall apply for or consent to the appointment of a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets, admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Operator in any bankruptcy, reorganization or judgment or decree shall be entered by any court of competition jurisdiction, on the application of a creditor, adjudicating Operator bankrupt or insolvent or approving a petition seeking reorganization of Operator or appointing a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets or a decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(c) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Operator, or Operator shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(d) The filing against Operator of a petition seeking adjudication of Operator as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Operator's assets, if such petition is not dismissed within ninety (90) days.

(e) Failure of Operator to maintain at all times throughout the term hereof all of the insurance required to be maintained by Operator under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Owner to Operator.

15.2 **Owner Defaults**. Each of the following shall constitute an Event of Default by Owner:

(a) The failure of Owner to pay or furnish to Operator any money Owner is required to pay or furnish to Operator in accordance with the terms hereof on the date the same is payable, if such failure is not cured within ten (10) days after written notice specifying such failure is given by Operator to Owner. If any sum of money is not paid within ten (10) days following the date the same becomes due and payable under this Agreement, and Operator has advanced such sum on behalf of Owner, such sum shall bear interest at the Default Rate from the date Operator advanced

such sum on behalf of Owner until the date Owner actually pays such sum. If the failure to pay relates to the Management Fee, such sum shall bear interest at the Default Rate from the date due until the date actually paid.

(b) The failure of Owner to perform, keep or fulfill any of the other covenants, undertakings, obligations or conditions set forth in this Agreement (other than a failure to pay or furnish to Operator any money Owner is required to pay or furnish to Operator), including without limitation, the failure of Owner to respond to written requests by Operator to approve expenditures or to authorize procedures necessary to maintain the standards of the Hotel in accordance with the Operating Standards, if such failure shall continue for a period of thirty (30) days after written notice by Operator or Licensor to Owner specifying the matters or conditions which constitute the basis for such Event of Default, provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Owner commences the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion.

(c) If Owner shall apply for or consent to the appointment of a receiver, trustee or liquidator of Owner of all or a substantial part of its assets, or admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Owner in any bankruptcy, reorganization or insolvency proceeding, or if an order, judgment or decree shall be entered by any court of competent jurisdiction, on the application of a creditor, adjudicating Owner a bankrupt or insolvent or approving a petition seeking reorganization of Owner or appointing a receiver, trustee or liquidator of Owner or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(d) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Owner, or Owner shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(e) The filing against Owner of a petition seeking adjudication of Owner as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Owner's assets, if such petition is not dismissed within ninety (90) days.

(f) Failure of Owner to maintain at all times throughout the term hereof all of the insurance required to be maintained by Owner under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Operator to Owner.

ARTICLE 16
TERMINATION UPON EVENT OF DEFAULT; OTHER REMEDIES

16.1 **Termination**. Upon the occurrence of an Event of Default, in addition to and cumulative of any and all rights and remedies available to the non-defaulting party under this Agreement, at law or in equity, the non-defaulting party may: (a) terminate this Agreement without penalty, effective upon receipt of written notice of termination by the defaulting party; and (b) pursue any

and all other remedies available to the non-defaulting party at law or in equity. In addition to and cumulative of the foregoing, upon the occurrence of any Event of Default on the part of Owner, all Management Fees, Reimbursable Expenses, Accounting Services Fees and all other sums then due and payable to Operator under this Agreement shall be immediately due and payable without notice. In no event shall the provisions of this Agreement with respect to the payment of a Termination Fee upon the termination of this Agreement under certain circumstances be construed as defining or limiting the amount recoverable by Operator from Owner by reason of any Event of Default on the part of Owner.

16.2 **Operator's Rights to Perform**.

(a) If Owner shall fail to make any payment or to perform any act required of Owner pursuant to this Agreement, Operator may (but shall not be obligated to), without further notice to, or demand upon, Owner and without waiving or releasing Owner from any obligations under this Agreement, make such payment (either with its own funds or with funds withdrawn for such purpose from the Operating Accounts) or perform such act. All sums so paid by Operator from its own funds, together with interest thereon at the Default Rate from the date of making such expenditure by Operator, shall be payable to Operator on demand.

(b) Operator shall have the right to set-off against any payments to be made to Owner by Operator under any provision of this Agreement and against all funds from time to time in the Operating Accounts any and all liabilities of Owner to Operator. Operator may withdraw from the Operating Accounts from time to time such amounts as Operator deems desirable in partial or full payment of all or any portion of said liabilities, the amount of such withdrawals to be paid by Owner to Operator on demand and to be replaced in the respective account and fund.

(c) Owner shall have the right to set-off against any payments to be made to Operator by Owner any amounts owed by Operator to Owner under this Agreement.

ARTICLE 17
OWNER'S ADDITIONAL TERMINATION RIGHTS

17.1 **Termination on Sale**. If at any time during the Term, Owner sells, leases or otherwise transfers or conveys (a) the Hotel, or (b) seventy-five percent (75%) or more of the direct or indirect interests in Owner, in each case to a person or entity which is not an Affiliate of Owner in a bona fide arm's length transaction, Owner shall have the right to terminate this Agreement by giving prior written notice (the "**Sale Termination Notice**") to Operator; provided that if such transfer shall occur at any time prior to the third (3rd) anniversary of the Commencement Date, Owner shall pay to Operator, as a condition of such termination, the Termination Fee, subject to Section 21.2. The Sale Termination Notice shall set forth an estimate of the effective termination date of this Agreement, which date shall not be less than sixty (60) days subsequent to the date of the Sale Termination Notice. The actual termination shall be effective as of the closing of the sale, regardless of the estimate provided in the Sale Termination Notice. Accordingly, Owner shall, upon reasonable notice, have the right to extend the effective date of such termination for a reasonable period of time based on delays in the closing, provided that Owner shall pay all actual costs reasonably incurred by Operator in postponing the effectiveness of such termination. As a further condition of any termination of this Agreement by Owner under this Section 17.1, Owner

shall pay to Operator, on or before the effective date of such termination all amounts due Operator and its Affiliates under this Agreement for the period of time prior to the date of termination.

17.2 **Performance Termination**.

(a) Subject to the provisions of this Section 17.2, Owner may terminate this Agreement in accordance with the procedure described below, if for any full Fiscal Year from and after the expiration of Fiscal Year 2019 (i.e., commencing with Fiscal Year 2020) (each a "**Measurement Year**"), subsections (i) and (ii) below are applicable for such Measurement Year (collectively, the "**Performance Test**"):

(i) the Gross Operating Profit for such Measurement Year is less than ninety percent (90%) of the budgeted Gross Operating Profit set forth in the approved Annual Operating Budget for such Measurement Year (the "**GOP Test**"); and

(ii) the RevPAR of the Hotel for such Measurement Year is less than the following percentage of the annualized RevPAR for the Competitive Set (the "**RevPAR Test**"): (A) for Fiscal Year 2020, one hundred and ten percent percent (110%); (B) for Fiscal Year 2021, one hundred and fifteen percent (115%); (C) for Fiscal Year 2022, and every Fiscal Year thereafter for the remainder of the Term, one hundred and twenty percent (120%).

(b) If the Performance Test is not satisfied and Owner elects to exercise its right to terminate this Agreement pursuant to this Section, (i) Owner shall give written notice to Operator of such election within sixty (60) days after the receipt by Owner of the annual accounting (as set forth in Section 10.2) for such Measurement Year; and (ii) the notice shall specify a termination date no sooner than ninety (90) days after the giving of such notice. No Termination Fee shall be payable upon any termination of this Agreement pursuant to this Section 17.2. Within sixty (60) days following its receipt of Owner's notice of termination, Operator may elect, which election may be exercised only once during the Term, to pay to Owner an amount which, when added to the actual aggregate amount of the Gross Operating Profit for the Measurement Year in question, equals the amount of Gross Operating Profit that would have been necessary to satisfy the GOP Test for such Measurement Year. Upon such payment, the Performance Test shall be deemed to have been satisfied for such Measurement Year, Owner shall not have a right to terminate this Agreement based upon such Measurement Year and Owner's election to do so shall be of no further force and effect.

(c) In the event that there is a Threshold Adjustment Event, Owner and Operator will reasonably cooperate to equitably adjust the GOP Test and the RevPAR Test, as applicable. If the parties cannot agree as to the equitable adjustment within thirty (30) days following written request for adjustment by either party, the matter will be submitted to an Expert, as provided and in accordance with the procedures set forth in Section 27.1.

ARTICLE 18
TRANSFER AND REMITTANCE TO OWNER UPON TERMINATION

18.1 **Transfer to Owner**. Upon any termination of this Agreement, whether due to the occurrence of an Event of Default or otherwise, Operator shall cooperate with Owner and shall execute all documents or instruments requested by Owner in connection with the transfer to

Owner or its nominee of the Permits and the License Agreement used or useful in connection with the operation of the Hotel (including without limitation executing any interim beverage agreement or similar agreement reasonably required to allow alcoholic beverages to continue to be sold at the Hotel after such termination in accordance with Legal Requirements pending issuance of temporary or new Permits with respect to such sales to Owner or its designee, so long as such successor Owner provides Operator with an indemnity, in form and substance reasonably acceptable to Operator, indemnifying Operator from any and all claims and liability associated with such interim agreements and continued use of such Permits); provided, however, if such termination is due to a reason other than a default by Operator under this Agreement, Owner will reimburse Operator for Operator's reasonable expenses to effect such transfer, or the imposition of liability by Operator. Without limiting the generality of the foregoing, Operator shall cause its officials to execute any necessary documents to effectuate the orderly transfer to Owner or its designee of the Permits and the License Agreement or the renewal thereof to Owner or Owner's designee if appropriate. In the event that this Agreement terminates for any reason, a sufficient number of Hotel Employees will be hired by Owner or its successor, assign or designee, so as not to cause a "mass layoff" or "plant closing", as defined in the Workers Adjustment and Retraining Act, 29 USC, sec 2101 et seq. (the "**WARN Act**"). Owner hereby agrees to indemnify, defend and hold Operator harmless from and against any and all claims asserted against or incurred by Operator related to: (a) hiring, discharging, offering to hire or failing to hire any of the Hotel Employees; (b) termination of the Hotel Employees by reason of the termination of this Agreement; or (c) Owner's failure to take, or cause to be taken, the action necessary with respect to Hotel Employees so that Operator will not be required to comply with the WARN Act or any other similar Legal Requirements.

18.2 **Remittance to Owner**. Upon the expiration or termination of this Agreement, after payment of all Operating Expenses for which bills were received to such date, Operator's Management Fee, Reimbursable Expenses, Accounting Services Fee, any Termination Fee and any other amounts then due and payable to Operator, and after withholding a reasonable amount determined by Operator to be necessary to pay for any continuing liabilities or payables that may become due following such termination, all remaining amounts in: (a) the Reserve and (b) the Operating Account, shall be transferred by Operator to Owner.

ARTICLE 19

ARTICLE 20
CONSENT AND APPROVAL

Except as herein otherwise provided, whenever in this Agreement the consent or approval of Operator or Owner is required, such consent or approval shall not be unreasonably withheld or delayed. Such consent or approval shall also be in writing only and shall be executed only by an authorized officer or agent of the party granting such consent or approval.

ARTICLE 21
TRANSFERS

21.1 **Transfers**. Except as herein otherwise provided, neither party may cause or permit a Transfer without the prior written consent of the other party (which consent may be withheld or conditioned in such other party's sole discretion); provided however, that either party shall be entitled to assign this Agreement (a) to an Affiliate of such party and (b) in connection with a corporate transaction involving such party in which all or substantially all of such party's assets are transferred to an Affiliate of such party. Operator shall have the right to assign its economic rights to receive payments under this Agreement (as opposed to a pledge of the ownership interests in Operator) as security for indebtedness or other obligations. Additionally, Operator

may transfer this Agreement and its rights hereunder to a successor by merger, sale of all or substantially all of its assets or interest in Operator, as applicable, or otherwise by operation of law.

21.2 **Assignability upon Sale**. Notwithstanding anything to the contrary in Section 21.1, if Owner decides to enter into a Sale of the Hotel with a third party, then at such time as Owner enters into a firm commitment for the Sale of the Hotel, Owner shall deliver a written notice (the "**Notice of Proposed Sale**") of the proposed Sale of the Hotel to Operator stating the name of the prospective purchaser or tenant, as the case may be, and, thereafter shall provide all other information concerning the proposed purchaser or tenant reasonably requested by Operator and which such purchaser or tenant has provided to Owner or Owner's Affiliates. Within fifteen (15) days of Operator's receipt of the Notice of Proposed Sale, Operator shall notify Owner of its election to either: (a) continue operating the Hotel following such Sale of the Hotel, or (b) terminate this Agreement. In the event Operator enters into an agreement to operate the Hotel following such Sale of the Hotel, Operator shall not have the right to receive the Termination Fee in connection with such Sale of the Hotel. In the event Operator does not enter into an agreement to operate the Hotel following the closing of the Sale of the Hotel Operator shall have the right to receive the Termination Fee.

21.3 **Prohibited Sale**. Notwithstanding anything to the contrary in Section 21.2, Owner may not cause or permit a Transfer to any Prohibited Person.

ARTICLE 22
INDEMNITY

22.1 **Indemnity by Owner**. Owner shall indemnify, defend and hold Operator, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Operator Indemnified Parties**") harmless for, from and against any and all third-party liabilities, claims, demands, actions, causes of action, judgments, orders, damages, costs, expenses, and losses (including reasonable attorney's fees and costs) (collectively, "**Claims**") which Operator Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from: (a) this Agreement, including the negotiation of or entering into this Agreement; (b) the development, construction, ownership and/or operation of the Hotel from and after the Effective Date, (c) any reporting to the IRS, Owner's lenders or any party relying on Owner's books and records by Owner or by Operator (on behalf of and as directed by Owner, in connection with Operator's provision of the Accounting Services pursuant to Section 10.4 of this Agreement); and (d) other activities relating to the Hotel, except to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.2 **Indemnity by Operator**. Operator shall indemnify, defend and hold Owner, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Owner Indemnified Parties**") harmless for, from and against any and all Claims which Owner Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from this Agreement, to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.3 **Indemnification Procedure**. Any Indemnified Party shall be entitled, upon written notice to the Indemnifying Party, to the timely appointment of counsel by the Indemnifying Party for the defense of any claim, which counsel shall be subject to the approval of the Indemnified Party. If, in the Indemnified Party's reasonable judgment, a material conflict of interest exists between the Indemnified Party and the Indemnifying Party at any time during the defense of the Indemnified Party, the Indemnified Party may appoint independent counsel of its choice for the defense of the Indemnified Party as to such claim. Additionally, regardless of whether the Indemnified Party is appointed counsel or selects independent counsel (a) the Indemnified Party shall have the right to participate in the defense of any claim and approve any proposed settlement of such claim, such approval to be in such party's sole and absolute discretion, and (b) all costs, expenses and attorneys' fees of the Indemnified Party shall be borne by the Indemnifying Party. If the Indemnifying Party fails to timely pay such costs, expenses and reasonable attorneys' fees, the Indemnified Party may, but shall not be obligated to, pay such amounts and be reimbursed by the Indemnifying Party for the same, which amounts shall bear interest at the Default Rate until paid in full. The parties hereby acknowledge that it shall not be a defense to a demand for indemnity that less than all claims asserted against the Indemnified Party are subject to indemnification. If a claim is covered by the Indemnifying Party's liability insurance, the Indemnified Party shall not take or omit to take any action that would cause the insurer not to defend such claim or to disclaim liability in respect thereof. Further, the Indemnified Party shall cooperate with the Indemnifying Party in the defense of the claim (at the Indemnifying Party's cost), shall not settle the claim without the consent of the Indemnifying Party, and shall not take any action which prejudices the defense of the claim.

22.4 **Survival/Miscellaneous**. The provisions of this ARTICLE 22 shall survive the expiration or earlier termination of this Agreement. Owner and Operator mutually agree for the benefit of each other to look first to the appropriate insurance coverages in effect pursuant to this Agreement in the event any claim or liability occurs as a result of injury to person or damage to property, regardless of the cause of such claim or liability. In no event shall the settlement by either party of any claim brought by a third party (including Hotel Employees) in connection with the ownership or operation of the Hotel be deemed to create any presumption of the validity of the claim, nor shall any such settlement be deemed to create any presumption that the acts or omissions giving rise to such claim constituted Operator's Grossly Negligent or Willful Acts.

ARTICLE 23
MISCELLANEOUS

23.1 **Further Assurances**. Owner and Operator shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding and enforceable as between them and as against third parties.

23.2 **Waiver**. The waiver of any of the terms and conditions of this Agreement on any occasion or occasions shall not be deemed a waiver of such terms and conditions on any future occasion.

23.3 **Successors and Assigns**. Subject to and limited by ARTICLE 21, this Agreement shall be binding upon and inure to the benefit of Owner, its successors and permitted assigns, and shall be binding upon and inure to the benefit of Operator, its successors and permitted assigns.

23.4 **Governing Law**. This Agreement shall be construed, both as to its validity and as to the performance of the parties, in accordance with the laws of the State of New York.

23.5 **Compliance with Mortgage and License Agreement**. In carrying out their respective duties and obligations under the terms of this Agreement, Owner and Operator shall take no action that could reasonably be expected to constitute a material default under any Mortgage or the License Agreement and will take such actions as are reasonably necessary to comply therewith. Owner shall be responsible for making all payments under any Mortgage.

23.6 **Amendments**. This Agreement may not be modified, amended, surrendered or changed, except by a written document signed by Owner and Operator agreeing to be bound thereby.

23.7 **Estoppel Certificates**. Owner and Operator agree, at any time and from time to time, as requested by the other party, upon not less than ten (10) days' prior written notice, to execute and deliver to the other a written statement (a) certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same are in full force and effect as modified and stating the modifications), (b) certifying the dates to which required payments have been paid, and (c) stating whether or not, to the best knowledge of the signer, the other party is in default in performance of any of its obligations under this Agreement, and if so, specifying each such default of which the signer may have knowledge, it being intended that such statement delivered pursuant hereto may be relied upon by others with whom the party requesting such certificate may be dealing.

23.8 **Inspection Rights**. Owner shall have the right to inspect the Hotel and examine the books and records of Operator pertaining to the Hotel at all reasonable times during the Term upon reasonable notice to Operator, and Owner and the holder of any Mortgage shall have access to the Hotel and the books and records pertaining thereto at all times during the Term to the extent necessary to comply with the terms of any Mortgage, all to the extent consistent with applicable Legal Requirements and the rights of guests, tenants and concessionaires of the Hotel, and all to the extent the same will not interfere with the operation and management of the Hotel.

23.9 **Subordination**. This Agreement, any extension hereof and any modification hereof shall be subject and subordinate to a Mortgage as provided therein. The provisions of this Section shall be self-operative and no further instrument of subordination shall be required; however, Operator will execute and return to Owner (or to Lender, as designated by Owner) such documentation as Owner or Lender may reasonably request to evidence the subordination of this Agreement to the Mortgage (and, if required by a Lender, the assignment of this Agreement to such Lender as additional security in connection with such Mortgage).

23.10 **Effect of Approval of Plans and Specifications**. Owner and Operator agree that in each instance in this Agreement or elsewhere wherein Operator is required to give its approval of plans, specifications, budgets and/or financing, no such approval shall imply or be deemed to constitute an opinion by Operator, nor impose upon Operator any responsibility for the design or construction of additions to or improvements of the Hotel, including but not limited to structural integrity or life/safety requirements or adequacy of budgets and/or financing. The scope of Operator's review and approval of plans and specifications is limited solely to the adequacy and relationship of spaces and aesthetics of the Hotel in order to comply with the Operating Standards.

23.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties relating to the subject matter hereof, superseding all prior agreements or undertakings, oral or written.

23.12 **Time is of the Essence**. Time is of the essence in this Agreement.

23.13 **Interpretation**. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

23.14 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and need not be signed by more than one of the parties hereto and all of which shall constitute one and the same agreement. Counterparts of this Agreement received by electronic transmission shall be deemed originals for all purposes.

23.15 **Partial Invalidity**. In the event that any one or more of the phrases, sentences, clauses or paragraphs contained in this Agreement shall be declared invalid by the final and unappealable order, decree or judgment of any court, this Agreement shall be construed as if such phrases, sentences, clauses or paragraphs had not been inserted, unless such construction would substantially destroy the benefit of the bargain of this Agreement to either of the parties hereto.

23.16 **Confidentiality**. The parties agree that the terms, conditions and provisions set forth in this Agreement are strictly confidential and the parties agree to keep strictly confidential any information of a confidential nature about or belonging to a party or to any Affiliate of a party to which the other party gains or has access by virtue of the relationship between the parties (collectively, "**Privileged Information**"). Except as disclosure may be required to obtain the advice of professionals or consultants, or financing for the Hotel from a Lender, or in furtherance of a permitted assignment of this Agreement, or as may be required to comply with Legal Requirements (including reporting requirements applicable to public companies), each party shall make commercially reasonable efforts to ensure that Privileged Information is not disclosed to the press or to any other third party without the prior consent of the other party. Notwithstanding the foregoing, the parties hereby acknowledge that Operator shall have the authority to release information regarding the Hotel to STR, Inc. (or a similar organization mutually agreed upon by the parties). The obligations set forth in this Section shall survive any termination or expiration of this Agreement. The parties shall cooperate with one another on all public statements, whether written or oral and no matter how disseminated, regarding their contractual relationship as set forth in this Agreement or the performance of their respective obligations under this Agreement.

23.17 **No Third Party Rights**. This Agreement shall inure solely to the parties hereto. Notwithstanding any other provision of this Agreement, no third party shall have any rights pursuant to the terms of this Agreement.

ARTICLE 24
NO REPRESENTATIONS AS TO INCOME OR FINANCIAL SUCCESS OF HOTEL

In entering into this Agreement, Operator and Owner acknowledge that neither Owner nor Operator has made any representation to the other regarding projected earnings, the possibility of future success or any other similar matter respecting the Hotel, and that Operator and Owner

understand that no guarantee is made to the other as to any specific amount of income to be received by Operator or Owner or as to the future financial success of the Hotel.

ARTICLE 25
REPRESENTATIONS OF OPERATOR

In order to induce Owner to enter into this Agreement, Operator does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Operator enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Operator, threatened, against or relating to Operator, the properties or business of Operator or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Operator to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Owner;

(c) neither the consummation of the transactions contemplated by this Agreement on the part of Operator or to be performed, nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Operator is a party or by which it is bound; and

(d) Operator is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("**OFAC**") of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action (such persons and entities being "**Prohibited Persons**").

ARTICLE 26
REPRESENTATIONS OF OWNER

In order to induce Operator to enter into this Agreement, Owner does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Owner enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Owner, threatened, against or relating to Owner, the properties or business of Owner or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Owner to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Operator;

(c) neither the consummation of the transactions contemplated by this Agreement by this Agreement on the part of Owner to be performed nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Owner is a party or by which it is bound; and

ARTICLE 27
DISPUTE RESOLUTION

27.1 **Expert Determination**. Notwithstanding anything to the contrary in Section 27.2, any dispute, claim or issue arising under this Agreement with respect to: (a) the proper inclusion or exclusion of items in revenues, expenses and other financial computations contemplated herein, (b) the proper computation of the Base Fee, Incentive Fee, charges for Centralized Services, Accounting Services or Reimbursable Expenses, (c) disputes relating to the Annual Plan, including expenses related to satisfying Operating Standards, (d) disputes as to the Performance Test or changes in the Competitive Set, or (e) other matters as to which this Agreement expressly provides for dispute resolution by an Expert, shall be resolved in accordance with this Section by one Expert. Notwithstanding the foregoing, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The decision of the Expert shall be final and binding on the parties and shall not be capable of challenge, whether by arbitration, in court or otherwise, except to the extent of any manifest error in such Expert's determination. The costs of the Expert and the proceedings shall be borne as directed by the Expert unless otherwise provided for herein. In the event the parties are unable to agree on an Expert or otherwise disagree as to whether the disputed matter qualifies for Expert determination, either party shall have the right, prior to submitting such matter to an Expert, to initiate the mediation and arbitration procedures contemplated below.

27.2 **Mediation/Arbitration**. Except with respect to the matters described in Section 27.1 above, if any claim, dispute or difference of any kind whatsoever (a "**Dispute**") shall arise out of or in connection with or in relation to this Agreement whether in contract, tort, statutory, or otherwise, and including any questions regarding the existence, scope, validity, breach or termination of this Agreement, the following procedures shall apply:

(a) The parties shall first attempt to settle such Dispute by participating in at least ten (10) hours of mediation, which mediation shall be administered by JAMS (or if JAMS no longer exists, another mutually acceptable alternative dispute resolution provider) (the "**ADR Provider**"). A designated individual mediator who is a member in good standing of the ADR Provider will then be mutually selected by the parties to conduct the mediation; provided that such mediator must have at least ten (10) years' experience as a mediator and must not have any conflict of interest with either party (the "**Mediator**"). If the parties are unable to agree upon the identity of the

Mediator within five (5) days after the complaining party has notified the other party that a Dispute exists, then, subject to the requirements of this Section, the ADR Provider shall select a qualified Mediator of its choosing who shall act as the Mediator of the Dispute. The mediation will be a nonbinding conference between the parties conducted in accordance with the applicable rules and procedures of the ADR Provider. The mediation shall take place in New York, New York. Neither party may initiate litigation or arbitration proceedings with respect to any Dispute until the mediation of such Dispute is complete; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any claims solely relating to: (i) preserving or protecting proprietary information, (ii) emergency or injunctive relief, (iii) enforcement of the dispute resolution provisions of this Agreement, or (iv) enforcement of the decision and/or award by any Expert or Arbitrator hereunder ("**Litigation Claims**"). Any mediation will be considered complete: (a) if the parties enter into an agreement to resolve the Dispute; or (b) if the Dispute is not resolved after completion of ten (10) hours of such mediation. The parties shall share equally in the cost of the mediation.

(b) If any Dispute remains between the parties after the mediation is complete, then the Dispute shall be submitted to final and binding arbitration pursuant to the procedures set forth in this Section; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The parties agree that the Arbitrator shall have the power to order equitable remedies, including specific performance and injunctive relief.

(c) An arbitral tribunal of one arbitrator (the "**Arbitrator**") shall be established in conformity with the Comprehensive Arbitration Rules and Procedures of JAMS or such other rules of a successor ADR Provider mutually agreed upon by the parties (the "**Rules**") in effect at the time such arbitration is commenced; provided, however, the parties agree that such Arbitrator shall have not less than ten (10) years' experience in or for the hospitality industry in the area of expertise on which the dispute is based (e.g. with respect to operational matters, experience in the management and operation of hotels of a similar nature as the Hotel or, with respect to financial matters, experience in the financial or economic evaluation or appraisal of hotels). Each party shall appoint a person to appoint the Arbitrator within five (5) days of the date of a request to initiate arbitration, and the two appointed persons will then jointly appoint the Arbitrator (provided that the Arbitrator shall not be the same person as the Mediator) within ten (10) days thereafter. If the appointed persons or the Arbitrator is not appointed within the time limits set forth in the preceding sentence, such person(s) or Arbitrator shall be appointed by the ADR Provider (subject to the hospitality qualification standards set forth above). In rendering a decision hereunder, the Arbitrator shall take into account the Operating Standards of the Hotel and other applicable provisions of this Agreement.

(d) The arbitration, regardless of the amount in dispute, shall be conducted in accordance with the Rules. Any arbitration shall take place in New York, New York. The Arbitrator shall apply the substantive law of the State of New York. No party to any Dispute shall be required to join any other party as a party to the Dispute pursuant to the arbitration provisions set forth in this ARTICLE 27.

(e) The Arbitrator's monetary awards may include a requirement that the losing party bear reasonable attorneys' fees and costs of the arbitration proceeding, but, in no event shall award punitive or exemplary damages of any kind. Unless the Arbitrator determines otherwise, each

party to an arbitration proceeding shall be responsible for all fees and expenses of such party's attorneys, witnesses, and other representatives, and one-half of the other fees and expenses of the Arbitrator, and the other costs of the arbitration shall be allocated to and paid by (a) the party or parties initiating the respective arbitration proceeding, and (b) the party or parties against whom the respective arbitration proceeding is brought. The award rendered in any arbitration commenced hereunder shall be final and binding upon the parties, and each party hereby waives any claim or appeal whatsoever against it or any defense against its enforcement.

(f) The obligation to arbitrate under this Section is binding on the parties and their respective successors and assigns.

Until such time as a final determination of any Dispute is obtained pursuant to this Section and, notwithstanding any termination of or default under, or alleged termination of or default under, this Agreement, all parties to this Agreement involved in such Dispute shall remain liable for, and shall be required to continue to satisfy, their respective obligations under this Agreement.

27.3 **Survival**. This Section shall survive the expiration or termination of this Agreement.

ARTICLE 28
TERMINATION OF THE LICENSE AGREEMENT

Owner reserves and shall have the right in its sole discretion, at any time and without the consent or approval of (but with notice to) Operator, to terminate the License Agreement, provided, however, that Owner shall have no such right in order to establish its own independent operations, such as an operation without a franchise or license or in its own hotel name.

ARTICLE 29
RELATIONSHIP OF PARTIES

29.1 Owner and Operator acknowledge and agree that in operating the Hotel, entering into contracts, accepting reservations, and conducting financial transactions for the Hotel, Operator acts on behalf of and as agent for Owner with respect to the rights and obligations contemplated by this Agreement and assumes no independent contractual liability nor shall Operator be obligated to extend its own credit with respect to any obligation incurred in operating the Hotel or performing its obligations under this Agreement.

29.2 The relationship between the parties hereto shall be that of principal, in the case of Owner, and agent, in the case of Operator, with respect to the rights and obligations contemplated by this Agreement. Nothing contained in this Agreement shall constitute, or be construed to constitute or create, a partnership, joint venture or lease between Owner and Operator with respect to the Hotel. This Agreement is for the benefit of Owner and Operator and shall not create third-party beneficiary rights.

29.3 This Agreement shall be interpreted in accordance with general principles of contract interpretation without regard to the common law principles of agency (except as expressly provided for in this Agreement), and any liability between the parties shall be based solely on principles of contract law and the express provisions of this Agreement. To the extent any duties,

fiduciary or otherwise, that exist or may be implied for any reason whatsoever, including without limitation those resulting from the relationship between the parties, and including without limitation all duties of loyalty, good faith, fair dealing, care, full disclosure, or any other duty deemed to exist under the common law principles of agency or otherwise (collectively, the "**Implied Fiduciary Duties**"), are inconsistent with, or would have the effect of modifying, limiting or restricting the express provisions of this Agreement, the terms of this Agreement shall prevail.

29.4 For purposes of assessing Operator's duties and obligations under this Agreement, the parties acknowledge that the terms and provisions of this Agreement and the duties and obligations set forth herein are intended to satisfy any fiduciary duties which may exist between the parties. The parties also hereby unconditionally and irrevocably waive and release any right, power or privilege either may have to claim or receive from the other party any punitive, exemplary, statutory, or treble damages or any incidental or consequential damages with respect to any breach of the Implied Fiduciary Duties. Furthermore, Owner specifically consents to all transactions and conduct by Operator and its Affiliates described in this Agreement, including those set forth below, and waives any Implied Fiduciary Duties which Operator may owe to Owner now, or which may arise in the future, in connection with such transactions or conduct. Owner acknowledges and agrees that its consent to the transactions and conduct by Operator described in this Agreement, and its waiver of any Implied Fiduciary Duties otherwise owed by Operator: (a) has been obtained by Operator in good faith; (b) is made knowingly by Owner based on its adequate informed judgment as a sophisticated party after seeking the advice of competent and informed counsel; and (c) arises from Owner's knowledge and understanding of the specific transactions and actions or inactions of operators that are normal, customary, and reasonably expected in the hotel industry generally for this segment of the hotel industry.

The foregoing shall not prohibit Owner, any Owner Affiliate or any other company working on behalf of Owner or its Affiliates from hiring, retaining as a consultant or using the services of any such person to the extent such person is responding to a general advertisement or other solicitation of employment not specifically directed towards any Hotel Executive Staff Member or Corporate Personnel. The provisions of this section shall survive expiration or termination of this Agreement.

immediately preceding the start of the Fiscal Year in question. Notwithstanding anything to the contrary contained herein, Owner shall not have the right to withhold its approval with respect to the following aspects of the Annual Plan: (i) employee wages, compensation, and benefit programs to the extent applied on a system-wide basis to the other hotels managed by Operator, taking into account fluctuation for local market conditions; (ii) the Centralized Services Charge, and (iii) costs over which Operator has no reasonable control, including, without limitation, taxes, insurance, utility rates, payments due under Mortgages and Legal Requirements.

Any revisions, substitutions or additions to the approved Capital Budget must be approved by Owner in writing.

(c) Operator shall use commercially reasonable efforts to operate the Hotel in accordance with the approved Annual Plan. The parties acknowledge that: (i) the approved Annual Plan is an estimate only; (ii) unforeseen circumstances during the course of the applicable Fiscal Year may make adherence to the approved Annual Plan impracticable or impossible; and (iii) Operator shall be entitled to depart therefrom due to causes of the foregoing nature. Operator may (w) incur variable expenses directly attributable to occupancy or revenues above forecasted levels; (x) pay all taxes, utilities, insurance premiums and charges provided for in contracts and leases entered into pursuant to this Agreement that are not within Operator's ability to control; (y) make any expenditures reasonably required on an emergency basis to avoid or mitigate damage to the Hotel or injury to persons or property, provided that Operator notify Owner as promptly as reasonably possible; and (z) make any expenditures necessary to comply with, or to cure or prevent any violation of any Mortgage and Legal Requirements. In addition to, and without limiting the foregoing, Operator shall be permitted, in its discretion and without the approval of Owner, to deviate from the approved Annual Operating Budget as follows: by up to ten percent (10%) of the approved department expense line item, or by up to five percent (5%) of the aggregate total expenditures in the approved Annual Operating Budget. If Operator determines that circumstances will result in material changes between actual results and the approved Annual Plan during the course of the Fiscal Year, Operator shall, within thirty (30) days of such determination, notify Owner, which shall include a reforecast of revenues and expenses through the remainder of the Fiscal Year. Unless otherwise specified, all references to the Annual Plan in this Agreement shall be deemed to refer to the Annual Plan approved by Owner, subject to Operator's right to depart therefrom pursuant to this Section 4.2(c).

4.3 **Labor Relations**. Operator may negotiate with any union lawfully entitled to represent the Hotel Employees and may execute collective bargaining agreements or labor contracts resulting therefrom that have been approved by Owner in Owner's sole and absolute discretion, as provided in Section 2.1(d). Owner shall have the right to have one or more representatives attend and participate in all such negotiations.

4.4 **Liquor License**. Operator shall obtain all alcoholic beverage licenses either in its name or its designee and shall maintain the alcoholic beverage licenses in good standing and effect, free of all liens (with the exception of any lien granted to Owner herein) and in compliance with the conditions imposed upon such alcoholic beverage licenses by any alcoholic beverage control commission or other governmental authority or agency, pursuant to the License Agreement. Operator further covenants and agrees that upon termination of this Agreement, whether upon its expiration or at any sooner termination thereof, it shall execute any documentation and perform any other acts which may be reasonably necessary or appropriate to effect the transfer or issuance of an alcoholic beverage license to the subsequent owner or Operator of the Hotel, provided that Operator shall not incur liability or cost in connection with such transfer or issuance. Owner covenants and agrees to pay any and all costs (including reasonable attorney's fees) incurred by Operator or its designee in effecting the transfer or obtaining such licenses and such covenant and agreement shall survive the expiration or termination of this Agreement.

4.5 **Notice of Violations**. Operator shall promptly notify Owner in writing of any written notice received from any regulatory or governmental body regarding an actual or perceived violation of any Legal Requirements.

4.6 **Centralized Services**. To the extent not otherwise provided by Licensor pursuant to the terms and conditions of the License Agreement, Operator may provide or cause its affiliated companies to provide for the Hotel the benefit of certain reservation systems, centralized accounting services, IT services, purchasing services, revenue management services, training, satisfaction surveys, and/or other centralized services as may be made available generally to similar properties managed by Operator from time to time (individually and collectively, the "**Centralized Services**"). The cost of all Centralized Services ("**Centralized Services Charge**") shall be (a) set forth in the applicable Annual Operating Budget, (b) allocated to the Hotel on an equitable basis with all other hotels utilizing the Centralized Services of Operator or its Affiliates, (c) reimbursed to Operator on a cost reimbursement basis and without mark-up or profit to Operator, and (d) shall not exceed the costs which Owner otherwise would have incurred if such services otherwise were provided on-site at the Hotel, which costs may include, without limitation, salaries (including payroll taxes and employee benefits) of employees and officers of Operator and its Affiliates engaged in the provision of the Centralized Services, costs of all equipment employed in the provision of such Centralized Services, and a reasonable charge for the development costs of Operator or its Affiliates. The Centralized Services currently provided by Operator, along with the Centralized Services Charge as of the Effective Date, are described in Exhibit B attached hereto. The Centralized Services and the Centralized Services Charge shall be subject to change from time to time, subject to clauses (a)-(d) above.

4.7 **Multi-Property Programs**. Owner acknowledges and agrees that, subject to the applicable Annual Operating Budget, Operator may, in Operator's reasonable discretion, enter into certain purchasing, maintenance, service or other contracts with respect to the operation of

the Hotel and other hotels operated by Operator (collectively, "**Multi-Property Programs**") pursuant to which Operator or its Affiliates may receive rebates, discounts, cash or other incentives, administration fees, concessions, profit participations, stock or stock options, investment rights or similar payments or economic considerations (collectively, "**Operator Rebates**") from the vendors or suppliers of goods or services provided under such Multi-Property Programs. When taking bids or issuing purchase orders, Operator shall secure for, and shall credit to, Owner any Operator Rebates (less Operator's expenses related thereto) in connection with such purchase. Operator shall promptly remit to Owner's benefit in the Operating Account the value of all Operator Rebates (less Operator's expenses related thereto) received by Operator or any of its affiliates in connection with any purchases described herein.

ARTICLE 5
USE OF NAME

5.1 **Name**. During the Term of this Agreement, the Hotel shall at all times be known and designated by the name set forth in the applicable License Agreement or by such other name as from time to time may be approved by Owner. Operator shall make or cause to be made any fictitious name filings or disclosures required by the laws of the State with respect to the use of such name for or in connection with the Hotel.

ARTICLE 6
ADVERTISING

Subject to the provisions of the License Agreement, Operator shall arrange and contract for all advertising, which Operator may reasonably deem necessary, in accordance with Section 4.2, for the operation of the Hotel. So long as the License Agreement may be in effect, Operator generally shall advertise the Hotel under the name required by the License Agreement for the Hotel.

ARTICLE 7
RESERVE FOR FF&E

7.1 **Reserve for Replacement of FF&E**. The Reserve shall be funded pursuant to Section 7.2, and Operator shall be authorized to use amounts in the Reserve to pay for the cost of FF&E Expenditures and Capital Improvements.

7.2 **Transfers to Reserve for FF&E**. Commencing on the Commencement Date and continuing thereafter during the remainder of the Term, Operator shall deposit monthly into the Reserve for FF&E and Capital Improvements an amount equal to the amounts required by Lender and/or by Licensor; provided that in no event will the amounts to be deposited monthly into the Reserve be less than an amount equal to four percent (4%) of Gross Revenues throughout the Term.

7.3 **Annual Adjustment**. At the end of each Fiscal Year and following receipt by Operator of the annual accounting referred to in ARTICLE 10, an adjustment will be made if necessary and if available, so that the appropriate amount shall have been deposited in the Reserve for such Fiscal Year.

7.4 **Maintenance of Reserve**. The proceeds from the sale of FF&E no longer needed for the operation of the Hotel shall be deposited in the Reserve, but not credited against the obligation to deposit cash in such fund for the then current Fiscal Year. All interest earned or accrued on amounts invested from the Reserve shall be added to the Reserve (but shall not be credited against Owner's obligations to fund the Reserve), and shall not constitute Gross Revenues or be included therein.

7.5 **Accumulation of Reserve and Additional Cost of FF&E and Capital Improvements**. Owner and Operator acknowledge and agree that portions of the Reserve may, from time to time in accordance with the then-current Annual Plan, be used for more significant expenditures than could be reserved for in a single year. Accordingly, at the end of each Fiscal Year, any amounts remaining in the Reserve shall be carried forward to the next Fiscal Year, and shall be in addition to the amount to be reserved in the next Fiscal Year. In the event at any time there are insufficient funds in the Reserve for any Fiscal Year to pay the cost of FF&E Expenditures in accordance with the Annual Plan, then Owner will, within thirty (30) days after request therefor by Operator, provide the additional funds to Operator to pay for such excess.

ARTICLE 8
REPAIRS AND MAINTENANCE AND CAPITAL IMPROVEMENTS

8.1 **Repairs and Maintenance**. Operator shall, from time to time, make such expenditures from the Reserve (or, to the extent insufficient, from funds otherwise provided by Owner) for (a) FF&E Expenditures and (b) repairs and maintenance of HVAC, mechanical and electrical systems, exterior and interior repainting; resurfacing building walls and floors; resurfacing parking areas; replacing folding walls; and miscellaneous similar expenditures (collectively, "**Repairs and Maintenance**") as required by the License Agreement, any Mortgage, Legal Requirements, Annual Plan and otherwise in the condition required by this Agreement. Except in the event of an emergency, Force Majeure Event or otherwise under circumstances in which it would be unreasonable to seek to obtain prior approval (and provided that Operator shall notify Owner of any such expenditure within a reasonable time given the nature and scope of the emergency), all expenditures for the foregoing shall be as provided in the Annual Plan. If any such Repairs and Maintenance shall be made necessary by any condition against the occurrence of which Owner has received the guaranty or warranty of the builder of the Hotel or of any supplier of labor or materials for the Hotel or of any supplier of labor or materials for the construction of the Hotel, then Operator shall, at Owner's direction, invoke said guarantees or warranties in Owner's or Operator's name and Owner shall cooperate in all reasonable respects with Operator in the enforcement thereof.

8.2 **Capital Improvements**. Owner shall, from time to time, at its sole expense (which may include funds deposited in the Reserve), make such Capital Improvements in or to the Hotel as Owner shall determine are necessary to comply with the Operating Standards. If Capital Improvements shall be required at any time during the Term by the terms of the License Agreement, to maintain the Hotel in accordance with the Operating Standards or Legal Requirements, or because Operator and Owner jointly agree upon the desirability thereof, then in such event all such Capital Improvements shall be made with as little hindrance to the operation of the Hotel as reasonably possible. Notwithstanding the foregoing, as long as the Hotel can continue to operate without interruption, Owner shall have the right to contest the need for any

such Capital Improvements required by any Legal Requirements and may postpone compliance therewith, if so permitted by law and if such postponement will not expose Operator to any civil or criminal liability. All recommendations by Operator of Capital Improvements shall be submitted in conjunction with the Capital Budget for the Fiscal Year described in Section 4.2(b). In the event that Owner elects to perform Major Renovations to the Hotel, Owner may request Operator to oversee the performance of the Major Renovations, in which case the parties shall enter into an agreement for project management services in a form and on such terms and conditions (including the amount of any project management fees) mutually acceptable to both parties.

8.3 **Liens**. Owner and Operator shall cooperate and use all commercially reasonable efforts to prevent any liens from being filed against the Hotel that arise from any maintenance, changes, repairs, alterations, improvements, renewals or replacements in or to the Hotel.

8.4 **Notice of Force Majeure Event**. In the event of any occurrence constituting a Force Majeure Event, Operator shall promptly notify Owner of such occurrence and shall keep Owner informed as to the extent and impact thereof on the Hotel.

ARTICLE 9
WORKING CAPITAL AND OPERATING ACCOUNT; DISTRIBUTION OF EXCESS CASH

9.1 **Working Capital**. Owner shall provide initial Working Capital in an amount equal to $1,000 per guest room at the Hotel. Owner shall at all times cause sufficient Working Capital to be on hand in the Operating Account. In no event shall Owner permit the Working Capital in the Operating Accounts to be less than an amount equal to the estimated monthly operating expenses of the Hotel for the ensuing sixty (60) day period, as reflected in the then current Annual Operating Budget. From time to time, upon fifteen (15) days prior written notice from Operator that such funds are required, Owner shall furnish to Operator funds that Operator deems reasonably necessary to assure that the Hotel shall have adequate Working Capital as herein provided.

9.2 **Depository Account**. All monies received by Operator in the operation of the Hotel shall be received in trust by Operator for the benefit of Owner and shall be deposited in a "**Depository Account**" in Owner's name, with certain of Owner's employees as authorized signatories, in a bank or trust company selected by Owner. Such monies shall not be commingled with other funds belonging to Operator and shall be swept on a daily basis into the Operating Account.

9.3 **Operating Account**. Owner and Operator shall also establish an Operating Account for paying the Hotel's expenses permitted herein to be charged to the Hotel and/or Owner. The Operating Account shall be in Owner's name, with Operator's employees as the authorized signatories, in a bank or trust company selected by Owner. Operator shall pay all Operating Expenses of the Hotel and amounts owed Operator and its Affiliates hereunder (including the Management Fee and Centralized Services Charges) out of the Operating Account. Checks drawn on the Operating Account or other documents of withdrawal from such accounts shall be signed by a designated representative of Operator approved by Owner. The Operating Account shall provide that, upon Owner's written direction, Operator and its representatives may be removed

as authorized signatories of such account but only upon termination of this Agreement. Owner shall make arrangements to deposit from the Depository Account into the Operating Account on a daily basis any money which is required to cover payments from the Operating Account permitted herein, including any payments for capital expenditures permitted herein. If Owner fails to do so and such failure continues for three (3) business days after notice from Operator, such failure shall be deemed an Owner Event of Default and Owner shall indemnify and hold Operator harmless from any loss or expense Operator might incur as a result of such deposit not having been made, and Operator may exercise its right to terminate pursuant to Section 15.2. All risk of loss with respect to funds in the Operating Account shall be borne by Owner.

9.4 **Distribution of Excess Cash**. Within twenty-five (25) days of the close of each Accounting Period, Operator shall distribute to Owner all sums remaining in the Operating Account in excess of the then Working Capital requirements of the Hotel determined in accordance with Section 9.1 of this Agreement.

9.5 **Lender Requirements**. The provisions of this ARTICLE 9 shall be subject to the requirements of any Lender. Operator will cooperate with all cash management and other similar requirements reasonably imposed by any Lender, provided such cash management or other requirements acknowledge that so long as Operator is managing the Hotel, Operator shall continue to receive payment of Management Fees, Reimbursable Expenses and payroll expenses as contemplated herein.

ARTICLE 10
BOOKS, RECORDS AND STATEMENTS

10.1 **Books and Records**. Operator shall keep full and adequate books of account and other records reflecting the results of operation of the Hotel in accordance with the Uniform System of Accounts and GAAP. The books of account and all other records relating to or reflecting the operation of the Hotel shall be kept either at the Hotel or at Operator's corporate offices and shall be available to Owner and its representatives and its auditors or accountants, at all reasonable times for examination, audit, inspection and transcription at Owner's sole cost and expense. All of such books and records pertaining to the Hotel shall be the property of Owner. Upon any termination of this Agreement, all of such books and records forthwith shall be turned over to Owner at a location designated by Owner so as to insure the orderly continuance of the operation of the Hotel, but such books and records shall thereafter be available to Operator at all reasonable times for inspection, audit, examination and transcription for a period of three (3) years. In addition to the Hotel's books and records, Operator shall maintain Guest Data in accordance with its privacy policy and the License Agreement; provided, however, Owner and Operator shall jointly own all Guest Data, and each may use such Guest Data in any commercially reasonable manner that: (a) does not violate the terms of this Agreement, (b) during the Term of this Agreement, does not interfere with and/or is not detrimental to the operation or financial performance of the Hotel, and (c) does not violate any Legal Requirements applicable to the use of Guest Data.

10.2 **Financial Reports**.

(a) Operator shall deliver to Owner within twenty (20) days following the close of each Accounting Period a monthly profit and loss statement reflecting a comparison of periodic and year-to-date actual revenues and expenses with the Annual Operating Budget as well as a periodic and year-to-date comparison of such actual revenues and expenses with those of the prior Fiscal Year.

(b) Within seventy-five (75) days after the end of each Fiscal Year, Operator shall deliver to Owner an annual accounting, showing the results of operation of the Hotel during the Fiscal Year and a computation of Gross Revenues, Operating Expenses, and Gross Operating Profit, if any, and any other information necessary to make the computations required hereby or which may be requested by Owner, all for such Fiscal Year. The annual accounting for any Fiscal Year shall be controlling over the interim accountings for such Fiscal Year.

(c) Operator shall prepare and deliver any additional reports or information as Owner is required to provide under the License Agreement.

10.3 **Audits by Owner**. Owner shall have the right to audit, conducted either by Owner's internal personnel or by a third party auditor retained by Owner, at its expense and not as an Operating Expense of the Hotel (except as provided below), all items of expense and revenue under this Agreement including, but not limited to, Gross Revenues, Operating Expenses, depreciation, the Management Fee and the Reserve. Operator shall cooperate and assist with such audit. In the event that an audit reflects an underpayment to Owner or Operator or an overpayment to Operator or Owner, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the audit results to Operator, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. In the event any audit establishes that Operator has overstated or understated Gross Revenues or Operating Expenses by more than five percent (5%), the costs of such audit shall be paid for by Operator (and shall not be an Operating Expense of the Hotel).

10.4 **Accounting Services**. Subject to the provision of sufficient input, review, approval and signoff by Owner, during the Term, Operator (or its Affiliate) shall render certain accounting services to and on behalf of Owner, which shall include:

(a) separate from the Hotel books and records, the maintenance of Owner's corporate books of account, including without limitation capital accounting (to be performed under Operator's capitalization policy) and check cutting services with respect to Owner's FF&E account for the payment of FF&E Expenditures;

(c) the making of all of Owner's required payments with respect to (i) any Mortgage (on behalf of Owner in satisfaction of Owner's obligations under Section 23.5), (ii) Taxes (as set forth in Section 13.1) and (iii) Insurance Costs (as set forth in Section 12.1);

(d) if applicable, the processing of Lender requisitions from the Reserve;

(e) coordination of deliverables for Lender reporting requirements;

(f) cooperation with an independent accounting firm approved in Owner's sole discretion in connection with securitization vehicle reporting deadlines and audit procedures under Regulation AB; and

(g) other related services as mutually agreed by Owner and Operator from time to time (collectively, the "**Accounting Services**").

In consideration for its provision of the Accounting Services hereunder, Operator shall receive the Accounting Services Fee, which amount shall be payable pursuant to Section **Error! Reference source not found.**, and which reflects Operator's cost reimbursement only, without mark-up or profit to Operator. In the event the scope of the Accounting Services is materially increased (including through use of reports other than Operator's standard forms), the Accounting Services Fee may be increased as mutually determined by the parties. Owner may elect at any time to terminate the Accounting Services by delivery of seventy five (75) days' prior written notice to Operator, in which event the date of termination of the Accounting Services will be the last day of the calendar quarter following the month in which Operator receives Owner's written notice of termination, and the Accounting Services Fee shall cease to be due from and after the date of such termination.

ARTICLE 11

11.2 **Payment of Management Fee**. The Incentive Fee shall be computed separately for each Fiscal Year and shall not be accumulated from Fiscal Year to Fiscal Year. The Incentive Fee shall be prorated for any partial Fiscal Year (provided that in the event this Agreement is terminated due to an Event of Default by Operator, no Incentive Fee shall be payable with respect to the Fiscal Year in which such termination occurs). The Incentive Fee shall be adjusted, if necessary, within sixty (60) days after receipt by Owner of the annual accounting for such Fiscal

Year or receipt by Operator of Owner's documentation supporting the calculation of Owner's Priority Return. Upon request by Operator, Owner shall provide sufficient evidence and back up documentation to support Owner's calculation of Owner's Priority Return, including without limitation sufficient evidence and back up documentation to allow Operator to properly verify Owner's Invested Capital and Owner's Additional Invested Capital. Owner or Operator shall be entitled to audit the determination and calculation of the Management Fee. In the event that an audit reflects an underpayment or overpayment of the Management Fee to Operator, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the results of such audit to the other party, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. If requested by Owner, Operator shall provide a statement showing in reasonable detail the nature and amount of such expenses, together with supporting documentation reasonably requested by Owner.

11.4 **Treatment of Proceeds of Business Interruption Insurance and Condemnation Awards**. In the event of a casualty or condemnation for temporary use resulting in the payment of business interruption insurance (with respect to such casualty) or a condemnation award (with respect to such condemnation for temporary use), the amount of such proceeds shall be considered a part of Gross Revenues for the purpose of computing Operator's Management Fee, unless such Management Fees are paid directly to Operator by way of receipt of business interruption proceeds.

The cost of any blanket coverage shall be equitably prorated among the properties and activities covered, provided that the portion of such cost allocated to the Hotel shall be no greater than if the same insurance coverage were written separately. Upon request, any such proration by Owner or Operator of blanket coverage shall be subject to the reasonable approval of the other party.

(g) The parties acknowledge that, as of the Effective Date, Operator will not provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program; provided, however, that Owner may elect to have Operator provide such insurance at any time during the Term, in which case the provisions of this Section 12.2(g) shall apply. If at any time during the Term, Owner elects to have Operator provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program, certain coverage limits will be shared with other properties owned and/or managed by Affiliates of Operator. Owner agrees that if there is a loss at the Hotel that results in a reduction of the amount of insurance coverage with respect to other properties covered by such master property insurance program, all costs of reinstating the full amount of coverage with respect to such other properties to the coverage that was available for such other properties under such master property insurance program immediately prior to such loss at the Hotel shall be borne by Owner as an expense of the Hotel. Conversely, if there is a loss at another property covered by such master insurance program that results in a reduction of the amount of insurance coverage with respect to the Hotel, all costs of reinstating the full amount of coverage with respect to the Hotel shall not be borne by Owner as an expense of the Hotel, but shall be borne by Operator or the owner of the applicable property that suffered such loss. The obligations of Owner and/or Operator pursuant to this Section 12.2(g) shall survive (i) the expiration or termination of this Agreement or termination of similar agreements, if any, related to Operator's affiliated properties on the shared program; and (ii) any election of Owner or Operator to remove the Hotel from the master insurance program and/or the removal of any of Operator's affiliated properties from the shared master insurance program. Owner and Operator agree to use commercially reasonable efforts in reinstating the coverage limits to the amount of coverage available immediately prior to such loss; provided, however, Owner and Operator shall be required, at a minimum, to reinstate the amounts of coverage necessary to comply with the requirements of any third party mortgagee or franchisor of the properties covered by the master insurance program. Notwithstanding the foregoing, (A) after a loss the relevant party will only be required to reinstate coverage, if any, up to an amount that results in a total amount of coverage that is sufficient for all properties under the program that are also obligated to a reinstatement provision, if Owner and Operator mutually agree at their sole discretion that the remaining amount of coverage is sufficient; provided if Owner and Operator do not mutually agree, an independent third-party consultant (i.e., a consultant who has not had any

direct relationship with either party in the preceding twenty-four (24) month period) selected by Operator will make such determination, (B) the amount of coverage to be reinstated by the relevant party will be limited to what is sufficient only for the properties in Operator's master shared insurance program that are obligated by the same reinstatement provisions per this Section 12.2(g) and (C) the maximum amount of lost shared limit to be reinstated by the relevant party after a loss will be equal to the amount of lost shared limit that was lost due to a loss at the relevant party's property. Owner also agrees that it shall bear as an expense of the Hotel all costs for any additional limits or coverages that may be requested by Owner that are above the limits in such master insurance program. Owner may elect to remove the Hotel from Operator's master insurance program upon thirty (30) days prior written notice (or upon three (3) business days prior written notice if such termination is effective on the annual renewal date of such master insurance program). Any premium prepaid by Owner for such terminated coverage shall be credited to Owner in an amount calculated by the insurance carrier in its sole and absolute discretion. Operator will use reasonable efforts to give written notice to Owner within ten (10) business days after any property is added or removed from Operator's shared master insurance program and will confirm the same upon request by Owner.

ARTICLE 13
REAL AND PERSONAL PROPERTY TAXES; UTILITIES

13.1 **Taxes**. Operator shall pay, for and on behalf of Owner from funds of the Hotel, all real estate taxes, all personal property taxes and all betterment assessments levied against the Hotel or any of its component parts. Operator shall promptly deliver to Owner all notices of assessments, valuations and similar documents to be filed by Owner, which are received from taxing authorities by Operator.

13.2 **Utilities, Etc**. To the extent sufficient funds are available in the Operating Account or otherwise made available in a timely manner by Owner, Operator shall promptly pay all fuel, gas, light, power, water, sewage, garbage disposal, telephone and other utility bills currently as they are incurred in connection with the Hotel from the Gross Revenues or Working Capital.

ARTICLE 14
DAMAGE OR DESTRUCTION; CONDEMNATION

14.1 **Damage or Destruction**.

(a) If the Hotel or any portion thereof shall be damaged or destroyed at any time or times during the Term by fire, casualty or any other cause commonly covered by fire and extended coverage insurance, to the extent required or permitted by any Lender and to the extent insurance proceeds are made available by Lender for such purpose, Owner will at its own cost and expense and with due diligence, repair and/or restore the Hotel so that after such repair and/or restoration, the Hotel shall be in substantially the same condition as it was immediately prior to such damage or destruction.

(b) Owner shall notify Operator within thirty (30) days after Owner determines whether or not Lender will permit, and make insurance proceeds available to carry out, such repair and/or

restoration, in which case Owner shall complete such repair and/or restoration pursuant to the last sentence of Section 14.1(a).

(c) If Owner advises Operator as provided in clause (b) above that Lender will not permit, and make insurance proceeds available to carry out, such repair and/or restoration, or fails to advise Operator as provided in clause (b) above, Operator may terminate this Agreement by written notice to Owner, within one hundred fifty (150) days after such damage or destruction, in which case, Owner shall pay to Operator the Termination Fee (provided Owner's obligation to pay the Termination Fee shall be limited to the extent of insurance proceeds which are made available to pay such Termination Fee).

14.2 **Condemnation**. If the whole of the Hotel shall be taken or condemned in any eminent domain, condemnation, compulsory acquisition or like proceeding by any competent authority or if such a portion thereof shall be taken or condemned as to make it imprudent or unreasonable, in the sole opinion of Owner, to use the remaining portion as a hotel of the type and class immediately preceding such taking or condemnation, then this Agreement shall terminate as of the date title vests in the condemning authority. Operator has no interest in any award paid to Owner; however, Operator shall have the right, in the case of a condemnation that results in the termination of this Agreement, to institute a separately available administrative proceeding or judicial action intended to determine just compensation in connection with the condemnation, for the purpose of representing Operator's compensable interest in this Agreement. If only a part of the Hotel shall be taken or condemned and the taking or condemnation of such part does not, in the opinion of Owner, make it unreasonable or imprudent to operate the remainder as a hotel of the type and class immediately preceding such taking or condemnation, this Agreement shall not terminate, and so much of any award to Owner shall be made available as shall be reasonably necessary for making alterations or modifications of the Hotel, or any part thereof, so as to make it a satisfactory architectural unit as a hotel of similar type and class as prior to the taking or condemnation.

14.3 **Reinstatement**. If within twelve (12) months following any termination of this Agreement pursuant to Section 14.1 or 14.2, Owner or any of its Affiliates intends to commence repair and/or restoration of the Hotel, Owner shall promptly give notice to Operator in writing of such intention, and at Operator's election (exercisable by giving written notice to Owner within thirty (30) days of the date upon which Operator receives such notice from Owner), this Agreement shall be deemed reinstated in accordance with all the terms and conditions hereof (and Operator shall repay to Owner any Termination Fee received by Operator within ten (10) days after the Hotel is substantially re-opened). Operator's duties shall be suspended until the Hotel is substantially reopened and the termination date (and Term) shall be extended to reflect the period of time the Hotel is closed. The provisions of this Section 14.3 shall survive the expiration or termination of this Agreement.

14.4 **Mortgage Requirements**. Actions as to damage or destruction and condemnation shall be taken only in a manner that is consistent with the terms and conditions of any Mortgage and any conflict between those terms and conditions and the provisions of this Agreement shall be resolved in favor of such Mortgage.

ARTICLE 15
EVENTS OF DEFAULT

15.1 **Operator Defaults**. Each of the following shall constitute an Event of Default by Operator:

(a) The failure of Operator to perform, keep or fulfill any of the covenants, undertakings, obligations or conditions to be kept, observed or performed by Operator and such failure shall continue for a period of (i) ten (10) days after written notice from Owner to Operator with respect to payment of any funds or delivery of any of the financial reports required under Section 10.2, or (ii) thirty (30) days after written notice from Owner to Operator with respect to any other obligations of Operator under this Agreement; provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Operator commenced the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion, not to exceed in any event ninety (90) days after Owner's delivery of such notice.

(b) If Operator shall apply for or consent to the appointment of a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets, admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Operator in any bankruptcy, reorganization or judgment or decree shall be entered by any court of competition jurisdiction, on the application of a creditor, adjudicating Operator bankrupt or insolvent or approving a petition seeking reorganization of Operator or appointing a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets or a decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(c) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Operator, or Operator shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(d) The filing against Operator of a petition seeking adjudication of Operator as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Operator's assets, if such petition is not dismissed within ninety (90) days.

(e) Failure of Operator to maintain at all times throughout the term hereof all of the insurance required to be maintained by Operator under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Owner to Operator.

15.2 **Owner Defaults**. Each of the following shall constitute an Event of Default by Owner:

(a) The failure of Owner to pay or furnish to Operator any money Owner is required to pay or furnish to Operator in accordance with the terms hereof on the date the same is payable, if such failure is not cured within ten (10) days after written notice specifying such failure is given by Operator to Owner. If any sum of money is not paid within ten (10) days following the date the same becomes due and payable under this Agreement, and Operator has advanced such sum on behalf of Owner, such sum shall bear interest at the Default Rate from the date Operator advanced

such sum on behalf of Owner until the date Owner actually pays such sum. If the failure to pay relates to the Management Fee, such sum shall bear interest at the Default Rate from the date due until the date actually paid.

(b) The failure of Owner to perform, keep or fulfill any of the other covenants, undertakings, obligations or conditions set forth in this Agreement (other than a failure to pay or furnish to Operator any money Owner is required to pay or furnish to Operator), including without limitation, the failure of Owner to respond to written requests by Operator to approve expenditures or to authorize procedures necessary to maintain the standards of the Hotel in accordance with the Operating Standards, if such failure shall continue for a period of thirty (30) days after written notice by Operator or Licensor to Owner specifying the matters or conditions which constitute the basis for such Event of Default, provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Owner commences the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion.

(c) If Owner shall apply for or consent to the appointment of a receiver, trustee or liquidator of Owner of all or a substantial part of its assets, or admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Owner in any bankruptcy, reorganization or insolvency proceeding, or if an order, judgment or decree shall be entered by any court of competent jurisdiction, on the application of a creditor, adjudicating Owner a bankrupt or insolvent or approving a petition seeking reorganization of Owner or appointing a receiver, trustee or liquidator of Owner or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(d) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Owner, or Owner shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(e) The filing against Owner of a petition seeking adjudication of Owner as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Owner's assets, if such petition is not dismissed within ninety (90) days.

(f) Failure of Owner to maintain at all times throughout the term hereof all of the insurance required to be maintained by Owner under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Operator to Owner.

ARTICLE 16
TERMINATION UPON EVENT OF DEFAULT; OTHER REMEDIES

16.1 **Termination**. Upon the occurrence of an Event of Default, in addition to and cumulative of any and all rights and remedies available to the non-defaulting party under this Agreement, at law or in equity, the non-defaulting party may: (a) terminate this Agreement without penalty, effective upon receipt of written notice of termination by the defaulting party; and (b) pursue any

and all other remedies available to the non-defaulting party at law or in equity. In addition to and cumulative of the foregoing, upon the occurrence of any Event of Default on the part of Owner, all Management Fees, Reimbursable Expenses, Accounting Services Fees and all other sums then due and payable to Operator under this Agreement shall be immediately due and payable without notice. In no event shall the provisions of this Agreement with respect to the payment of a Termination Fee upon the termination of this Agreement under certain circumstances be construed as defining or limiting the amount recoverable by Operator from Owner by reason of any Event of Default on the part of Owner.

16.2 **Operator's Rights to Perform**.

(a) If Owner shall fail to make any payment or to perform any act required of Owner pursuant to this Agreement, Operator may (but shall not be obligated to), without further notice to, or demand upon, Owner and without waiving or releasing Owner from any obligations under this Agreement, make such payment (either with its own funds or with funds withdrawn for such purpose from the Operating Accounts) or perform such act. All sums so paid by Operator from its own funds, together with interest thereon at the Default Rate from the date of making such expenditure by Operator, shall be payable to Operator on demand.

(b) Operator shall have the right to set-off against any payments to be made to Owner by Operator under any provision of this Agreement and against all funds from time to time in the Operating Accounts any and all liabilities of Owner to Operator. Operator may withdraw from the Operating Accounts from time to time such amounts as Operator deems desirable in partial or full payment of all or any portion of said liabilities, the amount of such withdrawals to be paid by Owner to Operator on demand and to be replaced in the respective account and fund.

(c) Owner shall have the right to set-off against any payments to be made to Operator by Owner any amounts owed by Operator to Owner under this Agreement.

ARTICLE 17
OWNER'S ADDITIONAL TERMINATION RIGHTS

17.1 **Termination on Sale**. If at any time during the Term, Owner sells, leases or otherwise transfers or conveys (a) the Hotel, or (b) seventy-five percent (75%) or more of the direct or indirect interests in Owner, in each case to a person or entity which is not an Affiliate of Owner in a bona fide arm's length transaction, Owner shall have the right to terminate this Agreement by giving prior written notice (the "**Sale Termination Notice**") to Operator; provided that if such transfer shall occur at any time prior to the third (3rd) anniversary of the Commencement Date, Owner shall pay to Operator, as a condition of such termination, the Termination Fee, subject to Section 21.2. The Sale Termination Notice shall set forth an estimate of the effective termination date of this Agreement, which date shall not be less than sixty (60) days subsequent to the date of the Sale Termination Notice. The actual termination shall be effective as of the closing of the sale, regardless of the estimate provided in the Sale Termination Notice. Accordingly, Owner shall, upon reasonable notice, have the right to extend the effective date of such termination for a reasonable period of time based on delays in the closing, provided that Owner shall pay all actual costs reasonably incurred by Operator in postponing the effectiveness of such termination. As a further condition of any termination of this Agreement by Owner under this Section 17.1, Owner

shall pay to Operator, on or before the effective date of such termination all amounts due Operator and its Affiliates under this Agreement for the period of time prior to the date of termination.

17.2 **Performance Termination**.

(a) Subject to the provisions of this Section 17.2, Owner may terminate this Agreement in accordance with the procedure described below, if for any full Fiscal Year from and after the expiration of Fiscal Year 2019 (i.e., commencing with Fiscal Year 2020) (each a "**Measurement Year**"), subsections (i) and (ii) below are applicable for such Measurement Year (collectively, the "**Performance Test**"):

(i) the Gross Operating Profit for such Measurement Year is less than ninety percent (90%) of the budgeted Gross Operating Profit set forth in the approved Annual Operating Budget for such Measurement Year (the "**GOP Test**"); and

(ii) the RevPAR of the Hotel for such Measurement Year is less than the following percentage of the annualized RevPAR for the Competitive Set (the "**RevPAR Test**"): (A) for Fiscal Year 2020, one hundred and ten percent percent (110%); (B) for Fiscal Year 2021, one hundred and fifteen percent (115%); (C) for Fiscal Year 2022, and every Fiscal Year thereafter for the remainder of the Term, one hundred and twenty percent (120%).

(b) If the Performance Test is not satisfied and Owner elects to exercise its right to terminate this Agreement pursuant to this Section, (i) Owner shall give written notice to Operator of such election within sixty (60) days after the receipt by Owner of the annual accounting (as set forth in Section 10.2) for such Measurement Year; and (ii) the notice shall specify a termination date no sooner than ninety (90) days after the giving of such notice. No Termination Fee shall be payable upon any termination of this Agreement pursuant to this Section 17.2. Within sixty (60) days following its receipt of Owner's notice of termination, Operator may elect, which election may be exercised only once during the Term, to pay to Owner an amount which, when added to the actual aggregate amount of the Gross Operating Profit for the Measurement Year in question, equals the amount of Gross Operating Profit that would have been necessary to satisfy the GOP Test for such Measurement Year. Upon such payment, the Performance Test shall be deemed to have been satisfied for such Measurement Year, Owner shall not have a right to terminate this Agreement based upon such Measurement Year and Owner's election to do so shall be of no further force and effect.

(c) In the event that there is a Threshold Adjustment Event, Owner and Operator will reasonably cooperate to equitably adjust the GOP Test and the RevPAR Test, as applicable. If the parties cannot agree as to the equitable adjustment within thirty (30) days following written request for adjustment by either party, the matter will be submitted to an Expert, as provided and in accordance with the procedures set forth in Section 27.1.

ARTICLE 18
TRANSFER AND REMITTANCE TO OWNER UPON TERMINATION

18.1 **Transfer to Owner**. Upon any termination of this Agreement, whether due to the occurrence of an Event of Default or otherwise, Operator shall cooperate with Owner and shall execute all documents or instruments requested by Owner in connection with the transfer to

Owner or its nominee of the Permits and the License Agreement used or useful in connection with the operation of the Hotel (including without limitation executing any interim beverage agreement or similar agreement reasonably required to allow alcoholic beverages to continue to be sold at the Hotel after such termination in accordance with Legal Requirements pending issuance of temporary or new Permits with respect to such sales to Owner or its designee, so long as such successor Owner provides Operator with an indemnity, in form and substance reasonably acceptable to Operator, indemnifying Operator from any and all claims and liability associated with such interim agreements and continued use of such Permits); provided, however, if such termination is due to a reason other than a default by Operator under this Agreement, Owner will reimburse Operator for Operator's reasonable expenses to effect such transfer, or the imposition of liability by Operator. Without limiting the generality of the foregoing, Operator shall cause its officials to execute any necessary documents to effectuate the orderly transfer to Owner or its designee of the Permits and the License Agreement or the renewal thereof to Owner or Owner's designee if appropriate. In the event that this Agreement terminates for any reason, a sufficient number of Hotel Employees will be hired by Owner or its successor, assign or designee, so as not to cause a "mass layoff" or "plant closing", as defined in the Workers Adjustment and Retraining Act, 29 USC, sec 2101 et seq. (the "**WARN Act**"). Owner hereby agrees to indemnify, defend and hold Operator harmless from and against any and all claims asserted against or incurred by Operator related to: (a) hiring, discharging, offering to hire or failing to hire any of the Hotel Employees; (b) termination of the Hotel Employees by reason of the termination of this Agreement; or (c) Owner's failure to take, or cause to be taken, the action necessary with respect to Hotel Employees so that Operator will not be required to comply with the WARN Act or any other similar Legal Requirements.

18.2 **Remittance to Owner**. Upon the expiration or termination of this Agreement, after payment of all Operating Expenses for which bills were received to such date, Operator's Management Fee, Reimbursable Expenses, Accounting Services Fee, any Termination Fee and any other amounts then due and payable to Operator, and after withholding a reasonable amount determined by Operator to be necessary to pay for any continuing liabilities or payables that may become due following such termination, all remaining amounts in: (a) the Reserve and (b) the Operating Account, shall be transferred by Operator to Owner.

ARTICLE 19

ARTICLE 20
CONSENT AND APPROVAL

Except as herein otherwise provided, whenever in this Agreement the consent or approval of Operator or Owner is required, such consent or approval shall not be unreasonably withheld or delayed. Such consent or approval shall also be in writing only and shall be executed only by an authorized officer or agent of the party granting such consent or approval.

ARTICLE 21
TRANSFERS

21.1 **Transfers**. Except as herein otherwise provided, neither party may cause or permit a Transfer without the prior written consent of the other party (which consent may be withheld or conditioned in such other party's sole discretion); provided however, that either party shall be entitled to assign this Agreement (a) to an Affiliate of such party and (b) in connection with a corporate transaction involving such party in which all or substantially all of such party's assets are transferred to an Affiliate of such party. Operator shall have the right to assign its economic rights to receive payments under this Agreement (as opposed to a pledge of the ownership interests in Operator) as security for indebtedness or other obligations. Additionally, Operator

may transfer this Agreement and its rights hereunder to a successor by merger, sale of all or substantially all of its assets or interest in Operator, as applicable, or otherwise by operation of law.

21.2 **Assignability upon Sale**. Notwithstanding anything to the contrary in Section 21.1, if Owner decides to enter into a Sale of the Hotel with a third party, then at such time as Owner enters into a firm commitment for the Sale of the Hotel, Owner shall deliver a written notice (the "**Notice of Proposed Sale**") of the proposed Sale of the Hotel to Operator stating the name of the prospective purchaser or tenant, as the case may be, and, thereafter shall provide all other information concerning the proposed purchaser or tenant reasonably requested by Operator and which such purchaser or tenant has provided to Owner or Owner's Affiliates. Within fifteen (15) days of Operator's receipt of the Notice of Proposed Sale, Operator shall notify Owner of its election to either: (a) continue operating the Hotel following such Sale of the Hotel, or (b) terminate this Agreement. In the event Operator enters into an agreement to operate the Hotel following such Sale of the Hotel, Operator shall not have the right to receive the Termination Fee in connection with such Sale of the Hotel. In the event Operator does not enter into an agreement to operate the Hotel following the closing of the Sale of the Hotel Operator shall have the right to receive the Termination Fee.

21.3 **Prohibited Sale**. Notwithstanding anything to the contrary in Section 21.2, Owner may not cause or permit a Transfer to any Prohibited Person.

ARTICLE 22
INDEMNITY

22.1 **Indemnity by Owner**. Owner shall indemnify, defend and hold Operator, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Operator Indemnified Parties**") harmless for, from and against any and all third-party liabilities, claims, demands, actions, causes of action, judgments, orders, damages, costs, expenses, and losses (including reasonable attorney's fees and costs) (collectively, "**Claims**") which Operator Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from: (a) this Agreement, including the negotiation of or entering into this Agreement; (b) the development, construction, ownership and/or operation of the Hotel from and after the Effective Date, (c) any reporting to the IRS, Owner's lenders or any party relying on Owner's books and records by Owner or by Operator (on behalf of and as directed by Owner, in connection with Operator's provision of the Accounting Services pursuant to Section 10.4 of this Agreement); and (d) other activities relating to the Hotel, except to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.2 **Indemnity by Operator**. Operator shall indemnify, defend and hold Owner, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Owner Indemnified Parties**") harmless for, from and against any and all Claims which Owner Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from this Agreement, to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.3 **Indemnification Procedure**. Any Indemnified Party shall be entitled, upon written notice to the Indemnifying Party, to the timely appointment of counsel by the Indemnifying Party for the defense of any claim, which counsel shall be subject to the approval of the Indemnified Party. If, in the Indemnified Party's reasonable judgment, a material conflict of interest exists between the Indemnified Party and the Indemnifying Party at any time during the defense of the Indemnified Party, the Indemnified Party may appoint independent counsel of its choice for the defense of the Indemnified Party as to such claim. Additionally, regardless of whether the Indemnified Party is appointed counsel or selects independent counsel (a) the Indemnified Party shall have the right to participate in the defense of any claim and approve any proposed settlement of such claim, such approval to be in such party's sole and absolute discretion, and (b) all costs, expenses and attorneys' fees of the Indemnified Party shall be borne by the Indemnifying Party. If the Indemnifying Party fails to timely pay such costs, expenses and reasonable attorneys' fees, the Indemnified Party may, but shall not be obligated to, pay such amounts and be reimbursed by the Indemnifying Party for the same, which amounts shall bear interest at the Default Rate until paid in full. The parties hereby acknowledge that it shall not be a defense to a demand for indemnity that less than all claims asserted against the Indemnified Party are subject to indemnification. If a claim is covered by the Indemnifying Party's liability insurance, the Indemnified Party shall not take or omit to take any action that would cause the insurer not to defend such claim or to disclaim liability in respect thereof. Further, the Indemnified Party shall cooperate with the Indemnifying Party in the defense of the claim (at the Indemnifying Party's cost), shall not settle the claim without the consent of the Indemnifying Party, and shall not take any action which prejudices the defense of the claim.

22.4 **Survival/Miscellaneous**. The provisions of this ARTICLE 22 shall survive the expiration or earlier termination of this Agreement. Owner and Operator mutually agree for the benefit of each other to look first to the appropriate insurance coverages in effect pursuant to this Agreement in the event any claim or liability occurs as a result of injury to person or damage to property, regardless of the cause of such claim or liability. In no event shall the settlement by either party of any claim brought by a third party (including Hotel Employees) in connection with the ownership or operation of the Hotel be deemed to create any presumption of the validity of the claim, nor shall any such settlement be deemed to create any presumption that the acts or omissions giving rise to such claim constituted Operator's Grossly Negligent or Willful Acts.

ARTICLE 23
MISCELLANEOUS

23.1 **Further Assurances**. Owner and Operator shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding and enforceable as between them and as against third parties.

23.2 **Waiver**. The waiver of any of the terms and conditions of this Agreement on any occasion or occasions shall not be deemed a waiver of such terms and conditions on any future occasion.

23.3 **Successors and Assigns**. Subject to and limited by ARTICLE 21, this Agreement shall be binding upon and inure to the benefit of Owner, its successors and permitted assigns, and shall be binding upon and inure to the benefit of Operator, its successors and permitted assigns.

23.4 **Governing Law**. This Agreement shall be construed, both as to its validity and as to the performance of the parties, in accordance with the laws of the State of New York.

23.5 **Compliance with Mortgage and License Agreement**. In carrying out their respective duties and obligations under the terms of this Agreement, Owner and Operator shall take no action that could reasonably be expected to constitute a material default under any Mortgage or the License Agreement and will take such actions as are reasonably necessary to comply therewith. Owner shall be responsible for making all payments under any Mortgage.

23.6 **Amendments**. This Agreement may not be modified, amended, surrendered or changed, except by a written document signed by Owner and Operator agreeing to be bound thereby.

23.7 **Estoppel Certificates**. Owner and Operator agree, at any time and from time to time, as requested by the other party, upon not less than ten (10) days' prior written notice, to execute and deliver to the other a written statement (a) certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same are in full force and effect as modified and stating the modifications), (b) certifying the dates to which required payments have been paid, and (c) stating whether or not, to the best knowledge of the signer, the other party is in default in performance of any of its obligations under this Agreement, and if so, specifying each such default of which the signer may have knowledge, it being intended that such statement delivered pursuant hereto may be relied upon by others with whom the party requesting such certificate may be dealing.

23.8 **Inspection Rights**. Owner shall have the right to inspect the Hotel and examine the books and records of Operator pertaining to the Hotel at all reasonable times during the Term upon reasonable notice to Operator, and Owner and the holder of any Mortgage shall have access to the Hotel and the books and records pertaining thereto at all times during the Term to the extent necessary to comply with the terms of any Mortgage, all to the extent consistent with applicable Legal Requirements and the rights of guests, tenants and concessionaires of the Hotel, and all to the extent the same will not interfere with the operation and management of the Hotel.

23.9 **Subordination**. This Agreement, any extension hereof and any modification hereof shall be subject and subordinate to a Mortgage as provided therein. The provisions of this Section shall be self-operative and no further instrument of subordination shall be required; however, Operator will execute and return to Owner (or to Lender, as designated by Owner) such documentation as Owner or Lender may reasonably request to evidence the subordination of this Agreement to the Mortgage (and, if required by a Lender, the assignment of this Agreement to such Lender as additional security in connection with such Mortgage).

23.10 **Effect of Approval of Plans and Specifications**. Owner and Operator agree that in each instance in this Agreement or elsewhere wherein Operator is required to give its approval of plans, specifications, budgets and/or financing, no such approval shall imply or be deemed to constitute an opinion by Operator, nor impose upon Operator any responsibility for the design or construction of additions to or improvements of the Hotel, including but not limited to structural integrity or life/safety requirements or adequacy of budgets and/or financing. The scope of Operator's review and approval of plans and specifications is limited solely to the adequacy and relationship of spaces and aesthetics of the Hotel in order to comply with the Operating Standards.

23.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties relating to the subject matter hereof, superseding all prior agreements or undertakings, oral or written.

23.12 **Time is of the Essence**. Time is of the essence in this Agreement.

23.13 **Interpretation**. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

23.14 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and need not be signed by more than one of the parties hereto and all of which shall constitute one and the same agreement. Counterparts of this Agreement received by electronic transmission shall be deemed originals for all purposes.

23.15 **Partial Invalidity**. In the event that any one or more of the phrases, sentences, clauses or paragraphs contained in this Agreement shall be declared invalid by the final and unappealable order, decree or judgment of any court, this Agreement shall be construed as if such phrases, sentences, clauses or paragraphs had not been inserted, unless such construction would substantially destroy the benefit of the bargain of this Agreement to either of the parties hereto.

23.16 **Confidentiality**. The parties agree that the terms, conditions and provisions set forth in this Agreement are strictly confidential and the parties agree to keep strictly confidential any information of a confidential nature about or belonging to a party or to any Affiliate of a party to which the other party gains or has access by virtue of the relationship between the parties (collectively, "**Privileged Information**"). Except as disclosure may be required to obtain the advice of professionals or consultants, or financing for the Hotel from a Lender, or in furtherance of a permitted assignment of this Agreement, or as may be required to comply with Legal Requirements (including reporting requirements applicable to public companies), each party shall make commercially reasonable efforts to ensure that Privileged Information is not disclosed to the press or to any other third party without the prior consent of the other party. Notwithstanding the foregoing, the parties hereby acknowledge that Operator shall have the authority to release information regarding the Hotel to STR, Inc. (or a similar organization mutually agreed upon by the parties). The obligations set forth in this Section shall survive any termination or expiration of this Agreement. The parties shall cooperate with one another on all public statements, whether written or oral and no matter how disseminated, regarding their contractual relationship as set forth in this Agreement or the performance of their respective obligations under this Agreement.

23.17 **No Third Party Rights**. This Agreement shall inure solely to the parties hereto. Notwithstanding any other provision of this Agreement, no third party shall have any rights pursuant to the terms of this Agreement.

(c) neither the consummation of the transactions contemplated by this Agreement on the part of Operator or to be performed, nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Operator is a party or by which it is bound; and

(d) Operator is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("**OFAC**") of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action (such persons and entities being "**Prohibited Persons**").

ARTICLE 26

ARTICLE 27
DISPUTE RESOLUTION

27.1 **Expert Determination**. Notwithstanding anything to the contrary in Section 27.2, any dispute, claim or issue arising under this Agreement with respect to: (a) the proper inclusion or exclusion of items in revenues, expenses and other financial computations contemplated herein, (b) the proper computation of the Base Fee, Incentive Fee, charges for Centralized Services, Accounting Services or Reimbursable Expenses, (c) disputes relating to the Annual Plan, including expenses related to satisfying Operating Standards, (d) disputes as to the Performance Test or changes in the Competitive Set, or (e) other matters as to which this Agreement expressly provides for dispute resolution by an Expert, shall be resolved in accordance with this Section by one Expert. Notwithstanding the foregoing, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The decision of the Expert shall be final and binding on the parties and shall not be capable of challenge, whether by arbitration, in court or otherwise, except to the extent of any manifest error in such Expert's determination. The costs of the Expert and the proceedings shall be borne as directed by the Expert unless otherwise provided for herein. In the event the parties are unable to agree on an Expert or otherwise disagree as to whether the disputed matter qualifies for Expert determination, either party shall have the right, prior to submitting such matter to an Expert, to initiate the mediation and arbitration procedures contemplated below.

27.2 **Mediation/Arbitration**. Except with respect to the matters described in Section 27.1 above, if any claim, dispute or difference of any kind whatsoever (a "**Dispute**") shall arise out of or in connection with or in relation to this Agreement whether in contract, tort, statutory, or otherwise, and including any questions regarding the existence, scope, validity, breach or termination of this Agreement, the following procedures shall apply:

(a) The parties shall first attempt to settle such Dispute by participating in at least ten (10) hours of mediation, which mediation shall be administered by JAMS (or if JAMS no longer exists, another mutually acceptable alternative dispute resolution provider) (the "**ADR Provider**"). A designated individual mediator who is a member in good standing of the ADR Provider will then be mutually selected by the parties to conduct the mediation; provided that such mediator must have at least ten (10) years' experience as a mediator and must not have any conflict of interest with either party (the "**Mediator**"). If the parties are unable to agree upon the identity of the

Mediator within five (5) days after the complaining party has notified the other party that a Dispute exists, then, subject to the requirements of this Section, the ADR Provider shall select a qualified Mediator of its choosing who shall act as the Mediator of the Dispute. The mediation will be a nonbinding conference between the parties conducted in accordance with the applicable rules and procedures of the ADR Provider. The mediation shall take place in New York, New York. Neither party may initiate litigation or arbitration proceedings with respect to any Dispute until the mediation of such Dispute is complete; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any claims solely relating to: (i) preserving or protecting proprietary information, (ii) emergency or injunctive relief, (iii) enforcement of the dispute resolution provisions of this Agreement, or (iv) enforcement of the decision and/or award by any Expert or Arbitrator hereunder ("**Litigation Claims**"). Any mediation will be considered complete: (a) if the parties enter into an agreement to resolve the Dispute; or (b) if the Dispute is not resolved after completion of ten (10) hours of such mediation. The parties shall share equally in the cost of the mediation.

(b) If any Dispute remains between the parties after the mediation is complete, then the Dispute shall be submitted to final and binding arbitration pursuant to the procedures set forth in this Section; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The parties agree that the Arbitrator shall have the power to order equitable remedies, including specific performance and injunctive relief.

(c) An arbitral tribunal of one arbitrator (the "**Arbitrator**") shall be established in conformity with the Comprehensive Arbitration Rules and Procedures of JAMS or such other rules of a successor ADR Provider mutually agreed upon by the parties (the "**Rules**") in effect at the time such arbitration is commenced; provided, however, the parties agree that such Arbitrator shall have not less than ten (10) years' experience in or for the hospitality industry in the area of expertise on which the dispute is based (e.g. with respect to operational matters, experience in the management and operation of hotels of a similar nature as the Hotel or, with respect to financial matters, experience in the financial or economic evaluation or appraisal of hotels). Each party shall appoint a person to appoint the Arbitrator within five (5) days of the date of a request to initiate arbitration, and the two appointed persons will then jointly appoint the Arbitrator (provided that the Arbitrator shall not be the same person as the Mediator) within ten (10) days thereafter. If the appointed persons or the Arbitrator is not appointed within the time limits set forth in the preceding sentence, such person(s) or Arbitrator shall be appointed by the ADR Provider (subject to the hospitality qualification standards set forth above). In rendering a decision hereunder, the Arbitrator shall take into account the Operating Standards of the Hotel and other applicable provisions of this Agreement.

(d) The arbitration, regardless of the amount in dispute, shall be conducted in accordance with the Rules. Any arbitration shall take place in New York, New York. The Arbitrator shall apply the substantive law of the State of New York. No party to any Dispute shall be required to join any other party as a party to the Dispute pursuant to the arbitration provisions set forth in this ARTICLE 27.

(e) The Arbitrator's monetary awards may include a requirement that the losing party bear reasonable attorneys' fees and costs of the arbitration proceeding, but, in no event shall award punitive or exemplary damages of any kind. Unless the Arbitrator determines otherwise, each

party to an arbitration proceeding shall be responsible for all fees and expenses of such party's attorneys, witnesses, and other representatives, and one-half of the other fees and expenses of the Arbitrator, and the other costs of the arbitration shall be allocated to and paid by (a) the party or parties initiating the respective arbitration proceeding, and (b) the party or parties against whom the respective arbitration proceeding is brought. The award rendered in any arbitration commenced hereunder shall be final and binding upon the parties, and each party hereby waives any claim or appeal whatsoever against it or any defense against its enforcement.

(f) The obligation to arbitrate under this Section is binding on the parties and their respective successors and assigns.

Until such time as a final determination of any Dispute is obtained pursuant to this Section and, notwithstanding any termination of or default under, or alleged termination of or default under, this Agreement, all parties to this Agreement involved in such Dispute shall remain liable for, and shall be required to continue to satisfy, their respective obligations under this Agreement.

27.3 **Survival**. This Section shall survive the expiration or termination of this Agreement.

ARTICLE 28
TERMINATION OF THE LICENSE AGREEMENT

Owner reserves and shall have the right in its sole discretion, at any time and without the consent or approval of (but with notice to) Operator, to terminate the License Agreement, provided, however, that Owner shall have no such right in order to establish its own independent operations, such as an operation without a franchise or license or in its own hotel name.

ARTICLE 29
RELATIONSHIP OF PARTIES

29.1 Owner and Operator acknowledge and agree that in operating the Hotel, entering into contracts, accepting reservations, and conducting financial transactions for the Hotel, Operator acts on behalf of and as agent for Owner with respect to the rights and obligations contemplated by this Agreement and assumes no independent contractual liability nor shall Operator be obligated to extend its own credit with respect to any obligation incurred in operating the Hotel or performing its obligations under this Agreement.

29.2 The relationship between the parties hereto shall be that of principal, in the case of Owner, and agent, in the case of Operator, with respect to the rights and obligations contemplated by this Agreement. Nothing contained in this Agreement shall constitute, or be construed to constitute or create, a partnership, joint venture or lease between Owner and Operator with respect to the Hotel. This Agreement is for the benefit of Owner and Operator and shall not create third-party beneficiary rights.

29.3 This Agreement shall be interpreted in accordance with general principles of contract interpretation without regard to the common law principles of agency (except as expressly provided for in this Agreement), and any liability between the parties shall be based solely on principles of contract law and the express provisions of this Agreement. To the extent any duties,

fiduciary or otherwise, that exist or may be implied for any reason whatsoever, including without limitation those resulting from the relationship between the parties, and including without limitation all duties of loyalty, good faith, fair dealing, care, full disclosure, or any other duty deemed to exist under the common law principles of agency or otherwise (collectively, the "**Implied Fiduciary Duties**"), are inconsistent with, or would have the effect of modifying, limiting or restricting the express provisions of this Agreement, the terms of this Agreement shall prevail.

29.4 For purposes of assessing Operator's duties and obligations under this Agreement, the parties acknowledge that the terms and provisions of this Agreement and the duties and obligations set forth herein are intended to satisfy any fiduciary duties which may exist between the parties. The parties also hereby unconditionally and irrevocably waive and release any right, power or privilege either may have to claim or receive from the other party any punitive, exemplary, statutory, or treble damages or any incidental or consequential damages with respect to any breach of the Implied Fiduciary Duties. Furthermore, Owner specifically consents to all transactions and conduct by Operator and its Affiliates described in this Agreement, including those set forth below, and waives any Implied Fiduciary Duties which Operator may owe to Owner now, or which may arise in the future, in connection with such transactions or conduct. Owner acknowledges and agrees that its consent to the transactions and conduct by Operator described in this Agreement, and its waiver of any Implied Fiduciary Duties otherwise owed by Operator: (a) has been obtained by Operator in good faith; (b) is made knowingly by Owner based on its adequate informed judgment as a sophisticated party after seeking the advice of competent and informed counsel; and (c) arises from Owner's knowledge and understanding of the specific transactions and actions or inactions of operators that are normal, customary, and reasonably expected in the hotel industry generally for this segment of the hotel industry.

Owner further acknowledges that, notwithstanding Owner's right to interview and approve the hiring of each individual to hold a position as a Hotel Executive Staff Member, Operator shall have sole discretion to remove or replace any such individual (with such replacement subject to the approval rights set forth herein) (provided Operator shall not relocate the general manager or director of sales to any other System Hotel without the prior consent of Owner within thirty-six (36) months of such individual's hire).

(b) Operator may, from time to time, assign one or more of its corporate employees to the staff of the Hotel on a full-time, part-time or temporary basis, and the pro-rata share of the costs, expense and liabilities of such corporate employee of Operator shall be fairly and equitably allocated as an Operating Expense of the Hotel.

(c) Operator may elect to use the services of its Affiliates in fulfilling its obligations under this Agreement. If an Affiliate of Operator performs services Operator is required to provide, Operator shall be ultimately responsible to Owner, and Owner shall not pay more for the Affiliate's services and expenses than Operator would have been entitled to receive under this Agreement had Operator performed the services. If an Affiliate of Operator provides goods to the Hotel, such goods shall be supplied at prices and on terms at least as favorable to the Hotel as generally available in the relevant market.

(d) Any Hotel Employees who are not then represented by a collective bargaining representative shall be entitled to participate in the incentive programs, profit sharing and/or other

employee retirement, disability, health, welfare or other benefit plan or plans then made available by Operator to similarly situated employees of other System Hotels, in accordance with their respective terms. Operator will have the right to charge the Hotel with its allocable share of the cost of any such plan or plans and any contributions to be made thereunder provided that such charges and contributions shall be determined by Operator in good faith on a fair and equitable basis with respect to charges and contributions imposed for the same or similar plans at other hotels then managed by Operator, subject to Legal Requirements, and to the extent set forth in the Annual Operating Budget. Operator's rights under this Subsection (d) shall be subject to the condition that Operator shall not put into effect any amendment to any existing plan, or adopt any additional plan, which is not imposed upon all other similarly situated System Hotels.

(e) During the Term of this Agreement and for a period of twelve (12) months following termination, Owner shall not, and shall use reasonable efforts to ensure that its Affiliates do not, hire, solicit for hire, make any referrals for employment, retain as a consultant, or use the services of, any person who is employed at the Hotel as a Hotel Executive Staff Member and any Corporate Personnel, and Owner shall use reasonable efforts to prevent any other company (and any Affiliate of such other company) working on behalf of Owner or its Affiliates (including, without limitation, companies that operate or manage hotels for Owner or its Affiliates) from hiring, retaining as a consultant or using the services of any such person. The foregoing shall not prohibit Owner, any Owner Affiliate or any other company working on behalf of Owner or its Affiliates from hiring, retaining as a consultant or using the services of any such person to the extent such person is responding to a general advertisement or other solicitation of employment not specifically directed towards any Hotel Executive Staff Member or Corporate Personnel. The provisions of this section shall survive expiration or termination of this Agreement.

4.2 **Annual Plan**. [Operator shall use the existing Fiscal Year 2019 budget prepared by the existing Hotel manager as a guide to operate the Hotel pending delivery of Operator's Fiscal Year 2019 Annual Plan. On or before the date that is ninety (90) days following the Commencement Date, Operator shall submit to Owner an Annual Plan ("**Annual Plan**") for the remaining portion of the 2019 Fiscal Year and Owner either shall accept the initial Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan. Owner and Operator shall meet and discuss Owner's Annual Plan objections and shall coordinate expeditiously and in good faith to agree upon an Annual Plan for the 2019 Fiscal Year. On or before November 1st of each year following the Commencement Date, Operator shall submit to Owner an Annual Plan for the next Fiscal Year and on or before December 1st of each year following the Commencement Date, Owner either shall accept the Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan ("**Owner's Annual Plan Objections**"). Within seven (7) days after Operator's receipt of Owner's Annual Plan Objections, Owner and Operator shall agree upon a date to meet and discuss Owner's Annual Plan Objections with the goal of agreeing upon an Annual Plan for the subject Fiscal Year. In the event Owner objects to the Annual Plan or any specific items expense in the Annual Plan and Owner and Operator are unable to reach agreement thereon as provided above prior to commencement of the Fiscal Year in question, pending such agreement, the Annual Plan or the specific item or items of expense (not revenue) in question shall be suspended and replaced for such period of disagreement by an amount equal to the actual Operating Expenses for the immediately preceding Fiscal Year subject to an adjustment equal to the percentage increase in the CPI over the last twelve (12) month period

immediately preceding the start of the Fiscal Year in question. Notwithstanding anything to the contrary contained herein, Owner shall not have the right to withhold its approval with respect to the following aspects of the Annual Plan: (i) employee wages, compensation, and benefit programs to the extent applied on a system-wide basis to the other hotels managed by Operator, taking into account fluctuation for local market conditions; (ii) the Centralized Services Charge, and (iii) costs over which Operator has no reasonable control, including, without limitation, taxes, insurance, utility rates, payments due under Mortgages and Legal Requirements.

(a) The proposed Annual Operating Budget shall incorporate Operator's good faith reasonable estimates of the items of revenue and expense contained therein and shall contain the proposed budget for operations for the succeeding Fiscal Year. When approved by Owner, the proposed Annual Operating Budget shall become the approved Annual Operating Budget. Any revisions, substitutions or additions to the Annual Operating Budget must be approved by Owner in writing.

(b) The Capital Budget shall contain the proposed budget for FF&E Expenditures from the Reserve and the budget for Capital Improvements for the succeeding Fiscal Year. Operator shall submit good faith reasonable estimates for Capital Improvements and for FF&E Expenditures for such succeeding Fiscal Year. When approved by Owner, the proposed Capital Budget shall become the approved Capital Budget. Approval of the Capital Budget constitutes an authorization for Operator to expend money for Capital Improvements and for FF&E as provided in the Capital Budget, unless Owner's approval thereof specifically requires Operator to obtain additional approvals prior to commencing such work. Any revisions, substitutions or additions to the approved Capital Budget must be approved by Owner in writing.

(c) Operator shall use commercially reasonable efforts to operate the Hotel in accordance with the approved Annual Plan. The parties acknowledge that: (i) the approved Annual Plan is an estimate only; (ii) unforeseen circumstances during the course of the applicable Fiscal Year may make adherence to the approved Annual Plan impracticable or impossible; and (iii) Operator shall be entitled to depart therefrom due to causes of the foregoing nature. Operator may (w) incur variable expenses directly attributable to occupancy or revenues above forecasted levels; (x) pay all taxes, utilities, insurance premiums and charges provided for in contracts and leases entered into pursuant to this Agreement that are not within Operator's ability to control; (y) make any expenditures reasonably required on an emergency basis to avoid or mitigate damage to the Hotel or injury to persons or property, provided that Operator notify Owner as promptly as reasonably possible; and (z) make any expenditures necessary to comply with, or to cure or prevent any violation of any Mortgage and Legal Requirements. In addition to, and without limiting the foregoing, Operator shall be permitted, in its discretion and without the approval of Owner, to deviate from the approved Annual Operating Budget as follows: by up to ten percent (10%) of the approved department expense line item, or by up to five percent (5%) of the aggregate total expenditures in the approved Annual Operating Budget. If Operator determines that circumstances will result in material changes between actual results and the approved Annual Plan during the course of the Fiscal Year, Operator shall, within thirty (30) days of such determination, notify Owner, which shall include a reforecast of revenues and expenses through the remainder of the Fiscal Year. Unless otherwise specified, all references to the Annual Plan in this Agreement shall be deemed to refer to the Annual Plan approved by Owner, subject to Operator's right to depart therefrom pursuant to this Section 4.2(c).

4.3 **Labor Relations**. Operator may negotiate with any union lawfully entitled to represent the Hotel Employees and may execute collective bargaining agreements or labor contracts resulting therefrom that have been approved by Owner in Owner's sole and absolute discretion, as provided in Section 2.1(d). Owner shall have the right to have one or more representatives attend and participate in all such negotiations.

4.4 **Liquor License**. Operator shall obtain all alcoholic beverage licenses either in its name or its designee and shall maintain the alcoholic beverage licenses in good standing and effect, free of all liens (with the exception of any lien granted to Owner herein) and in compliance with the conditions imposed upon such alcoholic beverage licenses by any alcoholic beverage control commission or other governmental authority or agency, pursuant to the License Agreement. Operator further covenants and agrees that upon termination of this Agreement, whether upon its expiration or at any sooner termination thereof, it shall execute any documentation and perform any other acts which may be reasonably necessary or appropriate to effect the transfer or issuance of an alcoholic beverage license to the subsequent owner or Operator of the Hotel, provided that Operator shall not incur liability or cost in connection with such transfer or issuance. Owner covenants and agrees to pay any and all costs (including reasonable attorney's fees) incurred by Operator or its designee in effecting the transfer or obtaining such licenses and such covenant and agreement shall survive the expiration or termination of this Agreement.

4.5 **Notice of Violations**. Operator shall promptly notify Owner in writing of any written notice received from any regulatory or governmental body regarding an actual or perceived violation of any Legal Requirements.

4.6 **Centralized Services**. To the extent not otherwise provided by Licensor pursuant to the terms and conditions of the License Agreement, Operator may provide or cause its affiliated companies to provide for the Hotel the benefit of certain reservation systems, centralized accounting services, IT services, purchasing services, revenue management services, training, satisfaction surveys, and/or other centralized services as may be made available generally to similar properties managed by Operator from time to time (individually and collectively, the "**Centralized Services**"). The cost of all Centralized Services ("**Centralized Services Charge**") shall be (a) set forth in the applicable Annual Operating Budget, (b) allocated to the Hotel on an equitable basis with all other hotels utilizing the Centralized Services of Operator or its Affiliates, (c) reimbursed to Operator on a cost reimbursement basis and without mark-up or profit to Operator, and (d) shall not exceed the costs which Owner otherwise would have incurred if such services otherwise were provided on-site at the Hotel, which costs may include, without limitation, salaries (including payroll taxes and employee benefits) of employees and officers of Operator and its Affiliates engaged in the provision of the Centralized Services, costs of all equipment employed in the provision of such Centralized Services, and a reasonable charge for the development costs of Operator or its Affiliates. The Centralized Services currently provided by Operator, along with the Centralized Services Charge as of the Effective Date, are described in Exhibit B attached hereto. The Centralized Services and the Centralized Services Charge shall be subject to change from time to time, subject to clauses (a)-(d) above.

4.7 **Multi-Property Programs**. Owner acknowledges and agrees that, subject to the applicable Annual Operating Budget, Operator may, in Operator's reasonable discretion, enter into certain purchasing, maintenance, service or other contracts with respect to the operation of

the Hotel and other hotels operated by Operator (collectively, "**Multi-Property Programs**") pursuant to which Operator or its Affiliates may receive rebates, discounts, cash or other incentives, administration fees, concessions, profit participations, stock or stock options, investment rights or similar payments or economic considerations (collectively, "**Operator Rebates**") from the vendors or suppliers of goods or services provided under such Multi-Property Programs. When taking bids or issuing purchase orders, Operator shall secure for, and shall credit to, Owner any Operator Rebates (less Operator's expenses related thereto) in connection with such purchase. Operator shall promptly remit to Owner's benefit in the Operating Account the value of all Operator Rebates (less Operator's expenses related thereto) received by Operator or any of its affiliates in connection with any purchases described herein.

ARTICLE 5
USE OF NAME

5.1 **Name**. During the Term of this Agreement, the Hotel shall at all times be known and designated by the name set forth in the applicable License Agreement or by such other name as from time to time may be approved by Owner. Operator shall make or cause to be made any fictitious name filings or disclosures required by the laws of the State with respect to the use of such name for or in connection with the Hotel.

ARTICLE 6
ADVERTISING

Subject to the provisions of the License Agreement, Operator shall arrange and contract for all advertising, which Operator may reasonably deem necessary, in accordance with Section 4.2, for the operation of the Hotel. So long as the License Agreement may be in effect, Operator generally shall advertise the Hotel under the name required by the License Agreement for the Hotel.

ARTICLE 7
RESERVE FOR FF&E

7.1 **Reserve for Replacement of FF&E**. The Reserve shall be funded pursuant to Section 7.2, and Operator shall be authorized to use amounts in the Reserve to pay for the cost of FF&E Expenditures and Capital Improvements.

7.2 **Transfers to Reserve for FF&E**. Commencing on the Commencement Date and continuing thereafter during the remainder of the Term, Operator shall deposit monthly into the Reserve for FF&E and Capital Improvements an amount equal to the amounts required by Lender and/or by Licensor; provided that in no event will the amounts to be deposited monthly into the Reserve be less than an amount equal to four percent (4%) of Gross Revenues throughout the Term.

7.3 **Annual Adjustment**. At the end of each Fiscal Year and following receipt by Operator of the annual accounting referred to in ARTICLE 10, an adjustment will be made if necessary and if available, so that the appropriate amount shall have been deposited in the Reserve for such Fiscal Year.

7.4 **Maintenance of Reserve**. The proceeds from the sale of FF&E no longer needed for the operation of the Hotel shall be deposited in the Reserve, but not credited against the obligation to deposit cash in such fund for the then current Fiscal Year. All interest earned or accrued on amounts invested from the Reserve shall be added to the Reserve (but shall not be credited against Owner's obligations to fund the Reserve), and shall not constitute Gross Revenues or be included therein.

7.5 **Accumulation of Reserve and Additional Cost of FF&E and Capital Improvements**. Owner and Operator acknowledge and agree that portions of the Reserve may, from time to time in accordance with the then-current Annual Plan, be used for more significant expenditures than could be reserved for in a single year. Accordingly, at the end of each Fiscal Year, any amounts remaining in the Reserve shall be carried forward to the next Fiscal Year, and shall be in addition to the amount to be reserved in the next Fiscal Year. In the event at any time there are insufficient funds in the Reserve for any Fiscal Year to pay the cost of FF&E Expenditures in accordance with the Annual Plan, then Owner will, within thirty (30) days after request therefor by Operator, provide the additional funds to Operator to pay for such excess.

ARTICLE 8
REPAIRS AND MAINTENANCE AND CAPITAL IMPROVEMENTS

8.1 **Repairs and Maintenance**. Operator shall, from time to time, make such expenditures from the Reserve (or, to the extent insufficient, from funds otherwise provided by Owner) for (a) FF&E Expenditures and (b) repairs and maintenance of HVAC, mechanical and electrical systems, exterior and interior repainting; resurfacing building walls and floors; resurfacing parking areas; replacing folding walls; and miscellaneous similar expenditures (collectively, "**Repairs and Maintenance**") as required by the License Agreement, any Mortgage, Legal Requirements, Annual Plan and otherwise in the condition required by this Agreement. Except in the event of an emergency, Force Majeure Event or otherwise under circumstances in which it would be unreasonable to seek to obtain prior approval (and provided that Operator shall notify Owner of any such expenditure within a reasonable time given the nature and scope of the emergency), all expenditures for the foregoing shall be as provided in the Annual Plan. If any such Repairs and Maintenance shall be made necessary by any condition against the occurrence of which Owner has received the guaranty or warranty of the builder of the Hotel or of any supplier of labor or materials for the Hotel or of any supplier of labor or materials for the construction of the Hotel, then Operator shall, at Owner's direction, invoke said guarantees or warranties in Owner's or Operator's name and Owner shall cooperate in all reasonable respects with Operator in the enforcement thereof.

8.2 **Capital Improvements**. Owner shall, from time to time, at its sole expense (which may include funds deposited in the Reserve), make such Capital Improvements in or to the Hotel as Owner shall determine are necessary to comply with the Operating Standards. If Capital Improvements shall be required at any time during the Term by the terms of the License Agreement, to maintain the Hotel in accordance with the Operating Standards or Legal Requirements, or because Operator and Owner jointly agree upon the desirability thereof, then in such event all such Capital Improvements shall be made with as little hindrance to the operation of the Hotel as reasonably possible. Notwithstanding the foregoing, as long as the Hotel can continue to operate without interruption, Owner shall have the right to contest the need for any

such Capital Improvements required by any Legal Requirements and may postpone compliance therewith, if so permitted by law and if such postponement will not expose Operator to any civil or criminal liability. All recommendations by Operator of Capital Improvements shall be submitted in conjunction with the Capital Budget for the Fiscal Year described in Section 4.2(b). In the event that Owner elects to perform Major Renovations to the Hotel, Owner may request Operator to oversee the performance of the Major Renovations, in which case the parties shall enter into an agreement for project management services in a form and on such terms and conditions (including the amount of any project management fees) mutually acceptable to both parties.

8.3 **Liens**. Owner and Operator shall cooperate and use all commercially reasonable efforts to prevent any liens from being filed against the Hotel that arise from any maintenance, changes, repairs, alterations, improvements, renewals or replacements in or to the Hotel.

8.4 **Notice of Force Majeure Event**. In the event of any occurrence constituting a Force Majeure Event, Operator shall promptly notify Owner of such occurrence and shall keep Owner informed as to the extent and impact thereof on the Hotel.

ARTICLE 9
WORKING CAPITAL AND OPERATING ACCOUNT; DISTRIBUTION OF EXCESS CASH

9.1 **Working Capital**. Owner shall provide initial Working Capital in an amount equal to $1,000 per guest room at the Hotel. Owner shall at all times cause sufficient Working Capital to be on hand in the Operating Account. In no event shall Owner permit the Working Capital in the Operating Accounts to be less than an amount equal to the estimated monthly operating expenses of the Hotel for the ensuing sixty (60) day period, as reflected in the then current Annual Operating Budget. From time to time, upon fifteen (15) days prior written notice from Operator that such funds are required, Owner shall furnish to Operator funds that Operator deems reasonably necessary to assure that the Hotel shall have adequate Working Capital as herein provided.

9.2 **Depository Account**. All monies received by Operator in the operation of the Hotel shall be received in trust by Operator for the benefit of Owner and shall be deposited in a "**Depository Account**" in Owner's name, with certain of Owner's employees as authorized signatories, in a bank or trust company selected by Owner. Such monies shall not be commingled with other funds belonging to Operator and shall be swept on a daily basis into the Operating Account.

9.3 **Operating Account**. Owner and Operator shall also establish an Operating Account for paying the Hotel's expenses permitted herein to be charged to the Hotel and/or Owner. The Operating Account shall be in Owner's name, with Operator's employees as the authorized signatories, in a bank or trust company selected by Owner. Operator shall pay all Operating Expenses of the Hotel and amounts owed Operator and its Affiliates hereunder (including the Management Fee and Centralized Services Charges) out of the Operating Account. Checks drawn on the Operating Account or other documents of withdrawal from such accounts shall be signed by a designated representative of Operator approved by Owner. The Operating Account shall provide that, upon Owner's written direction, Operator and its representatives may be removed

as authorized signatories of such account but only upon termination of this Agreement. Owner shall make arrangements to deposit from the Depository Account into the Operating Account on a daily basis any money which is required to cover payments from the Operating Account permitted herein, including any payments for capital expenditures permitted herein. If Owner fails to do so and such failure continues for three (3) business days after notice from Operator, such failure shall be deemed an Owner Event of Default and Owner shall indemnify and hold Operator harmless from any loss or expense Operator might incur as a result of such deposit not having been made, and Operator may exercise its right to terminate pursuant to Section 15.2. All risk of loss with respect to funds in the Operating Account shall be borne by Owner.

9.4 **Distribution of Excess Cash**. Within twenty-five (25) days of the close of each Accounting Period, Operator shall distribute to Owner all sums remaining in the Operating Account in excess of the then Working Capital requirements of the Hotel determined in accordance with Section 9.1 of this Agreement.

9.5 **Lender Requirements**. The provisions of this ARTICLE 9 shall be subject to the requirements of any Lender. Operator will cooperate with all cash management and other similar requirements reasonably imposed by any Lender, provided such cash management or other requirements acknowledge that so long as Operator is managing the Hotel, Operator shall continue to receive payment of Management Fees, Reimbursable Expenses and payroll expenses as contemplated herein.

ARTICLE 10
BOOKS, RECORDS AND STATEMENTS

10.1 **Books and Records**. Operator shall keep full and adequate books of account and other records reflecting the results of operation of the Hotel in accordance with the Uniform System of Accounts and GAAP. The books of account and all other records relating to or reflecting the operation of the Hotel shall be kept either at the Hotel or at Operator's corporate offices and shall be available to Owner and its representatives and its auditors or accountants, at all reasonable times for examination, audit, inspection and transcription at Owner's sole cost and expense. All of such books and records pertaining to the Hotel shall be the property of Owner. Upon any termination of this Agreement, all of such books and records forthwith shall be turned over to Owner at a location designated by Owner so as to insure the orderly continuance of the operation of the Hotel, but such books and records shall thereafter be available to Operator at all reasonable times for inspection, audit, examination and transcription for a period of three (3) years. In addition to the Hotel's books and records, Operator shall maintain Guest Data in accordance with its privacy policy and the License Agreement; provided, however, Owner and Operator shall jointly own all Guest Data, and each may use such Guest Data in any commercially reasonable manner that: (a) does not violate the terms of this Agreement, (b) during the Term of this Agreement, does not interfere with and/or is not detrimental to the operation or financial performance of the Hotel, and (c) does not violate any Legal Requirements applicable to the use of Guest Data.

10.2 **Financial Reports**.

(a) Operator shall deliver to Owner within twenty (20) days following the close of each Accounting Period a monthly profit and loss statement reflecting a comparison of periodic and year-to-date actual revenues and expenses with the Annual Operating Budget as well as a periodic and year-to-date comparison of such actual revenues and expenses with those of the prior Fiscal Year.

(b) Within seventy-five (75) days after the end of each Fiscal Year, Operator shall deliver to Owner an annual accounting, showing the results of operation of the Hotel during the Fiscal Year and a computation of Gross Revenues, Operating Expenses, and Gross Operating Profit, if any, and any other information necessary to make the computations required hereby or which may be requested by Owner, all for such Fiscal Year. The annual accounting for any Fiscal Year shall be controlling over the interim accountings for such Fiscal Year.

(c) Operator shall prepare and deliver any additional reports or information as Owner is required to provide under the License Agreement.

10.3 **Audits by Owner**. Owner shall have the right to audit, conducted either by Owner's internal personnel or by a third party auditor retained by Owner, at its expense and not as an Operating Expense of the Hotel (except as provided below), all items of expense and revenue under this Agreement including, but not limited to, Gross Revenues, Operating Expenses, depreciation, the Management Fee and the Reserve. Operator shall cooperate and assist with such audit. In the event that an audit reflects an underpayment to Owner or Operator or an overpayment to Operator or Owner, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the audit results to Operator, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. In the event any audit establishes that Operator has overstated or understated Gross Revenues or Operating Expenses by more than five percent (5%), the costs of such audit shall be paid for by Operator (and shall not be an Operating Expense of the Hotel).

10.4 **Accounting Services**. Subject to the provision of sufficient input, review, approval and signoff by Owner, during the Term, Operator (or its Affiliate) shall render certain accounting services to and on behalf of Owner, which shall include:

(a) separate from the Hotel books and records, the maintenance of Owner's corporate books of account, including without limitation capital accounting (to be performed under Operator's capitalization policy) and check cutting services with respect to Owner's FF&E account for the payment of FF&E Expenditures;

(b) the provision of financial reporting services, utilizing Operator's standard reports, which shall be delivered within the reporting deadlines required by Lender, but in no event less than twenty (20) days monthly, forty five (45) days quarterly and ninety (90) days annually;

(c) the making of all of Owner's required payments with respect to (i) any Mortgage (on behalf of Owner in satisfaction of Owner's obligations under Section 23.5), (ii) Taxes (as set forth in Section 13.1) and (iii) Insurance Costs (as set forth in Section 12.1);

(d) if applicable, the processing of Lender requisitions from the Reserve;

(e) coordination of deliverables for Lender reporting requirements;

(f) cooperation with an independent accounting firm approved in Owner's sole discretion in connection with securitization vehicle reporting deadlines and audit procedures under Regulation AB; and

(g) other related services as mutually agreed by Owner and Operator from time to time (collectively, the "**Accounting Services**").

In consideration for its provision of the Accounting Services hereunder, Operator shall receive the Accounting Services Fee, which amount shall be payable pursuant to Section **Error! Reference source not found.**, and which reflects Operator's cost reimbursement only, without mark-up or profit to Operator. In the event the scope of the Accounting Services is materially increased (including through use of reports other than Operator's standard forms), the Accounting Services Fee may be increased as mutually determined by the parties. Owner may elect at any time to terminate the Accounting Services by delivery of seventy five (75) days' prior written notice to Operator, in which event the date of termination of the Accounting Services will be the last day of the calendar quarter following the month in which Operator receives Owner's written notice of termination, and the Accounting Services Fee shall cease to be due from and after the date of such termination.

ARTICLE 11
MANAGEMENT FEES AND OTHER PAYMENTS

11.1 **Management Fee**. For each Fiscal Year or portion thereof, Operator shall receive, by a distribution made by Operator out of the Operating Account at the end of each Accounting Period, subject to delivery of the monthly reports described in Section 10.2(a) (except with respect to the Incentive Fee, which, if due, shall be paid at the end of each calendar quarter upon the submission of the reports described in Section 10.2(b) with respect to such calendar quarter) in respect of its management services hereunder, a management fee calculated as follows (collectively, the "**Management Fee**"):

(a) a base fee (the "**Base Fee**") in an amount equal to two and one half percent (2.5%) of Gross Revenues in respect of any applicable period; plus

(b) an incentive fee (the "**Incentive Fee**") in an amount equal to fifteen percent (15%) of Adjusted GOP for such Fiscal Year. A sample calculation of the Incentive Fee is attached hereto as Exhibit C.

(c) Notwithstanding the forgoing, the aggregate Management Fee payable in any given Fiscal Year shall not exceed four percent (4%) of Gross Revenues for such Fiscal Year.

11.2 **Payment of Management Fee**. The Incentive Fee shall be computed separately for each Fiscal Year and shall not be accumulated from Fiscal Year to Fiscal Year. The Incentive Fee shall be prorated for any partial Fiscal Year (provided that in the event this Agreement is terminated due to an Event of Default by Operator, no Incentive Fee shall be payable with respect to the Fiscal Year in which such termination occurs). The Incentive Fee shall be adjusted, if necessary, within sixty (60) days after receipt by Owner of the annual accounting for such Fiscal

Year or receipt by Operator of Owner's documentation supporting the calculation of Owner's Priority Return. Upon request by Operator, Owner shall provide sufficient evidence and back up documentation to support Owner's calculation of Owner's Priority Return, including without limitation sufficient evidence and back up documentation to allow Operator to properly verify Owner's Invested Capital and Owner's Additional Invested Capital. Owner or Operator shall be entitled to audit the determination and calculation of the Management Fee. In the event that an audit reflects an underpayment or overpayment of the Management Fee to Operator, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the results of such audit to the other party, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. The calculation and payment of the Incentive Fee shall survive the termination of this Agreement.

11.3 **Other Payments**. Operator shall receive, by a distribution made by Operator out of the Operating Account at the end of each Accounting Period, the Centralized Services Charges and Accounting Services Fee for each Accounting Period concurrently with the payment of the Base Fee at the end of each Accounting Period. Operator shall also receive reimbursement from Owner for those reasonable out of pocket costs actually incurred by Operator which are or were directly and exclusively related to transitional management services provided by Operator prior to the Commencement Date, as outlined in the Transition Budget attached hereto as Exhibit D (the "**Transition Budget**"). Additionally, Operator shall, in accordance with the Annual Plan, be entitled to reimburse itself directly from the Operating Account for all Reimbursable Expenses incurred by it in connection with the performance of this Agreement. If requested by Owner, Operator shall provide a statement showing in reasonable detail the nature and amount of such expenses, together with supporting documentation reasonably requested by Owner.

11.4 **Treatment of Proceeds of Business Interruption Insurance and Condemnation Awards**. In the event of a casualty or condemnation for temporary use resulting in the payment of business interruption insurance (with respect to such casualty) or a condemnation award (with respect to such condemnation for temporary use), the amount of such proceeds shall be considered a part of Gross Revenues for the purpose of computing Operator's Management Fee, unless such Management Fees are paid directly to Operator by way of receipt of business interruption proceeds.

ARTICLE 12
INSURANCE

12.1 **Insurance Requirements**. Owner shall retain the right, upon written notice to Operator, to procure and maintain, as an Operating Expense of the Hotel, the policies required in subsections (a), (b), (c), (d), (e), (f), (g) or (l) of this Section 12.1 given, however, that such policies shall be placed with responsible and properly authorized companies, meet the minimum requirements as contained in this ARTICLE 12, the coverage provisions provided shall apply to Operator's benefit as provided in this Agreement, and with respect to subsection (l) of this Section 12.1, if there is a deficiency in the coverage of the Cyber Liability Insurance policy procured or maintained by Owner, Operator shall have the right to elect to procure Cyber Liability Insurance coverage addressing any such deficiency, as an Operating Expense of the Hotel. Operator will procure and maintain, as an Operating Expense of the Hotel, the policy required in subsection (h) of this

Section 12.1 with a responsible and properly authorized company that meets the minimum standards contained in this ARTICLE 12. Operator will procure and maintain, at Operator's sole cost and not as an Operating Expense of the Hotel, the policies required in subsections (i), (j) and (k) of this Section 12.1 with responsible and properly authorized companies that meet the minimum standards contained in this ARTICLE 12; provided, however, Operator shall only be responsible for the payment of the premiums for such policies as procured by Operator, and any deductibles payable in connection with any claim or loss, any losses suffered under such policies, or any other claims, costs or expenses associated with such policies, shall be borne by Owner. Notwithstanding Operator's agreement to pay the cost of the premiums associated with the policies required in subsections (i), (j) and (k), in the event Owner elects to modify the deductibles under such policies or otherwise adjust coverage under such policies and such modifications result in an increase in premium, Owner shall be responsible for any increase in premium associated with such modification. All policies evidencing such insurance in this ARTICLE 12 shall name both Owner and Operator as named or additional insureds as their interests may appear, and may, at Owner's election, name any mortgagee, lien holder or other security interest holder of all or any part of the Hotel as an additional insured thereunder, as its interest may appear. The party which procures the insurance required under subsections (d) and (e) of this Section 12.1 will procure such coverage on a primary and non-contributory basis to the other party.

(a) An "all risk" policy (including, at Owner's option, Difference in Conditions coverage which shall include earthquake, windstorm and flood) insuring all real and personal property, in an amount Owner and Operator shall mutually deem advisable.

(b) Insurance on the Hotel against loss or damage from an accident to and/or caused by boilers, heating apparatus, pressure vessels, pressure pipes, electrical or air conditioning equipment, in an amount as Owner shall deem advisable.

(c) Business interruption and extra expense insurance, on a loss sustained basis, against the perils enumerated in subsections (a) and (b) above, including Operator's Management Fees and the Centralized Services Charges as provided under this Agreement.

(d) Commercial General Liability Insurance, including coverage for bodily injury (including coverage for death, mental anguish), full liquor liability, inn keepers legal liability (this coverage can be provided through a 3rd party crime policy upon Owner consent), personal injury and advertising liability including premises-operations, independent contractors' protective, products-completed operations, broad form property damage (including coverage for explosion, collapse and underground hazards), and including cross liability and severability of interests, blanket contractual liability for liability and claims occurring upon, in on or about the Hotel and, without exclusion for assault, battery or sexual molestation. Coverage shall be extended to include liability arising out of spas, treatments, massages as applicable, with the following minimum limits:

(i) $1,000,000 Each Occurrence;
(ii) $2,000,000 General Aggregate;
(iii) $1,000,000 Personal and Advertising Injury; and
(iv) $2,000,000 Products-Completed Operations Aggregate.

(i) those policies associated with Sections 12.1(h) or (k) shall be excluded;

(ii) with respect to the policy associated with Section 12.1(j), the deductible or self-insured retention required by Operator hereunder shall not exceed $50,000 unless written consent is provided by Owner;

(iv) with respect to the policy associated with Section 12.1(i), the deductible or self-insured retention required by Operator hereunder shall not exceed $250,000 unless written consent is provided by Owner; and

(v) in the event Owner elects to modify the deductibles of those policies associated with Section 12.1(i), (j), or (l), or otherwise adjust the coverage under such policies, and such modifications or adjustments result in an increase in the premium, Owner shall be responsible for any increase in the premium associated with such modification or adjustment.

(d) All insurance shall be written with companies approved by Owner, licensed in the state in which the Hotel is located and having a Best's Rating of not less than A-XI, unless otherwise approved by Owner.

(e) At Owner's request, Operator shall provide information pertaining to Operator's policies and procedures governing claims, emergency preparedness, and loss prevention. This is to include regular reports on claim and insurance litigation activity at the Hotel.

(f) Any insurance required to be provided pursuant to this ARTICLE 12 may be provided under policies of blanket insurance which cover other properties and activities of Owner or Operator, as applicable. The cost of any blanket coverage shall be equitably prorated among the properties and activities covered, provided that the portion of such cost allocated to the Hotel shall be no greater than if the same insurance coverage were written separately. Upon request, any such proration by Owner or Operator of blanket coverage shall be subject to the reasonable approval of the other party.

(g) The parties acknowledge that, as of the Effective Date, Operator will not provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program; provided, however, that Owner may elect to have Operator provide such insurance at any time during the Term, in which case the provisions of this Section 12.2(g) shall apply. If at any time during the Term, Owner elects to have Operator provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program, certain coverage limits will be shared with other properties owned and/or managed by Affiliates of Operator. Owner agrees that if there is a loss at the Hotel that results in a reduction of the amount of insurance coverage with respect to other properties covered by such master property insurance program, all costs of reinstating the full amount of coverage with respect to such other properties to the coverage that was available for such other properties under such master property insurance program immediately prior to such loss at the Hotel shall be borne by Owner as an expense of the Hotel. Conversely, if there is a loss at another property covered by such master insurance program that results in a reduction of the amount of insurance coverage with respect to the Hotel, all costs of reinstating the full amount of coverage with respect to the Hotel shall not be borne by Owner as an expense of the Hotel, but shall be borne by Operator or the owner of the applicable property that suffered such loss. The obligations of Owner and/or Operator pursuant to this Section 12.2(g) shall survive (i) the expiration or termination of this Agreement or termination of similar agreements, if any, related to Operator's affiliated properties on the shared program; and (ii) any election of Owner or Operator to remove the Hotel from the master insurance program and/or the removal of any of Operator's affiliated properties from the shared master insurance program. Owner and Operator agree to use commercially reasonable efforts in reinstating the coverage limits to the amount of coverage available immediately prior to such loss; provided, however, Owner and Operator shall be required, at a minimum, to reinstate the amounts of coverage necessary to comply with the requirements of any third party mortgagee or franchisor of the properties covered by the master insurance program. Notwithstanding the foregoing, (A) after a loss the relevant party will only be required to reinstate coverage, if any, up to an amount that results in a total amount of coverage that is sufficient for all properties under the program that are also obligated to a reinstatement provision, if Owner and Operator mutually agree at their sole discretion that the remaining amount of coverage is sufficient; provided if Owner and Operator do not mutually agree, an independent third-party consultant (i.e., a consultant who has not had any

direct relationship with either party in the preceding twenty-four (24) month period) selected by Operator will make such determination, (B) the amount of coverage to be reinstated by the relevant party will be limited to what is sufficient only for the properties in Operator's master shared insurance program that are obligated by the same reinstatement provisions per this Section 12.2(g) and (C) the maximum amount of lost shared limit to be reinstated by the relevant party after a loss will be equal to the amount of lost shared limit that was lost due to a loss at the relevant party's property. Owner also agrees that it shall bear as an expense of the Hotel all costs for any additional limits or coverages that may be requested by Owner that are above the limits in such master insurance program. Owner may elect to remove the Hotel from Operator's master insurance program upon thirty (30) days prior written notice (or upon three (3) business days prior written notice if such termination is effective on the annual renewal date of such master insurance program). Any premium prepaid by Owner for such terminated coverage shall be credited to Owner in an amount calculated by the insurance carrier in its sole and absolute discretion. Operator will use reasonable efforts to give written notice to Owner within ten (10) business days after any property is added or removed from Operator's shared master insurance program and will confirm the same upon request by Owner.

ARTICLE 13
REAL AND PERSONAL PROPERTY TAXES; UTILITIES

13.1 **Taxes**. Operator shall pay, for and on behalf of Owner from funds of the Hotel, all real estate taxes, all personal property taxes and all betterment assessments levied against the Hotel or any of its component parts. Operator shall promptly deliver to Owner all notices of assessments, valuations and similar documents to be filed by Owner, which are received from taxing authorities by Operator.

13.2 **Utilities, Etc**. To the extent sufficient funds are available in the Operating Account or otherwise made available in a timely manner by Owner, Operator shall promptly pay all fuel, gas, light, power, water, sewage, garbage disposal, telephone and other utility bills currently as they are incurred in connection with the Hotel from the Gross Revenues or Working Capital.

ARTICLE 14
DAMAGE OR DESTRUCTION; CONDEMNATION

14.1 **Damage or Destruction**.

(a) If the Hotel or any portion thereof shall be damaged or destroyed at any time or times during the Term by fire, casualty or any other cause commonly covered by fire and extended coverage insurance, to the extent required or permitted by any Lender and to the extent insurance proceeds are made available by Lender for such purpose, Owner will at its own cost and expense and with due diligence, repair and/or restore the Hotel so that after such repair and/or restoration, the Hotel shall be in substantially the same condition as it was immediately prior to such damage or destruction.

(b) Owner shall notify Operator within thirty (30) days after Owner determines whether or not Lender will permit, and make insurance proceeds available to carry out, such repair and/or

restoration, in which case Owner shall complete such repair and/or restoration pursuant to the last sentence of Section 14.1(a).

(c) If Owner advises Operator as provided in clause (b) above that Lender will not permit, and make insurance proceeds available to carry out, such repair and/or restoration, or fails to advise Operator as provided in clause (b) above, Operator may terminate this Agreement by written notice to Owner, within one hundred fifty (150) days after such damage or destruction, in which case, Owner shall pay to Operator the Termination Fee (provided Owner's obligation to pay the Termination Fee shall be limited to the extent of insurance proceeds which are made available to pay such Termination Fee).

14.2 **Condemnation**. If the whole of the Hotel shall be taken or condemned in any eminent domain, condemnation, compulsory acquisition or like proceeding by any competent authority or if such a portion thereof shall be taken or condemned as to make it imprudent or unreasonable, in the sole opinion of Owner, to use the remaining portion as a hotel of the type and class immediately preceding such taking or condemnation, then this Agreement shall terminate as of the date title vests in the condemning authority. Operator has no interest in any award paid to Owner; however, Operator shall have the right, in the case of a condemnation that results in the termination of this Agreement, to institute a separately available administrative proceeding or judicial action intended to determine just compensation in connection with the condemnation, for the purpose of representing Operator's compensable interest in this Agreement. If only a part of the Hotel shall be taken or condemned and the taking or condemnation of such part does not, in the opinion of Owner, make it unreasonable or imprudent to operate the remainder as a hotel of the type and class immediately preceding such taking or condemnation, this Agreement shall not terminate, and so much of any award to Owner shall be made available as shall be reasonably necessary for making alterations or modifications of the Hotel, or any part thereof, so as to make it a satisfactory architectural unit as a hotel of similar type and class as prior to the taking or condemnation.

14.3 **Reinstatement**. If within twelve (12) months following any termination of this Agreement pursuant to Section 14.1 or 14.2, Owner or any of its Affiliates intends to commence repair and/or restoration of the Hotel, Owner shall promptly give notice to Operator in writing of such intention, and at Operator's election (exercisable by giving written notice to Owner within thirty (30) days of the date upon which Operator receives such notice from Owner), this Agreement shall be deemed reinstated in accordance with all the terms and conditions hereof (and Operator shall repay to Owner any Termination Fee received by Operator within ten (10) days after the Hotel is substantially re-opened). Operator's duties shall be suspended until the Hotel is substantially reopened and the termination date (and Term) shall be extended to reflect the period of time the Hotel is closed. The provisions of this Section 14.3 shall survive the expiration or termination of this Agreement.

14.4 **Mortgage Requirements**. Actions as to damage or destruction and condemnation shall be taken only in a manner that is consistent with the terms and conditions of any Mortgage and any conflict between those terms and conditions and the provisions of this Agreement shall be resolved in favor of such Mortgage.

ARTICLE 15
EVENTS OF DEFAULT

15.1 **Operator Defaults**. Each of the following shall constitute an Event of Default by Operator:

(a) The failure of Operator to perform, keep or fulfill any of the covenants, undertakings, obligations or conditions to be kept, observed or performed by Operator and such failure shall continue for a period of (i) ten (10) days after written notice from Owner to Operator with respect to payment of any funds or delivery of any of the financial reports required under Section 10.2, or (ii) thirty (30) days after written notice from Owner to Operator with respect to any other obligations of Operator under this Agreement; provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Operator commenced the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion, not to exceed in any event ninety (90) days after Owner's delivery of such notice.

(b) If Operator shall apply for or consent to the appointment of a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets, admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Operator in any bankruptcy, reorganization or judgment or decree shall be entered by any court of competition jurisdiction, on the application of a creditor, adjudicating Operator bankrupt or insolvent or approving a petition seeking reorganization of Operator or appointing a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets or a decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(c) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Operator, or Operator shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(d) The filing against Operator of a petition seeking adjudication of Operator as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Operator's assets, if such petition is not dismissed within ninety (90) days.

(e) Failure of Operator to maintain at all times throughout the term hereof all of the insurance required to be maintained by Operator under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Owner to Operator.

15.2 **Owner Defaults**. Each of the following shall constitute an Event of Default by Owner:

(a) The failure of Owner to pay or furnish to Operator any money Owner is required to pay or furnish to Operator in accordance with the terms hereof on the date the same is payable, if such failure is not cured within ten (10) days after written notice specifying such failure is given by Operator to Owner. If any sum of money is not paid within ten (10) days following the date the same becomes due and payable under this Agreement, and Operator has advanced such sum on behalf of Owner, such sum shall bear interest at the Default Rate from the date Operator advanced

such sum on behalf of Owner until the date Owner actually pays such sum. If the failure to pay relates to the Management Fee, such sum shall bear interest at the Default Rate from the date due until the date actually paid.

(b) The failure of Owner to perform, keep or fulfill any of the other covenants, undertakings, obligations or conditions set forth in this Agreement (other than a failure to pay or furnish to Operator any money Owner is required to pay or furnish to Operator), including without limitation, the failure of Owner to respond to written requests by Operator to approve expenditures or to authorize procedures necessary to maintain the standards of the Hotel in accordance with the Operating Standards, if such failure shall continue for a period of thirty (30) days after written notice by Operator or Licensor to Owner specifying the matters or conditions which constitute the basis for such Event of Default, provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Owner commences the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion.

(c) If Owner shall apply for or consent to the appointment of a receiver, trustee or liquidator of Owner of all or a substantial part of its assets, or admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Owner in any bankruptcy, reorganization or insolvency proceeding, or if an order, judgment or decree shall be entered by any court of competent jurisdiction, on the application of a creditor, adjudicating Owner a bankrupt or insolvent or approving a petition seeking reorganization of Owner or appointing a receiver, trustee or liquidator of Owner or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(d) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Owner, or Owner shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(e) The filing against Owner of a petition seeking adjudication of Owner as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Owner's assets, if such petition is not dismissed within ninety (90) days.

(f) Failure of Owner to maintain at all times throughout the term hereof all of the insurance required to be maintained by Owner under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Operator to Owner.

ARTICLE 16
TERMINATION UPON EVENT OF DEFAULT; OTHER REMEDIES

16.1 **Termination**. Upon the occurrence of an Event of Default, in addition to and cumulative of any and all rights and remedies available to the non-defaulting party under this Agreement, at law or in equity, the non-defaulting party may: (a) terminate this Agreement without penalty, effective upon receipt of written notice of termination by the defaulting party; and (b) pursue any

and all other remedies available to the non-defaulting party at law or in equity. In addition to and cumulative of the foregoing, upon the occurrence of any Event of Default on the part of Owner, all Management Fees, Reimbursable Expenses, Accounting Services Fees and all other sums then due and payable to Operator under this Agreement shall be immediately due and payable without notice. In no event shall the provisions of this Agreement with respect to the payment of a Termination Fee upon the termination of this Agreement under certain circumstances be construed as defining or limiting the amount recoverable by Operator from Owner by reason of any Event of Default on the part of Owner.

16.2 **Operator's Rights to Perform**.

(a) If Owner shall fail to make any payment or to perform any act required of Owner pursuant to this Agreement, Operator may (but shall not be obligated to), without further notice to, or demand upon, Owner and without waiving or releasing Owner from any obligations under this Agreement, make such payment (either with its own funds or with funds withdrawn for such purpose from the Operating Accounts) or perform such act. All sums so paid by Operator from its own funds, together with interest thereon at the Default Rate from the date of making such expenditure by Operator, shall be payable to Operator on demand.

(b) Operator shall have the right to set-off against any payments to be made to Owner by Operator under any provision of this Agreement and against all funds from time to time in the Operating Accounts any and all liabilities of Owner to Operator. Operator may withdraw from the Operating Accounts from time to time such amounts as Operator deems desirable in partial or full payment of all or any portion of said liabilities, the amount of such withdrawals to be paid by Owner to Operator on demand and to be replaced in the respective account and fund.

(c) Owner shall have the right to set-off against any payments to be made to Operator by Owner any amounts owed by Operator to Owner under this Agreement.

ARTICLE 17
OWNER'S ADDITIONAL TERMINATION RIGHTS

17.1 **Termination on Sale**. If at any time during the Term, Owner sells, leases or otherwise transfers or conveys (a) the Hotel, or (b) seventy-five percent (75%) or more of the direct or indirect interests in Owner, in each case to a person or entity which is not an Affiliate of Owner in a bona fide arm's length transaction, Owner shall have the right to terminate this Agreement by giving prior written notice (the "**Sale Termination Notice**") to Operator; provided that if such transfer shall occur at any time prior to the third (3rd) anniversary of the Commencement Date, Owner shall pay to Operator, as a condition of such termination, the Termination Fee, subject to Section 21.2. The Sale Termination Notice shall set forth an estimate of the effective termination date of this Agreement, which date shall not be less than sixty (60) days subsequent to the date of the Sale Termination Notice. The actual termination shall be effective as of the closing of the sale, regardless of the estimate provided in the Sale Termination Notice. Accordingly, Owner shall, upon reasonable notice, have the right to extend the effective date of such termination for a reasonable period of time based on delays in the closing, provided that Owner shall pay all actual costs reasonably incurred by Operator in postponing the effectiveness of such termination. As a further condition of any termination of this Agreement by Owner under this Section 17.1, Owner

shall pay to Operator, on or before the effective date of such termination all amounts due Operator and its Affiliates under this Agreement for the period of time prior to the date of termination.

17.2 **Performance Termination**.

(a) Subject to the provisions of this Section 17.2, Owner may terminate this Agreement in accordance with the procedure described below, if for any full Fiscal Year from and after the expiration of Fiscal Year 2019 (i.e., commencing with Fiscal Year 2020) (each a "**Measurement Year**"), subsections (i) and (ii) below are applicable for such Measurement Year (collectively, the "**Performance Test**"):

(i) the Gross Operating Profit for such Measurement Year is less than ninety percent (90%) of the budgeted Gross Operating Profit set forth in the approved Annual Operating Budget for such Measurement Year (the "**GOP Test**"); and

(ii) the RevPAR of the Hotel for such Measurement Year is less than the following percentage of the annualized RevPAR for the Competitive Set (the "**RevPAR Test**"): (A) for Fiscal Year 2020, one hundred and ten percent percent (110%); (B) for Fiscal Year 2021, one hundred and fifteen percent (115%); (C) for Fiscal Year 2022, and every Fiscal Year thereafter for the remainder of the Term, one hundred and twenty percent (120%).

(b) If the Performance Test is not satisfied and Owner elects to exercise its right to terminate this Agreement pursuant to this Section, (i) Owner shall give written notice to Operator of such election within sixty (60) days after the receipt by Owner of the annual accounting (as set forth in Section 10.2) for such Measurement Year; and (ii) the notice shall specify a termination date no sooner than ninety (90) days after the giving of such notice. No Termination Fee shall be payable upon any termination of this Agreement pursuant to this Section 17.2. Within sixty (60) days following its receipt of Owner's notice of termination, Operator may elect, which election may be exercised only once during the Term, to pay to Owner an amount which, when added to the actual aggregate amount of the Gross Operating Profit for the Measurement Year in question, equals the amount of Gross Operating Profit that would have been necessary to satisfy the GOP Test for such Measurement Year. Upon such payment, the Performance Test shall be deemed to have been satisfied for such Measurement Year, Owner shall not have a right to terminate this Agreement based upon such Measurement Year and Owner's election to do so shall be of no further force and effect.

(c) In the event that there is a Threshold Adjustment Event, Owner and Operator will reasonably cooperate to equitably adjust the GOP Test and the RevPAR Test, as applicable. If the parties cannot agree as to the equitable adjustment within thirty (30) days following written request for adjustment by either party, the matter will be submitted to an Expert, as provided and in accordance with the procedures set forth in Section 27.1.

ARTICLE 18
TRANSFER AND REMITTANCE TO OWNER UPON TERMINATION

18.1 **Transfer to Owner**. Upon any termination of this Agreement, whether due to the occurrence of an Event of Default or otherwise, Operator shall cooperate with Owner and shall execute all documents or instruments requested by Owner in connection with the transfer to

Owner or its nominee of the Permits and the License Agreement used or useful in connection with the operation of the Hotel (including without limitation executing any interim beverage agreement or similar agreement reasonably required to allow alcoholic beverages to continue to be sold at the Hotel after such termination in accordance with Legal Requirements pending issuance of temporary or new Permits with respect to such sales to Owner or its designee, so long as such successor Owner provides Operator with an indemnity, in form and substance reasonably acceptable to Operator, indemnifying Operator from any and all claims and liability associated with such interim agreements and continued use of such Permits); provided, however, if such termination is due to a reason other than a default by Operator under this Agreement, Owner will reimburse Operator for Operator's reasonable expenses to effect such transfer, or the imposition of liability by Operator. Without limiting the generality of the foregoing, Operator shall cause its officials to execute any necessary documents to effectuate the orderly transfer to Owner or its designee of the Permits and the License Agreement or the renewal thereof to Owner or Owner's designee if appropriate. In the event that this Agreement terminates for any reason, a sufficient number of Hotel Employees will be hired by Owner or its successor, assign or designee, so as not to cause a "mass layoff" or "plant closing", as defined in the Workers Adjustment and Retraining Act, 29 USC, sec 2101 et seq. (the "**WARN Act**"). Owner hereby agrees to indemnify, defend and hold Operator harmless from and against any and all claims asserted against or incurred by Operator related to: (a) hiring, discharging, offering to hire or failing to hire any of the Hotel Employees; (b) termination of the Hotel Employees by reason of the termination of this Agreement; or (c) Owner's failure to take, or cause to be taken, the action necessary with respect to Hotel Employees so that Operator will not be required to comply with the WARN Act or any other similar Legal Requirements.

18.2 **Remittance to Owner**. Upon the expiration or termination of this Agreement, after payment of all Operating Expenses for which bills were received to such date, Operator's Management Fee, Reimbursable Expenses, Accounting Services Fee, any Termination Fee and any other amounts then due and payable to Operator, and after withholding a reasonable amount determined by Operator to be necessary to pay for any continuing liabilities or payables that may become due following such termination, all remaining amounts in: (a) the Reserve and (b) the Operating Account, shall be transferred by Operator to Owner.

TRANSFERS

21.1 **Transfers**. Except as herein otherwise provided, neither party may cause or permit a Transfer without the prior written consent of the other party (which consent may be withheld or conditioned in such other party's sole discretion); provided however, that either party shall be entitled to assign this Agreement (a) to an Affiliate of such party and (b) in connection with a corporate transaction involving such party in which all or substantially all of such party's assets are transferred to an Affiliate of such party. Within fifteen (15) days of Operator's receipt of the Notice of Proposed Sale, Operator shall notify Owner of its election to either: (a) continue operating the Hotel following such Sale of the Hotel, or (b) terminate this Agreement. In the event Operator enters into an agreement to operate the Hotel following such Sale of the Hotel, Operator shall not have the right to receive the Termination Fee in connection with such Sale of the Hotel. In the event Operator does not enter into an agreement to operate the Hotel following the closing of the Sale of the Hotel Operator shall have the right to receive the Termination Fee.

21.3 **Prohibited Sale**. Notwithstanding anything to the contrary in Section 21.2, Owner may not cause or permit a Transfer to any Prohibited Person.

ARTICLE 22
INDEMNITY

22.1 **Indemnity by Owner**. Owner shall indemnify, defend and hold Operator, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Operator Indemnified Parties**") harmless for, from and against any and all third-party liabilities, claims, demands, actions, causes of action, judgments, orders, damages, costs, expenses, and losses (including reasonable attorney's fees and costs) (collectively, "**Claims**") which Operator Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from: (a) this Agreement, including the negotiation of or entering into this Agreement; (b) the development, construction, ownership and/or operation of the Hotel from and after the Effective Date, (c) any reporting to the IRS, Owner's lenders or any party relying on Owner's books and records by Owner or by Operator (on behalf of and as directed by Owner, in connection with Operator's provision of the Accounting Services pursuant to Section 10.4 of this Agreement); and (d) other activities relating to the Hotel, except to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.2 **Indemnity by Operator**. Operator shall indemnify, defend and hold Owner, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Owner Indemnified Parties**") harmless for, from and against any and all Claims which Owner Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from this Agreement, to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.3 **Indemnification Procedure**. Any Indemnified Party shall be entitled, upon written notice to the Indemnifying Party, to the timely appointment of counsel by the Indemnifying Party for the defense of any claim, which counsel shall be subject to the approval of the Indemnified Party. If, in the Indemnified Party's reasonable judgment, a material conflict of interest exists between the Indemnified Party and the Indemnifying Party at any time during the defense of the Indemnified Party, the Indemnified Party may appoint independent counsel of its choice for the defense of the Indemnified Party as to such claim. Additionally, regardless of whether the Indemnified Party is appointed counsel or selects independent counsel (a) the Indemnified Party shall have the right to participate in the defense of any claim and approve any proposed settlement of such claim, such approval to be in such party's sole and absolute discretion, and (b) all costs, expenses and attorneys' fees of the Indemnified Party shall be borne by the Indemnifying Party. If the Indemnifying Party fails to timely pay such costs, expenses and reasonable attorneys' fees, the Indemnified Party may, but shall not be obligated to, pay such amounts and be reimbursed by the Indemnifying Party for the same, which amounts shall bear interest at the Default Rate until paid in full. The parties hereby acknowledge that it shall not be a defense to a demand for indemnity that less than all claims asserted against the Indemnified Party are subject to indemnification. If a claim is covered by the Indemnifying Party's liability insurance, the Indemnified Party shall not take or omit to take any action that would cause the insurer not to defend such claim or to disclaim liability in respect thereof. Further, the Indemnified Party shall cooperate with the Indemnifying Party in the defense of the claim (at the Indemnifying Party's cost), shall not settle the claim without the consent of the Indemnifying Party, and shall not take any action which prejudices the defense of the claim.

22.4 **Survival/Miscellaneous**. The provisions of this ARTICLE 22 shall survive the expiration or earlier termination of this Agreement. Owner and Operator mutually agree for the benefit of each other to look first to the appropriate insurance coverages in effect pursuant to this Agreement in the event any claim or liability occurs as a result of injury to person or damage to property, regardless of the cause of such claim or liability. In no event shall the settlement by either party of any claim brought by a third party (including Hotel Employees) in connection with the ownership or operation of the Hotel be deemed to create any presumption of the validity of the claim, nor shall any such settlement be deemed to create any presumption that the acts or omissions giving rise to such claim constituted Operator's Grossly Negligent or Willful Acts.

ARTICLE 23
MISCELLANEOUS

23.1 **Further Assurances**. Owner and Operator shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding and enforceable as between them and as against third parties.

23.2 **Waiver**. The waiver of any of the terms and conditions of this Agreement on any occasion or occasions shall not be deemed a waiver of such terms and conditions on any future occasion.

23.3 **Successors and Assigns**. Subject to and limited by ARTICLE 21, this Agreement shall be binding upon and inure to the benefit of Owner, its successors and permitted assigns, and shall be binding upon and inure to the benefit of Operator, its successors and permitted assigns.

23.4 **Governing Law**. This Agreement shall be construed, both as to its validity and as to the performance of the parties, in accordance with the laws of the State of New York.

23.5 **Compliance with Mortgage and License Agreement**. In carrying out their respective duties and obligations under the terms of this Agreement, Owner and Operator shall take no action that could reasonably be expected to constitute a material default under any Mortgage or the License Agreement and will take such actions as are reasonably necessary to comply therewith. Owner shall be responsible for making all payments under any Mortgage.

23.6 **Amendments**. This Agreement may not be modified, amended, surrendered or changed, except by a written document signed by Owner and Operator agreeing to be bound thereby.

23.7 **Estoppel Certificates**. Owner and Operator agree, at any time and from time to time, as requested by the other party, upon not less than ten (10) days' prior written notice, to execute and deliver to the other a written statement (a) certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same are in full force and effect as modified and stating the modifications), (b) certifying the dates to which required payments have been paid, and (c) stating whether or not, to the best knowledge of the signer, the other party is in default in performance of any of its obligations under this Agreement, and if so, specifying each such default of which the signer may have knowledge, it being intended that such statement delivered pursuant hereto may be relied upon by others with whom the party requesting such certificate may be dealing.

23.8 **Inspection Rights**. Owner shall have the right to inspect the Hotel and examine the books and records of Operator pertaining to the Hotel at all reasonable times during the Term upon reasonable notice to Operator, and Owner and the holder of any Mortgage shall have access to the Hotel and the books and records pertaining thereto at all times during the Term to the extent necessary to comply with the terms of any Mortgage, all to the extent consistent with applicable Legal Requirements and the rights of guests, tenants and concessionaires of the Hotel, and all to the extent the same will not interfere with the operation and management of the Hotel.

23.9 **Subordination**. This Agreement, any extension hereof and any modification hereof shall be subject and subordinate to a Mortgage as provided therein. The provisions of this Section shall be self-operative and no further instrument of subordination shall be required; however, Operator will execute and return to Owner (or to Lender, as designated by Owner) such documentation as Owner or Lender may reasonably request to evidence the subordination of this Agreement to the Mortgage (and, if required by a Lender, the assignment of this Agreement to such Lender as additional security in connection with such Mortgage).

23.10 **Effect of Approval of Plans and Specifications**. Owner and Operator agree that in each instance in this Agreement or elsewhere wherein Operator is required to give its approval of plans, specifications, budgets and/or financing, no such approval shall imply or be deemed to constitute an opinion by Operator, nor impose upon Operator any responsibility for the design or construction of additions to or improvements of the Hotel, including but not limited to structural integrity or life/safety requirements or adequacy of budgets and/or financing. The scope of Operator's review and approval of plans and specifications is limited solely to the adequacy and relationship of spaces and aesthetics of the Hotel in order to comply with the Operating Standards.

23.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties relating to the subject matter hereof, superseding all prior agreements or undertakings, oral or written.

23.12 **Time is of the Essence**. Time is of the essence in this Agreement.

23.13 **Interpretation**. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

23.14 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and need not be signed by more than one of the parties hereto and all of which shall constitute one and the same agreement. Counterparts of this Agreement received by electronic transmission shall be deemed originals for all purposes.

23.15 **Partial Invalidity**. In the event that any one or more of the phrases, sentences, clauses or paragraphs contained in this Agreement shall be declared invalid by the final and unappealable order, decree or judgment of any court, this Agreement shall be construed as if such phrases, sentences, clauses or paragraphs had not been inserted, unless such construction would substantially destroy the benefit of the bargain of this Agreement to either of the parties hereto.

23.16 **Confidentiality**. The parties agree that the terms, conditions and provisions set forth in this Agreement are strictly confidential and the parties agree to keep strictly confidential any information of a confidential nature about or belonging to a party or to any Affiliate of a party to which the other party gains or has access by virtue of the relationship between the parties (collectively, "**Privileged Information**"). Except as disclosure may be required to obtain the advice of professionals or consultants, or financing for the Hotel from a Lender, or in furtherance of a permitted assignment of this Agreement, or as may be required to comply with Legal Requirements (including reporting requirements applicable to public companies), each party shall make commercially reasonable efforts to ensure that Privileged Information is not disclosed to the press or to any other third party without the prior consent of the other party. Notwithstanding the foregoing, the parties hereby acknowledge that Operator shall have the authority to release information regarding the Hotel to STR, Inc. (or a similar organization mutually agreed upon by the parties). The obligations set forth in this Section shall survive any termination or expiration of this Agreement. The parties shall cooperate with one another on all public statements, whether written or oral and no matter how disseminated, regarding their contractual relationship as set forth in this Agreement or the performance of their respective obligations under this Agreement.

23.17 **No Third Party Rights**. This Agreement shall inure solely to the parties hereto. Notwithstanding any other provision of this Agreement, no third party shall have any rights pursuant to the terms of this Agreement.

ARTICLE 24
NO REPRESENTATIONS AS TO INCOME OR FINANCIAL SUCCESS OF HOTEL

In entering into this Agreement, Operator and Owner acknowledge that neither Owner nor Operator has made any representation to the other regarding projected earnings, the possibility of future success or any other similar matter respecting the Hotel, and that Operator and Owner

understand that no guarantee is made to the other as to any specific amount of income to be received by Operator or Owner or as to the future financial success of the Hotel.

ARTICLE 25
REPRESENTATIONS OF OPERATOR

In order to induce Owner to enter into this Agreement, Operator does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Operator enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Operator, threatened, against or relating to Operator, the properties or business of Operator or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Operator to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Owner;

(c) neither the consummation of the transactions contemplated by this Agreement on the part of Operator or to be performed, nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Operator is a party or by which it is bound; and

(d) Operator is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("**OFAC**") of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action (such persons and entities being "**Prohibited Persons**").

ARTICLE 26
REPRESENTATIONS OF OWNER

In order to induce Operator to enter into this Agreement, Owner does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Owner enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Owner, threatened, against or relating to Owner, the properties or business of Owner or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Owner to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Operator;

(c) neither the consummation of the transactions contemplated by this Agreement by this Agreement on the part of Owner to be performed nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Owner is a party or by which it is bound; and

(d) Owner is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of OFAC of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action.

ARTICLE 27
DISPUTE RESOLUTION

27.1 **Expert Determination**. Notwithstanding anything to the contrary in Section 27.2, any dispute, claim or issue arising under this Agreement with respect to: (a) the proper inclusion or exclusion of items in revenues, expenses and other financial computations contemplated herein, (b) the proper computation of the Base Fee, Incentive Fee, charges for Centralized Services, Accounting Services or Reimbursable Expenses, (c) disputes relating to the Annual Plan, including expenses related to satisfying Operating Standards, (d) disputes as to the Performance Test or changes in the Competitive Set, or (e) other matters as to which this Agreement expressly provides for dispute resolution by an Expert, shall be resolved in accordance with this Section by one Expert. Notwithstanding the foregoing, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The decision of the Expert shall be final and binding on the parties and shall not be capable of challenge, whether by arbitration, in court or otherwise, except to the extent of any manifest error in such Expert's determination. The costs of the Expert and the proceedings shall be borne as directed by the Expert unless otherwise provided for herein. In the event the parties are unable to agree on an Expert or otherwise disagree as to whether the disputed matter qualifies for Expert determination, either party shall have the right, prior to submitting such matter to an Expert, to initiate the mediation and arbitration procedures contemplated below.

27.2 **Mediation/Arbitration**. Except with respect to the matters described in Section 27.1 above, if any claim, dispute or difference of any kind whatsoever (a "**Dispute**") shall arise out of or in connection with or in relation to this Agreement whether in contract, tort, statutory, or otherwise, and including any questions regarding the existence, scope, validity, breach or termination of this Agreement, the following procedures shall apply:

(a) The parties shall first attempt to settle such Dispute by participating in at least ten (10) hours of mediation, which mediation shall be administered by JAMS (or if JAMS no longer exists, another mutually acceptable alternative dispute resolution provider) (the "**ADR Provider**"). A designated individual mediator who is a member in good standing of the ADR Provider will then be mutually selected by the parties to conduct the mediation; provided that such mediator must have at least ten (10) years' experience as a mediator and must not have any conflict of interest with either party (the "**Mediator**"). If the parties are unable to agree upon the identity of the

Mediator within five (5) days after the complaining party has notified the other party that a Dispute exists, then, subject to the requirements of this Section, the ADR Provider shall select a qualified Mediator of its choosing who shall act as the Mediator of the Dispute. The mediation will be a nonbinding conference between the parties conducted in accordance with the applicable rules and procedures of the ADR Provider. The mediation shall take place in New York, New York. Neither party may initiate litigation or arbitration proceedings with respect to any Dispute until the mediation of such Dispute is complete; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any claims solely relating to: (i) preserving or protecting proprietary information, (ii) emergency or injunctive relief, (iii) enforcement of the dispute resolution provisions of this Agreement, or (iv) enforcement of the decision and/or award by any Expert or Arbitrator hereunder ("**Litigation Claims**"). Any mediation will be considered complete: (a) if the parties enter into an agreement to resolve the Dispute; or (b) if the Dispute is not resolved after completion of ten (10) hours of such mediation. The parties shall share equally in the cost of the mediation.

(b) If any Dispute remains between the parties after the mediation is complete, then the Dispute shall be submitted to final and binding arbitration pursuant to the procedures set forth in this Section; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The parties agree that the Arbitrator shall have the power to order equitable remedies, including specific performance and injunctive relief.

(c) An arbitral tribunal of one arbitrator (the "**Arbitrator**") shall be established in conformity with the Comprehensive Arbitration Rules and Procedures of JAMS or such other rules of a successor ADR Provider mutually agreed upon by the parties (the "**Rules**") in effect at the time such arbitration is commenced; provided, however, the parties agree that such Arbitrator shall have not less than ten (10) years' experience in or for the hospitality industry in the area of expertise on which the dispute is based (e.g. with respect to operational matters, experience in the management and operation of hotels of a similar nature as the Hotel or, with respect to financial matters, experience in the financial or economic evaluation or appraisal of hotels). Each party shall appoint a person to appoint the Arbitrator within five (5) days of the date of a request to initiate arbitration, and the two appointed persons will then jointly appoint the Arbitrator (provided that the Arbitrator shall not be the same person as the Mediator) within ten (10) days thereafter. If the appointed persons or the Arbitrator is not appointed within the time limits set forth in the preceding sentence, such person(s) or Arbitrator shall be appointed by the ADR Provider (subject to the hospitality qualification standards set forth above). In rendering a decision hereunder, the Arbitrator shall take into account the Operating Standards of the Hotel and other applicable provisions of this Agreement.

(d) The arbitration, regardless of the amount in dispute, shall be conducted in accordance with the Rules. Any arbitration shall take place in New York, New York. The Arbitrator shall apply the substantive law of the State of New York. No party to any Dispute shall be required to join any other party as a party to the Dispute pursuant to the arbitration provisions set forth in this ARTICLE 27.

(e) The Arbitrator's monetary awards may include a requirement that the losing party bear reasonable attorneys' fees and costs of the arbitration proceeding, but, in no event shall award punitive or exemplary damages of any kind. Unless the Arbitrator determines otherwise, each

party to an arbitration proceeding shall be responsible for all fees and expenses of such party's attorneys, witnesses, and other representatives, and one-half of the other fees and expenses of the Arbitrator, and the other costs of the arbitration shall be allocated to and paid by (a) the party or parties initiating the respective arbitration proceeding, and (b) the party or parties against whom the respective arbitration proceeding is brought. The award rendered in any arbitration commenced hereunder shall be final and binding upon the parties, and each party hereby waives any claim or appeal whatsoever against it or any defense against its enforcement.

(f) The obligation to arbitrate under this Section is binding on the parties and their respective successors and assigns.

Until such time as a final determination of any Dispute is obtained pursuant to this Section and, notwithstanding any termination of or default under, or alleged termination of or default under, this Agreement, all parties to this Agreement involved in such Dispute shall remain liable for, and shall be required to continue to satisfy, their respective obligations under this Agreement.

27.3 **Survival**. This Section shall survive the expiration or termination of this Agreement.

ARTICLE 28
TERMINATION OF THE LICENSE AGREEMENT

Owner reserves and shall have the right in its sole discretion, at any time and without the consent or approval of (but with notice to) Operator, to terminate the License Agreement, provided, however, that Owner shall have no such right in order to establish its own independent operations, such as an operation without a franchise or license or in its own hotel name.

ARTICLE 29
RELATIONSHIP OF PARTIES

29.1 Owner and Operator acknowledge and agree that in operating the Hotel, entering into contracts, accepting reservations, and conducting financial transactions for the Hotel, Operator acts on behalf of and as agent for Owner with respect to the rights and obligations contemplated by this Agreement and assumes no independent contractual liability nor shall Operator be obligated to extend its own credit with respect to any obligation incurred in operating the Hotel or performing its obligations under this Agreement.

29.2 The relationship between the parties hereto shall be that of principal, in the case of Owner, and agent, in the case of Operator, with respect to the rights and obligations contemplated by this Agreement. Nothing contained in this Agreement shall constitute, or be construed to constitute or create, a partnership, joint venture or lease between Owner and Operator with respect to the Hotel. This Agreement is for the benefit of Owner and Operator and shall not create third-party beneficiary rights.

29.3 This Agreement shall be interpreted in accordance with general principles of contract interpretation without regard to the common law principles of agency (except as expressly provided for in this Agreement), and any liability between the parties shall be based solely on principles of contract law and the express provisions of this Agreement. To the extent any duties,

fiduciary or otherwise, that exist or may be implied for any reason whatsoever, including without limitation those resulting from the relationship between the parties, and including without limitation all duties of loyalty, good faith, fair dealing, care, full disclosure, or any other duty deemed to exist under the common law principles of agency or otherwise (collectively, the "**Implied Fiduciary Duties**"), are inconsistent with, or would have the effect of modifying, limiting or restricting the express provisions of this Agreement, the terms of this Agreement shall prevail.

29.4 For purposes of assessing Operator's duties and obligations under this Agreement, the parties acknowledge that the terms and provisions of this Agreement and the duties and obligations set forth herein are intended to satisfy any fiduciary duties which may exist between the parties. The parties also hereby unconditionally and irrevocably waive and release any right, power or privilege either may have to claim or receive from the other party any punitive, exemplary, statutory, or treble damages or any incidental or consequential damages with respect to any breach of the Implied Fiduciary Duties. Furthermore, Owner specifically consents to all transactions and conduct by Operator and its Affiliates described in this Agreement, including those set forth below, and waives any Implied Fiduciary Duties which Operator may owe to Owner now, or which may arise in the future, in connection with such transactions or conduct. Owner acknowledges and agrees that its consent to the transactions and conduct by Operator described in this Agreement, and its waiver of any Implied Fiduciary Duties otherwise owed by Operator: (a) has been obtained by Operator in good faith; (b) is made knowingly by Owner based on its adequate informed judgment as a sophisticated party after seeking the advice of competent and informed counsel; and (c) arises from Owner's knowledge and understanding of the specific transactions and actions or inactions of operators that are normal, customary, and reasonably expected in the hotel industry generally for this segment of the hotel industry.

Owner hereby engages and appoints Operator, pursuant to the terms of this Agreement, to operate and manage the Hotel, and Operator hereby agrees and contracts to operate**,** manage and supervise the Hotel pursuant to the terms of this Agreement and the Operating Standards (including the then-applicable Annual Plan). Subject to the terms of this Agreement, Hotel operations shall be under the exclusive supervision and control of Operator, which, except as otherwise specifically provided in this Agreement, shall be responsible for the proper and efficient operation, maintenance and repair of the Hotel in accordance with the terms of this Agreement. Except as specifically set forth in this Agreement, Operator shall have full discretion and control respecting matters relating to management and operation of the Hotel, including, without limitation, charges for rooms and commercial space, credit policies, food and beverage services, other Hotel services, employment policies, granting of concessions or leasing of space within the Hotel, receipt, holding and disbursement of funds, maintenance of bank accounts, procurement of Inventories, supplies and services, promotion and publicity, retain and direct legal counsel for the Hotel in the name of and as agent for Owner with respect to any matter regarding the operation of the Hotel; and, in general, all activities necessary

for operation of the Hotel. Operator shall devote its knowledge, experience and efforts to operate and manage the Hotel pursuant to this Agreement and in accordance with the Operating Standards.

Notwithstanding the foregoing grant of authority to Operator, Owner's prior written approval (not to be unreasonably delayed, conditioned or withheld (except as otherwise provided in Section 4.3 with respect to subparagraph (d))) shall be required for the following:

(a) the execution of (and provide Owner with a true and complete copy of) any contract (i) requiring total annual payments in excess of $25,000, as adjusted for increases in CPI every Fiscal Year after the initial Fiscal Year, or (ii) which has a term in excess of one (1) year (unless such agreement is terminable by Owner or Operator upon not more than thirty (30) days' notice without fee or penalty);

(b) with respect to claims asserted against Owner and/or the Hotel, for any matter for which aggregate legal fees, liabilities and/or out of pocket settlement amounts are anticipated to exceed $50,000; provided, however, Operator shall have the right to control the defense, including settlement, of any Legal Proceeding involving claims which are covered by Operator procured insurance programs (so long as Owner shall have no liability with respect to such claims, including any obligation to indemnify Operator under this Agreement);

(c) tenant leases of any space at the Premises (including rooftop leases) other than as provided in the Annual Plan (and which shall not include ordinary guest room and banquet space operations); and

(d) the negotiation and execution of any union, collective bargaining or similar agreements affecting the Hotel.

ARTICLE 3
TERM

3.1 **Term**. The operating term shall commence on the Effective Date and expire on the tenth (10th) anniversary of the Commencement Date (the "**Term**"), unless sooner terminated pursuant to the terms of this Agreement. In the event the Commencement Date does not occur by September 30, 2019, then either party shall have the option, in its sole and absolute discretion and without penalty or liability, to terminate this Agreement by delivery of written notice to the other party. If either party exercises its termination right in accordance with this Section 3.1, then all sums then due and payable to Operator and its Affiliates under this Agreement for the period of time prior to the date of termination shall be immediately due and payable. Owner and Operator shall confirm the Commencement Date in writing within ten (10) days after the Commencement Date occurs upon request of either party.

ARTICLE 4
USE AND OPERATION OF THE HOTEL

4.1 **Hotel Employees**.

(a) Operator shall have the sole right, as Operator reasonably deems appropriate for the proper operation, maintenance and security of the Hotel, to: (i) select, appoint, hire, promote, direct, supervise, train and discharge all Hotel Employees; and (ii) establish and maintain all policies relating to the employment of the Hotel Employees. Operator shall use commercially reasonable efforts and exercise reasonable care to select qualified and competent employees. Operator shall use commercially reasonable efforts to cause Operator's employment practices to comply with all Legal Requirements. All Hotel Employees shall be solely employees of Operator; provided, however, all of the costs, expenses and liabilities associated with the Hotel Employees shall be Operating Expenses, and shall include, by way of example and not limitation, all costs and expenses (including, without limitation, all employment and benefit related expenses incurred by Operator with respect to the Hotel Employees), such as severance pay, unemployment compensation and health insurance and related costs (i.e., in order to comply with COBRA-type regulations) as a result of the termination of Hotel Employees. Notwithstanding anything to the contrary contained herein, Owner shall have the right to interview and approve each individual selected by Operator to hold a position as a Hotel Executive Staff Member prior to his or her appointment, which approval shall not be unreasonably withheld or delayed. Prior to appointing an individual to a Hotel Executive Staff Member position, Operator shall provide Owner with a written summary of such individual's professional experience and qualifications and shall offer Owner the opportunity to interview the candidate at the Hotel or another mutually acceptable location. Owner will forego its right to interview any such individual if Owner or its authorized representative is unwilling or unable to participate in the interview within ten (10) days following Operator's offer. Owner shall be deemed to have approved the appointment of any such individual unless Owner delivers notice of its disapproval of such appointment within ten (10) days after Operator's offer to Owner to interview the candidate. Owner acknowledges that it may not reject more than three (3) qualified candidates proposed by Operator for any Hotel Executive Staff Member position. Owner further acknowledges that, notwithstanding Owner's right to interview and approve the hiring of each individual to hold a position as a Hotel Executive Staff Member, Operator shall have sole discretion to remove or replace any such individual (with such replacement subject to the approval rights set forth herein) (provided Operator shall not relocate the general manager or director of sales to any other System Hotel without the prior consent of Owner within thirty-six (36) months of such individual's hire).

(b) Operator may, from time to time, assign one or more of its corporate employees to the staff of the Hotel on a full-time, part-time or temporary basis, and the pro-rata share of the costs, expense and liabilities of such corporate employee of Operator shall be fairly and equitably allocated as an Operating Expense of the Hotel.

(c) Operator may elect to use the services of its Affiliates in fulfilling its obligations under this Agreement. If an Affiliate of Operator performs services Operator is required to provide, Operator shall be ultimately responsible to Owner, and Owner shall not pay more for the Affiliate's services and expenses than Operator would have been entitled to receive under this Agreement had Operator performed the services. If an Affiliate of Operator provides goods to the Hotel, such goods shall be supplied at prices and on terms at least as favorable to the Hotel as generally available in the relevant market.

(d) Any Hotel Employees who are not then represented by a collective bargaining representative shall be entitled to participate in the incentive programs, profit sharing and/or other

employee retirement, disability, health, welfare or other benefit plan or plans then made available by Operator to similarly situated employees of other System Hotels, in accordance with their respective terms. Operator will have the right to charge the Hotel with its allocable share of the cost of any such plan or plans and any contributions to be made thereunder provided that such charges and contributions shall be determined by Operator in good faith on a fair and equitable basis with respect to charges and contributions imposed for the same or similar plans at other hotels then managed by Operator, subject to Legal Requirements, and to the extent set forth in the Annual Operating Budget. Operator's rights under this Subsection (d) shall be subject to the condition that Operator shall not put into effect any amendment to any existing plan, or adopt any additional plan, which is not imposed upon all other similarly situated System Hotels.

(e) During the Term of this Agreement and for a period of twelve (12) months following termination, Owner shall not, and shall use reasonable efforts to ensure that its Affiliates do not, hire, solicit for hire, make any referrals for employment, retain as a consultant, or use the services of, any person who is employed at the Hotel as a Hotel Executive Staff Member and any Corporate Personnel, and Owner shall use reasonable efforts to prevent any other company (and any Affiliate of such other company) working on behalf of Owner or its Affiliates (including, without limitation, companies that operate or manage hotels for Owner or its Affiliates) from hiring, retaining as a consultant or using the services of any such person. The foregoing shall not prohibit Owner, any Owner Affiliate or any other company working on behalf of Owner or its Affiliates from hiring, retaining as a consultant or using the services of any such person to the extent such person is responding to a general advertisement or other solicitation of employment not specifically directed towards any Hotel Executive Staff Member or Corporate Personnel. The provisions of this section shall survive expiration or termination of this Agreement.

4.2 **Annual Plan**. [Operator shall use the existing Fiscal Year 2019 budget prepared by the existing Hotel manager as a guide to operate the Hotel pending delivery of Operator's Fiscal Year 2019 Annual Plan. On or before the date that is ninety (90) days following the Commencement Date, Operator shall submit to Owner an Annual Plan ("**Annual Plan**") for the remaining portion of the 2019 Fiscal Year and Owner either shall accept the initial Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan. Owner and Operator shall meet and discuss Owner's Annual Plan objections and shall coordinate expeditiously and in good faith to agree upon an Annual Plan for the 2019 Fiscal Year. On or before November 1st of each year following the Commencement Date, Operator shall submit to Owner an Annual Plan for the next Fiscal Year and on or before December 1st of each year following the Commencement Date, Owner either shall accept the Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan ("**Owner's Annual Plan Objections**"). Within seven (7) days after Operator's receipt of Owner's Annual Plan Objections, Owner and Operator shall agree upon a date to meet and discuss Owner's Annual Plan Objections with the goal of agreeing upon an Annual Plan for the subject Fiscal Year. In the event Owner objects to the Annual Plan or any specific items expense in the Annual Plan and Owner and Operator are unable to reach agreement thereon as provided above prior to commencement of the Fiscal Year in question, pending such agreement, the Annual Plan or the specific item or items of expense (not revenue) in question shall be suspended and replaced for such period of disagreement by an amount equal to the actual Operating Expenses for the immediately preceding Fiscal Year subject to an adjustment equal to the percentage increase in the CPI over the last twelve (12) month period

immediately preceding the start of the Fiscal Year in question. Notwithstanding anything to the contrary contained herein, Owner shall not have the right to withhold its approval with respect to the following aspects of the Annual Plan: (i) employee wages, compensation, and benefit programs to the extent applied on a system-wide basis to the other hotels managed by Operator, taking into account fluctuation for local market conditions; (ii) the Centralized Services Charge, and (iii) costs over which Operator has no reasonable control, including, without limitation, taxes, insurance, utility rates, payments due under Mortgages and Legal Requirements.

(a) The proposed Annual Operating Budget shall incorporate Operator's good faith reasonable estimates of the items of revenue and expense contained therein and shall contain the proposed budget for operations for the succeeding Fiscal Year. When approved by Owner, the proposed Annual Operating Budget shall become the approved Annual Operating Budget. Any revisions, substitutions or additions to the Annual Operating Budget must be approved by Owner in writing.

(b) The Capital Budget shall contain the proposed budget for FF&E Expenditures from the Reserve and the budget for Capital Improvements for the succeeding Fiscal Year. Operator shall submit good faith reasonable estimates for Capital Improvements and for FF&E Expenditures for such succeeding Fiscal Year. When approved by Owner, the proposed Capital Budget shall become the approved Capital Budget. Approval of the Capital Budget constitutes an authorization for Operator to expend money for Capital Improvements and for FF&E as provided in the Capital Budget, unless Owner's approval thereof specifically requires Operator to obtain additional approvals prior to commencing such work. Any revisions, substitutions or additions to the approved Capital Budget must be approved by Owner in writing.

(c) Operator shall use commercially reasonable efforts to operate the Hotel in accordance with the approved Annual Plan. The parties acknowledge that: (i) the approved Annual Plan is an estimate only; (ii) unforeseen circumstances during the course of the applicable Fiscal Year may make adherence to the approved Annual Plan impracticable or impossible; and (iii) Operator shall be entitled to depart therefrom due to causes of the foregoing nature. Operator may (w) incur variable expenses directly attributable to occupancy or revenues above forecasted levels; (x) pay all taxes, utilities, insurance premiums and charges provided for in contracts and leases entered into pursuant to this Agreement that are not within Operator's ability to control; (y) make any expenditures reasonably required on an emergency basis to avoid or mitigate damage to the Hotel or injury to persons or property, provided that Operator notify Owner as promptly as reasonably possible; and (z) make any expenditures necessary to comply with, or to cure or prevent any violation of any Mortgage and Legal Requirements. In addition to, and without limiting the foregoing, Operator shall be permitted, in its discretion and without the approval of Owner, to deviate from the approved Annual Operating Budget as follows: by up to ten percent (10%) of the approved department expense line item, or by up to five percent (5%) of the aggregate total expenditures in the approved Annual Operating Budget. If Operator determines that circumstances will result in material changes between actual results and the approved Annual Plan during the course of the Fiscal Year, Operator shall, within thirty (30) days of such determination, notify Owner, which shall include a reforecast of revenues and expenses through the remainder of the Fiscal Year. Unless otherwise specified, all references to the Annual Plan in this Agreement shall be deemed to refer to the Annual Plan approved by Owner, subject to Operator's right to depart therefrom pursuant to this Section 4.2(c).

4.3 **Labor Relations**. Operator may negotiate with any union lawfully entitled to represent the Hotel Employees and may execute collective bargaining agreements or labor contracts resulting therefrom that have been approved by Owner in Owner's sole and absolute discretion, as provided in Section 2.1(d). Owner shall have the right to have one or more representatives attend and participate in all such negotiations.

4.4 **Liquor License**. Operator shall obtain all alcoholic beverage licenses either in its name or its designee and shall maintain the alcoholic beverage licenses in good standing and effect, free of all liens (with the exception of any lien granted to Owner herein) and in compliance with the conditions imposed upon such alcoholic beverage licenses by any alcoholic beverage control commission or other governmental authority or agency, pursuant to the License Agreement. Operator further covenants and agrees that upon termination of this Agreement, whether upon its expiration or at any sooner termination thereof, it shall execute any documentation and perform any other acts which may be reasonably necessary or appropriate to effect the transfer or issuance of an alcoholic beverage license to the subsequent owner or Operator of the Hotel, provided that Operator shall not incur liability or cost in connection with such transfer or issuance. Owner covenants and agrees to pay any and all costs (including reasonable attorney's fees) incurred by Operator or its designee in effecting the transfer or obtaining such licenses and such covenant and agreement shall survive the expiration or termination of this Agreement.

4.5 **Notice of Violations**. Operator shall promptly notify Owner in writing of any written notice received from any regulatory or governmental body regarding an actual or perceived violation of any Legal Requirements.

4.6 **Centralized Services**. To the extent not otherwise provided by Licensor pursuant to the terms and conditions of the License Agreement, Operator may provide or cause its affiliated companies to provide for the Hotel the benefit of certain reservation systems, centralized accounting services, IT services, purchasing services, revenue management services, training, satisfaction surveys, and/or other centralized services as may be made available generally to similar properties managed by Operator from time to time (individually and collectively, the "**Centralized Services**"). The cost of all Centralized Services ("**Centralized Services Charge**") shall be (a) set forth in the applicable Annual Operating Budget, (b) allocated to the Hotel on an equitable basis with all other hotels utilizing the Centralized Services of Operator or its Affiliates, (c) reimbursed to Operator on a cost reimbursement basis and without mark-up or profit to Operator, and (d) shall not exceed the costs which Owner otherwise would have incurred if such services otherwise were provided on-site at the Hotel, which costs may include, without limitation, salaries (including payroll taxes and employee benefits) of employees and officers of Operator and its Affiliates engaged in the provision of the Centralized Services, costs of all equipment employed in the provision of such Centralized Services, and a reasonable charge for the development costs of Operator or its Affiliates. The Centralized Services currently provided by Operator, along with the Centralized Services Charge as of the Effective Date, are described in Exhibit B attached hereto. The Centralized Services and the Centralized Services Charge shall be subject to change from time to time, subject to clauses (a)-(d) above.

4.7 **Multi-Property Programs**. Owner acknowledges and agrees that, subject to the applicable Annual Operating Budget, Operator may, in Operator's reasonable discretion, enter into certain purchasing, maintenance, service or other contracts with respect to the operation of

the Hotel and other hotels operated by Operator (collectively, "**Multi-Property Programs**") pursuant to which Operator or its Affiliates may receive rebates, discounts, cash or other incentives, administration fees, concessions, profit participations, stock or stock options, investment rights or similar payments or economic considerations (collectively, "**Operator Rebates**") from the vendors or suppliers of goods or services provided under such Multi-Property Programs. When taking bids or issuing purchase orders, Operator shall secure for, and shall credit to, Owner any Operator Rebates (less Operator's expenses related thereto) in connection with such purchase. Operator shall promptly remit to Owner's benefit in the Operating Account the value of all Operator Rebates (less Operator's expenses related thereto) received by Operator or any of its affiliates in connection with any purchases described herein.

ARTICLE 5
USE OF NAME

5.1 **Name**. During the Term of this Agreement, the Hotel shall at all times be known and designated by the name set forth in the applicable License Agreement or by such other name as from time to time may be approved by Owner. Operator shall make or cause to be made any fictitious name filings or disclosures required by the laws of the State with respect to the use of such name for or in connection with the Hotel.

ARTICLE 6
ADVERTISING

Subject to the provisions of the License Agreement, Operator shall arrange and contract for all advertising, which Operator may reasonably deem necessary, in accordance with Section 4.2, for the operation of the Hotel. So long as the License Agreement may be in effect, Operator generally shall advertise the Hotel under the name required by the License Agreement for the Hotel.

ARTICLE 7
RESERVE FOR FF&E

7.1 **Reserve for Replacement of FF&E**. The Reserve shall be funded pursuant to Section 7.2, and Operator shall be authorized to use amounts in the Reserve to pay for the cost of FF&E Expenditures and Capital Improvements.

7.2 **Transfers to Reserve for FF&E**. Commencing on the Commencement Date and continuing thereafter during the remainder of the Term, Operator shall deposit monthly into the Reserve for FF&E and Capital Improvements an amount equal to the amounts required by Lender and/or by Licensor; provided that in no event will the amounts to be deposited monthly into the Reserve be less than an amount equal to four percent (4%) of Gross Revenues throughout the Term.

7.3 **Annual Adjustment**. At the end of each Fiscal Year and following receipt by Operator of the annual accounting referred to in ARTICLE 10, an adjustment will be made if necessary and if available, so that the appropriate amount shall have been deposited in the Reserve for such Fiscal Year.

7.4 **Maintenance of Reserve**. The proceeds from the sale of FF&E no longer needed for the operation of the Hotel shall be deposited in the Reserve, but not credited against the obligation to deposit cash in such fund for the then current Fiscal Year. All interest earned or accrued on amounts invested from the Reserve shall be added to the Reserve (but shall not be credited against Owner's obligations to fund the Reserve), and shall not constitute Gross Revenues or be included therein.

7.5 **Accumulation of Reserve and Additional Cost of FF&E and Capital Improvements**. Owner and Operator acknowledge and agree that portions of the Reserve may, from time to time in accordance with the then-current Annual Plan, be used for more significant expenditures than could be reserved for in a single year. Accordingly, at the end of each Fiscal Year, any amounts remaining in the Reserve shall be carried forward to the next Fiscal Year, and shall be in addition to the amount to be reserved in the next Fiscal Year. In the event at any time there are insufficient funds in the Reserve for any Fiscal Year to pay the cost of FF&E Expenditures in accordance with the Annual Plan, then Owner will, within thirty (30) days after request therefor by Operator, provide the additional funds to Operator to pay for such excess.

ARTICLE 8
REPAIRS AND MAINTENANCE AND CAPITAL IMPROVEMENTS

8.1 **Repairs and Maintenance**. Operator shall, from time to time, make such expenditures from the Reserve (or, to the extent insufficient, from funds otherwise provided by Owner) for (a) FF&E Expenditures and (b) repairs and maintenance of HVAC, mechanical and electrical systems, exterior and interior repainting; resurfacing building walls and floors; resurfacing parking areas; replacing folding walls; and miscellaneous similar expenditures (collectively, "**Repairs and Maintenance**") as required by the License Agreement, any Mortgage, Legal Requirements, Annual Plan and otherwise in the condition required by this Agreement. Except in the event of an emergency, Force Majeure Event or otherwise under circumstances in which it would be unreasonable to seek to obtain prior approval (and provided that Operator shall notify Owner of any such expenditure within a reasonable time given the nature and scope of the emergency), all expenditures for the foregoing shall be as provided in the Annual Plan. If any such Repairs and Maintenance shall be made necessary by any condition against the occurrence of which Owner has received the guaranty or warranty of the builder of the Hotel or of any supplier of labor or materials for the Hotel or of any supplier of labor or materials for the construction of the Hotel, then Operator shall, at Owner's direction, invoke said guarantees or warranties in Owner's or Operator's name and Owner shall cooperate in all reasonable respects with Operator in the enforcement thereof.

8.2 **Capital Improvements**. Owner shall, from time to time, at its sole expense (which may include funds deposited in the Reserve), make such Capital Improvements in or to the Hotel as Owner shall determine are necessary to comply with the Operating Standards. If Capital Improvements shall be required at any time during the Term by the terms of the License Agreement, to maintain the Hotel in accordance with the Operating Standards or Legal Requirements, or because Operator and Owner jointly agree upon the desirability thereof, then in such event all such Capital Improvements shall be made with as little hindrance to the operation of the Hotel as reasonably possible. Notwithstanding the foregoing, as long as the Hotel can continue to operate without interruption, Owner shall have the right to contest the need for any

such Capital Improvements required by any Legal Requirements and may postpone compliance therewith, if so permitted by law and if such postponement will not expose Operator to any civil or criminal liability. All recommendations by Operator of Capital Improvements shall be submitted in conjunction with the Capital Budget for the Fiscal Year described in Section 4.2(b). In the event that Owner elects to perform Major Renovations to the Hotel, Owner may request Operator to oversee the performance of the Major Renovations, in which case the parties shall enter into an agreement for project management services in a form and on such terms and conditions (including the amount of any project management fees) mutually acceptable to both parties.

8.3 **Liens**. Owner and Operator shall cooperate and use all commercially reasonable efforts to prevent any liens from being filed against the Hotel that arise from any maintenance, changes, repairs, alterations, improvements, renewals or replacements in or to the Hotel.

8.4 **Notice of Force Majeure Event**. In the event of any occurrence constituting a Force Majeure Event, Operator shall promptly notify Owner of such occurrence and shall keep Owner informed as to the extent and impact thereof on the Hotel.

ARTICLE 9
WORKING CAPITAL AND OPERATING ACCOUNT; DISTRIBUTION OF EXCESS CASH

9.1 **Working Capital**. Owner shall provide initial Working Capital in an amount equal to $1,000 per guest room at the Hotel. Owner shall at all times cause sufficient Working Capital to be on hand in the Operating Account. In no event shall Owner permit the Working Capital in the Operating Accounts to be less than an amount equal to the estimated monthly operating expenses of the Hotel for the ensuing sixty (60) day period, as reflected in the then current Annual Operating Budget. From time to time, upon fifteen (15) days prior written notice from Operator that such funds are required, Owner shall furnish to Operator funds that Operator deems reasonably necessary to assure that the Hotel shall have adequate Working Capital as herein provided.

9.2 **Depository Account**. All monies received by Operator in the operation of the Hotel shall be received in trust by Operator for the benefit of Owner and shall be deposited in a "**Depository Account**" in Owner's name, with certain of Owner's employees as authorized signatories, in a bank or trust company selected by Owner. Such monies shall not be commingled with other funds belonging to Operator and shall be swept on a daily basis into the Operating Account.

9.3 **Operating Account**. Owner and Operator shall also establish an Operating Account for paying the Hotel's expenses permitted herein to be charged to the Hotel and/or Owner. The Operating Account shall be in Owner's name, with Operator's employees as the authorized signatories, in a bank or trust company selected by Owner. Operator shall pay all Operating Expenses of the Hotel and amounts owed Operator and its Affiliates hereunder (including the Management Fee and Centralized Services Charges) out of the Operating Account. Checks drawn on the Operating Account or other documents of withdrawal from such accounts shall be signed by a designated representative of Operator approved by Owner. The Operating Account shall provide that, upon Owner's written direction, Operator and its representatives may be removed

as authorized signatories of such account but only upon termination of this Agreement. Owner shall make arrangements to deposit from the Depository Account into the Operating Account on a daily basis any money which is required to cover payments from the Operating Account permitted herein, including any payments for capital expenditures permitted herein. If Owner fails to do so and such failure continues for three (3) business days after notice from Operator, such failure shall be deemed an Owner Event of Default and Owner shall indemnify and hold Operator harmless from any loss or expense Operator might incur as a result of such deposit not having been made, and Operator may exercise its right to terminate pursuant to Section 15.2. All risk of loss with respect to funds in the Operating Account shall be borne by Owner.

9.4 **Distribution of Excess Cash**. Within twenty-five (25) days of the close of each Accounting Period, Operator shall distribute to Owner all sums remaining in the Operating Account in excess of the then Working Capital requirements of the Hotel determined in accordance with Section 9.1 of this Agreement.

9.5 **Lender Requirements**. The provisions of this ARTICLE 9 shall be subject to the requirements of any Lender. Operator will cooperate with all cash management and other similar requirements reasonably imposed by any Lender, provided such cash management or other requirements acknowledge that so long as Operator is managing the Hotel, Operator shall continue to receive payment of Management Fees, Reimbursable Expenses and payroll expenses as contemplated herein.

ARTICLE 10
BOOKS, RECORDS AND STATEMENTS

10.1 **Books and Records**. Operator shall keep full and adequate books of account and other records reflecting the results of operation of the Hotel in accordance with the Uniform System of Accounts and GAAP. The books of account and all other records relating to or reflecting the operation of the Hotel shall be kept either at the Hotel or at Operator's corporate offices and shall be available to Owner and its representatives and its auditors or accountants, at all reasonable times for examination, audit, inspection and transcription at Owner's sole cost and expense. All of such books and records pertaining to the Hotel shall be the property of Owner. Upon any termination of this Agreement, all of such books and records forthwith shall be turned over to Owner at a location designated by Owner so as to insure the orderly continuance of the operation of the Hotel, but such books and records shall thereafter be available to Operator at all reasonable times for inspection, audit, examination and transcription for a period of three (3) years. In addition to the Hotel's books and records, Operator shall maintain Guest Data in accordance with its privacy policy and the License Agreement; provided, however, Owner and Operator shall jointly own all Guest Data, and each may use such Guest Data in any commercially reasonable manner that: (a) does not violate the terms of this Agreement, (b) during the Term of this Agreement, does not interfere with and/or is not detrimental to the operation or financial performance of the Hotel, and (c) does not violate any Legal Requirements applicable to the use of Guest Data.

10.2 **Financial Reports**.

(a) Operator shall deliver to Owner within twenty (20) days following the close of each Accounting Period a monthly profit and loss statement reflecting a comparison of periodic and year-to-date actual revenues and expenses with the Annual Operating Budget as well as a periodic and year-to-date comparison of such actual revenues and expenses with those of the prior Fiscal Year.

(b) Within seventy-five (75) days after the end of each Fiscal Year, Operator shall deliver to Owner an annual accounting, showing the results of operation of the Hotel during the Fiscal Year and a computation of Gross Revenues, Operating Expenses, and Gross Operating Profit, if any, and any other information necessary to make the computations required hereby or which may be requested by Owner, all for such Fiscal Year. The annual accounting for any Fiscal Year shall be controlling over the interim accountings for such Fiscal Year.

(c) Operator shall prepare and deliver any additional reports or information as Owner is required to provide under the License Agreement.

10.3 **Audits by Owner**. Owner shall have the right to audit, conducted either by Owner's internal personnel or by a third party auditor retained by Owner, at its expense and not as an Operating Expense of the Hotel (except as provided below), all items of expense and revenue under this Agreement including, but not limited to, Gross Revenues, Operating Expenses, depreciation, the Management Fee and the Reserve. Operator shall cooperate and assist with such audit. In the event that an audit reflects an underpayment to Owner or Operator or an overpayment to Operator or Owner, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the audit results to Operator, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. In the event any audit establishes that Operator has overstated or understated Gross Revenues or Operating Expenses by more than five percent (5%), the costs of such audit shall be paid for by Operator (and shall not be an Operating Expense of the Hotel).

10.4 **Accounting Services**. Subject to the provision of sufficient input, review, approval and signoff by Owner, during the Term, Operator (or its Affiliate) shall render certain accounting services to and on behalf of Owner, which shall include:

(a) separate from the Hotel books and records, the maintenance of Owner's corporate books of account, including without limitation capital accounting (to be performed under Operator's capitalization policy) and check cutting services with respect to Owner's FF&E account for the payment of FF&E Expenditures;

(b) the provision of financial reporting services, utilizing Operator's standard reports, which shall be delivered within the reporting deadlines required by Lender, but in no event less than twenty (20) days monthly, forty five (45) days quarterly and ninety (90) days annually;

(c) the making of all of Owner's required payments with respect to (i) any Mortgage (on behalf of Owner in satisfaction of Owner's obligations under Section 23.5), (ii) Taxes (as set forth in Section 13.1) and (iii) Insurance Costs (as set forth in Section 12.1);

(d) if applicable, the processing of Lender requisitions from the Reserve;

(e) coordination of deliverables for Lender reporting requirements;

(f) cooperation with an independent accounting firm approved in Owner's sole discretion in connection with securitization vehicle reporting deadlines and audit procedures under Regulation AB; and

(g) other related services as mutually agreed by Owner and Operator from time to time (collectively, the "**Accounting Services**").

In consideration for its provision of the Accounting Services hereunder, Operator shall receive the Accounting Services Fee, which amount shall be payable pursuant to Section **Error! Reference source not found.**, and which reflects Operator's cost reimbursement only, without mark-up or profit to Operator. In the event the scope of the Accounting Services is materially increased (including through use of reports other than Operator's standard forms), the Accounting Services Fee may be increased as mutually determined by the parties. Owner may elect at any time to terminate the Accounting Services by delivery of seventy five (75) days' prior written notice to Operator, in which event the date of termination of the Accounting Services will be the last day of the calendar quarter following the month in which Operator receives Owner's written notice of termination, and the Accounting Services Fee shall cease to be due from and after the date of such termination.

ARTICLE 11
MANAGEMENT FEES AND OTHER PAYMENTS

11.1 **Management Fee**. For each Fiscal Year or portion thereof, Operator shall receive, by a distribution made by Operator out of the Operating Account at the end of each Accounting Period, subject to delivery of the monthly reports described in Section 10.2(a) (except with respect to the Incentive Fee, which, if due, shall be paid at the end of each calendar quarter upon the submission of the reports described in Section 10.2(b) with respect to such calendar quarter) in respect of its management services hereunder, a management fee calculated as follows (collectively, the "**Management Fee**"):

(a) a base fee (the "**Base Fee**") in an amount equal to two and one half percent (2.5%) of Gross Revenues in respect of any applicable period; plus

(b) an incentive fee (the "**Incentive Fee**") in an amount equal to fifteen percent (15%) of Adjusted GOP for such Fiscal Year. A sample calculation of the Incentive Fee is attached hereto as Exhibit C.

(c) Notwithstanding the forgoing, the aggregate Management Fee payable in any given Fiscal Year shall not exceed four percent (4%) of Gross Revenues for such Fiscal Year.

11.2 **Payment of Management Fee**. The Incentive Fee shall be computed separately for each Fiscal Year and shall not be accumulated from Fiscal Year to Fiscal Year. The Incentive Fee shall be prorated for any partial Fiscal Year (provided that in the event this Agreement is terminated due to an Event of Default by Operator, no Incentive Fee shall be payable with respect to the Fiscal Year in which such termination occurs). The Incentive Fee shall be adjusted, if necessary, within sixty (60) days after receipt by Owner of the annual accounting for such Fiscal

Year or receipt by Operator of Owner's documentation supporting the calculation of Owner's Priority Return. Upon request by Operator, Owner shall provide sufficient evidence and back up documentation to support Owner's calculation of Owner's Priority Return, including without limitation sufficient evidence and back up documentation to allow Operator to properly verify Owner's Invested Capital and Owner's Additional Invested Capital. Owner or Operator shall be entitled to audit the determination and calculation of the Management Fee. In the event that an audit reflects an underpayment or overpayment of the Management Fee to Operator, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the results of such audit to the other party, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. The calculation and payment of the Incentive Fee shall survive the termination of this Agreement.

Upon request, any such proration by Owner or Operator of blanket coverage shall be subject to the reasonable approval of the other party.

(g) The parties acknowledge that, as of the Effective Date, Operator will not provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program; provided, however, that Owner may elect to have Operator provide such insurance at any time during the Term, in which case the provisions of this Section 12.2(g) shall apply. If at any time during the Term, Owner elects to have Operator provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program, certain coverage limits will be shared with other properties owned and/or managed by Affiliates of Operator. Owner agrees that if there is a loss at the Hotel that results in a reduction of the amount of insurance coverage with respect to other properties covered by such master property insurance program, all costs of reinstating the full amount of coverage with respect to such other properties to the coverage that was available for such other properties under such master property insurance program immediately prior to such loss at the Hotel shall be borne by Owner as an expense of the Hotel. Conversely, if there is a loss at another property covered by such master insurance program that results in a reduction of the amount of insurance coverage with respect to the Hotel, all costs of reinstating the full amount of coverage with respect to the Hotel shall not be borne by Owner as an expense of the Hotel, but shall be borne by Operator or the owner of the applicable property that suffered such loss. The obligations of Owner and/or Operator pursuant to this Section 12.2(g) shall survive (i) the expiration or termination of this Agreement or termination of similar agreements, if any, related to Operator's affiliated properties on the shared program; and (ii) any election of Owner or Operator to remove the Hotel from the master insurance program and/or the removal of any of Operator's affiliated properties from the shared master insurance program. Notwithstanding the foregoing, (A) after a loss the relevant party will only be required to reinstate coverage, if any, up to an amount that results in a total amount of coverage that is sufficient for all properties under the program that are also obligated to a reinstatement provision, if Owner and Operator mutually agree at their sole discretion that the remaining amount of coverage is sufficient; provided if Owner and Operator do not mutually agree, an independent third-party consultant (i.e., a consultant who has not had any

direct relationship with either party in the preceding twenty-four (24) month period) selected by Operator will make such determination, (B) the amount of coverage to be reinstated by the relevant party will be limited to what is sufficient only for the properties in Operator's master shared insurance program that are obligated by the same reinstatement provisions per this Section 12.2(g) and (C) the maximum amount of lost shared limit to be reinstated by the relevant party after a loss will be equal to the amount of lost shared limit that was lost due to a loss at the relevant party's property. Owner also agrees that it shall bear as an expense of the Hotel all costs for any additional limits or coverages that may be requested by Owner that are above the limits in such master insurance program. Owner may elect to remove the Hotel from Operator's master insurance program upon thirty (30) days prior written notice (or upon three (3) business days prior written notice if such termination is effective on the annual renewal date of such master insurance program). Any premium prepaid by Owner for such terminated coverage shall be credited to Owner in an amount calculated by the insurance carrier in its sole and absolute discretion. Operator will use reasonable efforts to give written notice to Owner within ten (10) business days after any property is added or removed from Operator's shared master insurance program and will confirm the same upon request by Owner.

ARTICLE 13
REAL AND PERSONAL PROPERTY TAXES; UTILITIES

13.1 **Taxes**. Operator shall pay, for and on behalf of Owner from funds of the Hotel, all real estate taxes, all personal property taxes and all betterment assessments levied against the Hotel or any of its component parts. Operator shall promptly deliver to Owner all notices of assessments, valuations and similar documents to be filed by Owner, which are received from taxing authorities by Operator.

13.2 **Utilities, Etc**. To the extent sufficient funds are available in the Operating Account or otherwise made available in a timely manner by Owner, Operator shall promptly pay all fuel, gas, light, power, water, sewage, garbage disposal, telephone and other utility bills currently as they are incurred in connection with the Hotel from the Gross Revenues or Working Capital.

ARTICLE 14
DAMAGE OR DESTRUCTION; CONDEMNATION

14.1 **Damage or Destruction**.

(a) If the Hotel or any portion thereof shall be damaged or destroyed at any time or times during the Term by fire, casualty or any other cause commonly covered by fire and extended coverage insurance, to the extent required or permitted by any Lender and to the extent insurance proceeds are made available by Lender for such purpose, Owner will at its own cost and expense and with due diligence, repair and/or restore the Hotel so that after such repair and/or restoration, the Hotel shall be in substantially the same condition as it was immediately prior to such damage or destruction.

(b) Owner shall notify Operator within thirty (30) days after Owner determines whether or not Lender will permit, and make insurance proceeds available to carry out, such repair and/or

restoration, in which case Owner shall complete such repair and/or restoration pursuant to the last sentence of Section 14.1(a).

(c) If Owner advises Operator as provided in clause (b) above that Lender will not permit, and make insurance proceeds available to carry out, such repair and/or restoration, or fails to advise Operator as provided in clause (b) above, Operator may terminate this Agreement by written notice to Owner, within one hundred fifty (150) days after such damage or destruction, in which case, Owner shall pay to Operator the Termination Fee (provided Owner's obligation to pay the Termination Fee shall be limited to the extent of insurance proceeds which are made available to pay such Termination Fee).

14.2 **Condemnation**. If the whole of the Hotel shall be taken or condemned in any eminent domain, condemnation, compulsory acquisition or like proceeding by any competent authority or if such a portion thereof shall be taken or condemned as to make it imprudent or unreasonable, in the sole opinion of Owner, to use the remaining portion as a hotel of the type and class immediately preceding such taking or condemnation, then this Agreement shall terminate as of the date title vests in the condemning authority. Operator has no interest in any award paid to Owner; however, Operator shall have the right, in the case of a condemnation that results in the termination of this Agreement, to institute a separately available administrative proceeding or judicial action intended to determine just compensation in connection with the condemnation, for the purpose of representing Operator's compensable interest in this Agreement. If only a part of the Hotel shall be taken or condemned and the taking or condemnation of such part does not, in the opinion of Owner, make it unreasonable or imprudent to operate the remainder as a hotel of the type and class immediately preceding such taking or condemnation, this Agreement shall not terminate, and so much of any award to Owner shall be made available as shall be reasonably necessary for making alterations or modifications of the Hotel, or any part thereof, so as to make it a satisfactory architectural unit as a hotel of similar type and class as prior to the taking or condemnation.

14.3 **Reinstatement**. If within twelve (12) months following any termination of this Agreement pursuant to Section 14.1 or 14.2, Owner or any of its Affiliates intends to commence repair and/or restoration of the Hotel, Owner shall promptly give notice to Operator in writing of such intention, and at Operator's election (exercisable by giving written notice to Owner within thirty (30) days of the date upon which Operator receives such notice from Owner), this Agreement shall be deemed reinstated in accordance with all the terms and conditions hereof (and Operator shall repay to Owner any Termination Fee received by Operator within ten (10) days after the Hotel is substantially re-opened). Operator's duties shall be suspended until the Hotel is substantially reopened and the termination date (and Term) shall be extended to reflect the period of time the Hotel is closed. The provisions of this Section 14.3 shall survive the expiration or termination of this Agreement.

14.4 **Mortgage Requirements**. Actions as to damage or destruction and condemnation shall be taken only in a manner that is consistent with the terms and conditions of any Mortgage and any conflict between those terms and conditions and the provisions of this Agreement shall be resolved in favor of such Mortgage.

ARTICLE 15
EVENTS OF DEFAULT

15.1 **Operator Defaults**. Each of the following shall constitute an Event of Default by Operator:

(a) The failure of Operator to perform, keep or fulfill any of the covenants, undertakings, obligations or conditions to be kept, observed or performed by Operator and such failure shall continue for a period of (i) ten (10) days after written notice from Owner to Operator with respect to payment of any funds or delivery of any of the financial reports required under Section 10.2, or (ii) thirty (30) days after written notice from Owner to Operator with respect to any other obligations of Operator under this Agreement; provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Operator commenced the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion, not to exceed in any event ninety (90) days after Owner's delivery of such notice.

(b) If Operator shall apply for or consent to the appointment of a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets, admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Operator in any bankruptcy, reorganization or judgment or decree shall be entered by any court of competition jurisdiction, on the application of a creditor, adjudicating Operator bankrupt or insolvent or approving a petition seeking reorganization of Operator or appointing a receiver, trustee or liquidator of Operator or of all or a substantial part of its assets or a decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

15.2 **Owner Defaults**. Each of the following shall constitute an Event of Default by Owner:

(a) The failure of Owner to pay or furnish to Operator any money Owner is required to pay or furnish to Operator in accordance with the terms hereof on the date the same is payable, if such failure is not cured within ten (10) days after written notice specifying such failure is given by Operator to Owner. If any sum of money is not paid within ten (10) days following the date the same becomes due and payable under this Agreement, and Operator has advanced such sum on behalf of Owner, such sum shall bear interest at the Default Rate from the date Operator advanced

such sum on behalf of Owner until the date Owner actually pays such sum. If the failure to pay relates to the Management Fee, such sum shall bear interest at the Default Rate from the date due until the date actually paid.

(b) The failure of Owner to perform, keep or fulfill any of the other covenants, undertakings, obligations or conditions set forth in this Agreement (other than a failure to pay or furnish to Operator any money Owner is required to pay or furnish to Operator), including without limitation, the failure of Owner to respond to written requests by Operator to approve expenditures or to authorize procedures necessary to maintain the standards of the Hotel in accordance with the Operating Standards, if such failure shall continue for a period of thirty (30) days after written notice by Operator or Licensor to Owner specifying the matters or conditions which constitute the basis for such Event of Default, provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Owner commences the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion.

(c) If Owner shall apply for or consent to the appointment of a receiver, trustee or liquidator of Owner of all or a substantial part of its assets, or admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Owner in any bankruptcy, reorganization or insolvency proceeding, or if an order, judgment or decree shall be entered by any court of competent jurisdiction, on the application of a creditor, adjudicating Owner a bankrupt or insolvent or approving a petition seeking reorganization of Owner or appointing a receiver, trustee or liquidator of Owner or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

(d) The filing of a voluntary petition in bankruptcy or insolvency or a petition for liquidation or reorganization under any bankruptcy law by Owner, or Owner shall consent to, acquiesce in, or fail timely to controvert, an involuntary petition in bankruptcy, insolvency or an involuntary petition for liquidation or reorganization filed against it.

(e) The filing against Owner of a petition seeking adjudication of Owner as insolvent or seeking liquidation or reorganization or appointment of a receiver, trustee or liquidator of all or a substantial part of Owner's assets, if such petition is not dismissed within ninety (90) days.

(f) Failure of Owner to maintain at all times throughout the term hereof all of the insurance required to be maintained by Owner under ARTICLE 12, if such failure is not cured within fifteen (15) days after written notice specifying such failure is given by Operator to Owner.

ARTICLE 16
TERMINATION UPON EVENT OF DEFAULT; OTHER REMEDIES

16.1 **Termination**. Upon the occurrence of an Event of Default, in addition to and cumulative of any and all rights and remedies available to the non-defaulting party under this Agreement, at law or in equity, the non-defaulting party may: (a) terminate this Agreement without penalty, effective upon receipt of written notice of termination by the defaulting party; and (b) pursue any

and all other remedies available to the non-defaulting party at law or in equity. In addition to and cumulative of the foregoing, upon the occurrence of any Event of Default on the part of Owner, all Management Fees, Reimbursable Expenses, Accounting Services Fees and all other sums then due and payable to Operator under this Agreement shall be immediately due and payable without notice. In no event shall the provisions of this Agreement with respect to the payment of a Termination Fee upon the termination of this Agreement under certain circumstances be construed as defining or limiting the amount recoverable by Operator from Owner by reason of any Event of Default on the part of Owner.

16.2 **Operator's Rights to Perform**.

(a) If Owner shall fail to make any payment or to perform any act required of Owner pursuant to this Agreement, Operator may (but shall not be obligated to), without further notice to, or demand upon, Owner and without waiving or releasing Owner from any obligations under this Agreement, make such payment (either with its own funds or with funds withdrawn for such purpose from the Operating Accounts) or perform such act. All sums so paid by Operator from its own funds, together with interest thereon at the Default Rate from the date of making such expenditure by Operator, shall be payable to Operator on demand.

(b) Operator shall have the right to set-off against any payments to be made to Owner by Operator under any provision of this Agreement and against all funds from time to time in the Operating Accounts any and all liabilities of Owner to Operator. (c) Owner shall have the right to set-off against any payments to be made to Operator by Owner any amounts owed by Operator to Owner under this Agreement.

ARTICLE 17
OWNER'S ADDITIONAL TERMINATION RIGHTS

17.1 **Termination on Sale**. If at any time during the Term, Owner sells, leases or otherwise transfers or conveys (a) the Hotel, or (b) seventy-five percent (75%) or more of the direct or indirect interests in Owner, in each case to a person or entity which is not an Affiliate of Owner in a bona fide arm's length transaction, Owner shall have the right to terminate this Agreement by giving prior written notice (the "**Sale Termination Notice**") to Operator; provided that if such transfer shall occur at any time prior to the third (3rd) anniversary of the Commencement Date, Owner shall pay to Operator, as a condition of such termination, the Termination Fee, subject to Section 21.2. The Sale Termination Notice shall set forth an estimate of the effective termination date of this Agreement, which date shall not be less than sixty (60) days subsequent to the date of the Sale Termination Notice. The actual termination shall be effective as of the closing of the sale, regardless of the estimate provided in the Sale Termination Notice. Accordingly, Owner shall, upon reasonable notice, have the right to extend the effective date of such termination for a reasonable period of time based on delays in the closing, provided that Owner shall pay all actual costs reasonably incurred by Operator in postponing the effectiveness of such termination. As a further condition of any termination of this Agreement by Owner under this Section 17.1, Owner

shall pay to Operator, on or before the effective date of such termination all amounts due Operator and its Affiliates under this Agreement for the period of time prior to the date of termination.

17.2 **Performance Termination**.

(a) Subject to the provisions of this Section 17.2, Owner may terminate this Agreement in accordance with the procedure described below, if for any full Fiscal Year from and after the expiration of Fiscal Year 2019 (i.e., commencing with Fiscal Year 2020) (each a "**Measurement Year**"), subsections (i) and (ii) below are applicable for such Measurement Year (collectively, the "**Performance Test**"):

(i) the Gross Operating Profit for such Measurement Year is less than ninety percent (90%) of the budgeted Gross Operating Profit set forth in the approved Annual Operating Budget for such Measurement Year (the "**GOP Test**"); and

(ii) the RevPAR of the Hotel for such Measurement Year is less than the following percentage of the annualized RevPAR for the Competitive Set (the "**RevPAR Test**"): (A) for Fiscal Year 2020, one hundred and ten percent percent (110%); (B) for Fiscal Year 2021, one hundred and fifteen percent (115%); (C) for Fiscal Year 2022, and every Fiscal Year thereafter for the remainder of the Term, one hundred and twenty percent (120%).

(b) If the Performance Test is not satisfied and Owner elects to exercise its right to terminate this Agreement pursuant to this Section, (i) Owner shall give written notice to Operator of such election within sixty (60) days after the receipt by Owner of the annual accounting (as set forth in Section 10.2) for such Measurement Year; and (ii) the notice shall specify a termination date no sooner than ninety (90) days after the giving of such notice. No Termination Fee shall be payable upon any termination of this Agreement pursuant to this Section 17.2. Within sixty (60) days following its receipt of Owner's notice of termination, Operator may elect, which election may be exercised only once during the Term, to pay to Owner an amount which, when added to the actual aggregate amount of the Gross Operating Profit for the Measurement Year in question, equals the amount of Gross Operating Profit that would have been necessary to satisfy the GOP Test for such Measurement Year. Upon such payment, the Performance Test shall be deemed to have been satisfied for such Measurement Year, Owner shall not have a right to terminate this Agreement based upon such Measurement Year and Owner's election to do so shall be of no further force and effect.

(c) In the event that there is a Threshold Adjustment Event, Owner and Operator will reasonably cooperate to equitably adjust the GOP Test and the RevPAR Test, as applicable. If the parties cannot agree as to the equitable adjustment within thirty (30) days following written request for adjustment by either party, the matter will be submitted to an Expert, as provided and in accordance with the procedures set forth in Section 27.1.

ARTICLE 18
TRANSFER AND REMITTANCE TO OWNER UPON TERMINATION

18.1 **Transfer to Owner**. Upon any termination of this Agreement, whether due to the occurrence of an Event of Default or otherwise, Operator shall cooperate with Owner and shall execute all documents or instruments requested by Owner in connection with the transfer to

Owner or its nominee of the Permits and the License Agreement used or useful in connection with the operation of the Hotel (including without limitation executing any interim beverage agreement or similar agreement reasonably required to allow alcoholic beverages to continue to be sold at the Hotel after such termination in accordance with Legal Requirements pending issuance of temporary or new Permits with respect to such sales to Owner or its designee, so long as such successor Owner provides Operator with an indemnity, in form and substance reasonably acceptable to Operator, indemnifying Operator from any and all claims and liability associated with such interim agreements and continued use of such Permits); provided, however, if such termination is due to a reason other than a default by Operator under this Agreement, Owner will reimburse Operator for Operator's reasonable expenses to effect such transfer, or the imposition of liability by Operator. Without limiting the generality of the foregoing, Operator shall cause its officials to execute any necessary documents to effectuate the orderly transfer to Owner or its designee of the Permits and the License Agreement or the renewal thereof to Owner or Owner's designee if appropriate. In the event that this Agreement terminates for any reason, a sufficient number of Hotel Employees will be hired by Owner or its successor, assign or designee, so as not to cause a "mass layoff" or "plant closing", as defined in the Workers Adjustment and Retraining Act, 29 USC, sec 2101 et seq. (the "**WARN Act**"). Owner hereby agrees to indemnify, defend and hold Operator harmless from and against any and all claims asserted against or incurred by Operator related to: (a) hiring, discharging, offering to hire or failing to hire any of the Hotel Employees; (b) termination of the Hotel Employees by reason of the termination of this Agreement; or (c) Owner's failure to take, or cause to be taken, the action necessary with respect to Hotel Employees so that Operator will not be required to comply with the WARN Act or any other similar Legal Requirements.

18.2 **Remittance to Owner**. Upon the expiration or termination of this Agreement, after payment of all Operating Expenses for which bills were received to such date, Operator's Management Fee, Reimbursable Expenses, Accounting Services Fee, any Termination Fee and any other amounts then due and payable to Operator, and after withholding a reasonable amount determined by Operator to be necessary to pay for any continuing liabilities or payables that may become due following such termination, all remaining amounts in: (a) the Reserve and (b) the Operating Account, shall be transferred by Operator to Owner.

ARTICLE 20
CONSENT AND APPROVAL

Except as herein otherwise provided, whenever in this Agreement the consent or approval of Operator or Owner is required, such consent or approval shall not be unreasonably withheld or delayed. Such consent or approval shall also be in writing only and shall be executed only by an authorized officer or agent of the party granting such consent or approval.

ARTICLE 21
TRANSFERS

21.1 **Transfers**. Except as herein otherwise provided, neither party may cause or permit a Transfer without the prior written consent of the other party (which consent may be withheld or conditioned in such other party's sole discretion); provided however, that either party shall be entitled to assign this Agreement (a) to an Affiliate of such party and (b) in connection with a corporate transaction involving such party in which all or substantially all of such party's assets are transferred to an Affiliate of such party. Operator shall have the right to assign its economic rights to receive payments under this Agreement (as opposed to a pledge of the ownership interests in Operator) as security for indebtedness or other obligations. Additionally, Operator

may transfer this Agreement and its rights hereunder to a successor by merger, sale of all or substantially all of its assets or interest in Operator, as applicable, or otherwise by operation of law.

21.2 **Assignability upon Sale**. Notwithstanding anything to the contrary in Section 21.1, if Owner decides to enter into a Sale of the Hotel with a third party, then at such time as Owner enters into a firm commitment for the Sale of the Hotel, Owner shall deliver a written notice (the "**Notice of Proposed Sale**") of the proposed Sale of the Hotel to Operator stating the name of the prospective purchaser or tenant, as the case may be, and, thereafter shall provide all other information concerning the proposed purchaser or tenant reasonably requested by Operator and which such purchaser or tenant has provided to Owner or Owner's Affiliates. Within fifteen (15) days of Operator's receipt of the Notice of Proposed Sale, Operator shall notify Owner of its election to either: (a) continue operating the Hotel following such Sale of the Hotel, or (b) terminate this Agreement. In the event Operator enters into an agreement to operate the Hotel following such Sale of the Hotel, Operator shall not have the right to receive the Termination Fee in connection with such Sale of the Hotel. In the event Operator does not enter into an agreement to operate the Hotel following the closing of the Sale of the Hotel Operator shall have the right to receive the Termination Fee.

21.3 **Prohibited Sale**. Notwithstanding anything to the contrary in Section 21.2, Owner may not cause or permit a Transfer to any Prohibited Person.

ARTICLE 22
INDEMNITY

22.1 **Indemnity by Owner**. Owner shall indemnify, defend and hold Operator, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Operator Indemnified Parties**") harmless for, from and against any and all third-party liabilities, claims, demands, actions, causes of action, judgments, orders, damages, costs, expenses, and losses (including reasonable attorney's fees and costs) (collectively, "**Claims**") which Operator Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from: (a) this Agreement, including the negotiation of or entering into this Agreement; (b) the development, construction, ownership and/or operation of the Hotel from and after the Effective Date, (c) any reporting to the IRS, Owner's lenders or any party relying on Owner's books and records by Owner or by Operator (on behalf of and as directed by Owner, in connection with Operator's provision of the Accounting Services pursuant to Section 10.4 of this Agreement); and (d) other activities relating to the Hotel, except to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.2 **Indemnity by Operator**. Operator shall indemnify, defend and hold Owner, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Owner Indemnified Parties**") harmless for, from and against any and all Claims which Owner Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from this Agreement, to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.3 **Indemnification Procedure**. Any Indemnified Party shall be entitled, upon written notice to the Indemnifying Party, to the timely appointment of counsel by the Indemnifying Party for the defense of any claim, which counsel shall be subject to the approval of the Indemnified Party. If, in the Indemnified Party's reasonable judgment, a material conflict of interest exists between the Indemnified Party and the Indemnifying Party at any time during the defense of the Indemnified Party, the Indemnified Party may appoint independent counsel of its choice for the defense of the Indemnified Party as to such claim. Additionally, regardless of whether the Indemnified Party is appointed counsel or selects independent counsel (a) the Indemnified Party shall have the right to participate in the defense of any claim and approve any proposed settlement of such claim, such approval to be in such party's sole and absolute discretion, and (b) all costs, expenses and attorneys' fees of the Indemnified Party shall be borne by the Indemnifying Party. If the Indemnifying Party fails to timely pay such costs, expenses and reasonable attorneys' fees, the Indemnified Party may, but shall not be obligated to, pay such amounts and be reimbursed by the Indemnifying Party for the same, which amounts shall bear interest at the Default Rate until paid in full. The parties hereby acknowledge that it shall not be a defense to a demand for indemnity that less than all claims asserted against the Indemnified Party are subject to indemnification. If a claim is covered by the Indemnifying Party's liability insurance, the Indemnified Party shall not take or omit to take any action that would cause the insurer not to defend such claim or to disclaim liability in respect thereof. Further, the Indemnified Party shall cooperate with the Indemnifying Party in the defense of the claim (at the Indemnifying Party's cost), shall not settle the claim without the consent of the Indemnifying Party, and shall not take any action which prejudices the defense of the claim.

22.4 **Survival/Miscellaneous**. The provisions of this ARTICLE 22 shall survive the expiration or earlier termination of this Agreement. Owner and Operator mutually agree for the benefit of each other to look first to the appropriate insurance coverages in effect pursuant to this Agreement in the event any claim or liability occurs as a result of injury to person or damage to property, regardless of the cause of such claim or liability. In no event shall the settlement by either party of any claim brought by a third party (including Hotel Employees) in connection with the ownership or operation of the Hotel be deemed to create any presumption of the validity of the claim, nor shall any such settlement be deemed to create any presumption that the acts or omissions giving rise to such claim constituted Operator's Grossly Negligent or Willful Acts.

ARTICLE 23
MISCELLANEOUS

23.1 **Further Assurances**. Owner and Operator shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding and enforceable as between them and as against third parties.

23.2 **Waiver**. The waiver of any of the terms and conditions of this Agreement on any occasion or occasions shall not be deemed a waiver of such terms and conditions on any future occasion.

23.3 **Successors and Assigns**. Subject to and limited by ARTICLE 21, this Agreement shall be binding upon and inure to the benefit of Owner, its successors and permitted assigns, and shall be binding upon and inure to the benefit of Operator, its successors and permitted assigns.

23.4 **Governing Law**. This Agreement shall be construed, both as to its validity and as to the performance of the parties, in accordance with the laws of the State of New York.

23.5 **Compliance with Mortgage and License Agreement**. In carrying out their respective duties and obligations under the terms of this Agreement, Owner and Operator shall take no action that could reasonably be expected to constitute a material default under any Mortgage or the License Agreement and will take such actions as are reasonably necessary to comply therewith. Owner shall be responsible for making all payments under any Mortgage.

23.6 **Amendments**. This Agreement may not be modified, amended, surrendered or changed, except by a written document signed by Owner and Operator agreeing to be bound thereby.

23.7 **Estoppel Certificates**. Owner and Operator agree, at any time and from time to time, as requested by the other party, upon not less than ten (10) days' prior written notice, to execute and deliver to the other a written statement (a) certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same are in full force and effect as modified and stating the modifications), (b) certifying the dates to which required payments have been paid, and (c) stating whether or not, to the best knowledge of the signer, the other party is in default in performance of any of its obligations under this Agreement, and if so, specifying each such default of which the signer may have knowledge, it being intended that such statement delivered pursuant hereto may be relied upon by others with whom the party requesting such certificate may be dealing.

23.8 **Inspection Rights**. Owner shall have the right to inspect the Hotel and examine the books and records of Operator pertaining to the Hotel at all reasonable times during the Term upon reasonable notice to Operator, and Owner and the holder of any Mortgage shall have access to the Hotel and the books and records pertaining thereto at all times during the Term to the extent necessary to comply with the terms of any Mortgage, all to the extent consistent with applicable Legal Requirements and the rights of guests, tenants and concessionaires of the Hotel, and all to the extent the same will not interfere with the operation and management of the Hotel.

23.9 **Subordination**. This Agreement, any extension hereof and any modification hereof shall be subject and subordinate to a Mortgage as provided therein. The provisions of this Section shall be self-operative and no further instrument of subordination shall be required; however, Operator will execute and return to Owner (or to Lender, as designated by Owner) such documentation as Owner or Lender may reasonably request to evidence the subordination of this Agreement to the Mortgage (and, if required by a Lender, the assignment of this Agreement to such Lender as additional security in connection with such Mortgage).

23.10 **Effect of Approval of Plans and Specifications**. Owner and Operator agree that in each instance in this Agreement or elsewhere wherein Operator is required to give its approval of plans, specifications, budgets and/or financing, no such approval shall imply or be deemed to constitute an opinion by Operator, nor impose upon Operator any responsibility for the design or construction of additions to or improvements of the Hotel, including but not limited to structural integrity or life/safety requirements or adequacy of budgets and/or financing. The scope of Operator's review and approval of plans and specifications is limited solely to the adequacy and relationship of spaces and aesthetics of the Hotel in order to comply with the Operating Standards.

23.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties relating to the subject matter hereof, superseding all prior agreements or undertakings, oral or written.

23.12 **Time is of the Essence**. Time is of the essence in this Agreement.

23.13 **Interpretation**. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

23.14 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and need not be signed by more than one of the parties hereto and all of which shall constitute one and the same agreement. Counterparts of this Agreement received by electronic transmission shall be deemed originals for all purposes.

23.15 **Partial Invalidity**. In the event that any one or more of the phrases, sentences, clauses or paragraphs contained in this Agreement shall be declared invalid by the final and unappealable order, decree or judgment of any court, this Agreement shall be construed as if such phrases, sentences, clauses or paragraphs had not been inserted, unless such construction would substantially destroy the benefit of the bargain of this Agreement to either of the parties hereto.

23.16 **Confidentiality**. The parties agree that the terms, conditions and provisions set forth in this Agreement are strictly confidential and the parties agree to keep strictly confidential any information of a confidential nature about or belonging to a party or to any Affiliate of a party to which the other party gains or has access by virtue of the relationship between the parties (collectively, "**Privileged Information**"). Except as disclosure may be required to obtain the advice of professionals or consultants, or financing for the Hotel from a Lender, or in furtherance of a permitted assignment of this Agreement, or as may be required to comply with Legal Requirements (including reporting requirements applicable to public companies), each party shall make commercially reasonable efforts to ensure that Privileged Information is not disclosed to the press or to any other third party without the prior consent of the other party. Notwithstanding the foregoing, the parties hereby acknowledge that Operator shall have the authority to release information regarding the Hotel to STR, Inc. (or a similar organization mutually agreed upon by the parties). The obligations set forth in this Section shall survive any termination or expiration of this Agreement. The parties shall cooperate with one another on all public statements, whether written or oral and no matter how disseminated, regarding their contractual relationship as set forth in this Agreement or the performance of their respective obligations under this Agreement.

23.17 **No Third Party Rights**. This Agreement shall inure solely to the parties hereto. Notwithstanding any other provision of this Agreement, no third party shall have any rights pursuant to the terms of this Agreement.

ARTICLE 24
NO REPRESENTATIONS AS TO INCOME OR FINANCIAL SUCCESS OF HOTEL

In entering into this Agreement, Operator and Owner acknowledge that neither Owner nor Operator has made any representation to the other regarding projected earnings, the possibility of future success or any other similar matter respecting the Hotel, and that Operator and Owner

understand that no guarantee is made to the other as to any specific amount of income to be received by Operator or Owner or as to the future financial success of the Hotel.

ARTICLE 25
REPRESENTATIONS OF OPERATOR

In order to induce Owner to enter into this Agreement, Operator does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Operator enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Operator, threatened, against or relating to Operator, the properties or business of Operator or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Operator to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Owner;

(c) neither the consummation of the transactions contemplated by this Agreement on the part of Operator or to be performed, nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Operator is a party or by which it is bound; and

(d) Operator is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("**OFAC**") of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action (such persons and entities being "**Prohibited Persons**").

ARTICLE 26
REPRESENTATIONS OF OWNER

In order to induce Operator to enter into this Agreement, Owner does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Owner enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Owner, threatened, against or relating to Owner, the properties or business of Owner or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Owner to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Operator;

(c) neither the consummation of the transactions contemplated by this Agreement by this Agreement on the part of Owner to be performed nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Owner is a party or by which it is bound; and

(d) Owner is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of OFAC of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action.

ARTICLE 27
DISPUTE RESOLUTION

27.1 **Expert Determination**. Notwithstanding anything to the contrary in Section 27.2, any dispute, claim or issue arising under this Agreement with respect to: (a) the proper inclusion or exclusion of items in revenues, expenses and other financial computations contemplated herein, (b) the proper computation of the Base Fee, Incentive Fee, charges for Centralized Services, Accounting Services or Reimbursable Expenses, (c) disputes relating to the Annual Plan, including expenses related to satisfying Operating Standards, (d) disputes as to the Performance Test or changes in the Competitive Set, or (e) other matters as to which this Agreement expressly provides for dispute resolution by an Expert, shall be resolved in accordance with this Section by one Expert. Notwithstanding the foregoing, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The decision of the Expert shall be final and binding on the parties and shall not be capable of challenge, whether by arbitration, in court or otherwise, except to the extent of any manifest error in such Expert's determination. The costs of the Expert and the proceedings shall be borne as directed by the Expert unless otherwise provided for herein. In the event the parties are unable to agree on an Expert or otherwise disagree as to whether the disputed matter qualifies for Expert determination, either party shall have the right, prior to submitting such matter to an Expert, to initiate the mediation and arbitration procedures contemplated below.

27.2 **Mediation/Arbitration**. Except with respect to the matters described in Section 27.1 above, if any claim, dispute or difference of any kind whatsoever (a "**Dispute**") shall arise out of or in connection with or in relation to this Agreement whether in contract, tort, statutory, or otherwise, and including any questions regarding the existence, scope, validity, breach or termination of this Agreement, the following procedures shall apply:

(a) The parties shall first attempt to settle such Dispute by participating in at least ten (10) hours of mediation, which mediation shall be administered by JAMS (or if JAMS no longer exists, another mutually acceptable alternative dispute resolution provider) (the "**ADR Provider**"). A designated individual mediator who is a member in good standing of the ADR Provider will then be mutually selected by the parties to conduct the mediation; provided that such mediator must have at least ten (10) years' experience as a mediator and must not have any conflict of interest with either party (the "**Mediator**"). If the parties are unable to agree upon the identity of the

Mediator within five (5) days after the complaining party has notified the other party that a Dispute exists, then, subject to the requirements of this Section, the ADR Provider shall select a qualified Mediator of its choosing who shall act as the Mediator of the Dispute. The mediation will be a nonbinding conference between the parties conducted in accordance with the applicable rules and procedures of the ADR Provider. The mediation shall take place in New York, New York. Neither party may initiate litigation or arbitration proceedings with respect to any Dispute until the mediation of such Dispute is complete; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any claims solely relating to: (i) preserving or protecting proprietary information, (ii) emergency or injunctive relief, (iii) enforcement of the dispute resolution provisions of this Agreement, or (iv) enforcement of the decision and/or award by any Expert or Arbitrator hereunder ("**Litigation Claims**"). Any mediation will be considered complete: (a) if the parties enter into an agreement to resolve the Dispute; or (b) if the Dispute is not resolved after completion of ten (10) hours of such mediation. The parties shall share equally in the cost of the mediation.

(b) If any Dispute remains between the parties after the mediation is complete, then the Dispute shall be submitted to final and binding arbitration pursuant to the procedures set forth in this Section; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The parties agree that the Arbitrator shall have the power to order equitable remedies, including specific performance and injunctive relief.

(c) An arbitral tribunal of one arbitrator (the "**Arbitrator**") shall be established in conformity with the Comprehensive Arbitration Rules and Procedures of JAMS or such other rules of a successor ADR Provider mutually agreed upon by the parties (the "**Rules**") in effect at the time such arbitration is commenced; provided, however, the parties agree that such Arbitrator shall have not less than ten (10) years' experience in or for the hospitality industry in the area of expertise on which the dispute is based (e.g. with respect to operational matters, experience in the management and operation of hotels of a similar nature as the Hotel or, with respect to financial matters, experience in the financial or economic evaluation or appraisal of hotels). Each party shall appoint a person to appoint the Arbitrator within five (5) days of the date of a request to initiate arbitration, and the two appointed persons will then jointly appoint the Arbitrator (provided that the Arbitrator shall not be the same person as the Mediator) within ten (10) days thereafter. If the appointed persons or the Arbitrator is not appointed within the time limits set forth in the preceding sentence, such person(s) or Arbitrator shall be appointed by the ADR Provider (subject to the hospitality qualification standards set forth above). In rendering a decision hereunder, the Arbitrator shall take into account the Operating Standards of the Hotel and other applicable provisions of this Agreement.

(d) The arbitration, regardless of the amount in dispute, shall be conducted in accordance with the Rules. Any arbitration shall take place in New York, New York. The Arbitrator shall apply the substantive law of the State of New York. No party to any Dispute shall be required to join any other party as a party to the Dispute pursuant to the arbitration provisions set forth in this ARTICLE 27.

(e) The Arbitrator's monetary awards may include a requirement that the losing party bear reasonable attorneys' fees and costs of the arbitration proceeding, but, in no event shall award punitive or exemplary damages of any kind. Unless the Arbitrator determines otherwise, each

party to an arbitration proceeding shall be responsible for all fees and expenses of such party's attorneys, witnesses, and other representatives, and one-half of the other fees and expenses of the Arbitrator, and the other costs of the arbitration shall be allocated to and paid by (a) the party or parties initiating the respective arbitration proceeding, and (b) the party or parties against whom the respective arbitration proceeding is brought. The award rendered in any arbitration commenced hereunder shall be final and binding upon the parties, and each party hereby waives any claim or appeal whatsoever against it or any defense against its enforcement.

(f) The obligation to arbitrate under this Section is binding on the parties and their respective successors and assigns.

Until such time as a final determination of any Dispute is obtained pursuant to this Section and, notwithstanding any termination of or default under, or alleged termination of or default under, this Agreement, all parties to this Agreement involved in such Dispute shall remain liable for, and shall be required to continue to satisfy, their respective obligations under this Agreement.

27.3 **Survival**. This Section shall survive the expiration or termination of this Agreement.

ARTICLE 28
TERMINATION OF THE LICENSE AGREEMENT

Owner reserves and shall have the right in its sole discretion, at any time and without the consent or approval of (but with notice to) Operator, to terminate the License Agreement, provided, however, that Owner shall have no such right in order to establish its own independent operations, such as an operation without a franchise or license or in its own hotel name.

ARTICLE 29
RELATIONSHIP OF PARTIES

29.1 Owner and Operator acknowledge and agree that in operating the Hotel, entering into contracts, accepting reservations, and conducting financial transactions for the Hotel, Operator acts on behalf of and as agent for Owner with respect to the rights and obligations contemplated by this Agreement and assumes no independent contractual liability nor shall Operator be obligated to extend its own credit with respect to any obligation incurred in operating the Hotel or performing its obligations under this Agreement.

29.2 The relationship between the parties hereto shall be that of principal, in the case of Owner, and agent, in the case of Operator, with respect to the rights and obligations contemplated by this Agreement. Nothing contained in this Agreement shall constitute, or be construed to constitute or create, a partnership, joint venture or lease between Owner and Operator with respect to the Hotel. This Agreement is for the benefit of Owner and Operator and shall not create third-party beneficiary rights.

29.3 This Agreement shall be interpreted in accordance with general principles of contract interpretation without regard to the common law principles of agency (except as expressly provided for in this Agreement), and any liability between the parties shall be based solely on principles of contract law and the express provisions of this Agreement. To the extent any duties,

fiduciary or otherwise, that exist or may be implied for any reason whatsoever, including without limitation those resulting from the relationship between the parties, and including without limitation all duties of loyalty, good faith, fair dealing, care, full disclosure, or any other duty deemed to exist under the common law principles of agency or otherwise (collectively, the "**Implied Fiduciary Duties**"), are inconsistent with, or would have the effect of modifying, limiting or restricting the express provisions of this Agreement, the terms of this Agreement shall prevail.

29.4 For purposes of assessing Operator's duties and obligations under this Agreement, the parties acknowledge that the terms and provisions of this Agreement and the duties and obligations set forth herein are intended to satisfy any fiduciary duties which may exist between the parties. The parties also hereby unconditionally and irrevocably waive and release any right, power or privilege either may have to claim or receive from the other party any punitive, exemplary, statutory, or treble damages or any incidental or consequential damages with respect to any breach of the Implied Fiduciary Duties. Furthermore, Owner specifically consents to all transactions and conduct by Operator and its Affiliates described in this Agreement, including those set forth below, and waives any Implied Fiduciary Duties which Operator may owe to Owner now, or which may arise in the future, in connection with such transactions or conduct. Owner acknowledges and agrees that its consent to the transactions and conduct by Operator described in this Agreement, and its waiver of any Implied Fiduciary Duties otherwise owed by Operator: (a) has been obtained by Operator in good faith; (b) is made knowingly by Owner based on its adequate informed judgment as a sophisticated party after seeking the advice of competent and informed counsel; and (c) arises from Owner's knowledge and understanding of the specific transactions and actions or inactions of operators that are normal, customary, and reasonably expected in the hotel industry generally for this segment of the hotel industry.

ARTICLE 2
ENGAGEMENT OF OPERATOR

2.1 **Engagement and Duties of Operator**. Owner hereby engages and appoints Operator, pursuant to the terms of this Agreement, to operate and manage the Hotel, and Operator hereby agrees and contracts to operate**,** manage and supervise the Hotel pursuant to the terms of this Agreement and the Operating Standards (including the then-applicable Annual Plan). Subject to the terms of this Agreement, Hotel operations shall be under the exclusive supervision and control of Operator, which, except as otherwise specifically provided in this Agreement, shall be responsible for the proper and efficient operation, maintenance and repair of the Hotel in accordance with the terms of this Agreement. Except as specifically set forth in this Agreement, Operator shall have full discretion and control respecting matters relating to management and operation of the Hotel, including, without limitation, charges for rooms and commercial space, credit policies, food and beverage services, other Hotel services, employment policies, granting of concessions or leasing of space within the Hotel, receipt, holding and disbursement of funds, maintenance of bank accounts, procurement of Inventories, supplies and services, promotion and publicity, retain and direct legal counsel for the Hotel in the name of and as agent for Owner with respect to any matter regarding the operation of the Hotel; and, in general, all activities necessary

for operation of the Hotel. Operator shall devote its knowledge, experience and efforts to operate and manage the Hotel pursuant to this Agreement and in accordance with the Operating Standards.

Notwithstanding the foregoing grant of authority to Operator, Owner's prior written approval (not to be unreasonably delayed, conditioned or withheld (except as otherwise provided in Section 4.3 with respect to subparagraph (d))) shall be required for the following:

(a) the execution of (and provide Owner with a true and complete copy of) any contract (i) requiring total annual payments in excess of $25,000, as adjusted for increases in CPI every Fiscal Year after the initial Fiscal Year, or (ii) which has a term in excess of one (1) year (unless such agreement is terminable by Owner or Operator upon not more than thirty (30) days' notice without fee or penalty);

(b) with respect to claims asserted against Owner and/or the Hotel, for any matter for which aggregate legal fees, liabilities and/or out of pocket settlement amounts are anticipated to exceed $50,000; provided, however, Operator shall have the right to control the defense, including settlement, of any Legal Proceeding involving claims which are covered by Operator procured insurance programs (so long as Owner shall have no liability with respect to such claims, including any obligation to indemnify Operator under this Agreement);

(c) tenant leases of any space at the Premises (including rooftop leases) other than as provided in the Annual Plan (and which shall not include ordinary guest room and banquet space operations); and

(d) the negotiation and execution of any union, collective bargaining or similar agreements affecting the Hotel.

ARTICLE 3
TERM

3.1 **Term**. The operating term shall commence on the Effective Date and expire on the tenth (10th) anniversary of the Commencement Date (the "**Term**"), unless sooner terminated pursuant to the terms of this Agreement. In the event the Commencement Date does not occur by September 30, 2019, then either party shall have the option, in its sole and absolute discretion and without penalty or liability, to terminate this Agreement by delivery of written notice to the other party. If either party exercises its termination right in accordance with this Section 3.1, then all sums then due and payable to Operator and its Affiliates under this Agreement for the period of time prior to the date of termination shall be immediately due and payable. Owner and Operator shall confirm the Commencement Date in writing within ten (10) days after the Commencement Date occurs upon request of either party.

ARTICLE 4
USE AND OPERATION OF THE HOTEL

4.1 **Hotel Employees**.

(a) Operator shall have the sole right, as Operator reasonably deems appropriate for the proper operation, maintenance and security of the Hotel, to: (i) select, appoint, hire, promote, direct, supervise, train and discharge all Hotel Employees; and (ii) establish and maintain all policies relating to the employment of the Hotel Employees. Operator shall use commercially reasonable efforts and exercise reasonable care to select qualified and competent employees. Operator shall use commercially reasonable efforts to cause Operator's employment practices to comply with all Legal Requirements. All Hotel Employees shall be solely employees of Operator; provided, however, all of the costs, expenses and liabilities associated with the Hotel Employees shall be Operating Expenses, and shall include, by way of example and not limitation, all costs and expenses (including, without limitation, all employment and benefit related expenses incurred by Operator with respect to the Hotel Employees), such as severance pay, unemployment compensation and health insurance and related costs (i.e., in order to comply with COBRA-type regulations) as a result of the termination of Hotel Employees. Notwithstanding anything to the contrary contained herein, Owner shall have the right to interview and approve each individual selected by Operator to hold a position as a Hotel Executive Staff Member prior to his or her appointment, which approval shall not be unreasonably withheld or delayed. Prior to appointing an individual to a Hotel Executive Staff Member position, Operator shall provide Owner with a written summary of such individual's professional experience and qualifications and shall offer Owner the opportunity to interview the candidate at the Hotel or another mutually acceptable location. Owner will forego its right to interview any such individual if Owner or its authorized representative is unwilling or unable to participate in the interview within ten (10) days following Operator's offer. Owner shall be deemed to have approved the appointment of any such individual unless Owner delivers notice of its disapproval of such appointment within ten (10) days after Operator's offer to Owner to interview the candidate. Owner acknowledges that it may not reject more than three (3) qualified candidates proposed by Operator for any Hotel Executive Staff Member position. Owner further acknowledges that, notwithstanding Owner's right to interview and approve the hiring of each individual to hold a position as a Hotel Executive Staff Member, Operator shall have sole discretion to remove or replace any such individual (with such replacement subject to the approval rights set forth herein) (provided Operator shall not relocate the general manager or director of sales to any other System Hotel without the prior consent of Owner within thirty-six (36) months of such individual's hire).

(b) Operator may, from time to time, assign one or more of its corporate employees to the staff of the Hotel on a full-time, part-time or temporary basis, and the pro-rata share of the costs, expense and liabilities of such corporate employee of Operator shall be fairly and equitably allocated as an Operating Expense of the Hotel.

(c) Operator may elect to use the services of its Affiliates in fulfilling its obligations under this Agreement. If an Affiliate of Operator performs services Operator is required to provide, Operator shall be ultimately responsible to Owner, and Owner shall not pay more for the Affiliate's services and expenses than Operator would have been entitled to receive under this Agreement had Operator performed the services. If an Affiliate of Operator provides goods to the Hotel, such goods shall be supplied at prices and on terms at least as favorable to the Hotel as generally available in the relevant market.

(d) Any Hotel Employees who are not then represented by a collective bargaining representative shall be entitled to participate in the incentive programs, profit sharing and/or other

employee retirement, disability, health, welfare or other benefit plan or plans then made available by Operator to similarly situated employees of other System Hotels, in accordance with their respective terms. Operator will have the right to charge the Hotel with its allocable share of the cost of any such plan or plans and any contributions to be made thereunder provided that such charges and contributions shall be determined by Operator in good faith on a fair and equitable basis with respect to charges and contributions imposed for the same or similar plans at other hotels then managed by Operator, subject to Legal Requirements, and to the extent set forth in the Annual Operating Budget. Operator's rights under this Subsection (d) shall be subject to the condition that Operator shall not put into effect any amendment to any existing plan, or adopt any additional plan, which is not imposed upon all other similarly situated System Hotels.

(e) During the Term of this Agreement and for a period of twelve (12) months following termination, Owner shall not, and shall use reasonable efforts to ensure that its Affiliates do not, hire, solicit for hire, make any referrals for employment, retain as a consultant, or use the services of, any person who is employed at the Hotel as a Hotel Executive Staff Member and any Corporate Personnel, and Owner shall use reasonable efforts to prevent any other company (and any Affiliate of such other company) working on behalf of Owner or its Affiliates (including, without limitation, companies that operate or manage hotels for Owner or its Affiliates) from hiring, retaining as a consultant or using the services of any such person. The foregoing shall not prohibit Owner, any Owner Affiliate or any other company working on behalf of Owner or its Affiliates from hiring, retaining as a consultant or using the services of any such person to the extent such person is responding to a general advertisement or other solicitation of employment not specifically directed towards any Hotel Executive Staff Member or Corporate Personnel. The provisions of this section shall survive expiration or termination of this Agreement.

4.2 **Annual Plan**. [Operator shall use the existing Fiscal Year 2019 budget prepared by the existing Hotel manager as a guide to operate the Hotel pending delivery of Operator's Fiscal Year 2019 Annual Plan. On or before the date that is ninety (90) days following the Commencement Date, Operator shall submit to Owner an Annual Plan ("**Annual Plan**") for the remaining portion of the 2019 Fiscal Year and Owner either shall accept the initial Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan. Owner and Operator shall meet and discuss Owner's Annual Plan objections and shall coordinate expeditiously and in good faith to agree upon an Annual Plan for the 2019 Fiscal Year. On or before November 1st of each year following the Commencement Date, Operator shall submit to Owner an Annual Plan for the next Fiscal Year and on or before December 1st of each year following the Commencement Date, Owner either shall accept the Annual Plan submitted to Owner as provided above or shall submit to Operator a detailed list of Owner's objections or questions to the Annual Plan ("**Owner's Annual Plan Objections**"). Within seven (7) days after Operator's receipt of Owner's Annual Plan Objections, Owner and Operator shall agree upon a date to meet and discuss Owner's Annual Plan Objections with the goal of agreeing upon an Annual Plan for the subject Fiscal Year. In the event Owner objects to the Annual Plan or any specific items expense in the Annual Plan and Owner and Operator are unable to reach agreement thereon as provided above prior to commencement of the Fiscal Year in question, pending such agreement, the Annual Plan or the specific item or items of expense (not revenue) in question shall be suspended and replaced for such period of disagreement by an amount equal to the actual Operating Expenses for the immediately preceding Fiscal Year subject to an adjustment equal to the percentage increase in the CPI over the last twelve (12) month period

immediately preceding the start of the Fiscal Year in question. Notwithstanding anything to the contrary contained herein, Owner shall not have the right to withhold its approval with respect to the following aspects of the Annual Plan: (i) employee wages, compensation, and benefit programs to the extent applied on a system-wide basis to the other hotels managed by Operator, taking into account fluctuation for local market conditions; (ii) the Centralized Services Charge, and (iii) costs over which Operator has no reasonable control, including, without limitation, taxes, insurance, utility rates, payments due under Mortgages and Legal Requirements.

(a) The proposed Annual Operating Budget shall incorporate Operator's good faith reasonable estimates of the items of revenue and expense contained therein and shall contain the proposed budget for operations for the succeeding Fiscal Year. When approved by Owner, the proposed Annual Operating Budget shall become the approved Annual Operating Budget. Any revisions, substitutions or additions to the Annual Operating Budget must be approved by Owner in writing.

(b) The Capital Budget shall contain the proposed budget for FF&E Expenditures from the Reserve and the budget for Capital Improvements for the succeeding Fiscal Year. Operator shall submit good faith reasonable estimates for Capital Improvements and for FF&E Expenditures for such succeeding Fiscal Year. When approved by Owner, the proposed Capital Budget shall become the approved Capital Budget. Approval of the Capital Budget constitutes an authorization for Operator to expend money for Capital Improvements and for FF&E as provided in the Capital Budget, unless Owner's approval thereof specifically requires Operator to obtain additional approvals prior to commencing such work. Any revisions, substitutions or additions to the approved Capital Budget must be approved by Owner in writing.

(c) Operator shall use commercially reasonable efforts to operate the Hotel in accordance with the approved Annual Plan. The parties acknowledge that: (i) the approved Annual Plan is an estimate only; (ii) unforeseen circumstances during the course of the applicable Fiscal Year may make adherence to the approved Annual Plan impracticable or impossible; and (iii) Operator shall be entitled to depart therefrom due to causes of the foregoing nature. Operator may (w) incur variable expenses directly attributable to occupancy or revenues above forecasted levels; (x) pay all taxes, utilities, insurance premiums and charges provided for in contracts and leases entered into pursuant to this Agreement that are not within Operator's ability to control; (y) make any expenditures reasonably required on an emergency basis to avoid or mitigate damage to the Hotel or injury to persons or property, provided that Operator notify Owner as promptly as reasonably possible; and (z) make any expenditures necessary to comply with, or to cure or prevent any violation of any Mortgage and Legal Requirements. In addition to, and without limiting the foregoing, Operator shall be permitted, in its discretion and without the approval of Owner, to deviate from the approved Annual Operating Budget as follows: by up to ten percent (10%) of the approved department expense line item, or by up to five percent (5%) of the aggregate total expenditures in the approved Annual Operating Budget. If Operator determines that circumstances will result in material changes between actual results and the approved Annual Plan during the course of the Fiscal Year, Operator shall, within thirty (30) days of such determination, notify Owner, which shall include a reforecast of revenues and expenses through the remainder of the Fiscal Year. Unless otherwise specified, all references to the Annual Plan in this Agreement shall be deemed to refer to the Annual Plan approved by Owner, subject to Operator's right to depart therefrom pursuant to this Section 4.2(c).

4.3 **Labor Relations**. Operator may negotiate with any union lawfully entitled to represent the Hotel Employees and may execute collective bargaining agreements or labor contracts resulting therefrom that have been approved by Owner in Owner's sole and absolute discretion, as provided in Section 2.1(d). Owner shall have the right to have one or more representatives attend and participate in all such negotiations.

4.4 **Liquor License**. Operator shall obtain all alcoholic beverage licenses either in its name or its designee and shall maintain the alcoholic beverage licenses in good standing and effect, free of all liens (with the exception of any lien granted to Owner herein) and in compliance with the conditions imposed upon such alcoholic beverage licenses by any alcoholic beverage control commission or other governmental authority or agency, pursuant to the License Agreement. Operator further covenants and agrees that upon termination of this Agreement, whether upon its expiration or at any sooner termination thereof, it shall execute any documentation and perform any other acts which may be reasonably necessary or appropriate to effect the transfer or issuance of an alcoholic beverage license to the subsequent owner or Operator of the Hotel, provided that Operator shall not incur liability or cost in connection with such transfer or issuance. Owner covenants and agrees to pay any and all costs (including reasonable attorney's fees) incurred by Operator or its designee in effecting the transfer or obtaining such licenses and such covenant and agreement shall survive the expiration or termination of this Agreement.

4.5 **Notice of Violations**. Operator shall promptly notify Owner in writing of any written notice received from any regulatory or governmental body regarding an actual or perceived violation of any Legal Requirements.

4.6 **Centralized Services**. To the extent not otherwise provided by Licensor pursuant to the terms and conditions of the License Agreement, Operator may provide or cause its affiliated companies to provide for the Hotel the benefit of certain reservation systems, centralized accounting services, IT services, purchasing services, revenue management services, training, satisfaction surveys, and/or other centralized services as may be made available generally to similar properties managed by Operator from time to time (individually and collectively, the "**Centralized Services**"). The cost of all Centralized Services ("**Centralized Services Charge**") shall be (a) set forth in the applicable Annual Operating Budget, (b) allocated to the Hotel on an equitable basis with all other hotels utilizing the Centralized Services of Operator or its Affiliates, (c) reimbursed to Operator on a cost reimbursement basis and without mark-up or profit to Operator, and (d) shall not exceed the costs which Owner otherwise would have incurred if such services otherwise were provided on-site at the Hotel, which costs may include, without limitation, salaries (including payroll taxes and employee benefits) of employees and officers of Operator and its Affiliates engaged in the provision of the Centralized Services, costs of all equipment employed in the provision of such Centralized Services, and a reasonable charge for the development costs of Operator or its Affiliates. The Centralized Services currently provided by Operator, along with the Centralized Services Charge as of the Effective Date, are described in Exhibit B attached hereto. The Centralized Services and the Centralized Services Charge shall be subject to change from time to time, subject to clauses (a)-(d) above.

4.7 **Multi-Property Programs**. Owner acknowledges and agrees that, subject to the applicable Annual Operating Budget, Operator may, in Operator's reasonable discretion, enter into certain purchasing, maintenance, service or other contracts with respect to the operation of

the Hotel and other hotels operated by Operator (collectively, "**Multi-Property Programs**") pursuant to which Operator or its Affiliates may receive rebates, discounts, cash or other incentives, administration fees, concessions, profit participations, stock or stock options, investment rights or similar payments or economic considerations (collectively, "**Operator Rebates**") from the vendors or suppliers of goods or services provided under such Multi-Property Programs. When taking bids or issuing purchase orders, Operator shall secure for, and shall credit to, Owner any Operator Rebates (less Operator's expenses related thereto) in connection with such purchase. Operator shall promptly remit to Owner's benefit in the Operating Account the value of all Operator Rebates (less Operator's expenses related thereto) received by Operator or any of its affiliates in connection with any purchases described herein.

ARTICLE 5
USE OF NAME

5.1 **Name**. During the Term of this Agreement, the Hotel shall at all times be known and designated by the name set forth in the applicable License Agreement or by such other name as from time to time may be approved by Owner. Operator shall make or cause to be made any fictitious name filings or disclosures required by the laws of the State with respect to the use of such name for or in connection with the Hotel.

ARTICLE 6
ADVERTISING

Subject to the provisions of the License Agreement, Operator shall arrange and contract for all advertising, which Operator may reasonably deem necessary, in accordance with Section 4.2, for the operation of the Hotel. So long as the License Agreement may be in effect, Operator generally shall advertise the Hotel under the name required by the License Agreement for the Hotel.

ARTICLE 7
RESERVE FOR FF&E

7.1 **Reserve for Replacement of FF&E**. The Reserve shall be funded pursuant to Section 7.2, and Operator shall be authorized to use amounts in the Reserve to pay for the cost of FF&E Expenditures and Capital Improvements.

7.2 **Transfers to Reserve for FF&E**. Commencing on the Commencement Date and continuing thereafter during the remainder of the Term, Operator shall deposit monthly into the Reserve for FF&E and Capital Improvements an amount equal to the amounts required by Lender and/or by Licensor; provided that in no event will the amounts to be deposited monthly into the Reserve be less than an amount equal to four percent (4%) of Gross Revenues throughout the Term.

7.3 **Annual Adjustment**. At the end of each Fiscal Year and following receipt by Operator of the annual accounting referred to in ARTICLE 10, an adjustment will be made if necessary and if available, so that the appropriate amount shall have been deposited in the Reserve for such Fiscal Year.

7.4 **Maintenance of Reserve**. The proceeds from the sale of FF&E no longer needed for the operation of the Hotel shall be deposited in the Reserve, but not credited against the obligation to deposit cash in such fund for the then current Fiscal Year. All interest earned or accrued on amounts invested from the Reserve shall be added to the Reserve (but shall not be credited against Owner's obligations to fund the Reserve), and shall not constitute Gross Revenues or be included therein.

7.5 **Accumulation of Reserve and Additional Cost of FF&E and Capital Improvements**. Owner and Operator acknowledge and agree that portions of the Reserve may, from time to time in accordance with the then-current Annual Plan, be used for more significant expenditures than could be reserved for in a single year. Accordingly, at the end of each Fiscal Year, any amounts remaining in the Reserve shall be carried forward to the next Fiscal Year, and shall be in addition to the amount to be reserved in the next Fiscal Year. In the event at any time there are insufficient funds in the Reserve for any Fiscal Year to pay the cost of FF&E Expenditures in accordance with the Annual Plan, then Owner will, within thirty (30) days after request therefor by Operator, provide the additional funds to Operator to pay for such excess.

ARTICLE 8
REPAIRS AND MAINTENANCE AND CAPITAL IMPROVEMENTS

8.1 **Repairs and Maintenance**. Operator shall, from time to time, make such expenditures from the Reserve (or, to the extent insufficient, from funds otherwise provided by Owner) for (a) FF&E Expenditures and (b) repairs and maintenance of HVAC, mechanical and electrical systems, exterior and interior repainting; resurfacing building walls and floors; resurfacing parking areas; replacing folding walls; and miscellaneous similar expenditures (collectively, "**Repairs and Maintenance**") as required by the License Agreement, any Mortgage, Legal Requirements, Annual Plan and otherwise in the condition required by this Agreement. Except in the event of an emergency, Force Majeure Event or otherwise under circumstances in which it would be unreasonable to seek to obtain prior approval (and provided that Operator shall notify Owner of any such expenditure within a reasonable time given the nature and scope of the emergency), all expenditures for the foregoing shall be as provided in the Annual Plan. If any such Repairs and Maintenance shall be made necessary by any condition against the occurrence of which Owner has received the guaranty or warranty of the builder of the Hotel or of any supplier of labor or materials for the Hotel or of any supplier of labor or materials for the construction of the Hotel, then Operator shall, at Owner's direction, invoke said guarantees or warranties in Owner's or Operator's name and Owner shall cooperate in all reasonable respects with Operator in the enforcement thereof.

8.2 **Capital Improvements**. Owner shall, from time to time, at its sole expense (which may include funds deposited in the Reserve), make such Capital Improvements in or to the Hotel as Owner shall determine are necessary to comply with the Operating Standards. If Capital Improvements shall be required at any time during the Term by the terms of the License Agreement, to maintain the Hotel in accordance with the Operating Standards or Legal Requirements, or because Operator and Owner jointly agree upon the desirability thereof, then in such event all such Capital Improvements shall be made with as little hindrance to the operation of the Hotel as reasonably possible. Notwithstanding the foregoing, as long as the Hotel can continue to operate without interruption, Owner shall have the right to contest the need for any

such Capital Improvements required by any Legal Requirements and may postpone compliance therewith, if so permitted by law and if such postponement will not expose Operator to any civil or criminal liability. All recommendations by Operator of Capital Improvements shall be submitted in conjunction with the Capital Budget for the Fiscal Year described in Section 4.2(b). In the event that Owner elects to perform Major Renovations to the Hotel, Owner may request Operator to oversee the performance of the Major Renovations, in which case the parties shall enter into an agreement for project management services in a form and on such terms and conditions (including the amount of any project management fees) mutually acceptable to both parties.

8.3 **Liens**. Owner and Operator shall cooperate and use all commercially reasonable efforts to prevent any liens from being filed against the Hotel that arise from any maintenance, changes, repairs, alterations, improvements, renewals or replacements in or to the Hotel.

8.4 **Notice of Force Majeure Event**. In the event of any occurrence constituting a Force Majeure Event, Operator shall promptly notify Owner of such occurrence and shall keep Owner informed as to the extent and impact thereof on the Hotel.

ARTICLE 9
WORKING CAPITAL AND OPERATING ACCOUNT; DISTRIBUTION OF EXCESS CASH

9.1 **Working Capital**. Owner shall provide initial Working Capital in an amount equal to $1,000 per guest room at the Hotel. Owner shall at all times cause sufficient Working Capital to be on hand in the Operating Account. In no event shall Owner permit the Working Capital in the Operating Accounts to be less than an amount equal to the estimated monthly operating expenses of the Hotel for the ensuing sixty (60) day period, as reflected in the then current Annual Operating Budget. From time to time, upon fifteen (15) days prior written notice from Operator that such funds are required, Owner shall furnish to Operator funds that Operator deems reasonably necessary to assure that the Hotel shall have adequate Working Capital as herein provided.

9.2 **Depository Account**. All monies received by Operator in the operation of the Hotel shall be received in trust by Operator for the benefit of Owner and shall be deposited in a "**Depository Account**" in Owner's name, with certain of Owner's employees as authorized signatories, in a bank or trust company selected by Owner. Such monies shall not be commingled with other funds belonging to Operator and shall be swept on a daily basis into the Operating Account.

9.3 **Operating Account**. Owner and Operator shall also establish an Operating Account for paying the Hotel's expenses permitted herein to be charged to the Hotel and/or Owner. The Operating Account shall be in Owner's name, with Operator's employees as the authorized signatories, in a bank or trust company selected by Owner. Operator shall pay all Operating Expenses of the Hotel and amounts owed Operator and its Affiliates hereunder (including the Management Fee and Centralized Services Charges) out of the Operating Account. Checks drawn on the Operating Account or other documents of withdrawal from such accounts shall be signed by a designated representative of Operator approved by Owner. The Operating Account shall provide that, upon Owner's written direction, Operator and its representatives may be removed

as authorized signatories of such account but only upon termination of this Agreement. Owner shall make arrangements to deposit from the Depository Account into the Operating Account on a daily basis any money which is required to cover payments from the Operating Account permitted herein, including any payments for capital expenditures permitted herein. If Owner fails to do so and such failure continues for three (3) business days after notice from Operator, such failure shall be deemed an Owner Event of Default and Owner shall indemnify and hold Operator harmless from any loss or expense Operator might incur as a result of such deposit not having been made, and Operator may exercise its right to terminate pursuant to Section 15.2. All risk of loss with respect to funds in the Operating Account shall be borne by Owner.

9.4 **Distribution of Excess Cash**. Within twenty-five (25) days of the close of each Accounting Period, Operator shall distribute to Owner all sums remaining in the Operating Account in excess of the then Working Capital requirements of the Hotel determined in accordance with Section 9.1 of this Agreement.

9.5 **Lender Requirements**. The provisions of this ARTICLE 9 shall be subject to the requirements of any Lender. Operator will cooperate with all cash management and other similar requirements reasonably imposed by any Lender, provided such cash management or other requirements acknowledge that so long as Operator is managing the Hotel, Operator shall continue to receive payment of Management Fees, Reimbursable Expenses and payroll expenses as contemplated herein.

ARTICLE 10
BOOKS, RECORDS AND STATEMENTS

10.1 **Books and Records**. Operator shall keep full and adequate books of account and other records reflecting the results of operation of the Hotel in accordance with the Uniform System of Accounts and GAAP. The books of account and all other records relating to or reflecting the operation of the Hotel shall be kept either at the Hotel or at Operator's corporate offices and shall be available to Owner and its representatives and its auditors or accountants, at all reasonable times for examination, audit, inspection and transcription at Owner's sole cost and expense. All of such books and records pertaining to the Hotel shall be the property of Owner. Upon any termination of this Agreement, all of such books and records forthwith shall be turned over to Owner at a location designated by Owner so as to insure the orderly continuance of the operation of the Hotel, but such books and records shall thereafter be available to Operator at all reasonable times for inspection, audit, examination and transcription for a period of three (3) years. In addition to the Hotel's books and records, Operator shall maintain Guest Data in accordance with its privacy policy and the License Agreement; provided, however, Owner and Operator shall jointly own all Guest Data, and each may use such Guest Data in any commercially reasonable manner that: (a) does not violate the terms of this Agreement, (b) during the Term of this Agreement, does not interfere with and/or is not detrimental to the operation or financial performance of the Hotel, and (c) does not violate any Legal Requirements applicable to the use of Guest Data.

10.2 **Financial Reports**.

(a) Operator shall deliver to Owner within twenty (20) days following the close of each Accounting Period a monthly profit and loss statement reflecting a comparison of periodic and year-to-date actual revenues and expenses with the Annual Operating Budget as well as a periodic and year-to-date comparison of such actual revenues and expenses with those of the prior Fiscal Year.

(b) Within seventy-five (75) days after the end of each Fiscal Year, Operator shall deliver to Owner an annual accounting, showing the results of operation of the Hotel during the Fiscal Year and a computation of Gross Revenues, Operating Expenses, and Gross Operating Profit, if any, and any other information necessary to make the computations required hereby or which may be requested by Owner, all for such Fiscal Year. The annual accounting for any Fiscal Year shall be controlling over the interim accountings for such Fiscal Year.

(c) Operator shall prepare and deliver any additional reports or information as Owner is required to provide under the License Agreement.

Operator shall cooperate and assist with such audit. In the event that an audit reflects an underpayment to Owner or Operator or an overpayment to Operator or Owner, Operator shall correct same by a corrective payment to Owner or Operator, as appropriate, within ten (10) days following notice of the audit results to Operator, subject to Owner's and Operator's right to challenge the audit results in accordance with the provisions of ARTICLE 27 of this Agreement. In the event the scope of the Accounting Services is materially increased (including through use of reports other than Operator's standard forms), the Accounting Services Fee may be increased as mutually determined by the parties. Owner may elect at any time to terminate the Accounting Services by delivery of seventy five (75) days' prior written notice to Operator, in which event the date of termination of the Accounting Services will be the last day of the calendar quarter following the month in which Operator receives Owner's written notice of termination, and the Accounting Services Fee shall cease to be due from and after the date of such termination.

The Incentive Fee shall be prorated for any partial Fiscal Year (provided that in the event this Agreement is terminated due to an Event of Default by Operator, no Incentive Fee shall be payable with respect to the Fiscal Year in which such termination occurs). The Incentive Fee shall be adjusted, if necessary, within sixty (60) days after receipt by Owner of the annual accounting for such Fiscal

Year or receipt by Operator of Owner's documentation supporting the calculation of Owner's Priority Return. Upon request by Operator, Owner shall provide sufficient evidence and back up documentation to support Owner's calculation of Owner's Priority Return, including without limitation sufficient evidence and back up documentation to allow Operator to properly verify Owner's Invested Capital and Owner's Additional Invested Capital. If requested by Owner, Operator shall provide a statement showing in reasonable detail the nature and amount of such expenses, together with supporting documentation reasonably requested by Owner.

11.4 **Treatment of Proceeds of Business Interruption Insurance and Condemnation Awards**. In the event of a casualty or condemnation for temporary use resulting in the payment of business interruption insurance (with respect to such casualty) or a condemnation award (with respect to such condemnation for temporary use), the amount of such proceeds shall be considered a part of Gross Revenues for the purpose of computing Operator's Management Fee, unless such Management Fees are paid directly to Operator by way of receipt of business interruption proceeds.

Upon request, any such proration by Owner or Operator of blanket coverage shall be subject to the reasonable approval of the other party.

(g) The parties acknowledge that, as of the Effective Date, Operator will not provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program; provided, however, that Owner may elect to have Operator provide such insurance at any time during the Term, in which case the provisions of this Section 12.2(g) shall apply. If at any time during the Term, Owner elects to have Operator provide the policies required in Sections 12.1(a), (b) and/or (c) within Operator's shared master property insurance program, certain coverage limits will be shared with other properties owned and/or managed by Affiliates of Operator. Owner agrees that if there is a loss at the Hotel that results in a reduction of the amount of insurance coverage with respect to other properties covered by such master property insurance program, all costs of reinstating the full amount of coverage with respect to such other properties to the coverage that was available for such other properties under such master property insurance program immediately prior to such loss at the Hotel shall be borne by Owner as an expense of the Hotel. The obligations of Owner and/or Operator pursuant to this Section 12.2(g) shall survive (i) the expiration or termination of this Agreement or termination of similar agreements, if any, related to Operator's affiliated properties on the shared program; and (ii) any election of Owner or Operator to remove the Hotel from the master insurance program and/or the removal of any of Operator's affiliated properties from the shared master insurance program. Notwithstanding the foregoing, (A) after a loss the relevant party will only be required to reinstate coverage, if any, up to an amount that results in a total amount of coverage that is sufficient for all properties under the program that are also obligated to a reinstatement provision, if Owner and Operator mutually agree at their sole discretion that the remaining amount of coverage is sufficient; provided if Owner and Operator do not mutually agree, an independent third-party consultant (i.e., a consultant who has not had any

direct relationship with either party in the preceding twenty-four (24) month period) selected by Operator will make such determination, (B) the amount of coverage to be reinstated by the relevant party will be limited to what is sufficient only for the properties in Operator's master shared insurance program that are obligated by the same reinstatement provisions per this Section 12.2(g) and (C) the maximum amount of lost shared limit to be reinstated by the relevant party after a loss will be equal to the amount of lost shared limit that was lost due to a loss at the relevant party's property. Owner also agrees that it shall bear as an expense of the Hotel all costs for any additional limits or coverages that may be requested by Owner that are above the limits in such master insurance program. Owner may elect to remove the Hotel from Operator's master insurance program upon thirty (30) days prior written notice (or upon three (3) business days prior written notice if such termination is effective on the annual renewal date of such master insurance program). Any premium prepaid by Owner for such terminated coverage shall be credited to Owner in an amount calculated by the insurance carrier in its sole and absolute discretion. Operator will use reasonable efforts to give written notice to Owner within ten (10) business days after any property is added or removed from Operator's shared master insurance program and will confirm the same upon request by Owner.

ARTICLE 13
REAL AND PERSONAL PROPERTY TAXES; UTILITIES

Operator shall promptly deliver to Owner all notices of assessments, valuations and similar documents to be filed by Owner, which are received from taxing authorities by Operator.

14.1 **Damage or Destruction**.

(a) If the Hotel or any portion thereof shall be damaged or destroyed at any time or times during the Term by fire, casualty or any other cause commonly covered by fire and extended coverage insurance, to the extent required or permitted by any Lender and to the extent insurance proceeds are made available by Lender for such purpose, Owner will at its own cost and expense and with due diligence, repair and/or restore the Hotel so that after such repair and/or restoration, the Hotel shall be in substantially the same condition as it was immediately prior to such damage or destruction.

(b) Owner shall notify Operator within thirty (30) days after Owner determines whether or not Lender will permit, and make insurance proceeds available to carry out, such repair and/or

restoration, in which case Owner shall complete such repair and/or restoration pursuant to the last sentence of Section 14.1(a).

(c) If Owner advises Operator as provided in clause (b) above that Lender will not permit, and make insurance proceeds available to carry out, such repair and/or restoration, or fails to advise Operator as provided in clause (b) above, Operator may terminate this Agreement by written notice to Owner, within one hundred fifty (150) days after such damage or destruction, in which case, Owner shall pay to Operator the Termination Fee (provided Owner's obligation to pay the Termination Fee shall be limited to the extent of insurance proceeds which are made available to pay such Termination Fee).

14.2 **Condemnation**. If the whole of the Hotel shall be taken or condemned in any eminent domain, condemnation, compulsory acquisition or like proceeding by any competent authority or if such a portion thereof shall be taken or condemned as to make it imprudent or unreasonable, in the sole opinion of Owner, to use the remaining portion as a hotel of the type and class immediately preceding such taking or condemnation, then this Agreement shall terminate as of the date title vests in the condemning authority. Operator has no interest in any award paid to Owner; however, Operator shall have the right, in the case of a condemnation that results in the termination of this Agreement, to institute a separately available administrative proceeding or judicial action intended to determine just compensation in connection with the condemnation, for the purpose of representing Operator's compensable interest in this Agreement. If only a part of the Hotel shall be taken or condemned and the taking or condemnation of such part does not, in the opinion of Owner, make it unreasonable or imprudent to operate the remainder as a hotel of the type and class immediately preceding such taking or condemnation, this Agreement shall not terminate, and so much of any award to Owner shall be made available as shall be reasonably necessary for making alterations or modifications of the Hotel, or any part thereof, so as to make it a satisfactory architectural unit as a hotel of similar type and class as prior to the taking or condemnation.

14.3 **Reinstatement**. If within twelve (12) months following any termination of this Agreement pursuant to Section 14.1 or 14.2, Owner or any of its Affiliates intends to commence repair and/or restoration of the Hotel, Owner shall promptly give notice to Operator in writing of such intention, and at Operator's election (exercisable by giving written notice to Owner within thirty (30) days of the date upon which Operator receives such notice from Owner), this Agreement shall be deemed reinstated in accordance with all the terms and conditions hereof (and Operator shall repay to Owner any Termination Fee received by Operator within ten (10) days after the Hotel is substantially re-opened). Operator's duties shall be suspended until the Hotel is substantially reopened and the termination date (and Term) shall be extended to reflect the period of time the Hotel is closed. The provisions of this Section 14.3 shall survive the expiration or termination of this Agreement.

14.4 **Mortgage Requirements**. Actions as to damage or destruction and condemnation shall be taken only in a manner that is consistent with the terms and conditions of any Mortgage and any conflict between those terms and conditions and the provisions of this Agreement shall be resolved in favor of such Mortgage.

ARTICLE 15

15.1 **Operator Defaults**. Each of the following shall constitute an Event of Default by Operator:

(a) The failure of Operator to perform, keep or fulfill any of the covenants, undertakings, obligations or conditions to be kept, observed or performed by Operator and such failure shall continue for a period of (i) ten (10) days after written notice from Owner to Operator with respect to payment of any funds or delivery of any of the financial reports required under Section 10.2, or (ii) thirty (30) days after written notice from Owner to Operator with respect to any other obligations of Operator under this Agreement; provided that if such failure is incapable of cure within such thirty (30) day period, then the cure period shall be extended provided that Operator commenced the cure during such initial thirty (30) day period and thereafter diligently and continuously pursues the cure thereof to completion, not to exceed in any event ninety (90) days after Owner's delivery of such notice.

15.2 **Owner Defaults**. Each of the following shall constitute an Event of Default by Owner:

(a) The failure of Owner to pay or furnish to Operator any money Owner is required to pay or furnish to Operator in accordance with the terms hereof on the date the same is payable, if such failure is not cured within ten (10) days after written notice specifying such failure is given by Operator to Owner. If any sum of money is not paid within ten (10) days following the date the same becomes due and payable under this Agreement, and Operator has advanced such sum on behalf of Owner, such sum shall bear interest at the Default Rate from the date Operator advanced

such sum on behalf of Owner until the date Owner actually pays such sum. If the failure to pay relates to the Management Fee, such sum shall bear interest at the Default Rate from the date due until the date actually paid.

(c) If Owner shall apply for or consent to the appointment of a receiver, trustee or liquidator of Owner of all or a substantial part of its assets, or admit in writing its inability to pay its debts as they come due, make a general assignment for the benefit of creditors, take advantage of any insolvency law, or file an answer admitting the material allegations of a petition filed against Owner in any bankruptcy, reorganization or insolvency proceeding, or if an order, judgment or decree shall be entered by any court of competent jurisdiction, on the application of a creditor, adjudicating Owner a bankrupt or insolvent or approving a petition seeking reorganization of Owner or appointing a receiver, trustee or liquidator of Owner or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for any period of ninety (90) consecutive days.

16.2 **Operator's Rights to Perform**.

(a) If Owner shall fail to make any payment or to perform any act required of Owner pursuant to this Agreement, Operator may (but shall not be obligated to), without further notice to, or demand upon, Owner and without waiving or releasing Owner from any obligations under this Agreement, make such payment (either with its own funds or with funds withdrawn for such purpose from the Operating Accounts) or perform such act. OWNER'S ADDITIONAL TERMINATION RIGHTS

17.1 **Termination on Sale**. If at any time during the Term, Owner sells, leases or otherwise transfers or conveys (a) the Hotel, or (b) seventy-five percent (75%) or more of the direct or indirect interests in Owner, in each case to a person or entity which is not an Affiliate of Owner in a bona fide arm's length transaction, Owner shall have the right to terminate this Agreement by giving prior written notice (the "**Sale Termination Notice**") to Operator; provided that if such transfer shall occur at any time prior to the third (3rd) anniversary of the Commencement Date, Owner shall pay to Operator, as a condition of such termination, the Termination Fee, subject to Section 21.2. The Sale Termination Notice shall set forth an estimate of the effective termination date of this Agreement, which date shall not be less than sixty (60) days subsequent to the date of the Sale Termination Notice. The actual termination shall be effective as of the closing of the sale, regardless of the estimate provided in the Sale Termination Notice. Accordingly, Owner shall, upon reasonable notice, have the right to extend the effective date of such termination for a reasonable period of time based on delays in the closing, provided that Owner shall pay all actual costs reasonably incurred by Operator in postponing the effectiveness of such termination. As a further condition of any termination of this Agreement by Owner under this Section 17.1, Owner

shall pay to Operator, on or before the effective date of such termination all amounts due Operator and its Affiliates under this Agreement for the period of time prior to the date of termination.

17.2 **Performance Termination**.

(a) Subject to the provisions of this Section 17.2, Owner may terminate this Agreement in accordance with the procedure described below, if for any full Fiscal Year from and after the expiration of Fiscal Year 2019 (i.e., commencing with Fiscal Year 2020) (each a "**Measurement Year**"), subsections (i) and (ii) below are applicable for such Measurement Year (collectively, the "**Performance Test**"):

(i) the Gross Operating Profit for such Measurement Year is less than ninety percent (90%) of the budgeted Gross Operating Profit set forth in the approved Annual Operating Budget for such Measurement Year (the "**GOP Test**"); and

(ii) the RevPAR of the Hotel for such Measurement Year is less than the following percentage of the annualized RevPAR for the Competitive Set (the "**RevPAR Test**"): (A) for Fiscal Year 2020, one hundred and ten percent percent (110%); (B) for Fiscal Year 2021, one hundred and fifteen percent (115%); (C) for Fiscal Year 2022, and every Fiscal Year thereafter for the remainder of the Term, one hundred and twenty percent (120%).

(b) If the Performance Test is not satisfied and Owner elects to exercise its right to terminate this Agreement pursuant to this Section, (i) Owner shall give written notice to Operator of such election within sixty (60) days after the receipt by Owner of the annual accounting (as set forth in Section 10.2) for such Measurement Year; and (ii) the notice shall specify a termination date no sooner than ninety (90) days after the giving of such notice. No Termination Fee shall be payable upon any termination of this Agreement pursuant to this Section 17.2. Within sixty (60) days following its receipt of Owner's notice of termination, Operator may elect, which election may be exercised only once during the Term, to pay to Owner an amount which, when added to the actual aggregate amount of the Gross Operating Profit for the Measurement Year in question, equals the amount of Gross Operating Profit that would have been necessary to satisfy the GOP Test for such Measurement Year. Upon such payment, the Performance Test shall be deemed to have been satisfied for such Measurement Year, Owner shall not have a right to terminate this Agreement based upon such Measurement Year and Owner's election to do so shall be of no further force and effect.

(c) In the event that there is a Threshold Adjustment Event, Owner and Operator will reasonably cooperate to equitably adjust the GOP Test and the RevPAR Test, as applicable. If the parties cannot agree as to the equitable adjustment within thirty (30) days following written request for adjustment by either party, the matter will be submitted to an Expert, as provided and in accordance with the procedures set forth in Section 27.1.

ARTICLE 18
TRANSFER AND REMITTANCE TO OWNER UPON TERMINATION

18.1 **Transfer to Owner**. Upon any termination of this Agreement, whether due to the occurrence of an Event of Default or otherwise, Operator shall cooperate with Owner and shall execute all documents or instruments requested by Owner in connection with the transfer to

Owner or its nominee of the Permits and the License Agreement used or useful in connection with the operation of the Hotel (including without limitation executing any interim beverage agreement or similar agreement reasonably required to allow alcoholic beverages to continue to be sold at the Hotel after such termination in accordance with Legal Requirements pending issuance of temporary or new Permits with respect to such sales to Owner or its designee, so long as such successor Owner provides Operator with an indemnity, in form and substance reasonably acceptable to Operator, indemnifying Operator from any and all claims and liability associated with such interim agreements and continued use of such Permits); provided, however, if such termination is due to a reason other than a default by Operator under this Agreement, Owner will reimburse Operator for Operator's reasonable expenses to effect such transfer, or the imposition of liability by Operator. Without limiting the generality of the foregoing, Operator shall cause its officials to execute any necessary documents to effectuate the orderly transfer to Owner or its designee of the Permits and the License Agreement or the renewal thereof to Owner or Owner's designee if appropriate. In the event that this Agreement terminates for any reason, a sufficient number of Hotel Employees will be hired by Owner or its successor, assign or designee, so as not to cause a "mass layoff" or "plant closing", as defined in the Workers Adjustment and Retraining Act, 29 USC, sec 2101 et seq. (the "**WARN Act**"). Owner hereby agrees to indemnify, defend and hold Operator harmless from and against any and all claims asserted against or incurred by Operator related to: (a) hiring, discharging, offering to hire or failing to hire any of the Hotel Employees; (b) termination of the Hotel Employees by reason of the termination of this Agreement; or (c) Owner's failure to take, or cause to be taken, the action necessary with respect to Hotel Employees so that Operator will not be required to comply with the WARN Act or any other similar Legal Requirements.

18.2 **Remittance to Owner**. Upon the expiration or termination of this Agreement, after payment of all Operating Expenses for which bills were received to such date, Operator's Management Fee, Reimbursable Expenses, Accounting Services Fee, any Termination Fee and any other amounts then due and payable to Operator, and after withholding a reasonable amount determined by Operator to be necessary to pay for any continuing liabilities or payables that may become due following such termination, all remaining amounts in: (a) the Reserve and (b) the Operating Account, shall be transferred by Operator to Owner.

ARTICLE 20
CONSENT AND APPROVAL

Except as herein otherwise provided, whenever in this Agreement the consent or approval of Operator or Owner is required, such consent or approval shall not be unreasonably withheld or delayed. Such consent or approval shall also be in writing only and shall be executed only by an authorized officer or agent of the party granting such consent or approval.

ARTICLE 21
TRANSFERS

21.1 **Transfers**. Except as herein otherwise provided, neither party may cause or permit a Transfer without the prior written consent of the other party (which consent may be withheld or conditioned in such other party's sole discretion); provided however, that either party shall be entitled to assign this Agreement (a) to an Affiliate of such party and (b) in connection with a corporate transaction involving such party in which all or substantially all of such party's assets are transferred to an Affiliate of such party. Operator shall have the right to assign its economic rights to receive payments under this Agreement (as opposed to a pledge of the ownership interests in Operator) as security for indebtedness or other obligations. Additionally, Operator

may transfer this Agreement and its rights hereunder to a successor by merger, sale of all or substantially all of its assets or interest in Operator, as applicable, or otherwise by operation of law.

21.2 **Assignability upon Sale**. Notwithstanding anything to the contrary in Section 21.1, if Owner decides to enter into a Sale of the Hotel with a third party, then at such time as Owner enters into a firm commitment for the Sale of the Hotel, Owner shall deliver a written notice (the "**Notice of Proposed Sale**") of the proposed Sale of the Hotel to Operator stating the name of the prospective purchaser or tenant, as the case may be, and, thereafter shall provide all other information concerning the proposed purchaser or tenant reasonably requested by Operator and which such purchaser or tenant has provided to Owner or Owner's Affiliates. Within fifteen (15) days of Operator's receipt of the Notice of Proposed Sale, Operator shall notify Owner of its election to either: (a) continue operating the Hotel following such Sale of the Hotel, or (b) terminate this Agreement. In the event Operator enters into an agreement to operate the Hotel following such Sale of the Hotel, Operator shall not have the right to receive the Termination Fee in connection with such Sale of the Hotel. In the event Operator does not enter into an agreement to operate the Hotel following the closing of the Sale of the Hotel Operator shall have the right to receive the Termination Fee.

21.3 **Prohibited Sale**. Notwithstanding anything to the contrary in Section 21.2, Owner may not cause or permit a Transfer to any Prohibited Person.

ARTICLE 22
INDEMNITY

22.1 **Indemnity by Owner**. Owner shall indemnify, defend and hold Operator, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Operator Indemnified Parties**") harmless for, from and against any and all third-party liabilities, claims, demands, actions, causes of action, judgments, orders, damages, costs, expenses, and losses (including reasonable attorney's fees and costs) (collectively, "**Claims**") which Operator Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from: (a) this Agreement, including the negotiation of or entering into this Agreement; (b) the development, construction, ownership and/or operation of the Hotel from and after the Effective Date, (c) any reporting to the IRS, Owner's lenders or any party relying on Owner's books and records by Owner or by Operator (on behalf of and as directed by Owner, in connection with Operator's provision of the Accounting Services pursuant to Section 10.4 of this Agreement); and (d) other activities relating to the Hotel, except to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.2 **Indemnity by Operator**. Operator shall indemnify, defend and hold Owner, its Affiliates and their respective directors, trustees, officers, employees, agents and assigns (collectively the "**Owner Indemnified Parties**") harmless for, from and against any and all Claims which Owner Indemnified Parties might incur, become responsible for, or pay out for any reason, directly or indirectly arising out of, relating to or resulting from this Agreement, to the extent caused by Operator's Grossly Negligent or Willful Acts.

22.3 **Indemnification Procedure**. Any Indemnified Party shall be entitled, upon written notice to the Indemnifying Party, to the timely appointment of counsel by the Indemnifying Party for the defense of any claim, which counsel shall be subject to the approval of the Indemnified Party. If, in the Indemnified Party's reasonable judgment, a material conflict of interest exists between the Indemnified Party and the Indemnifying Party at any time during the defense of the Indemnified Party, the Indemnified Party may appoint independent counsel of its choice for the defense of the Indemnified Party as to such claim. Additionally, regardless of whether the Indemnified Party is appointed counsel or selects independent counsel (a) the Indemnified Party shall have the right to participate in the defense of any claim and approve any proposed settlement of such claim, such approval to be in such party's sole and absolute discretion, and (b) all costs, expenses and attorneys' fees of the Indemnified Party shall be borne by the Indemnifying Party. If the Indemnifying Party fails to timely pay such costs, expenses and reasonable attorneys' fees, the Indemnified Party may, but shall not be obligated to, pay such amounts and be reimbursed by the Indemnifying Party for the same, which amounts shall bear interest at the Default Rate until paid in full. The parties hereby acknowledge that it shall not be a defense to a demand for indemnity that less than all claims asserted against the Indemnified Party are subject to indemnification. If a claim is covered by the Indemnifying Party's liability insurance, the Indemnified Party shall not take or omit to take any action that would cause the insurer not to defend such claim or to disclaim liability in respect thereof. Further, the Indemnified Party shall cooperate with the Indemnifying Party in the defense of the claim (at the Indemnifying Party's cost), shall not settle the claim without the consent of the Indemnifying Party, and shall not take any action which prejudices the defense of the claim.

22.4 **Survival/Miscellaneous**. The provisions of this ARTICLE 22 shall survive the expiration or earlier termination of this Agreement. Owner and Operator mutually agree for the benefit of each other to look first to the appropriate insurance coverages in effect pursuant to this Agreement in the event any claim or liability occurs as a result of injury to person or damage to property, regardless of the cause of such claim or liability. In no event shall the settlement by either party of any claim brought by a third party (including Hotel Employees) in connection with the ownership or operation of the Hotel be deemed to create any presumption of the validity of the claim, nor shall any such settlement be deemed to create any presumption that the acts or omissions giving rise to such claim constituted Operator's Grossly Negligent or Willful Acts.

ARTICLE 23
MISCELLANEOUS

23.1 **Further Assurances**. Owner and Operator shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding and enforceable as between them and as against third parties.

23.2 **Waiver**. The waiver of any of the terms and conditions of this Agreement on any occasion or occasions shall not be deemed a waiver of such terms and conditions on any future occasion.

23.3 **Successors and Assigns**. Subject to and limited by ARTICLE 21, this Agreement shall be binding upon and inure to the benefit of Owner, its successors and permitted assigns, and shall be binding upon and inure to the benefit of Operator, its successors and permitted assigns.

23.4 **Governing Law**. This Agreement shall be construed, both as to its validity and as to the performance of the parties, in accordance with the laws of the State of New York.

23.5 **Compliance with Mortgage and License Agreement**. In carrying out their respective duties and obligations under the terms of this Agreement, Owner and Operator shall take no action that could reasonably be expected to constitute a material default under any Mortgage or the License Agreement and will take such actions as are reasonably necessary to comply therewith. Owner shall be responsible for making all payments under any Mortgage.

23.6 **Amendments**. This Agreement may not be modified, amended, surrendered or changed, except by a written document signed by Owner and Operator agreeing to be bound thereby.

23.7 **Estoppel Certificates**. Owner and Operator agree, at any time and from time to time, as requested by the other party, upon not less than ten (10) days' prior written notice, to execute and deliver to the other a written statement (a) certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same are in full force and effect as modified and stating the modifications), (b) certifying the dates to which required payments have been paid, and (c) stating whether or not, to the best knowledge of the signer, the other party is in default in performance of any of its obligations under this Agreement, and if so, specifying each such default of which the signer may have knowledge, it being intended that such statement delivered pursuant hereto may be relied upon by others with whom the party requesting such certificate may be dealing.

23.8 **Inspection Rights**. Owner shall have the right to inspect the Hotel and examine the books and records of Operator pertaining to the Hotel at all reasonable times during the Term upon reasonable notice to Operator, and Owner and the holder of any Mortgage shall have access to the Hotel and the books and records pertaining thereto at all times during the Term to the extent necessary to comply with the terms of any Mortgage, all to the extent consistent with applicable Legal Requirements and the rights of guests, tenants and concessionaires of the Hotel, and all to the extent the same will not interfere with the operation and management of the Hotel.

23.9 **Subordination**. This Agreement, any extension hereof and any modification hereof shall be subject and subordinate to a Mortgage as provided therein. The provisions of this Section shall be self-operative and no further instrument of subordination shall be required; however, Operator will execute and return to Owner (or to Lender, as designated by Owner) such documentation as Owner or Lender may reasonably request to evidence the subordination of this Agreement to the Mortgage (and, if required by a Lender, the assignment of this Agreement to such Lender as additional security in connection with such Mortgage).

23.10 **Effect of Approval of Plans and Specifications**. Owner and Operator agree that in each instance in this Agreement or elsewhere wherein Operator is required to give its approval of plans, specifications, budgets and/or financing, no such approval shall imply or be deemed to constitute an opinion by Operator, nor impose upon Operator any responsibility for the design or construction of additions to or improvements of the Hotel, including but not limited to structural integrity or life/safety requirements or adequacy of budgets and/or financing. The scope of Operator's review and approval of plans and specifications is limited solely to the adequacy and relationship of spaces and aesthetics of the Hotel in order to comply with the Operating Standards.

23.11 **Entire Agreement**. This Agreement constitutes the entire agreement between the parties relating to the subject matter hereof, superseding all prior agreements or undertakings, oral or written.

23.12 **Time is of the Essence**. Time is of the essence in this Agreement.

23.13 **Interpretation**. No provision of this Agreement shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured or dictated such provision.

23.14 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and need not be signed by more than one of the parties hereto and all of which shall constitute one and the same agreement. Counterparts of this Agreement received by electronic transmission shall be deemed originals for all purposes.

23.15 **Partial Invalidity**. In the event that any one or more of the phrases, sentences, clauses or paragraphs contained in this Agreement shall be declared invalid by the final and unappealable order, decree or judgment of any court, this Agreement shall be construed as if such phrases, sentences, clauses or paragraphs had not been inserted, unless such construction would substantially destroy the benefit of the bargain of this Agreement to either of the parties hereto.

23.16 **Confidentiality**. The parties agree that the terms, conditions and provisions set forth in this Agreement are strictly confidential and the parties agree to keep strictly confidential any information of a confidential nature about or belonging to a party or to any Affiliate of a party to which the other party gains or has access by virtue of the relationship between the parties (collectively, "**Privileged Information**"). Except as disclosure may be required to obtain the advice of professionals or consultants, or financing for the Hotel from a Lender, or in furtherance of a permitted assignment of this Agreement, or as may be required to comply with Legal Requirements (including reporting requirements applicable to public companies), each party shall make commercially reasonable efforts to ensure that Privileged Information is not disclosed to the press or to any other third party without the prior consent of the other party. Notwithstanding the foregoing, the parties hereby acknowledge that Operator shall have the authority to release information regarding the Hotel to STR, Inc. (or a similar organization mutually agreed upon by the parties). The obligations set forth in this Section shall survive any termination or expiration of this Agreement. The parties shall cooperate with one another on all public statements, whether written or oral and no matter how disseminated, regarding their contractual relationship as set forth in this Agreement or the performance of their respective obligations under this Agreement.

23.17 **No Third Party Rights**. This Agreement shall inure solely to the parties hereto. Notwithstanding any other provision of this Agreement, no third party shall have any rights pursuant to the terms of this Agreement.

ARTICLE 24
NO REPRESENTATIONS AS TO INCOME OR FINANCIAL SUCCESS OF HOTEL

In entering into this Agreement, Operator and Owner acknowledge that neither Owner nor Operator has made any representation to the other regarding projected earnings, the possibility of future success or any other similar matter respecting the Hotel, and that Operator and Owner

understand that no guarantee is made to the other as to any specific amount of income to be received by Operator or Owner or as to the future financial success of the Hotel.

ARTICLE 25
REPRESENTATIONS OF OPERATOR

In order to induce Owner to enter into this Agreement, Operator does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Operator enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Operator, threatened, against or relating to Operator, the properties or business of Operator or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Operator to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Owner;

(c) neither the consummation of the transactions contemplated by this Agreement on the part of Operator or to be performed, nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Operator is a party or by which it is bound; and

(d) Operator is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("**OFAC**") of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action (such persons and entities being "**Prohibited Persons**").

ARTICLE 26
REPRESENTATIONS OF OWNER

In order to induce Operator to enter into this Agreement, Owner does hereby make the following representations and warranties:

(a) this Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligation of Owner enforceable in accordance with the terms hereof;

(b) there is no claim, litigation, proceeding or governmental investigation pending, or as far as is known to Owner, threatened, against or relating to Owner, the properties or business of Owner or the transactions contemplated by this Agreement which does, or may reasonably be expected to, materially and adversely affect the ability of Owner to enter into this Agreement or to carry out its obligations hereunder, and there is no basis for any such claim, litigation, proceedings or governmental investigation, except as has been fully disclosed in writing to Operator;

(c) neither the consummation of the transactions contemplated by this Agreement by this Agreement on the part of Owner to be performed nor the fulfillment of the terms, conditions and provisions of this Agreement, conflicts with or will result in the breach of any of the terms, conditions or provisions of, or constitute a default under, any agreement, indenture, instrument or undertaking to which Owner is a party or by which it is bound; and

(d) Owner is not, and shall not become, a person or entity with whom U. S. persons or entities are restricted from doing business under regulations of OFAC of the Department of the Treasury (including those named in OFAC's Specially Designated and Blocked Person's List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, or Support Terrorism), or other governmental action.

ARTICLE 27
DISPUTE RESOLUTION

27.1 **Expert Determination**. Notwithstanding anything to the contrary in Section 27.2, any dispute, claim or issue arising under this Agreement with respect to: (a) the proper inclusion or exclusion of items in revenues, expenses and other financial computations contemplated herein, (b) the proper computation of the Base Fee, Incentive Fee, charges for Centralized Services, Accounting Services or Reimbursable Expenses, (c) disputes relating to the Annual Plan, including expenses related to satisfying Operating Standards, (d) disputes as to the Performance Test or changes in the Competitive Set, or (e) other matters as to which this Agreement expressly provides for dispute resolution by an Expert, shall be resolved in accordance with this Section by one Expert. Notwithstanding the foregoing, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The decision of the Expert shall be final and binding on the parties and shall not be capable of challenge, whether by arbitration, in court or otherwise, except to the extent of any manifest error in such Expert's determination. The costs of the Expert and the proceedings shall be borne as directed by the Expert unless otherwise provided for herein. In the event the parties are unable to agree on an Expert or otherwise disagree as to whether the disputed matter qualifies for Expert determination, either party shall have the right, prior to submitting such matter to an Expert, to initiate the mediation and arbitration procedures contemplated below.

27.2 **Mediation/Arbitration**. Except with respect to the matters described in Section 27.1 above, if any claim, dispute or difference of any kind whatsoever (a "**Dispute**") shall arise out of or in connection with or in relation to this Agreement whether in contract, tort, statutory, or otherwise, and including any questions regarding the existence, scope, validity, breach or termination of this Agreement, the following procedures shall apply:

(a) The parties shall first attempt to settle such Dispute by participating in at least ten (10) hours of mediation, which mediation shall be administered by JAMS (or if JAMS no longer exists, another mutually acceptable alternative dispute resolution provider) (the "**ADR Provider**"). A designated individual mediator who is a member in good standing of the ADR Provider will then be mutually selected by the parties to conduct the mediation; provided that such mediator must have at least ten (10) years' experience as a mediator and must not have any conflict of interest with either party (the "**Mediator**"). If the parties are unable to agree upon the identity of the

Mediator within five (5) days after the complaining party has notified the other party that a Dispute exists, then, subject to the requirements of this Section, the ADR Provider shall select a qualified Mediator of its choosing who shall act as the Mediator of the Dispute. The mediation will be a nonbinding conference between the parties conducted in accordance with the applicable rules and procedures of the ADR Provider. The mediation shall take place in New York, New York. Neither party may initiate litigation or arbitration proceedings with respect to any Dispute until the mediation of such Dispute is complete; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any claims solely relating to: (i) preserving or protecting proprietary information, (ii) emergency or injunctive relief, (iii) enforcement of the dispute resolution provisions of this Agreement, or (iv) enforcement of the decision and/or award by any Expert or Arbitrator hereunder ("**Litigation Claims**"). Any mediation will be considered complete: (a) if the parties enter into an agreement to resolve the Dispute; or (b) if the Dispute is not resolved after completion of ten (10) hours of such mediation. The parties shall share equally in the cost of the mediation.

(b) If any Dispute remains between the parties after the mediation is complete, then the Dispute shall be submitted to final and binding arbitration pursuant to the procedures set forth in this Section; provided, however, the parties shall have the right to commence litigation or other Legal Proceedings with respect to any Litigation Claims. The parties agree that the Arbitrator shall have the power to order equitable remedies, including specific performance and injunctive relief.

(c) An arbitral tribunal of one arbitrator (the "**Arbitrator**") shall be established in conformity with the Comprehensive Arbitration Rules and Procedures of JAMS or such other rules of a successor ADR Provider mutually agreed upon by the parties (the "**Rules**") in effect at the time such arbitration is commenced; provided, however, the parties agree that such Arbitrator shall have not less than ten (10) years' experience in or for the hospitality industry in the area of expertise on which the dispute is based (e.g. with respect to operational matters, experience in the management and operation of hotels of a similar nature as the Hotel or, with respect to financial matters, experience in the financial or economic evaluation or appraisal of hotels). Each party shall appoint a person to appoint the Arbitrator within five (5) days of the date of a request to initiate arbitration, and the two appointed persons will then jointly appoint the Arbitrator (provided that the Arbitrator shall not be the same person as the Mediator) within ten (10) days thereafter. If the appointed persons or the Arbitrator is not appointed within the time limits set forth in the preceding sentence, such person(s) or Arbitrator shall be appointed by the ADR Provider (subject to the hospitality qualification standards set forth above). In rendering a decision hereunder, the Arbitrator shall take into account the Operating Standards of the Hotel and other applicable provisions of this Agreement.

(d) The arbitration, regardless of the amount in dispute, shall be conducted in accordance with the Rules. Any arbitration shall take place in New York, New York. The Arbitrator shall apply the substantive law of the State of New York. No party to any Dispute shall be required to join any other party as a party to the Dispute pursuant to the arbitration provisions set forth in this ARTICLE 27.

(e) The Arbitrator's monetary awards may include a requirement that the losing party bear reasonable attorneys' fees and costs of the arbitration proceeding, but, in no event shall award punitive or exemplary damages of any kind. Unless the Arbitrator determines otherwise, each

party to an arbitration proceeding shall be responsible for all fees and expenses of such party's attorneys, witnesses, and other representatives, and one-half of the other fees and expenses of the Arbitrator, and the other costs of the arbitration shall be allocated to and paid by (a) the party or parties initiating the respective arbitration proceeding, and (b) the party or parties against whom the respective arbitration proceeding is brought. The award rendered in any arbitration commenced hereunder shall be final and binding upon the parties, and each party hereby waives any claim or appeal whatsoever against it or any defense against its enforcement.

(f) The obligation to arbitrate under this Section is binding on the parties and their respective successors and assigns.

Until such time as a final determination of any Dispute is obtained pursuant to this Section and, notwithstanding any termination of or default under, or alleged termination of or default under, this Agreement, all parties to this Agreement involved in such Dispute shall remain liable for, and shall be required to continue to satisfy, their respective obligations under this Agreement.

27.3 **Survival**. This Section shall survive the expiration or termination of this Agreement.

ARTICLE 28
TERMINATION OF THE LICENSE AGREEMENT

Owner reserves and shall have the right in its sole discretion, at any time and without the consent or approval of (but with notice to) Operator, to terminate the License Agreement, provided, however, that Owner shall have no such right in order to establish its own independent operations, such as an operation without a franchise or license or in its own hotel name.

ARTICLE 29
RELATIONSHIP OF PARTIES

29.1 Owner and Operator acknowledge and agree that in operating the Hotel, entering into contracts, accepting reservations, and conducting financial transactions for the Hotel, Operator acts on behalf of and as agent for Owner with respect to the rights and obligations contemplated by this Agreement and assumes no independent contractual liability nor shall Operator be obligated to extend its own credit with respect to any obligation incurred in operating the Hotel or performing its obligations under this Agreement.

29.2 The relationship between the parties hereto shall be that of principal, in the case of Owner, and agent, in the case of Operator, with respect to the rights and obligations contemplated by this Agreement. Nothing contained in this Agreement shall constitute, or be construed to constitute or create, a partnership, joint venture or lease between Owner and Operator with respect to the Hotel. This Agreement is for the benefit of Owner and Operator and shall not create third-party beneficiary rights.

29.3 This Agreement shall be interpreted in accordance with general principles of contract interpretation without regard to the common law principles of agency (except as expressly provided for in this Agreement), and any liability between the parties shall be based solely on principles of contract law and the express provisions of this Agreement. To the extent any duties,

fiduciary or otherwise, that exist or may be implied for any reason whatsoever, including without limitation those resulting from the relationship between the parties, and including without limitation all duties of loyalty, good faith, fair dealing, care, full disclosure, or any other duty deemed to exist under the common law principles of agency or otherwise (collectively, the "**Implied Fiduciary Duties**"), are inconsistent with, or would have the effect of modifying, limiting or restricting the express provisions of this Agreement, the terms of this Agreement shall prevail.

Why CivicClerk?

Streamlined and Intuitive

Traditional agenda management systems had (and in many cases still have) dated designs and interfaces making them confusing and clunky to manage. The intuitive and innovative CivicClerk User Interface built in to your CivicClerk AMS solution launched in 2014 and brought a whole new level of streamlined efficiency to the agenda management software industry. As our society and its leaders become more technology savvy, our easy-to-use interface meets their expectations while also catering to those with lesser technology skills.

When our customers move from their older systems, the number one reason for changing products is because staff perceived their old product was too complex and cumbersome to use. CivicClerk delivers a design that is intuitive and provides our clients the ability to get in, input or review the necessary information, and get out. The CivicClerk streamlined and intuitive design automates an existing process for our clients – it doesn't create a new one.

Continuous Improvement and Depth of Product

CivicClerk has spent the last three years building a scalable and flexible system to compete with the largest competitors in the industry. We never slow down researching development and improvements for our product. CivicClerk has developed a business model of continuous improvement to enhance client experience and meet ever evolving needs.

As one of the most robust systems in the industry, CivicClerk's meeting management system addresses nearly every aspect of the meeting process. We also understand that not every community has the need to utilize the entire system. That's why CivicClerk is designed with modules that can be easily turned on or off based on our clients' current priorities. Clients know that if their priorities change, additional services can be activated with a simple flip of a switch, and they are off and running.

Depth of product is about customization. CivicClerk offers more than 150 site settings that can be turned on or off for each implementation. For our clients, having the ability to turn off unused functions is nearly as important as being able to turn them on when needed. It simplifies the interface and validates that the system can be customized to their unique business processes and needs.

Pricing Value

CivicClerk serves municipalities from 5,000 in population to over 1,000,000, so we have developed a pricing model that is designed to serve any size community while respecting their available budgets. We offer a clear path for customers of all sizes to utilize for our product to meet their current needs, knowing they can easily expand their services as their needs grow and evolve. We work with our clients to assist them in developing the right initial functionality in a cost-effective manner. CivicClerk wants to be sure the system our clients purchase is the right fit for them today and will be the right fit for their community as it continues to grow.

Company Background

CivicPlus Company History

CivicPlus began in 1994 when our founder Ward Morgan decided to focus on helping local governments work better and engage their citizens through their web environment. CivicPlus was originally incorporated as a Kansas corporation in June of 1998 and was legally converted to an LLC in January of 2019. This business structure change was made by the owners of CivicPlus for estate and tax planning purposes and will have no impact on the business or our clients.

CivicPlus continues to implement new technologies and services to maintain the highest standards of excellence and efficiency for our clients. Our commitment to deliver the right solutions in design and development, end-user satisfaction, and secure hosting has been instrumental in making us a world leader in government web technology. We consider it a privilege to partner with our clients and provide them with solutions that will serve their needs today and well into the future.

BoardSync began in August 2014 and became CivicClerk in October of 2017. CivicClerk is the fastest, most intuitive way to automate agenda management, meeting minutes management, and the sharing of meeting content with board members, staff, and your citizens.

Demonstrated Financial Stability

As a private company, releasing confidential financial documentation, such as annual company revenues and profit, in an open RFP process, which could be obtained by our competitors, would be detrimental to our firm. We will be more than happy to discuss the need for and provide additional financial documents at the appropriate time in the process with the condition that any and all information shared would remain confidential between the City and CivicPlus. With that being said, we have included a letter from our bank stating our good financial standing in response to this RFP requirement.

Client Example

Port Orange, Florida

Before CivicClerk

Robin Fenwick, City Clerk and her team would spend hours each week compiling the necessary packets, chasing down paperwork that needed to be signed, and handling other aspects of the agenda management process. Robin estimated that dealing with the meeting process required eight or more hours per week. Time that could have been better spent serving the public, not standing in front of the copy machine and working on other mundane tasks.

City Stats

- Contact: Robin Fenwick, City Clerk
- 57,000 population
- Four Clerk Department staff
- Four Council Members & Mayor
- 18 Boards and Committees
- Over 1000 meetings per year

Product Determination Factors: Technology Integration | Limited Budget | Staff Adoption

After CivicClerk

After reviewing various agenda management platforms on the market and weighing their pros and cons, Robin chose CivicClerk. She found the platform to be more affordable than the others, without suffering any compromises. In October 2014, Robin tested CivicClerk to manage the process for one meeting. Within three months, all of Port Orange's meetings were being managed through CivicClerk.

Robin was able to secure total City's staff buy-in quickly with the new platform. Why? Because the platform proved to be extremely easy to use and the benefits were immediate and obvious. Robin and her staff save over eight hours of labor per week, documents and forms are easily signed with remote access and their meeting agendas are completed in a more timely fashion. This allows the Clerk Department's staff to better serve their citizens and focus on important strategic initiatives.

Client Example

Gulfport, Mississippi

Before CivicClerk

Before its transition to CivicClerk, the City of Gulfport was utilizing an automated agenda management system. It had been using the software for four years, but the tools were not meeting the city's financial needs.

With CivicClerk, the City of Gulfport would be able to benefit from such features as live video streaming, so the City decided to make the transition.

Product Determination Factors: Ease of Use | Budget | Functionality

City Stats

- Contact: Ronda Cole, Clerk of Council
- 72,000 population
- Seven Council Members & Mayor
- Over 15,000 Imported Files

After CivicClerk

According to Ronda Cole, since the implementation of CivicClerk, all the feedback she has received about the City's more robust, and more affordable agenda and meeting management solution has been positive.

"We've only had positive feedback about CivicClerk. Everyone is so comfortable with its features and functionality. Nothing is extremely hard. It's user-friendly. With the administrative training I received, I can answer any questions. I can also reset passwords and add users, which I like, rather than having to call a vendor for every little thing."

Not only are the City's staff enjoying the convenience and usability of the CivicClerk system, but it is also helping the City to meet its citizens' transparency expectations. Cole states, "Now, with CivicClerk, we can put everything online, unless it was from an executive session or contains confidential information. Now our citizens can go online to see everything our board and our mayor have provided for meetings."

According to Cole, with the ability for citizens to watch live and recorded videos of meetings, and access transparency documents on demand, more citizens are engaging with the City's activities, and they are doing it when and where it is convenient for them.

Additional Proposed Feature

Engage Your Citizens with Live and Recorded Video

Today's digitally-minded citizens are logging more hours watching online video than ever before, and they are searching for content that ranges from entertaining, to informative. For local governments, video is a powerful mechanism for sharing news and events, encouraging civic participation, meeting transparency requirements, building a brand, recruiting employees, and encouraging citizens to develop a sense of civic pride.

Live Stream:

- Board meetings
- Community concerts or parades
- School sporting events
- Council meetings
- Elected official Q&A sessions
- Press conferences

Live and On-Demand Video Streaming

CP Media is a core component of the CivicPlus Platform and is accessible by all our unified applications, including our CivicEngage website design and hosting solution and our CivicClerk agenda and meeting management solution. With CP Media, you can integrate live or recorded videos of meetings and events anywhere on your CivicEngage website that are easily accessible by citizens from any desktop computer or mobile device—no technical or coding skills necessary.

Modern Functionality for Modern Communities

CivicPlus offers a robust video experience with CP Media. Consumption of video is continuing to grow, and providing this option as part of your services to your community is a must have to drive engagement. With CP Media, Hapeville will be able to offer live video streams to your board and committee meetings, as well as on-demand access after adjournment.

Immediate availability of recorded videos for on-demand viewing - no additional steps or manual file uploads.

Convenient integration with social media platforms including Facebook, YouTube, and Twitter.

High-definition video for professional quality presentations.

Link meeting agendas and bookmarks.

Auto-start recordings of meetings, so video viewers never miss a moment of live proceedings.

Create event templates for effortless set up of recurring meetings.

Pause live streaming and post a custom message to viewers.

Accommodate unlimited events and viewers.

Closed captioning support.

Video Streaming Equipment

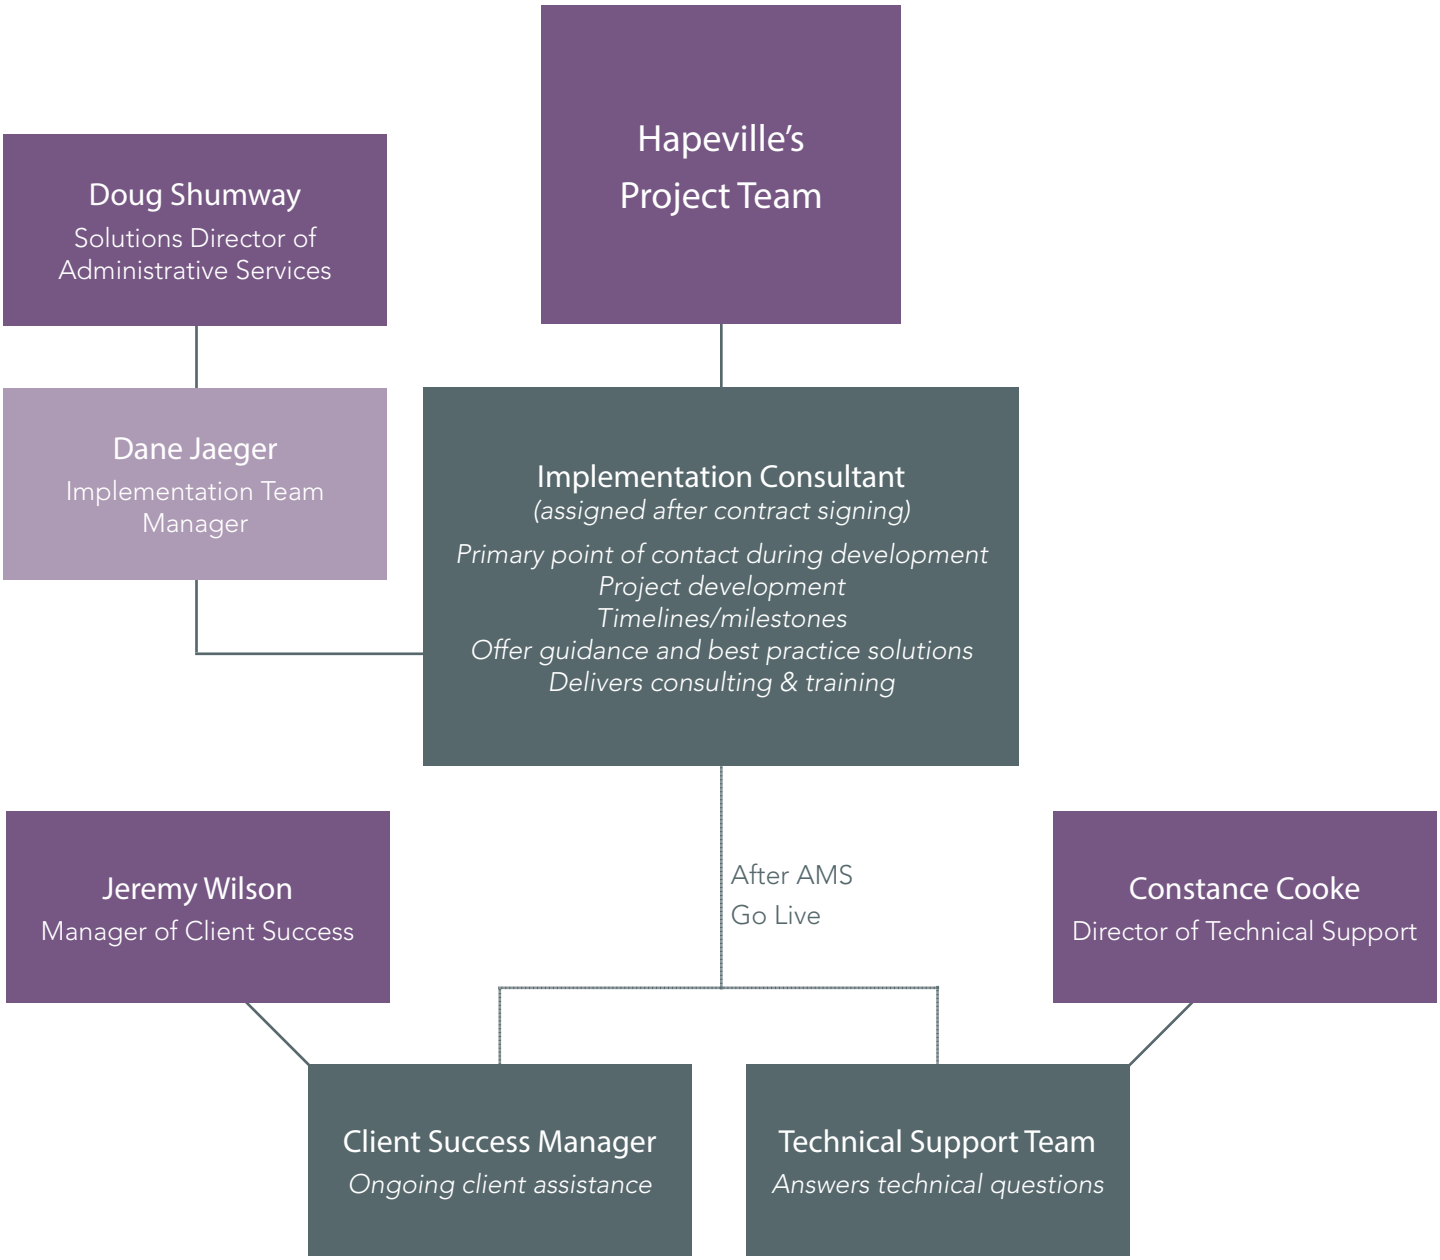

CivicClerk does not require users to buy a proprietary encoder. However, we recommend the Matrox Monarch HD. We can work with any encoder capable of generating an RTMP stream, but we prefer the Matrox based on our integration with the box and the ability to record locally and stream simultaneously at different resolutions. The setup process is very simple with the video feed going into the box via SDI or HDMI inputs, along with a network cable. We will provide an XML file with all the configuration settings pre-defined, that will upload to the Matrox. In addition, we will provide the necessary IP and port information to add to the network/firewall. Once configured, we will jointly test and confirm the stream receives video with the expected quality.

Methodology & Approach

CivicPlus and Hapeville will jointly develop a detailed schedule and implementation plan as your project kicks-off complete with milestones and deadlines. This serves as your implementation process flow and any changes can be addressed throughout the process. Once your system is launched you will continue to receive both technical and consultative support from our Support and Client Success teams.

We meet with all our clients virtually through email, phone, video conferencing, or if the client prefers we will be on-site. Because of the nature of our technology industry, working remotely is the "norm" and of no project concern for the development of your AMS.

Project Management Communication Tools

The City will have access to your project via Mavenlink, project management software. Mavenlink offers task management with a multi-level work breakdown structure, Gantt Chart-based project plan and centralized communication.

- Centralized project communication and task management tools in a cloud based project workspace. Conversations are linked to files and tasks for easy reference.
- Tasks, deliverables and milestones aligned to the scope of work.

The tools available through Mavenlink combined with regular check-ins with your Implementation Consultant provide you with ample opportunities to quickly and efficiently review your project, check deliverables, and communicate any positive feedback or concerns.

Roles and Responsibilities

Please see our sample project schedule provided on the following pages for details on the roles and responsibilities during implementation.

Level of Effort and Skillset of City Staff

Standard users will need basic knowledge of using an internet browser to navigate a website. Administrators can function with basic knowledge of using and internet browser, but will need moderate to advanced knowledge of the City's agenda process. We estimate that the total project takes around 10-15 hours of effort from the City's team.

Project Schedule

Typical Project Timeline: 6 Weeks

A CivicClerk development plan typically expands a six-week timeframe. Exact development timelines can vary due to scope, client availability, milestones set, and other factors.

We will work with you until your system is up and running and your staff has reached a level of comfort to confidently maintain your new system.

1	~2 Weeks
2	~1 Week
3	~1 Week

Acceptance Testing

Methodology and Criteria for Success

After the initial configuration of the system and the first board, we will meet with you to perform our First Look Training. The First Look Training will teach the administrators of your system how to navigate the User Menu (user preferences and system settings), create events, create agendas, add or remove items from agendas, and set up your approval routing, if you utilize one.

After the First Look Training is completed, the Implementation Consultant will explain the expectations for User Acceptance Testing. We ask you test your system by creating five events, creating five agendas, and adding or removing one item from each agenda you create.

Upon the completion of these testing scenarios, the representatives from your project team will work with our Implementation Consultant to troubleshoot any issues your team may have come across during testing and to gather any revisions that need to be made to your first board. If any issues were found during testing, these issues will be addressed and we will move into the next phase of our implementation methodology.

Responsibilities of City Staff

Your staff will be responsible for testing the initial configuration of the system and your first board. They will do so by attending a high-level administrator training followed by one business week for testing. During the testing period, they will be asked to create five events, create five agendas, and add or remove one item from each agenda they create.

Upon the completion of these testing scenarios, your staff will work with our Implementation Consultant to communicate any issues that were discovered during testing, whether it be with the system or the board we have created for you. Following the resolution of those items, your staff will be asked to provide any additional agendas, item reports, or minutes you wish to have us develop. This will signify the completion of User Acceptance Testing and we will move forward with the training of your non-administrator users.

Training Strategy

Included in this project is four hours of virtual training for up to six staff members/session. This ensures your team is positioned for a seamless transition to an electronic agenda management process.

- Basic Administrative Training: The initial training available to system administrators provides a high-level walkthrough of the agenda process and available tools. This session provides system administrators with the baseline knowledge needed to manage agendas.
- Advanced Administrative Training: The follow-up administrative training builds on the basic training session. We provide in-depth explanations on system capabilities and discussion of other available functions.
- Standard User/Approver Training: The user training session will prepare your staff for using the electronic management tools, which includes item management and approval workflows.
- Video Tutorials: The video repository includes tutorials covering several commonly asked questions and basic functions within the system. All users can access video content directly through the module.

We find that hands-on experience with the system, prior to your go-live date, is the best way to ensure that administrators and users are comfortable with the electronic management process. Your staff will be given the opportunity to access the system and manage a mock-agenda.

Support is available throughout all implementation phases and after your go-live date.

Ongoing Training Resources

We want your AMS to be an investment that holds its value over time rather than a big expense that you have to budget for every few years. Ongoing Support & Services

Service Level Metrics

Over the last 24 months, uptime has been 99.9%. Further details on the associated ongoing service level commitments, as well as a Service Level Agreement, can be provided upon request.

Hosting & Security

Redundant power sources and internet access ensures consistent and stable connections. We invest over $1.0M annually to ensure we adapt to the ever-changing security landscape while providing maximum availability. CivicPlus' extensive, industry-leading process and procedures for protecting and hosting your site is unparalleled.

The CivicClerk infrastructure is fully hosted within the Azure Cloud environment using their Infrastructure as a Service (IaaS) model. Using a mix of Azure Virtual Machines and Storage Accounts, all processing and data storage in done within this environment. All users need is a web browser to access to utilize the application. Your system is monitored 24/7/365 with a 99.9% guaranteed up-time (excluding maintenance). Additional details regarding our hosting and security services can be provided upon request.

Hosting Facility Tier

The hosting facility where the AMS will be hosted is a Tier II facility.

Storage

There are no storage limitations to the amount of data housed. In addition, there are no restrictions to how long data can be stored.

Disaster Recovery

CivicClerk utilizes Azure's Site Recovery Services and Geographically Redundant Storage Accounts (GRS) to provide disaster recovery between Azure regions. All data is written to a GRS account which creates copies of that data in data centers across multiple Azure regions, so access to the data is always available. Site Recovery Services allows us to quickly spin up and failover to clones of our Azure VMs.

Our stated Recovery Point and Recovery Time Objectives is 4 hours.

Release/Update Frequency

The CivicPlus Development Team develops software using the Agile development methodology. We currently work in 2-week sprints with several teams addressing new functionality and services and additional teams and select members dedicated to software fixes and minor enhancements. Enhancements are released monthly. Prior to any software update or rollout, all code changes go through an internal testing process which includes an alpha testing phase, a beta testing phase, and a final Release Candidate testing phase. Separate internal servers, isolated from our client hosts, are used for these various stages of testing. At times, we do ask for Beta clients to test our Release Candidate on their site. This is an opt-in program. At any time during these testing phases, any member of the CivicPlus team can report an issue that needs to be addressed before rollout, essentially removing the product from the deployment schedule.

A separate and isolated testing environment that mirrors our production servers is maintained for internal testing of not only our own codebase, but any updates to the host operating system as well. All updates are logged and tested prior to rollout to ensure compatibility with our CMS.

System changes are communicated via the CivicPlus Help Center as well as your admin dashboard (users will see a notice upon login). For major changes that may require additional staff training (e.g., a brand new module is being released), we will notify clients in advance and schedule the rollout with you as appropriate.

Hardware/Software Requirements

Required Software

System Requirements

As a hosted solution, the City will not bear the responsibility of maintaining the server side hardware in support of the application. Because CivicClerk is cloud-based, all the City needs to operate the software is a reasonably modern PC, tablet, or mobile device and an internet connection. We recommend running it on a high-speed internet connection.

Permissions

CivicClerk provides administrators access to a variety of individual system settings allowing tailored access for your individual groups or users. Administrators can create custom security profiles based on roles.

CivicPlus Project Pricing & Invoicing

CivicPlus prices on a per-project, all-inclusive basis. This type of pricing structure eliminates surprise costs, the uncertainty of paying by the hour, and is overall more cost effective for our clients. It provides you with a price based on the products and features listed in this proposal that only varies if additional functionality of work, outside of the original project scope, is requested. We understand that local governments must look beyond just functionality and that multiple factors come into play when determining which vendor can meet not only your functional needs, but also your budgetary needs. CivicPlus offers:

- Standard CivicClerk Invoicing – Your Total Investment – Year 1 fees (detailed on the previous page) are due at contract signing.
- Customized Billing/Invoicing – Although not available with all products offered by CivicPlus, we will be happy to discuss other billing options with you prior to contract signing and if feasible, develop a plan that works for both of us. Please contact your sales representatives for more details.
- Annual Services – Your first-year annual fee is included with your Total Investment – Year 1 cost. Subsequent annual invoicing occurs on the anniversary of the contract signing date, subject to a 5% technology fee uplift each year starting in Year 3 of your contract.

CivicPlus wants our clients to succeed in delivering a viable, sustainable, and flexible web environment for their communities and we will work with you prior to contract signing to determine which of our billing processes will meet both your needs for budget planning and our accounting processes.

Executive Summary

Granicus provides technology that empowers government organizations to create better lives for the people they serve. By offering the industry's leading cloud-based solutions for communications, meeting and agenda management, and digital services to more than 4,000 government customers, Granicus helps turn government missions into quantifiable realities. Granicus products connect more than 150 million people, creating a powerful network to enhance government transparency and citizen engagement. By optimizing decision-making processes, Granicus strives to help government realize better outcomes and have a greater impact for the citizens they serve.

As a company, Granicus helps empower some of the most creative people in the world who innovate within complex public-sector organizations. We help make policies more effective and to transform the citizen experience so that everything from road closures to fostering programs are better communicated, understood, and ultimately successful.

Granicus was founded in 1999 and merged with GovDelivery (also founded in 1999) in late 2016. While Granicus had traditionally been focused on innovation in the legislative and rule-making process, GovDelivery led the way in transforming how governments communicate with the public on a day-to-day basis to support everything from flu shot programs to new veterans' benefits. The two companies' missions aligned perfectly to cover the full range of government's mission – to craft the rules and laws we live by while delivering services that bring value to the public. This powerful alignment allows us to bring even more scale and innovation to the clients we serve.

AGENDA MANAGEMENT

Legislative workflows often require a significant commitment from clerical staff. Drafting legislation, getting items approved, compiling information from various departments, and creating an agenda are integral parts of the pre-meeting process, yet can be very time-consuming. Then, there are live and post-meeting processes that staff must follow to ensure an accurate account of a meeting.

With so many moving parts, steps can be overlooked, or items can be inadvertently dropped. Using a completely automated, round-trip legislative workflow solution can save staff countless hours while helping them maintain legislative accuracy.

Granicus' Agenda Management tools allow government staff to easily manage the entire legislative and agenda creation process from start to finish. From drafting files, through assignment to various departments, to final approval, these software tools are designed to reduce workloads and create a more efficient method for managing decisions.

- Eliminate manual workflows. Create and manage items for agendas in one system.
- Automate agenda item approvals with electronic approval processes.
- Simplify agenda creation—automatically compile files and supporting materials for upcoming meetings.
- Organize, store and retrieve electronic documents.
- Easily track legislation and generate historical reports for staff, citizens, and council.

Our Agenda Management offerings – Legistar and Peak Agenda Management – help governments organize, store, and easily retrieve items for agenda creation all in one system. Legistar also maintains all legislative data and tracks each item's path through the entire process. Both systems allow staff to quickly and easily publish agenda and minutes documents to the Web, helping ensure records availability and promote government transparency.

"We had an increased commitment to transparency. When we made the shift to Legistar, it was so easy to become transparent. So, with transparency obligations, it made sense to unify everything."
Lyndsy Willette, Agenda Coordinator, Commerce City, CO

- **Version control for development of agenda items and tracks changes/edits.**

  Peak has version control for items.

  This is a standard feature of the Peak Agenda Management system and is dependent upon user permissions.

- **Ability to delete a staff member universally from the agenda workflow for employee terminations**

  Approvals in Peak do not use roles so if a user is on multiple approvals and leaves the organization they would need to be removed from each approval. They can, however, be deleted from the system easily for terminations

- **Ability to move a staff member from one workflow/approval process to another to facilitate employee transfers between departments or different reporting structures.**

  If the user has permissions to do so workflows can be edited permanently or temporarily.

- **Provides strong word processing and editing capabilities that allows such functionality as: Uploading and/or building tables and graphs with ease, copying and pasting from other documents/software such as word processors and spreadsheets, changing fonts, highlighting text, bold, italic, etc.**

  These are all features of the Peak Agenda Management System, except the building of graphs. Graphs and tables cannot be inserted into item fields/forms, but they can be used in native document applications (e.g., Word, Excel, etc.) and attached to items.

  Assembling the agenda packet into a single cohesive .pdf agenda packet and the flexible reporting tool which helps manage the agenda creation process are standard features of the Peak Agenda Management system.

  Each item's status is shown in Peak as either 1) In Draft, which means that an item has been created but is not yet going through an approval process, 2) In Review, meaning the item is currently in the workflow process of approvals, or 3) Peak Agenda Management Approved, which indicates that the item has completed the workflow process and has been approved by all assignees.

- **Facilitates easy electronic posting, emailing and other electronic communication. Must support easily accessing agenda and agenda packet information using tablets, smartphones and other electronic devices.**

  Peak does not support workflow deadlines.

- **Ability to modify automatically generated minutes to reflect actual order items were taken up in meeting which may differ from order on published agenda.**

  This is a standard feature of Peak Agenda Management.

  The system automatically creates and uploads an archive to the view page when your archive's status is set to Public. Our system provides the ability to record video for different meetings (e.g., a committee meeting vs. a city council meeting) which can then be uploaded into a specific meeting-type archive.

- **Indexed and searchable content based off of meeting agendas.**

Users can perform keyword searches to jump directly to specific topics and can also subscribe to agendas or keyword searches to get real-time notifications when new relevant content becomes available.

IMPLEMENTATION METHODOLOGY, MILESTONES, AND DELIVERABLES

For each milestone, Client's authorized representative shall give final, written approval that individual deliverables and milestones have been completed.

MILESTONE 1: PROJECT START UP

Staffing and Project Management

Success of the project is dependent on both Granicus's and Client's commitment to collaborating and performing the tasks and obligations described in this SOW. Both Granicus and Client shall provide reasonable turnaround times (to be mutually agreed upon) on critical decisions, information requests, and approvals that are required to ensure that project tasks and deliverables are completed on time.

Project Plan

Client and Granicus will work together to develop a comprehensive project plan consisting, at a minimum, of the components outlined below which are broken out by responsibility and ownership.

Deliverables:

1. Communication Plan: Client and Granicus will collaborate on and document processes to communicate project information to Client and vice versa. The plan, at minimum, should include:

a. **Regularly Scheduled Status Calls:** Members of both Client and Granicus project teams should participate in regularly scheduled calls to provide status updates, discuss open issues, project risks, etc.
b. **Written Status Updates**: Both Client and Granicus Project Managers should also provide written status updates at regularly scheduled intervals (e.g., weekly) to an agreed upon distribution of stakeholders, project team members and other appropriate personnel at both Client and Granicus.
c. **Escalations:** In the event that the Granicus Project Manager does not respond to Client's needs, Client shall directly contact Granicus's Director of Professional Services (please email implementation@granicus.com to contact the Director of Professional Services).

2. Resource Plan: Client and Granicus will collaborate to compile a list of all personnel from Client and Granicus that are associated with the project. The list should include each person's role in the project and contact information as well as their allocation to the project.

3. Training Plan: Granicus will provide Client with the Training Plan on the Project Kickoff Call.

Document Review and Technical Information Gathering

The Granicus Design team conduct a Document Assessment, during which it will review Client's current agenda and minutes documents and determine how they will integrate with the Granicus solution and what changes, if any, should be made to optimize the solution for Client.

1. Document Assessment: Granicus will complete a review of Client's current agenda and minutes documents and document any recommended changes. Granicus will submit a request to Client Project Manager listing the documents needed. Client will provide the requested documents to Granicus in a timely manner. Client will provide any other process documentation (e.g. process flows, requirements, etc.) to aid the Granicus project team in gaining a sufficient understanding Client's legislative process and requirements.

2. Technical Information Gathering: Granicus will work with Client to gather general technical information and analyze the existing technology set-up to ensure that the proposed project meets all requirements necessary to deliver a successful solution. Granicus will send a URL for the Technical Information Gathering Form to Client for completion. Client will complete and submit the electronic form to Granicus.

3. Solution Validation Call: This call provides an opportunity to discuss Client's current workflow process and existing technology set-up to ensure that the proposed plan meets all requirements necessary to deliver a successful solution. At a minimum, Client's Project Manager, IT Lead, and Client Council Project Sponsor should participate in the call.

Deliverables: Granicus will document the minutes of the call as well as confirm the technical compatibility of the proposed solution and distribute to Client Project Manager for review and approval.

MILESTONE 2: IMPLEMENTATION

Granicus will deliver any required and purchased hardware to Client. Granicus will install and configure solution software for Client.

1. Customization and Configuration Design Phase: Granicus will collaborate with Client to develop the architecture and configuration design for each module of the overall solution.

Deliverables:

It includes unlimited cloud bandwidth and storage as well as local live and on-demand streaming. This product connects agenda data to Apple and Android tablets to enable the review of agendas and supporting documents, note taking, and more through the iLegislate application.

Requirements: In order to use Government Transparency, Client must have an encoder or purchase an Encoding Appliance with the solution.

Deliverables:

a. Custom player
b. View page
c. Agenda documents

4. iLegislate: iLegislate, enables elected officials to review meeting agendas, supporting documents and archived videos on any iPad or Android tablet. Deliverable: iLegislate App

5. Encoding Appliance: The Granicus Encoding Appliance provides clients with live and on-demand webcasting performance. The hardware is pre-configured and delivered ready to stream. A combination of web-based and Client-installed applications will give users access and control of the Appliance's Streaming Media Services.

The Encoding Appliance also has the ability to have the Performance Accelerator module installed to allow for up to 50 concurrent live and on demand streams as well as for local archive storage. However, if Client expects more than 50 concurrent internal users viewing the live stream, Client may want to consider the Granicus standalone physical or virtual server setup as described in section 6.2.7 below. The Encoding Appliance is a Microsoft Windows server recording in H.264 compatible MP4s. More specific server details—including size, weight, power requirements, and network requirements—please see the Granicus Encoding Appliance (Windows 7) Technical Solutions Guide.

Client is responsible for receiving the hardware on its end and installing the hardware components as agreed to in the network diagram. The Granicus Project Manager will be available to support Client remotely in installing the servers and verifying their set-up and functionality at the Client site. Before Granicus can begin the remote installation of the transparency solution, Client must confirm that the network's security and firewall requirements are in place as discussed in the Pre-Deployment Activity Phase. Granicus PM will confirm remote access to the server in preparation for the software installation. Granicus PM will complete a server-side update to the streaming component. Granicus recommends allowing one day's time for the Client IT Lead to run and test the installation of the software solution in Client's environment.

How We Rank Cases

PRIORITY 1: EMERGENCY

Target Initial Response: within 1 hour

Severe application problem that causes productivity to cease for a large number of staff or complete loss of service to either website or intranet (application-related site outage).

Examples:

- Web server is running but application is non-functional
- SQL-server errors not related to hardware
- Page watch is not working as expected

PRIORITY 2: URGENT

Target Initial Response: within 4 business hours

Application/service is available, but in a degraded mode. A workaround is possible or a brief loss of service is acceptable. Impacts only a small group or causes work to cease for an individual.

Examples:

- Site is operational, but search, calendar, or other modular functionality is non-operational or impaired
- Application is operational but bulletin sending is disrupted

PRIOIRTY 3: MEDIUM

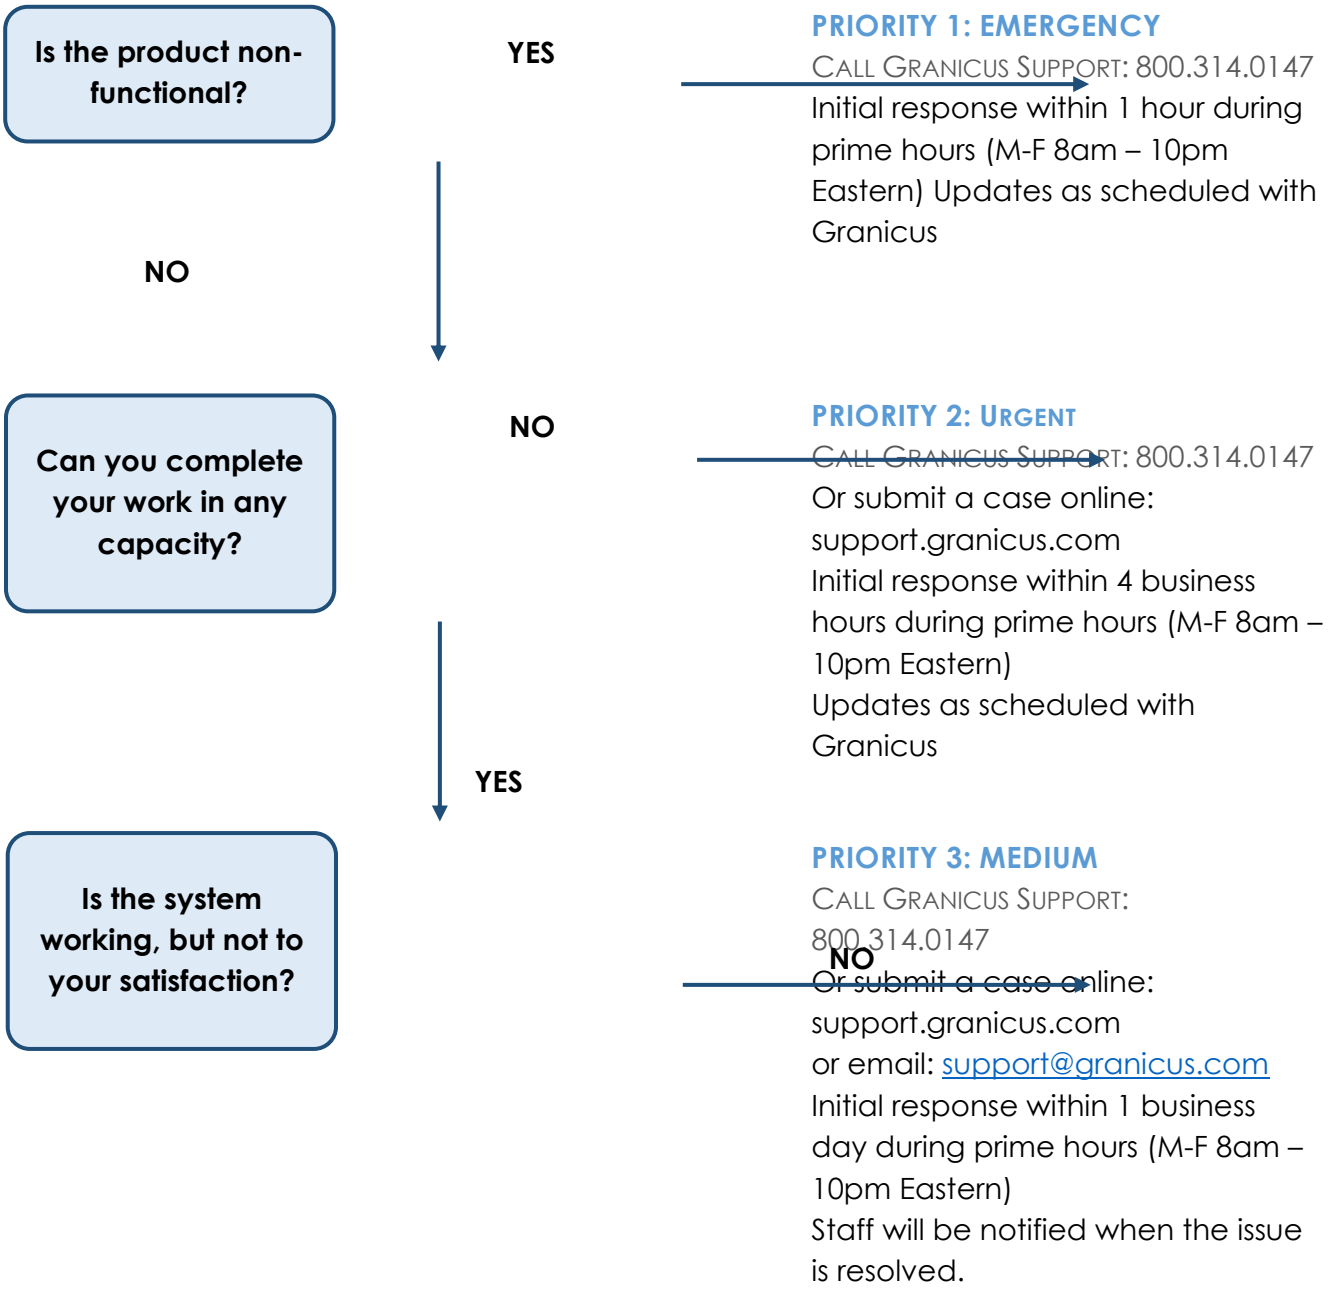

Target Initial Response: within 1 business day

Moderate business impact; issues have affected productivity. A workaround may exist or the problem is for a non business-critical task.

Examples:

- File attachments won't upload
- Text is not rendering correctly
- Bulletins are sending but sending not as quickly as expected or with higher than usual bounce rates

Note: The initial response represents the ideal target time for assignment of the case to a Customer Support Engineer and the initial acknowledgement of the issue. The resolution time will depend on the severity and complexity of the issue and the nature of the resolution required.

Data Center Security

Having a robust and secure data center implementation is a necessity, not an option. Granicus Data Centers are designed for reliability and redundancy. Our data centers are guided by a "defense-in-depth" security strategy to ensure reliable access of government data. With a 99.9% uptime, we are confident that customer data are always available.

Data Center Requirements

- Secure - SSAE-16 Accreditation
- Reliable Network
- Data Availability: 99.98% Uptime
- Redundant Backups

Granicus Server Locations

- Primary Data Center in Ashburn, VA
- Backup Data Center in San Francisco, CA

Architecture & Data Center Redundancy

The Granicus Primary Data Center is architected with redundant systems to ensure that there is no single point of failure and disruptions have no impact on the availability of Granicus applications.

Robust Security Layers

Granicus implements a series of protective layers so that no single solution is relied upon to provide security, including:

- Hosting facilities that meet or exceed Tier III standards that are engineered to ensure application and data availability and security
- Edge-to-edge security, visibility, and carrier-class threat management and remediation. We utilize industry-leading tools to compare real-time network traffic and flag any anomalies such as: Denial of Service (DoS) and Distributed Denial of Service (DDoS) attacks, worms or botnets.
- Network issues: traffic and routing instability, equipment failures, or misconfigurations
- Hardened, stateful inspection firewall technology
- An Intrusion Detection System (IDS) utilizing signature-, protocol-, and anomaly-based inspection methods
- 24/7/365 firewall, VPN, and IDS support and maintenance
- Security policies and procedures that are constantly maintained, tested, and updated

A Security Incident Response team/SSAE-16 accreditation ensures all customer data is secure from any tampering.

DATA RETENTION AND STORAGE LIMITS

There are no limits on the amount of data storage and there are no restrictions on how long the data can be stored.

Hardware/Software Requirements

PEAK AGENDA MANAGEMENT REQUIREMENTS

Peak only requires the following to be installed on each user's machine:

- Current web browser (pursuant to the Granicus Web Browser Compatibility Matrix and the Granicus Tablet Applications Support Matrix)
- Internet connection

There are no further requirements and the software does not need to be installed locally because it is browser-based. Permissions are granted by the System Administrator, and basic internal users will require a username and password to login.

ENCODING APPLIANCE REQUIREMENTS

The Encoding Appliance is a Microsoft Windows server recording in H.264 compatible MP4s. More specific server details—including size, weight, power requirements, and network requirements—please see the Granicus Encoding Appliance (Windows 7) Technical Solutions Guide. You will also need to have LiveManager installed – which will be provided by Granicus.

Customer and Granicus may each be referred to herein as "Party" or collectively as "Parties".

By accessing the Granicus Products and Services, Customer accepts this Agreement. Notification to Customer will be via email or posting to the Granicus website.

1. **Definitions.** In addition to terms defined elsewhere in this Agreement, the following terms shall have the meaning specified:

   "Agreement Term" means the total time covered by the Initial Term and all Extension Terms for each Order or SOW under this Agreement, further specified in Section 7.1.
   "Extension Term" means any term that increases the length of the Initial Term of this Agreement or an Order Term of an Order or SOW.
   "Granicus Products and Services" means the products and services made available to Customer pursuant to this Agreement, which may include Granicus products and services accessible for use by Customer on a subscription basis ("Software-as-a-Service" or "SaaS"), Granicus professional services, content from any professional services or other required equipment components or other required hardware, as specified in each Order or SOW.

   "Order" means a written order, proposal, or purchase document in which Granicus agrees to provide and Customer agrees to purchase specific Granicus Products and Services.
   "Order Term" means the then-current duration of performance identified on each Order or SOW, for which Granicus has committed to provide, and Customer has committed to pay for, Granicus Products and Services.
   "**Statement of Work"** or **"SOW"** means a written order, proposal, or purchase document that is signed by both Parties and describes the Granicus Products and Services to be provided and/or performed by Granicus. Each Order or SOW shall describe the Parties' performance obligations and any assumptions or contingencies associated with the implementations of the Granicus Products and Services, as specified in each Order or SOW placed hereunder.
   "Support" means the ongoing support and maintenance services performed by Granicus related to the Granicus Products and Services as specified in each Order or SOW placed between the Parties.

Each Order or SOW will generally include an itemized list of the Granicus Products and Services as well as the Order Term for such Granicus Products and Services. Each Order or SOW must, generally, be signed by the Parties; although, when a validly-issued purchase order by Customer accompanies the Order or SOW, then the Order or SOW need not be executed by the Parties. Each Order or SOW shall be governed by this Agreement regardless of any pre-printed legal terms on each Order or SOW, and by this reference is incorporated herein.
   - **2.2. Support.** Basic support related to standard Granicus Products and Services is included within the fees paid during the Order Term. Granicus may update its Support obligations under this Agreement, so long as the functionality purchased by Customer is not materially diminished.

GRANICUS DOES NOT WARRANT THAT GRANICUS PRODUCTS AND SERVICES WILL MEET CUSTOMER'S REQUIREMENTS OR THAT THE OPERATION THEREOF WILL BE UNINTERRUPTED OR ERROR FREE.

Each Receiving Party agrees to receive and hold any Confidential Information in strict confidence. Without limiting the scope of the foregoing, each Receiving Party also agrees: (a) to protect and safeguard the Confidential Information against unauthorized use, publication or disclosure; (b) not to reveal, report, publish, disclose, transfer, copy or otherwise use any Confidential Information except as specifically authorized by the Disclosing Party; (c) not to use any Confidential Information for any purpose other than as stated above; (d) to restrict access

If a Receiving Party is requested or required in a judicial, administrative, or governmental proceeding to disclose any Confidential Information, it will notify the Disclosing Party as promptly as practicable so that the Disclosing Party may seek an appropriate protective order or waiver for that instance.

6.2. Exceptions. Customer is ultimately accountable for the security and privacy of data held by Granicus on its behalf.

6.4. Return of Confidential Information. Each Receiving Party shall return or destroy the Confidential Information immediately upon written request by the Disclosing Party; provided, however, that each Receiving Party may retain one copy of the Confidential Information in order to comply with applicable laws and the terms of this Agreement. Customer understands and agrees that it may not always be possible to completely remove or delete all personal data from Granicus' databases without some residual data because of backups and for other reasons.

7. Term and Termination

7.1. Agreement Term. The Agreement Term shall begin on the date of the initial Order or SOW and continue through the latest date of the Order Term of each Order or SOW under this Agreement, unless otherwise terminated as provided in this Section 7. Each Order or SOW will specify an Order Term for the Granicus Products and Services provided under the respective Order or SOW. Customer's right to access or use the Granicus Products and Services will cease at the end of the Order Term identified within each Order or SOW, unless either extended or earlier terminated as provided in this Section 7. Unless a Party has given written notice to the other Party at least ninety (90) days prior to the end of the then-current Order Term, the Granicus Products and Services will automatically renew at the end of each term for an Extension Term of one (1) year.

7.2. Effect of Termination. If the Parties agree to terminate this Agreement and an Order or SOW is still in effect at the time of termination, then the terms and conditions contained in this Agreement shall continue to govern the outstanding Order or SOW until termination or expiration thereof. If the Agreement is terminated for breach, then unless otherwise agreed to

in writing, all outstanding Orders or SOWs shall immediately terminate as of the Agreement termination date. Unless otherwise stated in this Agreement, in no event shall Customer be entitled to a refund of any prepaid fees upon termination.

7.3. Termination for Cause. The non-breaching Party may terminate this Agreement upon written notice if the other Party is in material breach of this Agreement and fails to cure such breach within thirty (30) days after the non-breaching Party provides written notice of the breach. A Party may also terminate this Agreement immediately upon notice if the other Party: (a) is liquidated, dissolved, or adjudged to be in a state of bankruptcy or receivership; (b) is insolvent, unable to pay its debts as they become due, makes an assignment for the benefit of creditors or takes advantage or any law for the benefit of debtors; or (c) ceases to conduct business for any reason on an ongoing basis leaving no successor in interest. Granicus may, without liability, immediately suspend or terminate any or all Order or SOW issued hereunder if any Fees owed under this Agreement are past due pursuant to Section 4.1.

7.4. Rights and Obligations After Termination. In the event of expiration or termination of this Agreement, Customer shall immediately pay to Granicus all Fees due to Granicus through the date of expiration or termination.

7.5. Survival. All rights granted hereunder shall terminate upon the latter of the termination or expiration date of this Agreement, or each Order or SOW. The provisions of this Agreement with respect to warranties, liability, choice of law and jurisdiction, and confidentiality shall survive termination of this Agreement and continue in full force and effect.

8. Limitation of Liability

8.1. EXCLUSION OF CONSEQUENTIAL AND RELATED DAMAGES. UNDER NO CIRCUMSTANCES SHALL GRANICUS BE LIABLE FOR ANY SPECIAL, INDIRECT, PUNITIVE, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, GRANICUS SHALL NOT BE LIABLE FOR: (A) ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY OR CORRUPTION OF CUSTOMER DATA; (B) COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY; (C) LOSS OF BUSINESS; (D) DAMAGES ARISING OUT OF ACCESS TO OR INABILITY TO ACCESS THE SERVICES, SOFTWARE, CONTENT, OR RELATED TECHNICAL SUPPORT; OR (E) FOR ANY MATTER BEYOND GRANICUS' REASONABLE CONTROL, EVEN IF GRANICUS HAS BEEN ADVISED OF THE POSSIBILITY OF ANY OF THE FOREGOING LOSSES OR DAMAGES.

8.2. LIMITATION OF LIABILITY. EXCEPT FOR CUSTOMER'S BREACH OF SECTION 3.3, IN NO INSTANCE SHALL EITHER PARTY'S LIABILITY TO THE OTHER PARTY FOR DIRECT DAMAGES UNDER THIS AGREEMENT (WHETHER IN CONTRACT OR TORT OR OTHERWISE) EXCEED THE FEES PAID BY CUSTOMER FOR THE GRANICUS PRODUCTS AND SERVICES DURING THE SIX (6) MONTHS IMMEDIATELY PRECEDING THE DATE THE DAMAGED PARTY NOTIFIES THE OTHER PARTY IN WRITING OF THE CLAIM FOR DIRECT DAMAGES. GRANICUS SHALL NOT BE RESPONSIBLE FOR ANY LOST PROFITS OR OTHER DAMAGES, INCLUDING DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR ANY OTHER DAMAGES, HOWEVER CAUSED. NEITHER PARTY MAY INSTITUTE AN ACTION IN ANY FORM ARISING OUT OF NOR IN CONNECTION WITH THIS AGREEMENT MORE THAN TWO (2) YEARS AFTER THE CAUSE OF ACTION HAS ARISEN. THE ABOVE LIMITATIONS WILL NOT LIMIT CUSTOMER'S PAYMENT OBLIGATIONS UNDER SECTION 4 ABOVE.

9. Indemnification

9.1. Indemnification by Granicus. Granicus will defend Customer from and against all losses, liabilities, damages and expenses arising from any claim or suit by a third party unaffiliated with either Party to this Agreement ("Claims") and shall pay all losses, damages, liabilities, settlements, judgments, awards, interest, civil penalties, and reasonable expenses (collectively, "Losses," and including reasonable attorneys' fees and court costs), to the extent arising out of any Claims by any third party that Granicus Products and Services infringe a valid U.S. copyright or U.S. patent issued as of the date of the applicable Order or SOW. In the event of such a Claim, if Granicus determines that an affected Order or SOW is likely, or if the solution is determined in a final, non-appealable judgment by a court of competent jurisdiction, to infringe a valid U.S. copyright or U.S. patent issued as of the date of the applicable Order or SOW, Granicus will, in its discretion: (a) replace the affected Granicus Products and Services; (b) modify the affected Granicus Products and Services to render it non-infringing; or (c) terminate this Agreement or the applicable Order or SOW with respect to the affected solution and refund to Customer any prepaid fees for the then-remaining or unexpired portion of the Order or SOW term. Notwithstanding the foregoing, Granicus shall have no obligation to indemnify, defend, or hold Customer harmless from any Claim to the extent it is based upon: (i) a modification to any solution by Customer (or by anyone under Customer's direction or control or using logins or passwords assigned to Customer); (ii) a modification made by Granicus pursuant to Customer's required instructions or specifications or in reliance on materials or information provided by Customer; or (iii) Customer's use (or use by anyone under Customer's direction or control or using logins or passwords assigned to Customer) of any Granicus Products and Services other than in accordance with this Agreement. This section 9.1 sets forth Customer's sole and exclusive remedy, and Granicus' entire liability, for any Claim that the Granicus Products and Services or any other materials provided by Granicus violate or infringe upon the rights of any third party.

9.2. Indemnification by Customer. A combination of web-based and Client-installed applications will give users access and control of the Appliance's Streaming Media Services.

The Encoding Appliance also has the ability to have the Performance Accelerator module installed to allow for up to 50 concurrent live and on demand streams as well as for local archive storage. However, if Client expects more than 50 concurrent internal users viewing the live stream, Client may want to consider the Granicus standalone physical or virtual server setup as described in section 6.2.7 below. The Encoding Appliance is a Microsoft Windows server recording in H.264 compatible MP4s. More specific server details—including size, weight, power requirements, and network requirements—please see the Granicus Encoding Appliance (Windows 7) Technical Solutions Guide.

Client is responsible for receiving the hardware on its end and installing the hardware components as agreed to in the network diagram. The Granicus Project Manager will be available to support Client remotely in installing the servers and verifying their set-up and functionality at the Client site. Before Granicus can begin the remote installation of the transparency solution, Client must confirm that the network's security and firewall requirements are in place as discussed in the Pre-Deployment Activity Phase. Granicus PM will confirm remote access to the server in preparation for the software installation. Granicus PM will complete a server-side update to the streaming component. Granicus recommends allowing one day's time for the Client IT Lead to run and test the installation of the software solution in Client's environment.

7. Testing: Granicus Development conducts solution and unit testing during development. Granicus will be responsible for conducting all aspects of the solution in Client's environment. Granicus will not be responsible for end-user testing.

6.3. Milestone 3: Implementation Completion

Granicus performs unit and end to end testing as part of the normal development process. Granicus will conduct unit testing and integration testing using the following script for this implementation. (Please note this testing may be limited to one client machine and/or Granicus Encoding Appliance residing at Client.) Client is responsible for all client end-to-end testing.

Granicus will resolve all defects and complete any change requests that arise during testing and will review the fixes for all defects with Client. A change request is defined as request to add, modify, or delete a specific unit of functionality from what was documented in the original requirements. A defect is defined as any error, flaw, mistake, failure, or fault that prevents a unit of functionality, or the system, from working as intended, or to produce an incorrect result. Any and all security flaws (in any application layer) shall also be classified as defects. Client will test and sign off on defects as they are resolved. Any presence of defects or process of resolving defects will not impede milestone close out without Granicus's express approval.

Deliverable: Written confirmation of the successful completion of testing

6.4. Milestone 4: Training

Granicus will conduct training for Client identified staff that will cover the essential concepts and standard navigation of the solution and tasks related to Client's legislative business processes. Client will utilize a train-the-trainer approach for end user training. Scheduling of all training sessions shall be coordinated with and approved by Client. Granicus will authorize Client to videotape training sessions for internal use and to reproduce any the training materials such as training guides, screenshots, in part or whole, for its own purposes. Training is comprised of the following components, depending on Client's solution:

Module or Software Solution	Training Provided
Open Platform and Government Transparency	Three 2-hour sessions 1. Pre-/During Meeting Steps 2. Post-Meeting Steps 3. Review/iLegislate

Module or Software Solution	Training Provided

Three days onsite **Day 1:** Project Overview, Drafter Training, Approver Training, and Agenda Generation Prep **Day 2:** Agenda Generation, LiveManager, and MediaManager **Day 3:** Minutes Processing, Workflow Review, and iLegislate
Peak Agenda Management	One one-hour setup call, two 90-minute sessions, and one 90-minute review call 1. Pre-Training Setup Call 2. Two 90-minute, instructor-led training sessions for stakeholders: technical and business Post-Go-Live Review Call
	3.

Requirements:

1. Client will ensure that training participants have a working familiarity with the standard Microsoft Windows conventions and terminology.
2. On-site training locations will include one computer for use by each participant. Granicus will provide Client with instructions regarding the set up required for Client computers that will be used in training. Client will prepare all computers per the instructions provided prior to the training class start time.

Deliverables:

1. Class outline and user roles involved
2. Training materials
3. Electronic copies of user manuals and quick reference guides for each functional module covered in training

6.5. Milestone 5: Scope of Work Complete

6.5.1. Documentation

Granicus will provide documentation to support the software. Any software tools or utilities that are desirable to tune, test, maintain, or support the software shall be specified by Granicus.

Documentation will include but is not limited to:

1. Technical administration
2. Software configuration

CSM will educate Client on how best to engage with and access the Granicus Customer Support Team. After the initial 30-day period with the dedicated CSM, the Customer Support Team will be responsible for assisting Client with any issues.

7. ASSUMPTIONS

This proposal is based upon the assumptions below. If for some reason these assumptions are false, it may result in a scope change and an impact on the proposed project.

7.1. PROJECT MANAGEMENT ASSUMPTIONS

1. Success of the project is dependent on both Granicus and Client's commitment to collaborating on and performing the tasks and obligations described in this SOW. Granicus assumes that Client will provide reasonable turnaround time (to be mutually agreed upon) on critical decisions, essential information, and approvals that are required to continue with work in progress or that is critical to meeting a deliverable due date. Granicus expects that a decision will be elevated to the appropriate Client management level to make a decision in a timely manner.
2. Client will perform its obligations and render the assistance described in this SOW in a timely manner and in a manner as to adhere to the final schedule. In the event that Granicus is delayed or prevented from performing its obligations, to the extent that the delay is caused by factors beyond the reasonable control of Granicus, including without limitation, the inability of Client to perform its responsibilities (i.e. finalizing the requirements) in a timely manner, Granicus will be entitled to an equitable adjustment in the timetable.

3. Project initiation will occur upon signature of the Agreement by both parties. All dates in this SOW are subject to a mutually agreed upon schedule after execution of the Agreement.

7.2. Technical Assumptions

1. Remote Management: Granicus maintains and monitors the software performance of its solutions. All software patches and Granicus software updates are performed on a determined schedule. Remote support, management, patching, reporting and logging are performed using ScreenConnect. Installation of third party software not specifically approved by Granicus may detrimentally impact the server's performance. In extreme cases, the server may need to be reimaged to restore normal operations; in this case, a reimaging fee may be charged.

2. Video Streaming Technical Requirements: Video streaming typically requires the use of media plug-ins. While the necessary plug-ins will often come pre-installed, Client may need to install or enable plug-ins to watch streaming video. Granicus recommends installing the plug-in if it is available for Client's system. While Granicus recommends certain platforms and Web browsers, many other operating systems and Web browsers can successfully stream videos. For example, Mozilla Firefox and Google Chrome are both known to work on many platforms. Please note that not all features are available to all Web browsers on all platforms.

Recommended Platforms and Browsers:

Platform	Browser
Microsoft Windows (version XP SP2 or newer)	Microsoft Internet Explorer, version 9 or newer
Mac OS X (version 10.5 or newer)	Apple Safari, version 5 or newer
iOS (version 4.2.1 or newer)	--
Android (version 2.2.1 or newer)	--

Please note: performance on Android devices may vary depending on the version, phone manufacturer, and carrier.

3. Software Technical Requirements: The Encoding Appliance and Performance Accelerator are managed through Granicus's hosted software program known as MediaManager. The administration feature in MediaManager is a central hub for preparing and publishing content in Client's Granicus solution. In addition to publishing content, Client can manage user access and view usage reports. MediaManager administration requires use of a system that meets the following specifications:

Computer	Windows-based PC
Recommended Browser	Internet Explorer 9 or newer
Internet Access	Access to Client MediaManager site (*clientname*.granicus.com)

MediaManager allows system administrators to have granular control over the actions that users are allowed to perform. In addition to meeting the system requirements that are listed above, each user must have been granted access rights to the tools that they wish to use.

7.3. Scope and Cost Assumptions

1. Both Granicus and Client will follow a Change Order process for handling any work that is not defined in this Scope of Work. The Change Order process is jointly managed by the Granicus and Client Project Managers. All changes must be documented in a Change Log, and approved by both parties prior to work being undertaken.
2. Requested Client changes to the Scope of Work may increase project costs or introduce timeline delays.

7.4. Training Assumptions

1. Client will have appropriate staff members attend and participate in the training sessions as to allow the training sessions to be completed in the time designated in the project plan. It is critical that senior personnel from Client attend all necessary training in that they will be the people that the junior people come to for assistance.
2. Granicus assumes that Client will provide a training facility suitable for those purposes and in a timeframe supported by the project plan.
3. Granicus will train a core group of users onsite. These users will be responsible for educating others within Client organization after formal Granicus training ends (the "train-the-trainer" approach).

Dear Crystal,
Dear Evaluation Team,

PROVOX Systems is pleased to provide the enclosed proposal for the installation and implementation of our well-established and fully featured Paperless Agenda and Meeting Management Suite for the City of Hapeville in response to the RFP for **"Agenda Management Software and Video Services".**

PROVOX has a long history (since 1991) of modern and paperless Agenda and Meeting Management applications and has successfully installed the system in more than 950 locations worldwide.

PROVOX has experience with the replacement and data conversion of existing solutions and can provide the City with a deep knowledge and an experience project team. PROVOX has replaced other applications (e.g. SIRE, Granicus, Novusagenda, etc.) in the past several years in many projects in the USA. PROVOX has also experience in the conversion of existing video in our Audio- and Video-streaming solution.

PROVOX has developed the proposed solution fully in-house and has not outsourced any development or support. PROVOX is the manufacturer and owner of the application for more than 27 years and was the first company in 1991 which has presented a complete and comprehensive Agenda and Meeting Management in the Government Market. The City will get a comprehensive and Out-of-the-Box Agenda and Meeting Management, based on the latest Microsoft.NET Technology (4.X) and not an old Microsoft.NET 2.0 or other application.

PROVOX is offering a fully managed server, which will combine the best advantages from a fully hosted (no extra work for the IT Department) and an On-Site (24/7/365 full access to application, data and documents, even if an Internet connection is not available, best speed, highest security and flexibility) installation.

As a long time Microsoft Gold Certified Partner (since 1995) and member of several different Microsoft Projects (e.g. CSP – Citizen Service Platform and "OurMunicipality") we can show our clients the benefits of our partnership with new innovations and standards in this market. High customer satisfaction and integration in future developments is one of our primary goals.

With Agenda.NET™, the City of Hapeville will be equipped with the most customizable, flexible, and easy-to-use Agenda and Meeting Management Suite worldwide. Based on and certified for Microsoft.NET, Agenda.NET™ is secure, easy to install and maintain, and individually customizable.

The City of Hapeville will not only get an Agenda and Meeting Management, it will also get a fully featured and innovative Agenda and Meeting Management Suite. This will give the City the ability to integrate our Audio- and Video-Streaming, Electronic Voting, Mobile Devices (e.g. Apple iPad, iPhones, Android, Microsoft Surface, Amazon Kindle, etc.), Document Management, and GIS in an Out-of-the-Box solution.

The City can use the proposed solution for the City Council and other committees, commissions, and boards, without an additional license fee.

With the experience gained over numerous similar projects and the knowledge in this market gathered over 27 years, we will manage and finish this great project to the complete satisfaction of the City of Hapeville in a very short timeframe (the estimated project time is about six (6) weeks) This time frame will include installation, configuration, project meetings, trainings, and several practice phases for the end users.

PROVOX will provide the City with on-site trainings and **not** with only web based trainings as many other vendors. This will guarantee better training results and a faster implementation. Users will be trained by using the environment, data, templates, processes, and workflows from the City of Hapeville.

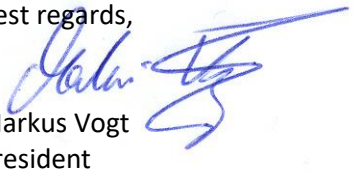

Based on our understanding of our customers' requirements and desired functionality, and the City Clerk experience we have, we included features and components to satisfy those needs. The features include the ability to completely manage the entire legislative workflow process, manage the customers committees, boards, commissions, people and rooms, prepare and route agenda items in an electronic and flexible workflow, create agendas and minutes via mouse click, manage the approval process electronically, and make legislative and other important information available via the database based Internet Information Portal. In a password protected area, authorized users will get additional information and can communicate with other members and Staff.

PROVOX Systems, Inc. provides services out of its US Headquarter in McKinney, Texas. Markus Vogt will be the Project Manager for this project. If there are any questions concerning this proposal, please feel free to contact me at (972) 547-0504.

PROVOX will help the City of Hapeville to be one of the most innovative Municipalities in the USA and will support them to grow with the application in the future.

Thank you for this opportunity to provide you with this proposal and I look forward to this successful project and a long-time partnership with the City of Hapeville. PROVOX will accept the conditions of the RFP. The proposal remains valid for 120 days. PROVOX's staff is free of any conflict of interest and has never done any work so far for the City of Hapeville.

Best regards,

Markus Vogt
President

Executive Summary

The City of Hapeville is seeking proposals for an Agenda Management Software and Video Streaming. The solution should be innovative, future save and easy-to-use. It should be an Out-of-the-Box solution that will not require any customer specific development.

PROVOX is offering a comprehensive Agenda and Meeting Management Suite, which is not only managing an unlimited number of meeting bodies and members (incl. their memberships); it will also streamline the current process to create and submit agenda items, agendas, minutes, and provide the City with an innovative and flexible meeting management. This can include Audio- and Video-Streaming, Electronic Voting, Minutes creation, and an Internet Information Portal as well.

The City of Hapeville has found the most flexible, fully featured market leader in Agenda and Meeting Management worldwide. The application is designed for all size of municipalities and will allow the City to manage unlimited meeting bodies, users, meetings, and other content. The City can integrate all internal and external meeting bodies, without any additional license fees. Unlimited users are also included in the proposed Municipal License.

The City of Hapeville will receive an Out-of-the-Box and comprehensive Agenda and Meeting Management Suite, which is designed to meet the City's requirements, current needs and future wishes. The application has been continuously in development since 1991 and has more than 950 customers worldwide. PROVOX is developing the proposed solution from the first day in-house and with its own and fully employed development team. PROVOX has never been sold or restructured. This will guarantee the best customer support and future innovative development for decades to come. The application is the most innovative, flexible, customizable, secure, and easy-to-use application for Legislative Management and Agenda and Meeting Management on the market.

PROVOX has experience with the implementation of Agenda and Meeting Management solutions for similar and much larger municipalities and will guarantee a fast implementation, seamless data and document conversion, and professional on-site trainings for the City's staff.

PROVOX is offering the proposed solution on a fully-managed server, which will combine the best advantages from hosted solutions (e.g. no effort from the IT Department) and on-site installations (e.g. 24/7/365 full access to data and documents (even if a network connections is not available), best speed, individual updates, and more).

Large documents, attachments, and complete agenda packages (some of our customers have packages with over 4,000 pages) can be easily and quickly created and stored, because the City will not have any limitations based on the transfer volume and the Internet speed in an on-site installation. Updates of information will be immediately possible, without any down- and uploads.

Agenda.NET™ is the most innovative and intuitive Agenda and Meeting Management worldwide and part of Microsoft's Citizen Service Platform.

All modules, functions, and features are in <u>one</u> application and not in different independent modules. Information from agenda items and agendas are for instance available in the Agenda.NET™ Minutes Maker <u>without</u> any export and import (like in many other Agenda Management Solutions).

The City will have the ability to use the application for <u>all</u> meeting bodies without any additional license fees. The Departments will have the ability to add their agenda items directly into the application or submit them via the Web Form for Agenda Item Creation, which is included in this proposal.

The City Clerk's or City Manager's Office will have the ability to create a public (without confidential information) and a private agenda package and publish the information with a simple mouse click in the Internet Information Portal.

Citizens and meeting body members will have the ability to download the packages with simple mouse clicks on any mobile device (e.g. Apple iPad, iPhone, Android, Microsoft Surface, Windows 8 Tablet, and Amazon Kindle). They can add notes or other annotations into their personal packages. These packages can be used at any time, even if an Internet or network connection is not available.

The Councilors and other authorized users will have access to the private agenda packages and other confidential information via a username and password protected private work area in the Internet Information Portal. They will also see changes since their last visit in their personal Welcome Page.

Internet users can also create a personal package with only selected items, if they are not interested in all items on the agenda.

Agenda.NET™ will create the agenda packages automatically on the server and in a PDF ISO-19005 format, which is designed for long-term storage and usable for Americans with Disabilities as well.

All documents and data will be stored within the application (in the Microsoft SQL Server database). This will eliminate numerous different versions of agenda items or other relevant information somewhere in the City's network or on local devices.

Authorized users will have the current information available at any time and accessible with simple mouse clicks. They can see the status, workflow process, and all other relevant information at any time.

Agenda.NET™ will help integrate existing templates and processes and streamline the whole process; from agenda item submission to meeting minutes creation and web publishing. It will offer the City of Hapeville's Councilors a powerful and secure workspace and its citizens a transparent and easy-to-use Internet Information Portal.

Agenda.NET™ has a complete integration of the existing Microsoft Office Suite, so users will find a familiar environment and will have the ability to use all Microsoft Word functions and features (e.g. spell checker, track changes, tables, fonts, etc.).

<u>PROVOX will integrate the existing data and documents from the current environment into Agenda.NET™ and guarantees a fast and secure implementation. Existing processes and workflows can be integrated, automated, and streamlined. Agenda.NET™ will not only replace the existing solutions, it will offer the end-user a more user-</u>

friendly, flexible, and intuitive working environment. It will also offer the Councilors, Board and Committee Members, and the public a better and easier information portal.

Agenda.NET™ is an Out-of-the-Box application, which is easy to install, maintain, and is customizable (without any development knowledge needed by the client). This will guarantee a fast Return on Investment and secure the investment of the City of Hapeville for the next decades.

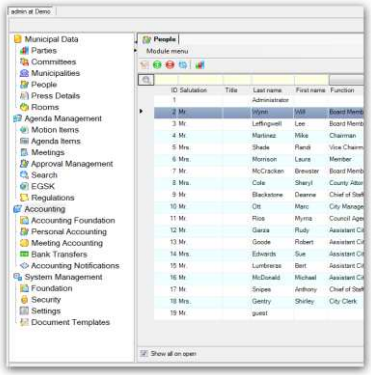

Agenda.NET™ has an open web service for Audio- and Video-Streaming and Document Management Solutions or can be bundled with our own flexible solutions.

The application will send notifications via text messages and e-mail (GroupWise, Outlook, Google Mail, or other SMTP mail solutions).

Agenda.NET™ is developed in Microsoft.NET (C#) and certified by Microsoft and VeriSign as a secure and flexible solution. It is also part of the CSP-Project (Citizen Service Platform) and "Our Municipalities", both Microsoft projects.

PROVOX supports the Microsoft SQL Server databases (2008, 2008R2, 2008 Express, 2012, 2014, and 2016) and MySQL (free of charge). It is certified for the latest Microsoft Technologies and Operation Systems.

PROVOX can offer a bundle of Microsoft SQL Server and Agenda.NET™ as well.

The flexible structure makes it easy to customize the application to meet every customer's expectations and fulfill their wishes.

PROVOX Systems is the market leader in modern Agenda and Meeting Management applications worldwide and has developed this kind of product for over 27 years very successfully.

Agenda.NET™ contains: Powerful meeting management, a flexible workflow facility for reviewing and approving workflows, a database based Internet and Intranet module, an automated update service for the Internet information, a hands free audio- and video-streaming, automated packet creation, and many more helpful features.

The PROVOX Agenda and Meeting Management Suite include:

X		Agenda.NET™ has integrated the most innovative and flexible pre-meeting and post-meeting workflow management on the market. It will be possible to use workflow templates or create individual workflow processes.
22.	Automatically generates a report indicating post-meeting action items for a particular individual/department and automatically deliver notice to relevant contact(s)	X		This can be done as part of the Workflow Management or by using Minutes Excerpts in the application.
23.	Allows task recipients to access minutes and resolution data from the agenda item to aid in completion of the task.	X		This is depending on the security rights. It will be possible to give users only read rights on meeting information and minutes.
24.	Allows task recipients to access minutes and resolution data from the agenda item to aid in completion of the task.	X		Agenda packets will be automatically created in Agenda.NET™ and will include the agenda, agenda items and attachments for the selected meeting. It will not be required to manually add documents from a network drive into the packets. All agenda items, attachments and other relevant information will be managed in the application to make sure, that the correct documents and information will be integrated and managed within the application. This will also make sure, that the City will not have any longer many different versions of the same document on local devices, emails, and network drives.
25.	Compatible with Microsoft Office products and Google products.	X		Agenda.NET™ can be integrated with existing Microsoft Office installations (2007 – 2019 and 365) and other text editors that can manage .docx formats (e.g. OpenOffice, Libre Office, etc.). Agenda.NET™ can also use different SMTP Server (Outlook/Exchange, Google, Groupwise, etc.) for email integration.

Company Qualifications

PROVOX Systems understands that the City of Hapeville is seeking an innovative software company to provide a turn-key comprehensive, flexible, and intuitive Agenda and Meeting Management solution As the Prime Contractor; PROVOX has assembled a team for the implementation and technical/application support to meet the high expectations and unique requirements of the City of Hapeville.

The proposed solution will cover all the requirements and provide the City with additional unique features and functions to grow with the application.

The application is a Microsoft certified .NET application, which can be easily installed on an existing server, virtual server, or terminal server or can be used as a hosted solution.

The application is designed for midsize and enterprise customers and is the worldwide leading Agenda and Meeting Management. It is one of the key applications in Microsoft's Citizen Service Platform.

PROVOX is the owner and manufacturer of the proposed solution and has developed the application in-house and with its own and fully employed development team. PROVOX has never been sold or merged with other companies. PROVOX concentrated on the development, implementation, and support of its own Agenda and Meeting Management and is not selling different other software as many other vendors. We are specialist on Agenda Management and will provide the City with the best possible support during and after implementation.

PROVOX has the experience in replacing other Agenda and Meeting Management solutions and the data and document conversion in numerous projects.

The City will get an Agenda Management solution which is based on the latest Microsoft.NET Technology (4.x) and not an application that is based on much older .net versions or other outdated development tools.

This will guarantee an innovative and future save development and use of the application.

PROVOX was the first company which has developed Agenda and Meeting Management in Microsoft.NET and has the experience in this development technology for more than 15 years. The first version of our Agenda and Meeting Management was presented in 1991 and installed in the same year in many large cities.

The proposed solution can be used for unlimited meeting bodies and from unlimited users without additional license fees. The City will have the ability to manage external and internal meeting bodies, create its own workflow templates (without using external tools or vendor development), and provide the citizens and meeting body members with a unique, secure, innovative, and easy-to-use Internet Information Portal.

External users will find an ADA compliant and intuitive Legislative Information Portal, embedded into the City's existing web pages. They can search in all published documents via full text, download complete or individual agenda packets (with only selected items), access live and video-on-demand meeting content, add meeting information into their personal calendars, response to agenda items and meetings via an electronic forum, and much more. They can also subscribe to RSS Feeds and access all the above information and much more on any mobile device. PROVOX is also providing users with an optimized Portal layout for small screens (e.g. Smart Phones, iPad Mini, etc.).

PROVOX is also offering open web service for the integration of any Document Management System and Audio- and Video-Streaming.

PROVOX can also offer its own Audio- and Video-Streaming in the following options:

- Live Streaming
- Audio- and Video on-Demand
- Integration of an existing Audio- and Video-Streaming
- Integration of existing Audio- and Video-Files and time stamping in Agenda.NET
- Integration of external and not meeting related content (e.g. sport events, news, City events, etc.)
- Broadcasting
- Close Captioning
- Mobile Audio- and Video-Streaming

The application also comes with the most innovative, flexible, and easy-to-use pre-meeting (reviewing and approval) and post-meeting electronic workflow management. Existing workflow processes can be easily integrated and streamlined. The City can create its own workflow templates without using external tools (e.g. Visio, SharePoint, Scripts, or Macros) or vendor development. Each workflow process can have numerous tasks, reviewers (users, groups, roles), due dates, and personal notes.

The electronic workflow management will guarantee a transparent and efficient document routing, approving, and signing process.

The application will also use the existing Microsoft Word installations for the text creation (embedded into the application). The will increase the acceptance from end-users and will offer them a familiar environment. They will have the ability to use all Microsoft functions and features (e.g. spell checker, track changes, copy & paste, tables, document templates, auto text, etc.).

Agenda.NET™ will convert documents into an ADA compliant PDF format (ISO-19005) and will automatically upload the documents into the Internet Information Portal, which is ADA compliant as well.

The City will get a turn-key and comprehensive Agenda and Meeting Management Suite, from the most established and experience company in Agenda and Meeting Management.

PROVOX is offering a trial period, so the City can test the proposed solution in its existing network and not on a pre-prepared server.

Proposed Solution

PROVOX has developing and continuously improving the Agenda and Meeting Management Suite since 1991.

Agenda.NET™ is a fully featured, the most flexible, easy-to-use, secured, and customizable application in the whole market of agenda and meeting management solutions. The customer base from cities with a population from 5,000 to over 1 million shows the flexibility of the application.

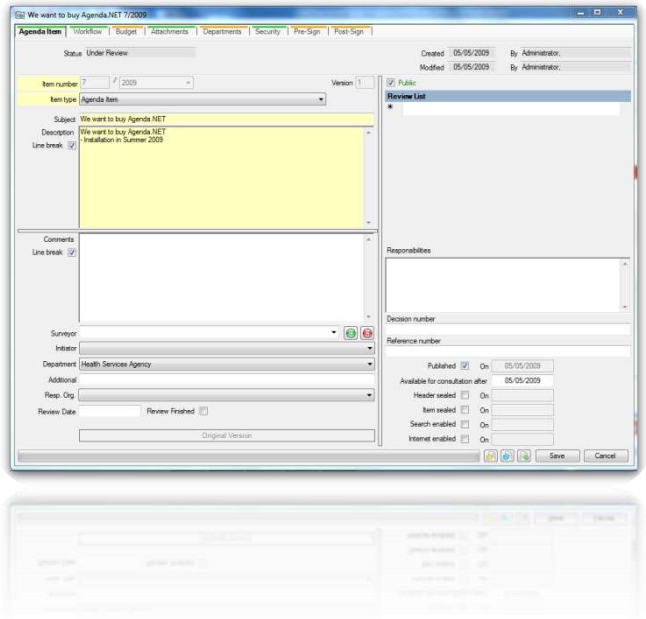

General Description

Agenda.NET™ has Windows conform icons, menus, and structures. It has integrated dynamic menus for each user, depending on the security settings in the background.

Users will be supported with well-arranged forms and customizable fields. Online-Help and numerous tool-tips will help users do their daily work. The estimated training for end-users is between two (2) and four (4) hours.

Agenda Items

Departments and other entities can create, edit, and manage their agenda items in Agenda.NET™ and integrate them into an electronic, template based, and/or individual workflow for the reviewing and approval processes.

Inexperienced users will be supported with an agenda item and meeting management wizard, with colored tabs and required fields. Status information will be provided directly in the main screen or in other important areas of the application.

Workflows (reviewing, approval, and action workflows) can be individually designed by authorized users and be integrated into required processes.

Agenda.NET™ offers the users three kinds of workflows (priority based, sequential and broadcast) and the ability to manage numerous individual workflow templates. Workflows can be equipped with a timeout for single users and/or groups. Users will have the ability to integrate an ad-hoc workflow in an active process if necessary.

Involved users and groups will get a message about pending actions via the internal messaging system and/or Microsoft Outlook Mail.

Users will have the ability to create a meeting workflow to an agenda item. They can select a specific meeting from the meeting calendar, define a first meeting date (for long range items), and/or use a dynamic sequence

for each committee. Agenda.NET™ will post the agenda items after publishing them automatically on the defined committee meetings.

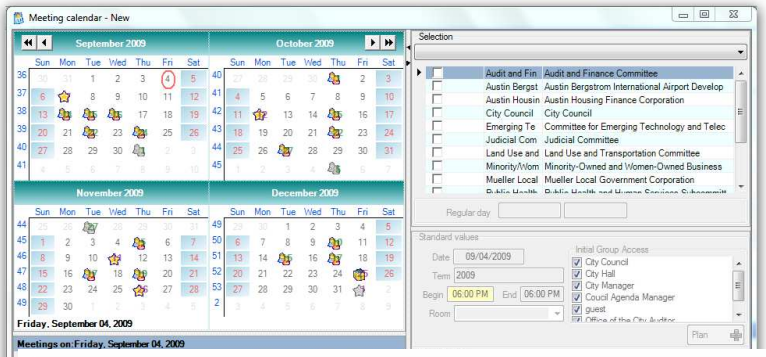

Agenda.NET™ can manage numerous attachments of any format and size to an agenda item and/or a meeting. Users will have the ability to browse for new attachments and integrate them with a simple mouse click.

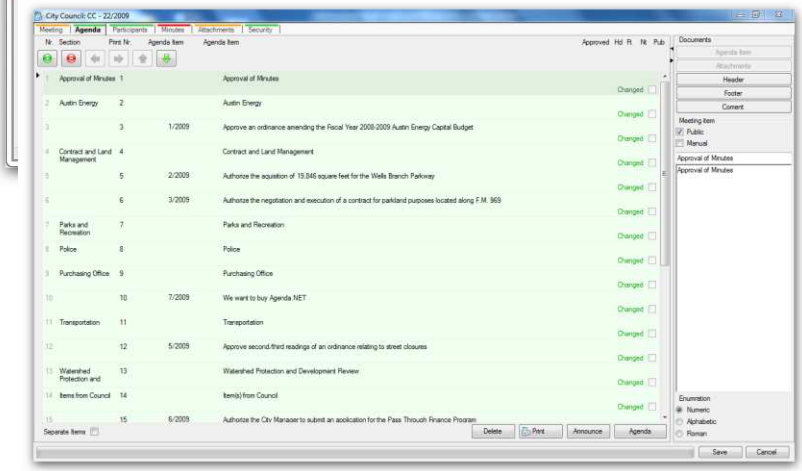

Agenda.NET™ will have the ability to integrate URL's and live links to GIS applications. With this integration, council members, members and, if desired, the public will have the ability to scroll within and zoom into attachments to an agenda item and/or meeting.

Recommendations and background information will be added, edited and formatted in the existing Microsoft Word application. Users can integrate text, graphics, tables, and format the text.

Agenda.NET™ will merge the complete agenda items depending on the existing word templates.

A complete "Approval Management Console" will help the key persons to track the process in a reviewing and/or an approval/action process. They can for example search for all open activities for a specific meeting, single agenda item and/or selected department.

Agenda Process

The agenda process will be supported perfectly by Agenda.NET.

Authorized users can add and manage meetings in a monthly meeting calendar. They can prepare a complete meeting calendar for the whole year, for a few months and/or add individual meetings.

Agenda.NET™ will also support assembly meetings with two or more committees.

Agenda.NET™ will suggest a meeting room and a meeting start time depending on the default settings for the selected committee.

Users will have the opportunity to change the recommended dates, times, and rooms.

Involved Departments can be reminded of pending actions with the internal messaging system.

Authorized users can create a draft agenda with a single mouse click. Depending on the default definitions, Agenda.NET™ will integrate committee specific headers and standard topics on the agenda.

Agenda.NET™ will search for all unfinished and published agenda items for the selected committee, depending of the definition in the items workflow. It will post the items based on their settings under the different headers of the agenda.

Users can re-order, add, and remove items on the agenda. They can build numerous sub-items with a simple mouse click as well.

Users will have the ability to open the agenda item document and the attachments directly in the agenda screen.

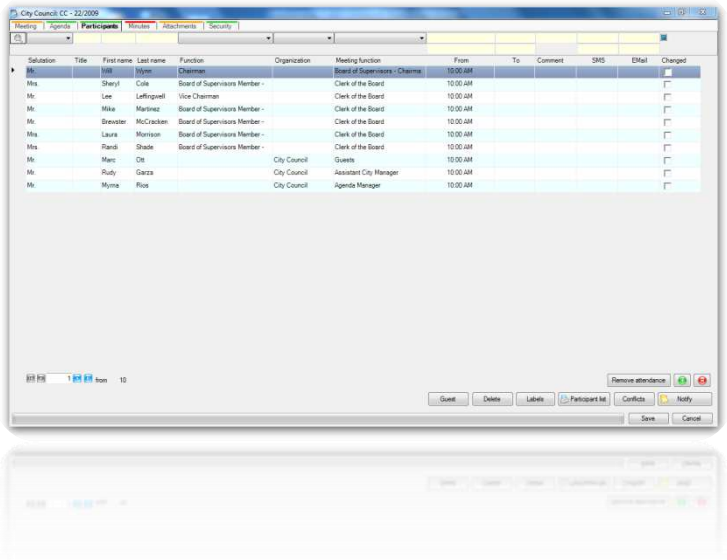

When a user removes an agenda item, Agenda.NET™ will post this item in a dynamic workflow automatically on the following agenda for this committee. Users can add new items on the drafted agenda, without deleting the original agenda.

Ad-Hoc Agenda Items and Placeholders

Users will have the ability to integrate ad-hoc agenda items and/or placeholders on the agenda.

At any time, authorized users can convert a placeholder into an original agenda item with a simple mouse click. Agenda.NET™ will integrate the existing description, the meeting workflow and other important information into the agenda item. Users can add additional information and will be routed automatically back into the agenda after saving.

Last minute or late items can be integrated into an existing agenda at any time. Authorized users can add them on any place of the agenda, without deleting the original agenda. The actual agenda with the new items and supporting materials will be automatically updated in the Internet/Intranet Module. Last minute or late items can be distinguished by a red border in the Internet Module.

Users will have the ability to print an agenda and/or a public notice at any time. These documents will be merged in Microsoft Word depending on the customizable Word templates.

Meetings and Agendas will be uploaded into the Internet and/or intranet module with one mouse click.

Participant Lists and Guests

Users will have the ability to create a participant list depending on the defined members and other attendees for the selected committee. They can add numerous guests to the participant list, print labels, participant lists, and will see if there are any planning conflicts with other meetings.

They can add and remove attendees and send an electronic invitation and/or agenda packet via E-Mail and/or Text Messages.

Agenda.NET™ will support a mixed environment of paperless (electronic agenda packets) and hardcopies for other receptions.

Members, the public, and other authorized users can add specific or a complete list of all meetings into their personal Outlook calendar. They can create a complete or private agenda packet in the Internet module; depending on their user rights.

Agenda and Meeting Packages on Amazon Kindle devices

Agenda.NET™ will give the City of Hapeville the opportunity to deliver complete Agenda and Meeting Packages on Amazon Kindle devices.

The Council Members don't need to connect to the internet and download any information; Agenda.NET™ can deliver the complete agenda package via GPRS technology.

Council Members will receive their package wherever they are. They can review the information, add annotations and notes, and store their work progress later on their personal computer. The Amazon Kindle device can store up to 10,000 packages and read the document for the user.

Agenda and Meeting Packages on IPad's, Microsoft Surface, Android Devices, Windows Mobile, netbooks, laptops, etc.

Users will have the ability to access legislative information on their IPad's, Microsoft Surface, Android Devices, Windows Mobile, Windows 8, netbooks, laptop, IPhone, and other devices.

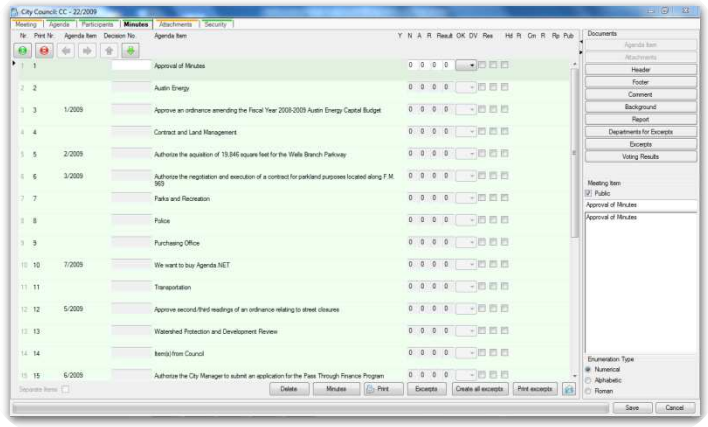

This includes the live streaming and the integrated Audio- and Video-Files in Agenda.NET™.

Meetings

Agenda.NET™ has the ability to manage unlimited meetings and their referenced information.

Users will have the ability to use the meeting module before, during, and after a meeting with few restrictions.

Authorized users can seal the agenda after the final signature, and can unseal it when necessary.

After an agenda is sealed, users will have the ability to create a “minutes” agenda with a single mouse click. Agenda.NET™ will duplicate the original agenda and store it in the “minutes” screen. From here, authorized users will have the ability to re-order, add and remove agenda items. They can build sub-items and change the status from “public” to a closed session item.

Users will get detailed information during a live meeting. They will have the opportunity to open the agenda item and/or the attachment, without any changes in the working area. They can add header and footer text to each item.

They can add comments and other important information to each item. Staff, Councilors, and the attendees can follow up with the agenda live in the meeting.

Agenda.NET™ will support global and member voting.

Users will have the ability to create their “minutes” document and “minutes” excerpts with a single mouse click, depending on the customized Word templates.

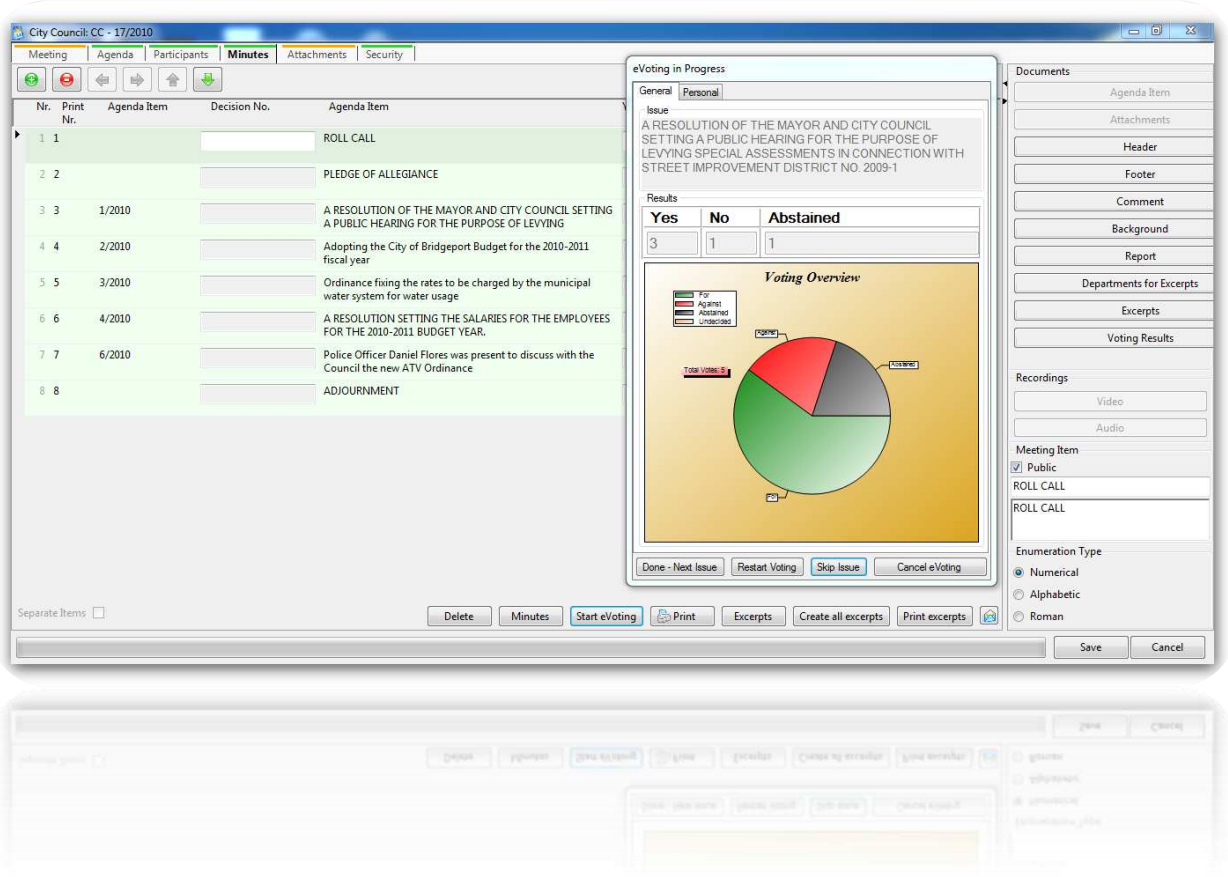

“Minutes” excerpts can be sent via E-Mail to the different departments.

Agenda.NET™ has the ability to manage two minutes documents; one public and one private document. Both documents can be uploaded with different user rights into the Internet module.

Users can create the “minutes” document before the meeting and only add changes during the meeting.

Agenda.NET™ will upload new or modified information after it has been published by an authorized user. Depending on the defined security settings, users will have the access to selected information via web module.

Electronic Voting

The Agenda and Meeting Management Suite has integrations with electronic voting devices. PROVOX has developed an open web service for the integration with different electronic devices. PROVOX offer customizable wireless voting devices (manufactured in the United States of America).

These devices have six (6) customizable buttons. Customers can define these buttons generally or for each meeting different. They can define user functions for each button (e.g. 1 = Yes, 2 = No, 3 = Absent, 4 = Right to speak, 5 = Motion, 6 = Second).

The Meeting Clerk or meeting moderator can start, stop, re-start, skip items, and store the result via the Agenda.NET™ user interface. Agenda.NET™ has integrated a timer and different graphics as well.

Electronic Workflow Management

The City of Hapeville will have the ability to create numerous own pre-meeting (reviewing and approval) and post-meeting (follow-up and action) workflows and workflow templates. These templates can be easily created within the application and without any vendor development or external tools (e.g. Visio, Visual Basic, or other).

Users can select one of the existing templates, and add or remove reviewers or group of reviewers/roles in this workflow. They can also create individual workflows for specific items.

Each workflow can have numerous reviewers or roles. A combination of both kinds of reviewers is possible in one workflow as well.

Each workflow task can have a deadline, personal notes and other important information.

Agenda.NET™ will send notification via e-mail and the internal messaging system during the workflow process. Reviewers will have all important information regarding the workflow process available on a fingertip. They can add their responses in the designated fields and/or use the Microsoft Track Changes function within the documents (based on their security settings). They can also reject, accept, or re-route the workflow process at any time.

All information and responses will be stored with the item in the Agenda.NET™ database and can be reviewed at any time.

Audio-/Video-Streaming Integration

Agenda.NET™ has the ability to integrate different Audio-/Video-Streaming solutions or be bundled with PROVOX's solution.

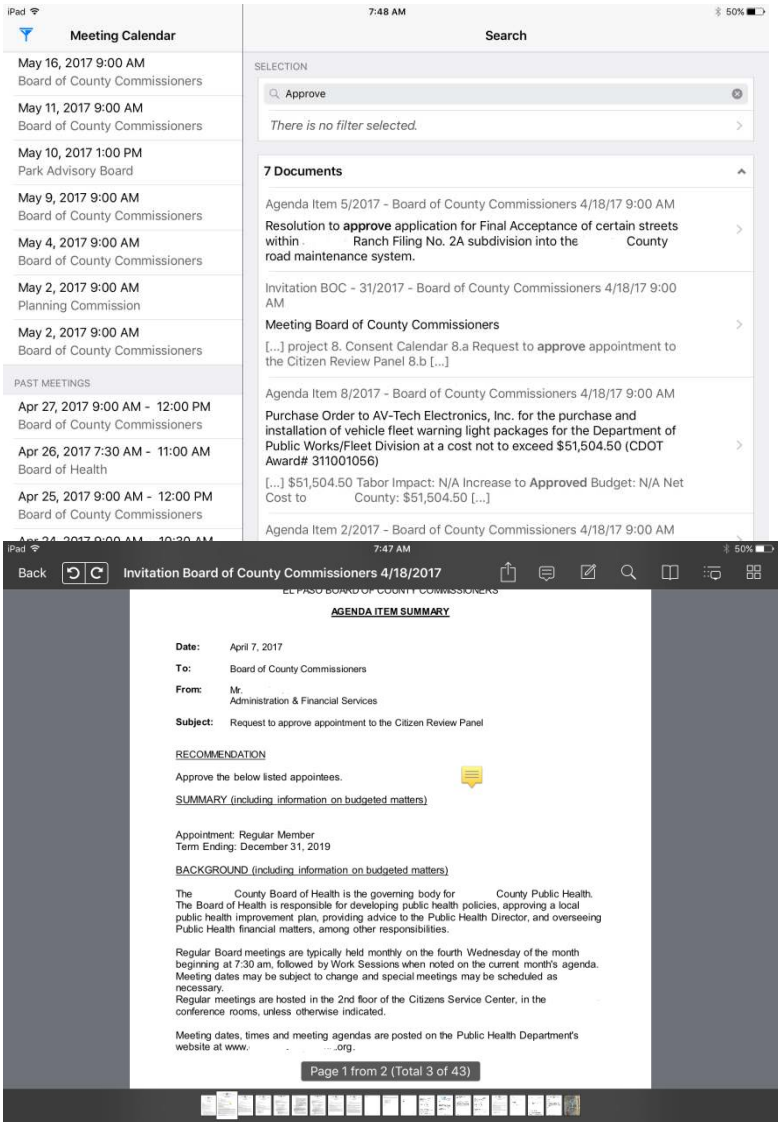

PROVOX has developed open web services for the integration of existing solutions. The web services will export the necessary information and import the links back into the application after the meeting has finished.

The City of Hapeville will also have the ability to upload existing audio and video files and index them during or after the meeting with simple mouse clicks within Agenda.NET™.

Users will have the ability to see selected items and/or the whole meeting in the Internet Information Portal of Agenda.NET™.

The video and audio information will be available in the Agenda.NET™ Meeting Minutes Maker module as well.

iMeeting App – the Legislative Meeting App

iMeeting is the innovative Legislative Meeting App for Councilors, Commissioners, Staff Members and the General Public to go Paperless with Agenda.NET™.

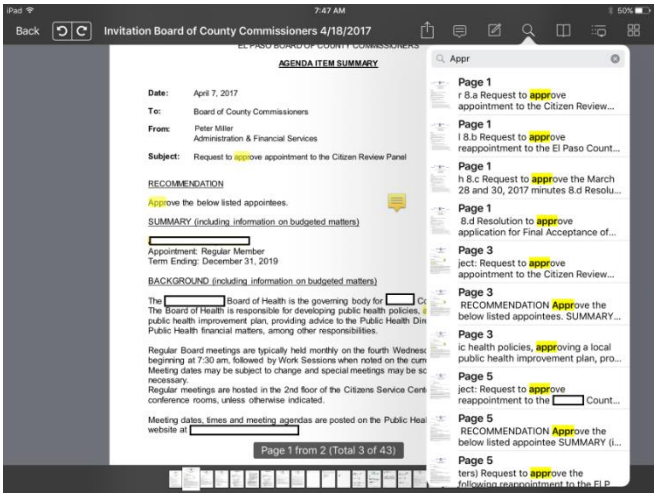

The app can be used on Apple (iOS) and Android devices. Users can get the information fast, easy and paperless.

The app will automatically update all meeting information and download the latest agenda packages and other meeting documents with each login.

Users will have all future and past meeting available in the app.

They can easily add annotations (e.g. ink annotations, notes, drawings, etc.) and search in all documents via full text. Hits will be automatically displayed and highlighted on the screen.

The users can easily navigate by using the Table of Contents (with links to each item and attachment) for each meeting.

Annotations that were made on an agenda item in one meeting will be carried forward to other meetings, if the item will be posted again on a later meeting.

Documents can be easily printed, emailed and stored in other cloud or local location if desired. They can also be saved in other formats.

Integration to DMS

Agenda.NET™ has the ability to integrate different Document Management applications. A Document Management System is not required for the use of the complete Agenda and Meeting Management Suite.

Users can export items with a simple mouse click. Agenda.NET™ will store the items with the necessary metadata via web service in a folder structure. The DMS application will control this folder and import the documents in their own database.

Users will have the ability to search in both applications.

Internet Information Portal

Agenda.NET™ integrated a unique, fully featured, secure, and "database" based Internet Information Portal.

The existing layout of the City's webpage can be adapted in a few hours. With a simple link on the current web pages, users will be routed in the Agenda.NET™ Internet Information Portal.

Users will enter a dynamic menu, depending on their security settings in Agenda.NET.

After it is published, new and changed data will be uploaded into the internet module. Agenda.NET™ will automatically convert Word documents into a PDF ISO-19005 (PDF/A) format, which is designed for long term storage and usable for users with disabilities.

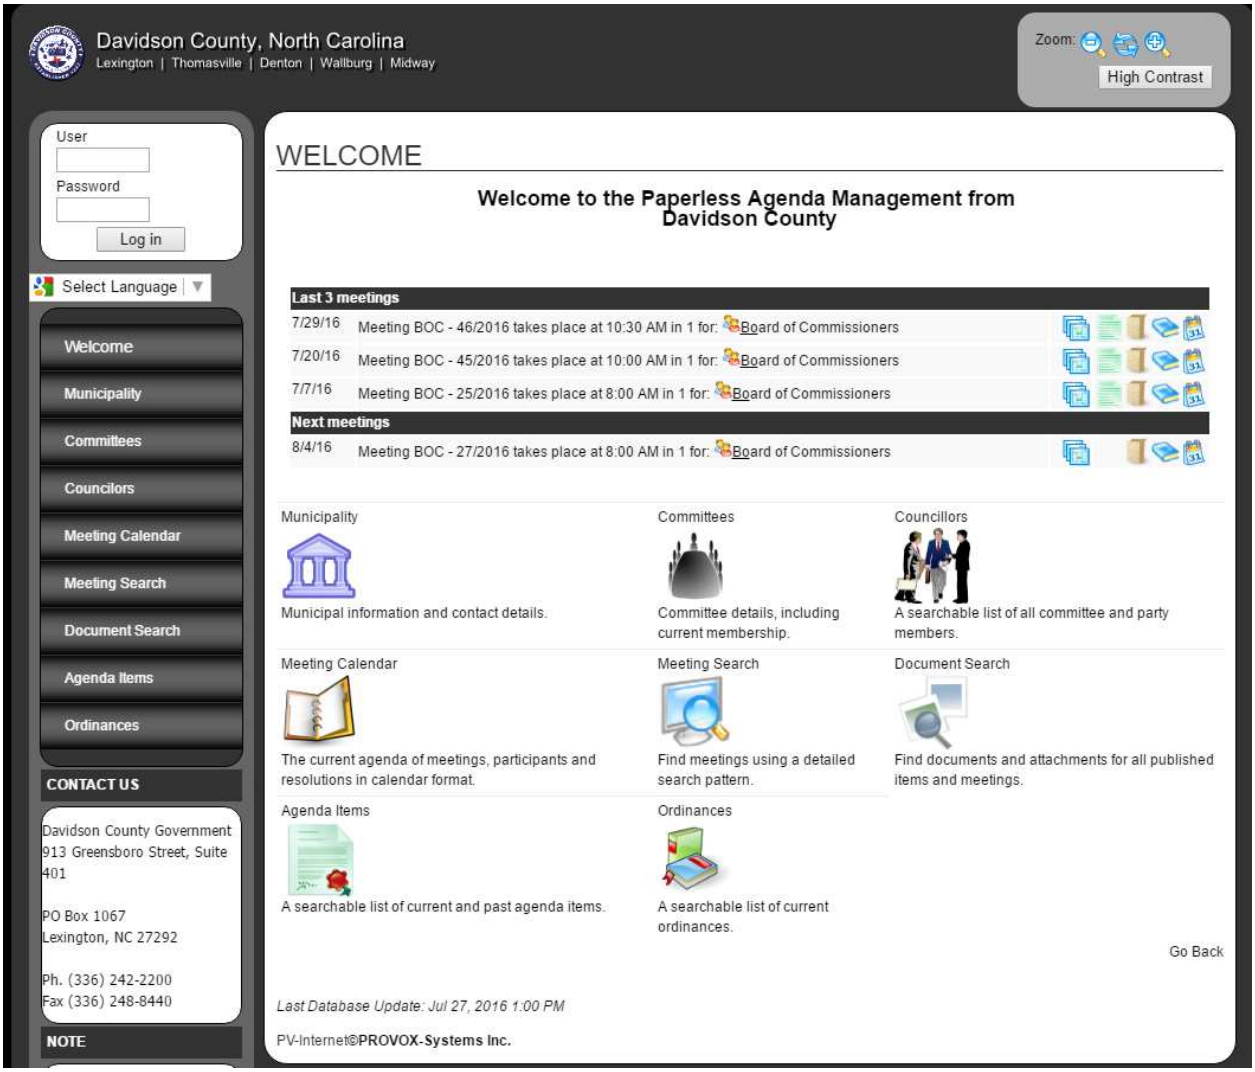

Councilors and other members will have a private and password protected workspace. They need to log in with their own user name and password to get private (closed session items) and public information. They will see their last meetings, upcoming meetings, and the changes since their last visit in a personal welcome page.

The public and other users will get information about the councilors and committee members, committee details, a dynamic meeting calendar, meeting and agenda item search, Ordinances and Resolution, and municipal data.

They can also subscribe to RSS Feeds, so they will get a notification every time when information has been changed or new information were posted.

They can also download complete agenda packages, create individual packages with selected items, open the audio- and video-files to each agenda item, get a complete Legislative History to each item, search in documents via full text, and much more.

Agenda.NET™ will not only post agendas and meeting information on a web page, it will create a unique and user friendly Information Portal for the County's meeting body members and the general public.

Other Application Features

Agenda.NET™ has many more features and functionalities integrated. The City of Hapeville can start small and add more and more features over time.

Some of the other features are:

- Motion Items
- Electronic Forum
- Regulations and Ordinances
- E-Government Starter Kit
- Web Form for the Agenda Item Creation
- Legislative Agenda Item History
- Item Tracker
- Accounting Module
- And much more

Audio- and Video-Streaming (Optional)

PROVOX provides the City of Hapeville with different options for Audio- and Video-Streaming. The City can select one of the following options, but will have the ability to switch to another option at any time:

- **Live Streaming only**
- **Self-indexing in Agenda.NET with Live Streaming**
- **Integration of own audio- and video-recording and self-indexing in Agenda.NET**
- **Broadcasting**
- **Close Captioning**
- **Audio only**
- **Integration of external and not meeting related content**

Some of these options can also combine with each other.

Archiving

Client audio/video can be stored securely on the PROVOX Content Network indefinitely. Fault tolerance and high availability is assured through replication of audio/video content to multiple, geographically redundant, Storage Area Networks (SAN). Our standard packages includes unlimited audio- and video-streaming and on-Demand for 5 years.

As clients approach prearranged storage allowances, they may choose to extend those allowances or begin removing old audio/video content in accordance with a storage horizon plan. Alternatively, PROVOX can assist clients in adding supplemental storage to their PROVOX Encoder, directly or externally, to facilitate more cost effective long-term archiving of content while still maintaining online availability.

Presentation

Once integrated into the linking structure of the existing website, the customized video library becomes the portal through which users access your audio/video content. As new content is added, it automatically becomes available in the City's library without any work by the webmaster.

By navigating through the video library, users can view a list of meetings chronologically or unleash the power of the jump-to markers to search for specific points within individual audio/video clips. When it comes time to view these clips they are presented in a similarly customized player, presenting a consistent look to all aspects of the City of Hapeville website.

Video Podcasting, as offered by PROVOX, is a great way to extend accessibility and adoption of your audio/video content. Building on the popularity of Apple's iPod video player, Podcasting technology allows users to subscribe to automatically published content feeds. New content becomes immediately available in their audio/video library and is subsequently synched to their portable devices the next time they are connected.

Delivery

In order to deliver on-demand content to end users in a format that is native to their computer's operating system, PROVOX can deliver content in all major streaming video formats

Our local points of presence ensure your audio/video content is delivered to your citizens and staff in the most efficient manner, minimizing buffering time and providing optimal viewing quality.

Monitoring and Statistics

PROVOX is constantly monitoring all aspects of the PROVOX Content Network to ensure its health and availability. This monitoring extends to cover remote PROVOX Encoders deployed on client premises. In the rare event of trouble our engineers are promptly notified so that they may dispatch a swift response in accordance with our support procedures.

PROVOX collates log files from our streaming servers monthly and processes them with the industry recognized Google Analytics. Google Analytics generates reports ranging from high-level, executive overviews to in depth quality of service statistics. These reports help to highlight growth trends and identify popular content.

Support

Beyond our proactive monitoring and response, PROVOX offers ongoing, 24/7 technical support for any issues our clients may encounter.

While our choice of quality hardware vendors and a thorough pre-installation testing phase go a long way toward ensuring trouble free operation of our EASE Encoders, we do recognize that occasionally unforeseen issues arise. In the event that our engineers detect a fault, they will work to diagnose the issue. If necessary, next business day replacement of parts will be completed.

PROVOX offers continual software updates and feature enhancements to our services and products for the life of your managed services contract.

Agenda and Meeting Managed Service

PROVOX has designed a hands free and no staff involved “Agenda and Meeting Managed Service”. With this service, PROVOX will do the customers work. We will create the agenda items, agendas, agenda packages, draft minutes and upload everything into the customers Internet Information Portal.

The customers only need to send the documents via e-mail or drop box.

Customers can purchase this service in packages of 25, 50 or 100 meetings. A software installation, training or long-term contracts are not required.

Innovative Concepts

The City of Hapeville has not only found the market leader in Agenda and Meeting Management; it has also found the most innovative and comprehensive solution in the market.

PROVOX has continuously developed the proposed solution with its own and fully employed development team for the past 27 years and will guarantee one (1) or two (2) updates per year.

PROVOX has redeveloped the application in the past few years from Microsoft.NET 2.0 to 4.X, to make sure that our customers will have the ability to use the application on any new Windows Server, SQL Server, and with the latest versions of Microsoft Office. This will also make sure that new features and enhancements in Microsoft.NET 4.X will find their way into the application. (Other solutions are still based on Microsoft.NET 2.0 or other outdated development tools).

PROVOX has also collected the feedback from it's over 950 customers in the past years to update the application with new features and other enhancements.

PROVOX is running regular international and national user conferences to discuss new ideas and features with its customers. It will also give the customers the ability to be part of any future development.

The Internet Information Portal is the most innovative, flexible, secure, and easy-to-use Legislative Information Portal in the market. PROVOX will adapt the existing layout from the City's webpages, so the webmaster only need to integrate a link. All published information and data will be automatically converted and uploaded into the Internet Information Portal, based on a predefined schedule. Live Streaming will be combined with the meeting information, so users can see the live stream and will have the agenda and item information available at any time.

Even if users are only a few minutes too late for the live stream, they will have the ability to already access the video on-demand files, even if the meeting is still running. They don't need to wait hours or days for this information like in other solutions.

The Internet Information Portal also has a password protected area for Councilors, other committee members, staff, and other authorized users (Attorneys, etc.). Each user will have its own user name and password for the portal. The City will have the ability to share draft and confidential information with these users in this unique personal working space.

The application is also offering an electronic forum for citizen feedback and participation.

Users can use the Internet Information Portal and its information on any local and mobile device. Agenda.NET™ comes with an optimized portal for small screen devices (e.g. Smart Phones).

The audio- and video-files, additional video content and live streaming can be used on any mobile device as well. PROVOX is offering a better quality and larger screen as other vendors in this area.

PROVOX also have a Video Production Team, which can create professional and individual video content.

Another huge innovation and unique feature is the Electronic Workflow Management, which can be used for pre- and post-meeting workflows, as a ToDo list, and for any other events.

Users will have the ability to review and finish processes by using the application or an innovative web page.

PROVOX is also offering wireless voting devices (instead of expensive touch screens or tables), which can be used in any meeting room with or without Internet or network connection.

The application can manage up to 1,500 devices for one receiver. The voting solution can also be used without the minutes maker.

PROVOX is also offering a Web Form for Agenda Item Submission and an Offline Module. The Offline Module can be used for meetings outside of the City's network or in case that a network connection is temporary not available.

Agenda.NET™ is one of the key applications in Microsoft's Citizen Service Platform, the European Project "Our Municipality" and different global Government Projects all over the world.

Most of PROVOX's customers have been in a successful partnership with the company for decades.

The Agenda and Meeting Management Suite "Agenda.NET" will automate the current City of Hapeville Council agenda preparation process and can be adapted to other legislative bodies as well.

Timeline and Implementation Services

In most projects, PROVOX Systems uses the “Event Chain Method” or the “Critical Chain Method”.

PROVOX will create a complete Project Plan with weekly Action Item lists with the City of Hapeville Project Team.

In this Project Plan (based on Microsoft Project 2007) we will integrate milestones and regular Project Team meetings.

With the knowledge from the RFP we will recommend an “Event Chain Method”, where both partners will prepare the different milestones and the final GO Live date.

Based on the GO Live or Project Starting Date, we will develop a complete Project Plan with the installation, training and test phase and the final sign-off.

We will also integrate the involved persons and project teams.

In similar projects we have broken down a project in the following steps:

- Project plan definition
- Project plan acceptance and Kick-Off Meeting
- Installation
- PowerUser Training
- Test Phase
- Customization
- Creation of a training guide
- Test of the training guide
- Customization
- User trainings
- Test phase
- Workshop
- Final customizing
- GO Live

The different project stages and the success of each step will be evaluated in meetings every one to two weeks. We estimate to require four meetings for this project.

The City of Hapeville will need to assign a Project Manager to be the coordinator and primary liaison for the whole project. This person should have authority to provide approval of project scheduling, customization/modification request, and tasks delivered, and perform all the City of Hapeville side project organization tasks. The project management responsibilities include:

- Analysis scheduling with staff
- Document and worksheet completion and reply
- Phase approval
- Coordinate training room and staff training schedule with PROVOX project management
- Oversee and approve testing and rollout
- Coordinate all other communications, scheduling, and approval events.

PROVOX's Testing Methodology (Testing Plan)

The agenda and meeting management methods for municipalities are often similar, but no two are ever identical. This uniqueness is one of the reasons the selection and implementation process for an agenda management system is different.

Regarding the requirements and our experience with the current agenda management application, we will develop a testing methodology and guide with the City of Hapeville.

PROVOX will use the TMap (Test Management Approach) Methodology for this project.

This methodology will have five distinguishable phases that each test has to go through:

- Plan
- Preparation
- Specification
- Execution
- Evaluation

And the two additional phases:

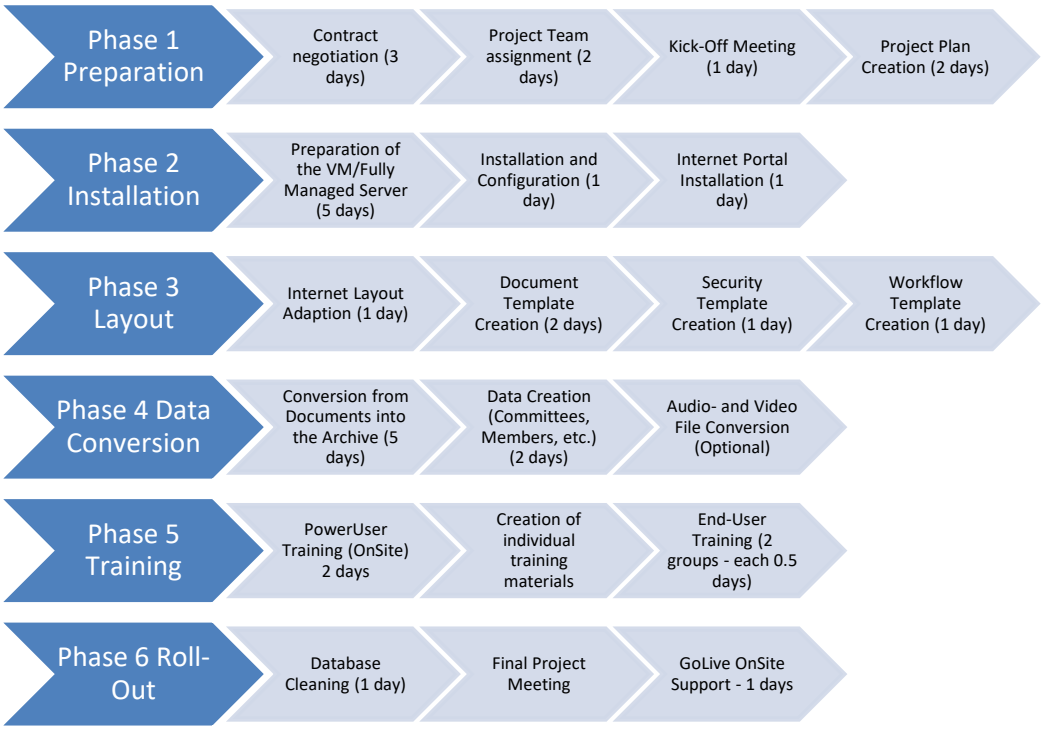

- Infrastructure
- Management

PROVOX will integrate different testing phases in the project plan. Here are our recommended phases:

- General application operability in the environment of the City of Hapeville (after installation)
- Application functionality (after the training and test phase with the PowerUsers)
- Completeness of the application
- Interfaces (after implementation of the interfaces)
- Internet module (functionality and completeness)
- Whole Process (before the Go LIVE date with data and users from the City of Hapeville)

Project Plan

PROVOX will create a customized project plan for this project. Below is an example project plan:

Training Plan

PROVOX will create a customized training plan for the City of Hapeville's needs and requirements.

Usually, all trainings will be held as **On-Site trainings** in the training facilities of the City of Hapeville. The City of Hapeville will provide one desktop/laptop for each training member. Online-Trainings are available as well.

A technical training will be delivered in free-form assistance during the installation and implementation phases.

PROVOX will work with the City of Hapeville's test database. This database will have the same data, document templates and basic information as the production system. Users will see the end result directly in the training and can see how the application will work in the final environment.

PROVOX user trainings will be typically broken in the following classes:

Name	Participants	Course Description	Length
Administration	Agenda.NET™ System-Administrator	The users will learn how to install the Agenda Server and to update the configure files. They will learn how to add new users/groups in the system and to define the security settings. They learn how to add document templates to the application.	4 hours during the installation
Power-User 1	Agenda.NET™ Administrator (Project Team)	Users will learn how to manage the complete Agenda.NET™ application. They will learn how to add, edit and remove people/members, committees, rooms, and the foundation data. They will learn how to define and modify new and existing data and how they can change security settings.	4 hours

Power-User 2	Agenda.NET™ Administrator (PowerUser)	This course is designed for Power-Users, Project Team Members and Trainer in a Train-the-Trainer concept. Users will learn how to create and edit an agenda item. They will learn how to integrate them into a reviewing workflow process and how to create individual workflows. They will learn how to create meetings, build agendas and generate the final minutes. They will learn how to publish information in the internet module and other important background information.	4 hours
Agenda Items creation	Users from different Departments, who create their own agenda items	Users will learn, using real examples, how they can create agenda items in Agenda.NET. They will learn how they can search and edit their own items, and how they can integrate them in a reviewing and/or approval process. They will get this overview after the final publishing.	2 hours
Meeting Management	Users from different Departments, who create their own meetings, agendas and minutes	Users will learn how they can create a meeting or use an existing meeting for their agenda creation. They will learn how they can create an agenda and the different ways to reorder, add and remove agenda items. They will create their own agenda and minutes documents	2 hours
Workshop	All users	PROVOX Team Q&A.	2 – 4 hours

Training sessions will be coordinated and scheduled by the City of Hapeville. It is assumed that the participants in this training have a working familiarity with the standard Microsoft Windows conventions and terminology.

Train-the-Trainer

All trainings can be held by PROVOX as a "Train-the-Trainer" concept. In this concept, we will double the time for the Power-User training; to make sure that the Trainer will have the complete knowledge of the application.

PROVOX will support the Trainer in the first two trainings, to make sure that the Trainer can answer all upcoming questions. It is important that the Trainer learns the quality and flexibility of the Agenda.NET™ application completely, and that both partners are comfortable before the Trainer takes more responsibility.

Web-based trainings and webinars

PROVOX will offer additional web-based trainings and webinars to discuss different topics. We will offer update trainings and workshops as well.

Video Taping and Document Reproduction

PROVOX always authorizes its clients to be able to videotape sessions and reproduce at their own discretion for internal use. In addition, the City of Hapeville has permission to reproduce any of the training documentation, customized training guides, screenshots, in-part or whole for its own purposes.

Test- and Training-Database

The City of Hapeville will receive a Municipal license for unlimited users. The City of Hapeville can create and run numerous instances of the Agenda.NET™ application and databases. The production database can be replicated with the Migration & Replication Tool and/or with a database backup.

There is no time limit for the test and training databases.

Project Schedule

PROVOX will create an individual Project Plan for this project. The estimated time frame (from contract signing until Go Live) is between four (4) and six (6) weeks.

The proposed solution is not requiring any customer specific development. The City will receive an Out-of-the-Box solution, which can be installed and configured in one (1) day.

PROVOX is offering on-site trainings and implementation services or web based trainings as other vendors.

Project Meetings

PROVOX will integrate regular project meetings in the project plan as part of the implementation.

PROVOX will also create an Action Item list and will update this with the City's Project Team on a weekly basis. Additional project meetings after the implementation phase can be integrated into the contract and project plan as well.

The City will have a designated Project Manager and Project Team, which will be responsible for the whole project.

Environment Overview

PROVOX will implement the proposed solution in the existing environment of the City of Hapeville. Existing structures and processes can be easily integrated. The application can be used for unlimited departments, users, workflows, meeting bodies, and data. The City can also start with some key committees (e.g. City Council, Planning Committee, etc.) and add more meeting bodies over the time and without any additional license fees.

Selection Limitations

PROVOX will agree to the City's terms & conditions regarding the access to the City's network, software, hardware, and data.

Services

PROVOX will provide the City of Hapeville with all necessary and optional services for the successful implementation of Agenda.NET™.

The City of Hapeville will get a First-Class and First-Level Support during and after the process.
PROVOX will create a specific project and implementation plan with the Project Team of the City of Hapeville.

We will integrate different Project Meetings and Milestones into the Project Plan. We will control and report on the success and the work process on a weekly basis with reports, Action Item Lists, and personal meetings.

Ongoing Support and Hosting Services

PROVOX will provide the City with a First-Level Maintenance Agreement that will include hotline and remote support, free updates and access to PROVOX's Online Help and Support System.

The City can submit issues via phone, e-mail and the Online Help and Support System. Each request will get a ticket number and can be tracked within the online system.

PROVOX is the manufacturer for the proposed solution and will provide all technical and application support with its own and fully employed team. It will not use any global Call Center as many other vendors. The City will reach an application expert with each call and e-mail.

PROVOX will manage the First-Level Support from its Headquarters in McKinney, Texas from Monday – Friday between 7:00 am and 7:00 pm CST. Additional hours can be integrated in the agreement.

PROVOX has been continuously developed and updated the proposed solution in-house. All over 950 customers are using the same application without any customer specific development. This will make the support much more effective and will guarantee future updates without any additional development or manpower.

PROVOX will provide one (1) or two (2) updates per year. Updates will be installed from PROVOX as a remote service. A typical update will be finished in less than one (1) hour and will be performed only on the server.

PROVOX has international and national user groups. PROVOX is continuously communicating with these groups to discuss future development.

PROVOX has a development plan for the next five (5) years.

PROVOX is offering streaming and hosting services for the audio- and video-streaming on one of our US based server. Audio- and video-files will be stored on default for five (5) years. Additional years can be integrated into the contract. The streaming server is designed for a minimum of 5,000 simultaneous streams.

Questions from RFP

- **Describe software release/update frequency and procedures to perform updates**
  PROVOX has been continuously developed and updated the proposed solution and will provide one (1) or two (2) updates per year. The current version is Version 6.1 (released in February 2019).

  Updates will be installed from PROVOX in a remote session on your server. Client updates are usually not required. A typical update will be done in less than one (1) hour.

  The Fully Managed Server/On-premise installation has the advantage that the data and documents from the City will not be stored on a server with many other customers. The City can schedule updates any time after office hours or on weekends and at any time in advance. The City will not be automatically updated with other customers like in hosted solution. The City has not the pressure to use new builds and releases right away (and often without testing).

  The City will also NOT experience issues with large attachments or documents or slow Internet connections.

  Our concept will provide the City with the best possible performance and security.

- **Discuss the vendor's philosophy and approach for ongoing research and development (R&D) to advance the proposed solution and ensure it remains current to evolving technologies and standards. Please include the annual R&D investment for the solution being proposed, both in terms of financial investment and total number of employees dedicated to the R&D function?**

  PROVOX is spending almost 60% of the maintenance fees in continuously development of the proposed solution. Customer feedback is important for future updates. Many feature requests and optimizations have found the way in future updates.

  PROVOX has a development plan for at least the next five (5) years.

Proposed Innovations

The City of Hapeville has found the most innovative agenda management solution on the market with Agenda.NET™. Based and certified for Microsoft.NET, Agenda.NET™ is easy to install and maintain.

The database-based Internet and Intranet module will give the City of Hapeville the ability to present selected and published data in a modern and easy-to-use manner. The layout of the Internet and Intranet module can be adapted to the existing layout of the City of Hapeville website in a few hours.

The displayed menu and the data depend on the security setting in the Agenda.NET™ application.

Committee Members and Staff will have a private internet area with additional information. They will see previous and upcoming meetings and the changes since their last visit on their private welcome page. They will have access to private documents and the full-text retrieval archive as well.

PROVOX can integrate existing and legacy data within one or two days.

Agenda.NET™ possesses an integrated interface for an Amazon Kindle or other reading devices. Agendas, agenda items, and complete agenda packages can be automatically delivered to the dedicated reading device of the City of Hapeville committee members and staff. The reading device will handle the attachments as well and can store thousands of meetings.

Users can read and add annotations on the documents and other assigned information.

The reading device can feature a voice output as well.

The Internet/Intranet module includes an electronic forum (chat) and the ability to manage and present Audio- and Video-Streaming to agenda items and minutes.

Agenda.NET™ is part of the Microsoft US-Project “CSP – Citizen Service Platform” and the European Project “OurMunicipality”.

The Agenda.NET™ application can be used in an In-house installation or as a SaaS solution (Software as a Service = hosted solution).

Agenda.NET™ can be adapted to the existing structures and workflows perfectly.

Labels, descriptions, messages, and buttons, can be customized with the PROVOX Localization Tool. The City of Hapeville can create its own application resources with a mouse click. The system administrator simply needs to rebuild the resources in case of an update, to integrate the customizations in the new version.

Agenda.NET™ is very flexible. The City of Hapeville can start small with the application and activate other Agenda.NET™ features later with the growth of the processes.

The City of Hapeville can create its own workflows for reviewing and approval processes with a few simple mouse clicks. Agenda.NET™ has integrated an internal messaging function and works with Microsoft Outlook and Microsoft SharePoint.

All data will be stored in the Agenda.NET™ database in a Microsoft SQL Server or MySQL. It is not necessary for the City of Hapeville System Administrator to define security settings on folders or directories.

External users can access the application via a secured VPN- and/or Internet-connection.

Agenda.NET™ optimizes the whole workflow to create, route, edit, and manage, agenda items, agendas, and minutes.

The City of Hapeville will have the ability to add and manage numerous attachments of any Windows based format to an agenda item and/or meeting.

This will include graphic formats, documents, URL's and live links to graphical information systems (GIS).

Agenda.NET™ has integrated a Hands Free Audio- and Video-Streaming solution to record meetings and other events. The user simply needs to click on "start" at the beginning of the meeting and "stop" at the end of the meeting. Agenda.NET™ will deliver the file to an external server, where the file is cut into individual pieces. Agenda.NET™ will store the files for each agenda item.

Users will have the ability to create agenda packages with a simple mouse click. They can send information via E-Mail and Text Messages, directly out of the application.

Agenda.NET™ has no limitation when it comes to the number of users, committees, persons, departments, workflows, and other records.

Document templates can be created by the City of Hapeville staff with Microsoft Word knowledge.

Agenda.NET™ will guarantee an integrated environment of different Word-, Office- and Windows-Versions.

Opportunities

The City of Hapeville will greatly benefit from this project, and PROVOX Systems Inc. has the capabilities to fulfill all project related needs.

With more than 950 successful product installations, we can guarantee that with our experience, we will be the perfect fit for the City of Hapeville. With the knowledge acquired over 27 years in this market, including successful installations in North America, we understand the market and your needs.

With Agenda.NET™ the City of Hapeville will be a leader in modern and paperless Agenda Management solutions in the USA.

With PROVOX as a member of the Microsoft CSP Project (Citizen Service Platform), the City of Hapeville will be one of the first with this unique service for their councilors and citizens.

- **Save Money**

  Save 70 – 90% of your expenses and personnel resources.

  Through the simple operation and high automation of many important processes, your employees' meeting experience will be considerably enhanced. This not only increases the acceptance of the product, but also saves the user a considerable amount of cost and time.

- **Paperless Agenda and Meeting Management**

  With the help of our numerous technical abilities and your Microsoft work environment, it is possible to work paperless within your organization and in communication with elected representatives.

- **Presentation of information in the Internet and Intranet**

  Over a hundred customers use our Internet module successfully. A single mouse click releases information for the public and/or non-public area from our repository and replicates the information to the Internet.

  The design is such that data can be on the target web page within a few minutes. The data is displayed dynamically, so that changes can be updated immediately.

  By using the user name and password protected area, private information for authorized users can also be represented.

Technical Innovations

PROVOX Systems Inc. uses the latest advancements for applications of new and existing technology to solve problems in innovative ways.

In our product, we use the resources available in the Microsoft standard products and our know-how in the field of the management agenda related processes, to create an optimally managed agenda.

Agenda.NET™ is used today in installations from 1 up to 1,600 clients in real world environments. This demonstrates the flexibility and power of our software.

The flexibility of the application provides a unique opportunity to meet your specific processes and organizational structures in the best manner. Thus you get a customized solution for the price of a standard product, with the opportunity for full support and product updates in the future.

The project is innovative in a number of different areas:

- Paperless Agenda Management
- Open for future integrations of different products (i.e. GIS-Systems, Accounting Software, Document Management, Audio- and Video-Streaming, Electronic voting, etc.)
- Modern and secure Information Management via Internet and Intranet
- Integration in Microsoft's CSP-Project (Citizen Service Platform)
- Microsoft SharePoint Integration
- Consistent implementation of the Microsoft.NET strategy to obtain the newest Agenda Management System Worldwide.
- Integration of mobile devices like Apple iPad, iPhone, Microsoft Surface, Amazon Kindle, Android, Windows Mobile, Smartphones, etc.

Through the open structure and the numerous interfaces to other proceedings (including financial procedures, GIS, Office, SharePoint and more) there are no limitations to future expansion.

The development in Microsoft.NET offers a high level of investment protection and secures data management.

Summary of proposal

This proposal shows how flexible and customizable our Agenda.NET™ application is. Developed with the latest Microsoft technology, Agenda.NET™ will cover the current requirements perfectly and leaves room for future needs and wishes.

The hands-free Audio- and Video-Streaming and Video On-Demand will give the City of Hapeville a more user friendly and cost saving solution. The existing video-files can be converted in a short time frame and with a low one-time cost.

The flexible, secure and customizable workflow management is unique in this market. The City of Hapeville can create numerous workflow templates in Agenda.NET™ with a few simple mouse clicks and without any development knowledge. Agenda.NET™ will offer broadcast messages, sequential and priority based workflows. Users can create individual workflows, use a template, or use some templates and change others individually.

Agenda.NET™ includes workflow management for reviewing and approval/action processes. Users will have the ability to integrate numerous other users and/or groups in a workflow process. Each action can be defined with a time out and a personal message/order. Users outside of the City of Hapeville can be integrated in workflow processes as well.

Agenda.NET™ has been developed from the processing side and is not an add-on to a document management solution, CRM, or other application. It is especially designed for the daily needs of the Customer Service Staff, based on our own experience and the countless feedback from our customers.

Agenda.NET™ is a fully featured and modular application. The City of Hapeville can start small and add more and more features over time, without any additional license fees.

Agenda.NET™ is developed with the latest Microsoft Technologies (Microsoft.NET) and certified by Microsoft.

The City of Hapeville has found the most innovative application with a guaranteed high value return for your investment.

This proposal will cover all requirements, the pricing information, and some additional background information.

Agenda.NET™ can adapt to existing structures and workflow perfectly and optimize them effectively, without any cost intensive development work. The City of Hapeville can start small and use integrated features later.

Project Development Approach

Typical Project Timeline: 16 – 30 weeks

Design creation, accessibility/usability guidance, content optimization, and dedicated training – CivicPlus delivers all of this and more during the development of your new website. Your exact project timeline can vary based on determined project scope, project enhancements purchased, your availability for meeting coordination, action item return/completion, approval dates kept, and other factors. Project timeline, tasks, and communication will be managed and visible to you via Mavenlink – our project management software. Based on our experience, the estimated timeline for the successful completion of your CivicEngage project is approximately 30 weeks.

1	**Initiate**	~3 – 5 Weeks
2	**Analyze**	~3 – 7 Weeks
3	**Design & Configure**	~5 – 8 Weeks
4	**Optimize**	~2 – 4 Weeks
5	**Educate**	~1 – 2 Weeks
6	**Launch**	~2 – 4 Weeks

Phase 1: Initiate

Project Kickoff Meeting

During the Project Kickoff Meeting, your project manager will perform introductions, detail items needed from you, provide a high-level overview of the development process, and introduce you to the tools and resources used to manage the project.

Planning & Scheduling

Your project manager will create a comprehensive project timeline based on your project scope and specific needs. CivicEngage will schedule the design, content, development, and training resources needed to implement your new website to ensure on-time completion of your website project.

Phase 2: Analyze

Design Discovery & Content Preparation

The CivicEngage Team will collaborate with you to determine the goals and objectives you would like to achieve with your new website and use that information to develop a strategy for your content and design. CivicEngage professionals will outline our best practices and standards, and you will work with your project team to determine how you want your website to look, feel, and function.

Mood Board

Your Project Team will present a custom mood board reflecting the color and imagery that will set the tone for your design. A mood board is a collection of colors, textures, images, graphics, text, and descriptive words. A greyscale layout will also be provided, indicating the overall placement of design elements. Once approved, these design features will be used to develop the design concept for your website.

Phase 3: Design & Configure

Design Concept Development & Review

You'll be presented with a design composition – a JPG rendering of the website design. You will have the opportunity to evaluate the presented design composition and collaborate with the CivicEngage Project Team on proposed changes. If needed, design composition revisions can be made before the approval deadline that you and your project manager agree upon in your timeline.

Content Migration & Optimization

During the previous phases, your staff has the role of updating the content on your current primary site based on CivicEngage recommendations. This existing content will then be migrated to your new site and "touched up" to ensure the formatting matches your new website design.

Website Reveal

The CivicEngage Team will present to you a completed website featuring your approved design and finished content.

Phase 4: Optimize

Website Finalization

You will evaluate the completed website and confirm expectations were met in accordance with the Statement of Work and the goals outlined have been achieved. The CivicEngage Team will work with you to prioritize and plan any final needs for the website.

Phase 5: Educate

User Training

Our goal is to give your staff the skills and tools they need to quickly and easily keep your website current. CivicPlus will provide one day of online training for six staff members to equip your staff with the knowledge and comfort level needed to prepare your website for launch and maintain it in the future.

Regardless of technical ability, we will help your staff gain the confidence to effectively use and maintain your website. The training session will utilize your production website, so users are familiar with your specific configuration and you get real, hands-on learning opportunities.

Phase 6: Launch

Launch Preparation

This is an exciting time – it is the last step before your new site launches! Your Project Team will provide you with a pre-launch checklist to complete and ample time to complete any updates before your website launch.

During this time, you will be able to add, create, and make adjustments to content on your production site, as well as ensure overall satisfaction with your website.

Website Launch

After website launch confirmation is received, your domain name is directed to the newly developed website and your beautiful new website is made available to the world.

Your Role

We will need your help to create the best possible website for your community. During the process, we will ask for you to complete various action items in that effort.

Client Deliverables

At the beginning of your project, we will ask you to complete and submit the following to help us get started:

- **Photos for Design** – 10 to15 high-quality photos you would like used in the overall design of your website
- **Logo(s) & Branding Materials** – Any logo(s) and/or seal(s) to be used in your website design, along with any color specifications or brand standards we will need to use
- **Website Statistics** – Analytics to be utilized in reorganizing your website content/navigation and determining design needs
- **Design Discovery Form** – Used to specify your design preferences and evaluate design maintenance capabilities
- **DNS Form** – Technical information needed to set up the domain name(s) for your new website

Review & Approvals

During the development process, you will be asked to review and provide official approval for the following:

- Project Timeline
- Mood Board
- Design Concept
- Training Date
- Final Website Approval
- Website Launch

Content Updates & Maintenance

Your Web Content Specialist will provide you with tasks related to:

- Updating your website content in preparation for migration and optimization
- Tracking website updates to be completed during your training session

Training Preparation

To get ready for your CivicTraining session, you will want to:

- Update your web browser to the most recent version (Chrome is recommended.)
- Compile a list of your website users and desired permission levels
- Reserve training location and necessary resources - computers, conference phone, etc.

Website Redesign Details

Scope of Work

- CivicPlus will provide a new design for your homepage.
- CivicPlus will provide one coordinating design for your interior pages. Individual department pages will not receive custom designs.
- CivicPlus will migrate pages, documents, and modules from your existing site to your redesigned website.
- CivicPlus will apply new site styles (colors and fonts) to migrated pages.
- CivicPlus will provide a one-day webinar training session for up to six individuals.

Project Development

Consulting, design, usability guidance, programming, secure hosting, and dedicated training – CivicPlus delivers all of this and more during the development of your new website. The typical redesign project timeline is 16-30 weeks from the date of the completion and submission of the request client deliverables – photos for design, logo(s) and branding materials, and Design Discovery Worksheet. Your project manager will prepare your project timeline based on your agreement to a due date for the completion of these items.

Key Dates

Initial Design Revisions

You will be asked to submit your change requests via email approximately one week after your Initial Design Presentation. In order to provide you with ample time to complete an additional iteration of design revisions, you will need to submit your initial revisions by the date indicated on your timeline. CivicPlus will complete and return revisions to you within five working days. This process will be repeated until you are ready to give final approval of the design.

Final Design Approval

The final design approval date is the date on which we need your written approval of your design concept. If we are still working through revisions and are unable to approve the design on this date, it can be extended. Extending the approval date will require us to reschedule design application/programming with our Website Development team. This will cause an extension of the entire timeline, including your production website available date, training date(s), and website launch.

Content

CivicPlus will make an exact copy of your website on a pre-determined day. Any content added to your current website after this date will not be available on your new production website. Our content team will touch every published page of your website to ensure all information has transferred without error. The process ensures that each page has proper formatting, menu structure, and site style.

Production Website Completion

You will be provided with the URL and login information for your production website on or before the production website available date on your timeline. This production website will feature your approved design and completed content. This is the site that will launch at the end of the project but is made available prior to launch so you can see the design on a working website and make updates. You will be able to login to begin updating modules (News, Calendar, Agenda Center, etc.) as soon as the production website is provided to you, but should refrain from editing pages until after your training session.

Training

CivicPlus redesigns include a complimentary training session to detail the upgrade you receive with your redesign. You have six seats reserved for this live training that will include one day of instructor-led training. You will use your production website for the training session. The following topics will be covered in this training:

- Editing pages using the WYSIWYG live editing tool
- Adding, deleting, modifying, and moving pages in the menu
- Utilizing content widgets to customize page content
- Utilizing module widgets to integrate module content
- Basic module training: Document Center, News Flash, Calendar, FAQs, Quick Links, Form Center, and Info Advanced
- Q&A time with instructor

Website Launch

Your project manager will reach out the week of your website launch to confirm you are still comfortable with the date. If you would like more time, we can easily move this date.

When you are ready to launch, your project manager will schedule a date and time. You will not need to do anything to complete the launch process. Our Systems Administrator will initiate the launch when scheduled.

Content Migration Process

The Focus

At CivicPlus, our #1 focus in developing your website's content is its usability, because we want to make it easy for your website visitors to quickly find what they're looking for so they can accomplish their task and move on about their day. We strive to build a bridge of communication between local government and citizens and work to make your new website as citizen centric as possible.

We also want to make managing your content easy for you. Our intuitive Aurora platform allows you to easily copy, move, remove, or otherwise alter content. As a part of that, our internal search engine and site maps are optimized to help you find your content quickly and easily. We base our content development best practices on usability, consistency, Americans with Disabilities Act (ADA) and WCAG compliance standards from leading industry experts like HowTo.gov, and the Research-Based Web Design and Usability Guidelines (PDF) from Usability.gov.

The Process

The Content Migration process is a manual process that is performed by our team of Content Developers. The Content Developers pay close attention to how the information is organized, structured, and presented so that your website is easy-to-navigate for people who aren't familiar with government.

You will have the opportunity to discuss the content migration process with your Project Manager and choose either a high touch or low touch approach based on your needs.

- High Touch: With our High Touch approach, we re-format your content by applying our Best Practices, breaking it up, adding bullet points to call out important information, and adding headings to help guide your users through your content. We edit your content for basic grammar and punctuation. (Note: we do not re-write your existing content or create new content.)
- Low Touch: The Low Touch approach is the option to choose if your site's content is already very deliberate and suitable for your community. With this method, we would ensure that your navigation and page content were left very similar to your current site, only changing what we find is not usable or accessible for the end-users (citizens).

Highlights of your content development experience include:

- Evaluation of content and structure on existing website
- Optimization of current content into CivicEngage
- Assistance in migrating or managing content
- Optimization of current navigation structure to allow visitors to find what they need quickly and easily
- Automated Quality Control review
- A Final Content Report complete with recommendations for how to take content to the next level of serving citizen needs
- Access to CivicPlus' Content Best Practices and information to help guide you through maintaining and making additions to your content

Accessibility

ADA Section 508 Compliance

We provide highly compliant sites based on WCAG 2.0 A and AA guidelines, which encompass and surpass ADA accessibility requirements. Our focus is to provide a high degree of compliance with WCAG 2.0 A and AA, which maximizes accessibility for all users while providing freedom to create a visually rich and appealing site.

Our approach for each website includes the following steps to provide you a compliant and accessible website:

- We will deliver you a site that meets ADA (Section 508) and WCAG 2.0 A and AA levels.
- Our trainers will use CivicPlus best practices to teach your staff to keep your content and design elements accessible and up-to-date with the latest ADA/WCAG standards.
- Any new regulations that require code changes are done automatically for you and we perform code changes quarterly with no additional effort required from you.
- Our product team closely follows changes in regulations and updates our best practices as well as provides regular updates to clients via our CivicPlus website, blog articles, webinars, and other publications.

We will deliver a compliant website and training to provide you some tools that will help you maintain compliance after launch including:

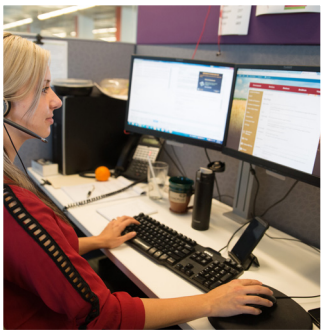

- **Accessibility Checker** – scans content in the editor widget, NewsFlash, and FAQs for any accessibility issues so you can correct them before publishing.
- **Accessibility Checklist** – assists in reviews of your site's design and content.
- **Best Practices** – helps your team take personal responsibility and accountability for your web pages.
- **Ongoing Scans** – we think it is a best practice to occasionally scan your site to check ongoing compliance.

CivicPlus also partners with AudioEye to provide a suite of accessibility tools and services at a discounted rate to our clients. Additional details and a quote can be provided upon request.

Continuing Partnership

CivicPlus has a dedicated Client Success team to help you implement the tools needed to successfully meet the level of community engagement that you desire. Upon website launch, your Client Success Manager will continue to provide you with further information on how to utilize the tools in your new website. Lisa will also keep you informed of new CivicPlus products and ways to optimize your site.

Support and Maintenance

Around-the-Clock Service & Support

With technology, unlimited support is crucial. Our live support personnel based in the United States are ready to answer your staff members' questions and ensure their confidence. When you choose CivicPlus, our knowledgeable staff is available from 7 a.m. to 7 p.m. (CST) to field your calls, emails, and live chat. Emergency services are available free of charge after regular hours with our on-call staff 24-hours a day.

CivicPlus is also proactive in identifying any potential system issues. Through regularly scheduled reviews of site logs, error messages, servers, router activity, and the internet in general, our personnel often identify and correct issues before they ever affect our clients' websites.

Technical Support

- Dedicated support personnel available 7 a.m. – 7 p.m. (CST) Monday – Friday (excluding holidays)
- 4-hour response during normal hours
- 24/7 emergency support

Maintenance

- Full backups performed daily

In February of 2019, CivicPlus Technical Support was presented with a Bronze Stevie® Award in the Front-Line Customer Service Team of the Year – Technology Industries category in the 13th annual Stevie Awards for Sales & Customer Service.

The Stevie Awards are the world's top honors for customer service, contact center, business development, and sales professionals.

www.civicplus.help - The CivicPlus Help Center

CivicPlus clients have 24/7 access to our online Help Center where users can review articles, user guides, FAQs, and can get tips on best practices. The Help Center also provides our release notes to keep you in the loop on upcoming enhancements and maintenance. The Community Forum allows your staff to interact with each other, send CivicPlus feedback and suggestions for future system enhancements, and view trending topics.

System Ownership

After full and complete payment, the City will own the customer content (defined as website graphic designs, the page content, all module content, all importable/exportable data, and all archived information relevant to the work and deliverables). Intellectual property of the CivicPlus CivicEngage Content Management System (CMS) will remain the property of CivicPlus. If the contract is canceled due to Hapeville's wishes, CivicPlus support staff will take all of the content and information, store it in a file location, and help to make a smooth transition to the new hosted solution. In the unlikely event that CivicPlus goes out of business, Hapeville will be provided with an electronic copy of the site.

Scheduled Maintenance

Our maintenance window is from 10 p.m. CST Saturday nights to 6 a.m. CST Sunday mornings. Any maintenance on servers are regularly scheduled to occur during this time unless an out-of-band maintenance is warranted. All critical updates are applied after testing unless they are a very high security risk in which they will be applied out of band. All others are evaluated and installed if needed. Sites are normally available during this window period. If there is an event that requires no risk of any downtime, it can be communicated through support or your client success manager that you do not wish to receive the pushes, and it can be scheduled for a later date.

For additional information on the subject of ongoing operations and maintenance, please refer to the "Continuing Services" section on page 20 of this document.

Training Differentiator

While other companies may show you the fields and the steps needed, our trainers know the business processes behind the work being done on the site and they help clients understand the process and steps they need to complete from start to finish. We teach users how to use the system, how to leverage it to increase department efficiencies, and how to increase citizen engagement.

Our goal isn't just to train your staff, but to increase the use of the website, reduce incoming call volume and walk-ins, and help internal staff to maintain it the easiest way possible all while ensuring your site remains service-oriented and citizen-focused. We also teach best practices, ADA requirements, image optimization, and much more.

Typical CivicTraining® Plan

Your CivicTraining plan will be customized to the needs and skill levels of your site users and administrators on your CivicPlus website. All training sessions will utilize your production site, so users are familiar with your new site and managing the CivicEngage content management system software.

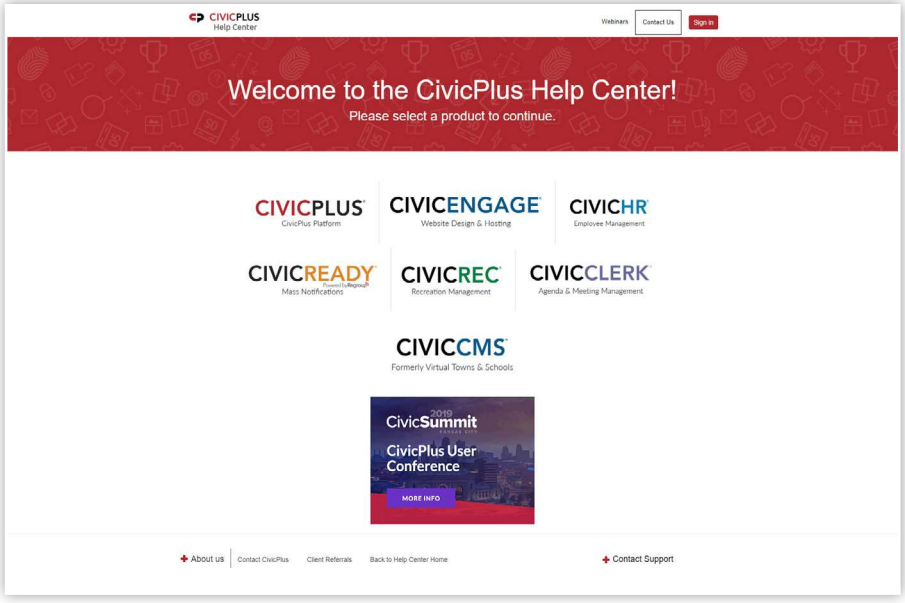

For more information on the specifics and extent of CivicTraining plan included with your redesign, please refer to page 17 of this document.

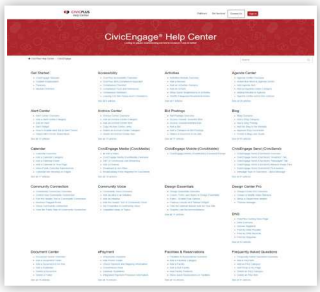

Ongoing Training

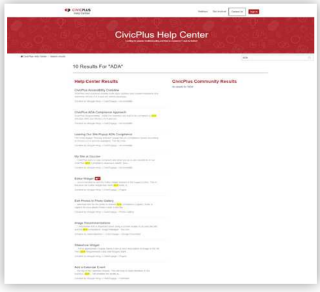

We want your website to be an investment that holds its value over time rather than a big expense that you have to budget for every few years. We apply this same thinking to our approach toward training and support. After the launch of your website you should be able to keep current staff as well as new hires trained and supported as they update and maintain your site. CivicPlus offers ongoing training and support, as well as the incredible interactive community of more than 3,500 other municipalities that use the CivicEngage CMS. Stay up to date and always informed with unlimited access to the CivicPlus Help Center.

With CivicPlus Help Center, you can:

- Access online training manuals and videos to learn the tips, tricks, and processes to become the expert at creating the best website for your users
- Attend webinar series for refresher trainings or for sneak peeks at the newest features and functionality in development
- Share ideas and contribute to bettering our community through opinion polls, surveys, and group discussions
- Stay up to date on the latest trends in web technology, design, and government processes through blogs, webinars, and informational updates tailored to local government professionals
- Access our always-available online support center for our clients that is easy to navigate with predictive search
- Sign up to be a part of the CivicPlus beta testers to get your hands on the newest features and functionality first

Upgrade Testing

The CivicPlus Development Team develops software using the Agile development methodology. We currently work in 2-week sprints with several teams addressing new functionality and services and additional teams and select members dedicated to software fixes and minor enhancements. Prior to any software update or rollout, all code changes go through an internal testing process which includes an alpha testing phase, a beta testing phase, and a final Release Candidate testing phase. Separate internal servers, isolated from our client hosts, are used for these various stages of testing. At times, we do ask for Beta clients to test our Release Candidate on their site. This is an opt-in program. At any time during these testing phases, any member of the CivicPlus team can report an issue that needs to be addressed before rollout, essentially removing the product from the deployment schedule.

A separate and isolated testing environment that mirrors our production servers is maintained for internal testing of not only our own codebase, but any updates to the host operating system as well. All updates are logged and tested prior to rollout to ensure compatibility with our CMS.

Software Licensing

CivicEngage is a web-based, SaaS model and provides Hapeville with unlimited user access. The Annual Services fee includes the CivicEngage CMS, support, hosting, and maintenance. The Annual Service fee is a fixed fee that will be subject to a 5% technology fee uplift beginning in Year 3. CivicEngage doesn't require any additional software downloads outside of Hapeville's browser preference.

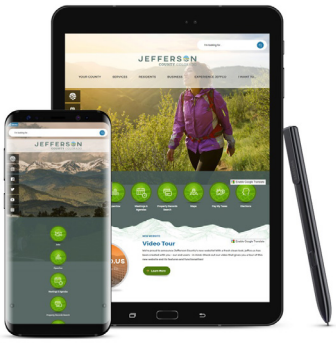

Site Design

Responsive Design

As part of providing industry-leading technology, responsive design is included with your CivicPlus site. With responsive design, your site adjusts to the screen size regardless of what device is being used. CivicPlus websites are viewable in all common browsers. We optimize them for administrative use with Windows 2000+ and in the two most recent versions of major browsers including Microsoft Edge, Firefox, Safari, and Chrome. This flexibility provides a seamless user experience.

Page Designs

After your design concept and direction has been determined with your Art Director, one overall design template featuring your City's branding and chosen aesthetics will be created incorporating both a homepage layout and an interior page layout. Page layout options are available within the Online Page Editor content creation functionality. Those layouts are separate from the overall design of the site, though they do reflect font sizes and styles associated with the various heading levels and content types. Unlimited pages can be created with the CivicEngage CMS.

Home Page

Interior Page - Public Works

Dynamic Page components such as Quick Links, Events Calendar, FAQs, Opinion Poll, News Flash, and others, may be placed on any page and will help dedicated areas of the site appear as its own website. For example, the entry page for your Parks and Recreation Department can be customized with specific lists of events, FAQs, and news announcements pertaining to that department.

CivicEngage CMS

The CivicEngage CMS is robust and flexible with all the features and functionality you need today and in the future. Developed for organizations that need to update their site frequently, CivicPlus provides a powerful government content management structure and website menu management system. Each website begins with a unique design developed to meet your specific communication and marketing goals, while showcasing the individuality of your community. Features and capabilities are added and customized as necessary, and all content is organized in accordance with web usability standards.

We help you to bring these pieces together in a single location. We continue to improve and evolve our CMS to make integrations with our CivicEngage CMS and disparate applications as straightforward as possible. This open architecture approach allows your IT staff and programmers to spend time creating applications and systems that are specific to your community's needs using the site itself as a sturdy platform on which to build.

- **APIs**: CivicPlus offers integration via SOAP and REST APIs. Our APIs are available within the CivicEngage system, which allow your IT staff and developers to build community-specific applications right from your website. Enabling communication between your CivicPlus software and third-party systems provides the flexibility to leverage the capabilities of both. This information exchange between systems maximizes productivity and efficiency, allowing you to do more with your available resources.
- **Integrations**: CivicPlus routinely integrates with other software to maximize the efficiency and effectiveness of our platform. Most integrations are embedded tools, allowing you to seamlessly leverage the technology with no additional steps. Common integrations that help local government organizations are our data integrations with ESRI and Google Maps within our emergency management, facilities management, and activities software. Additionally, our clients utilize analytics tracking offered through Matomo or Google Analytics. CivicPlus also utilizes the robust functionality and options available through Zapier to assist with client integrations.

Functionality Disclosure

As CivicPlus continues to evolve and improve our solution to support our clients' needs and goals, we reserve the right to upgrade, replace, modify, or terminate any of the features and functionality elements listed, at our sole discretion, and when feasible, providing reasonable notice to our clients of any changes. These features and functionality are offered on a gratuitous basis to our clients, with no monetary value per feature, and should any changes be enacted, will not affect any terms in a signed agreement with CivicPlus.

Content Creation

Recognizing that not all site administrators possess high levels of technical expertise, the CivicEngage CMS makes it easy to add new content, edit old content, and keep page layout consistent through use of our WYSIWYG editor.

The page content creation functionality is separate from the overall design of the site; the content will reflect font sizes and styles associated with the various heading levels and content types. Content changes will not affect the design, though the site breadcrumbs, page structure and sitemap will dynamically update upon publish of any content changes.

This front-end edit feature makes updating website content even quicker and easier, as users have point-click-edit access to information, right from the front-end of the website. To edit content, all you have to do is follow the steps below.

- Step 1: Enable the Live-Edit feature and click on the area of the website that you wish to edit.
- Step 2: Make changes to the website, then click 'Save'. Changes are immediately reflected on the site.

A great tool for users to update the website from the public view, CivicPlus' Live Edit allows you to see where your information will be posted before you make any changes. If you would like to move a page under a different department or move the entire department section of your website to a different location, just follow the steps below.

- Step 1: Find the page creation icon and click on the section of the navigation you wish to move.
- Step 2: Drag-and-drop the page or section in its new location. Changes are immediately reflected on the site.

Unlimited pages can be created with the CivicEngage CMS and there is no limit to the depth of pages that can be created. You are responsible for the depth of navigation. With mega menus and dropdown and pop-out menu functionality, you can essentially get to any page on your website within a single click if you desire.

Content Changes & Design

One overall design template is created specifically for the site's homepage and interior pages. Page layout options are available within the Online Page Editor content creation functionality, and those layouts are separate from the overall design of the site, though they do reflect font sizes and styles associated with the various heading levels and content types. Content changes will not affect the design, though the site breadcrumbs, page structure, and sitemap will dynamically update upon publish of any content changes. Should design changes be requested and/or necessary, the site's content – in most cases – should adjust to the new design with little to no content manipulation needed.

Content Scheduling

When creating an entry, simply select the date and time desired for the material to publish and/or unpublish. Material can be set to auto-unpublish or it can be manually retired.

Every aspect of the system has the ability to have expiration dates. These dates are logged in an Expiring Items Report and can have an automatic email sent to you 72 hours before it is set to expire. When items expire, they are unpublished from public view but will remain in the system until someone manually removes them from the archive. This allows you to bring the page back at any time with updated content.

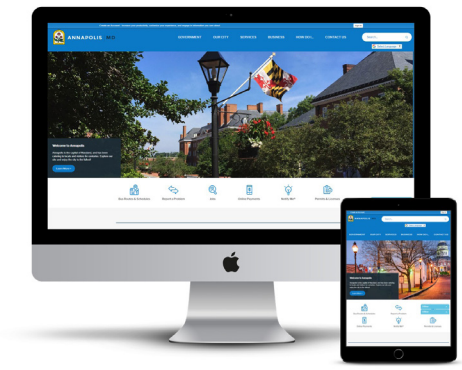

Content Versioning

The CMS includes version control, a history log for reviewing changes made within the system, file locking through our permission system and an archive of all published content so that previous versions can be accessed or used, if necessary.

User Permission Levels

Most information is constantly changing and needs to be updated frequently. With CivicPlus, each department is capable of updating their own content. Even though each department can update their own information and web pages, the menu structure, top of page, banner, and navigation throughout the site remains the consistent.

A central administrator is given the ability to establish groups with specific rights and capabilities to update the website. Users are then assigned to those groups based upon the role they will have in updating the website. Users of the administrative system may be defined as publishers or authors of the content, or as administrators of modules. A central publisher for each department can then approve the pages.

Credit Card Processing

CP Pay™

Opt-in to use CP Pay, our secure, PCI-compliant, standalone payment gateway that is integrated within the CivicPlus Platform. Local governments can use CP Pay within any CivicPlus solution or third-party product. Providing flexible payment solutions, CP Pay offers integrations with commonly used payment gateways in addition to our recommended merchant account gateway partnership, CP Pay Merchant.

Our recommended payment gateway, CP Pay Merchant, will relieve your finance and IT teams of the risk of maintaining and monitoring merchant processing responsibilities and vendor relationships. Take advantage of having all your payment transaction information in a consolidated area, while having the peace of mind that all digital financial compliance requirements are met and your chargebacks and refund requests are being managed for you. Key benefits of CP Pay Merchant include:

- Next-day funding
- Support for the latest secure digital transaction technology with Europay, MasterCard, and Visa (EMV)
- Smart payment transactions (chip cards)

Because each device is encrypted specifically for the payment gateway, you'll need to leverage devices directly from OpenEdge available for either a one-time purchase or rent. We are happy to assist in your procurement of such devices.

To utilize our recommended merchant account, CP Pay Merchant, separate merchant account fees and 3% + $0.30 transaction fees will apply. Additional information can be provided upon request.

CivicPlus Project Pricing & Invoicing

CivicPlus prices on a per-project, all-inclusive basis. This type of pricing structure eliminates surprise costs, the uncertainty of paying by the hour, and is overall more cost effective for our clients. It provides you with a price based on the products and features listed in this proposal that only varies if additional functionality of work, outside of the original project scope, is requested. We understand that local governments must look beyond just functionality and that multiple factors come into play when determining which vendor can meet not only your functional needs, but also your budgetary needs. CivicPlus offers:

- **Standard CivicEngage Invoicing** – 30% of your Total Investment – Year 1 fees (detailed on the previous page) will be due at contract signing and the remaining 70% will be due at completion of implementation or at the six-month mark in the implementation process – whichever date is earlier.
- **CPA Invoicing** – The CivicPlus Advantage (CPA) provides zero interest, level payments that divides the Year 1 expense of your project over the first three years of your contract. Each payment also includes your Annual Hosting/Maintenance Services and any technology fees if applicable. This option may not be available with all products offered by CivicPlus.
- **Customized Billing/Invoicing** – Although not available with all products offered by CivicPlus, we will be happy to discuss other billing options with you prior to contract signing and, if feasible, develop a plan that works for both of us. Please contact your sales representative for details.
- **Annual Services** – The annual fee for your first year is included with your Total Investment – Year 1 cost. Subsequent annual invoicing occurs on the anniversary of the contract signing date, subject to a 5% technology fee uplift each year starting in Year 3 of your contract.

CivicPlus wants our clients to succeed in delivering a viable, sustainable, and flexible web environment for their communities and we will work with you prior to contract signing to determine which of our billing processes will meet both your needs for budget planning and our accounting processes.

Site Usability Report

Granicus' primary objective is to develop a website that makes it easy for people to get things done online. In order to achieve this mission, our process begins with an extensive focus on customer experience (CX), which gives us an understanding of your unique community and what they're looking to do on your website.

Comprehensive Analysis

We'll compile data in a variety of ways, including:

- **Heatmap Analysis:** Heat maps help us gain an understanding of how people are interacting with your content. The information gathered is helpful to us as we determine how to organize content and information to best attract users to your site.
- **Web Analytics:** We leverage date from Google Analytics to understand the most frequently visited pages, top referring sources, bounce rates, etc. This data supplements our heatmap analysis to inform recommendations for your website.
- **Community Survey:** A survey of your community will help us understand what kinds of tasks residents are most frequently looking to complete on the site. Having anecdotal feedback helps ensure we're on the right track.
- **Stakeholder Survey:** We also survey your internal stakeholders to gather information on the current goals and tasks of your website from an internal point of view.
- **Recorded User Testing:** Users will be recorded as they attempt to complete tasks on your website. This method has consistently uncovered valuable insight into how a website can be confusing to those who don't use it everyday.

Site Usability Report

Based on the results of our research, our NN/g Certified User Experience Specialist will compile a custom Usability Report, summarizing findings and recommendations. This document should be shared internally to provide alignment for key project decisions.

Mood Board

Graphic Design Comps

Our design phase is highly collaborative to ensure the unique identity of your organization is reflected in the site's look and feel. We balance aesthetics with usability, mobility and accessibility principles to ensure the final result is beautiful without compromising functionality.

Web Design Implementation

- **Design Meeting and Mood Board:** You'll begin the process by meeting with our graphic design team for a brainstorming session. During this time, we'll review your survey results and ask your team questions in order to better understand your desired aesthetic. The information will be compiled into a digital mood board that will summarize the overall style and direction for the design.

- **Mobile-First Design Methodology:** We think about mobile from the onset of the design process. We work with you to determine which common tasks and key content should be easily available for mobile users. The result will be a fully responsive design that can easily be modified by staff as priorities change.

- **Accessibility and Usability Check:** Our entire design team is versed in the latest WCAG 2.0 Accessibility requirements for color use and contrast on websites and will ensure your design adheres with the level of compliance you seek. Additionally, our designers work hand-in-hand with our NN/g certified User Experience Specialist to ensure the final design adheres to usability best practices.

- **Revisions and Finalization:** Using our advanced design collaboration software, you will be able to easily make comments and provide direction for your design revisons. We provide unlimited revisions and won't stop until your team is completely satisfied with the look and feel. The phase will complete with your sign-off on the final composition.

Great Content Should Enable a Customer Mission

"The writing for the web training was critical for helping our staff think about our customer and what they're trying to accomplish in every decision we make about content."

Abbot Chambers
City Librarian + Director of Comms
City of Sausalito

The site development phase has two major components: the actual technical programming of the website and finalization of content that will be added to your site. While our development team is busy, our content strategy experts will work with your staff to finalize the sitemap, and migrate and refine content.

Content Preparation and Migration

No one knows Hapeville like the department heads in your organization, which is why at this phase we recommend active involvement from anyone who will be contributing to your website now and in the future. To ensure this process runs as smoothly as possible, your Granicus Project Manager will set your team lead up for success with all the tools needed to ensure your project stays on track.

- **Sitemap Consultation:** At this stage we will finalize the site map, consulting with you to make sure all navigation is organized and labeled in an effective manner to accomplish your goals.
- **Work Plan:** To help your team lead communicate project goals, deliverables, and deadlines, we provide a Work Plan Template. This template includes a project introduction, breakdown of individual project-related tasks and timeline for completion.
- **Communication Cadence:** Communication templates and a recommended cadence around tasks and deadlines, meetings and agendas are also provided. These tools not only ensure a smoother project, they will help your team lead establish credibility.
- **Writing for the Web Training:** Even the most visually stunning website will not be effective if information is difficult to find and understand. To help, we will conduct an onsite/a web-based training workshop to introduce overall best practices for creating great, action-oriented content. Following the session, we'll provide resources to help reinforce the concepts learned with your content editors.
- **Content Migration:** We'll help begin the process of populating your new website with content by migrating 200 pages. Once the migration is complete, you'll be given access to the development website in order to review and refine the information.

Launch Planning Guide

After extensive quality assurance testing, our developers will hand over the website to your team in a staging environment. This major milestone typically brings excitement and anxiety – with extensive activity and coordination needed across the organization before your site is ready to launch. To help, Granicus has perfected the process to ensure everything on your site functions as expected and internal signoff is complete before your site goes live.

Go Live Preparation

- **Granicus Quality Assurance Testing** - The Granicus team will conduct testing to identify broken links, accessibility violations and general issues. Any issues will be flagged for your team to check before the site goes live.

- **CMS Training** – While our team is conducting final QA testing, our trainers will work with your team to teach them about the new tools they will be able to leverage in the CMS. All users will go through Basic CMS Training, to fully prepare them to review, add and edit content. Your super users will gain a deeper understanding of specific departmental functionality and how to set up roles, permissions and workflow/approval cycles.

- **Staging Site** – Our technical team will transfer your new site to a production environment in Rackspace.

- **User Acceptance Testing (UAT)** - While our team has already conducted a quality assurance process against the approved design specifications and Granicus migrated content, you have the opportunity to conduct your own review during the User Acceptance Testing process.

- **Launch Planning Meeting** – Prior to your go-live date we will conduct a launch planning meeting to prepare your team and the Granicus team for pre- and post-launch configuration activities that can only occur once the site has gone live (Granicus Search & SSL set up, for example).

- **Final Signoff** - Once UAT has been completed and all stakeholders are comfortable, we'll flip the switch, and your new site will make its debut.

Identifying Your Website Team

While the Granicus team will guide the process, we will depend on the dedication of your staff and resources to achieve the best result. Based on our experience, we recommend assigning staff into the following roles:

Project Manager
You should assign a dedicated project manager, who will serve as the main point of contact to interface with Granicus throughout the development of your website. This person will work closely with your Granicus project manager at each stage should be empowered to make final decisions.

Core Project Team (3-5 people)
To help guide decisions, you should form a core project team. This group will work closely with your designated Project Manager in helping to gather input from your staff and guiding key decisions through the course of the project. Commonly this team includes staff from the following departments:

- **Communications**
- **Administration**
- **IT**

Steering Committee (varies)
To help build buy-in across your organization, we recommend forming a steering committee. This larger team should include representatives from across all of your departments. They will be included in larger surveys and potentially provide input at key decision points. Gathering this group early helps engage the organization in the development, gaining buy-in for the project and providing alignment for decisions.

Hapeville, Georgia 30354

Dear Website Selection Team:

Thank you for the opportunity to present our quote for website redesign, hosting, and support services. It is our goal to deliver a mobile-friendly website that is professional, easy-to-use, and easy-to-maintain.

Our team has developed a portfolio of online services that are tailored for local government agencies. We have worked with cities, towns, villages, counties and other local government agencies for over sixty-five years continually striving to make your job easier. When it comes to posting content on the web, our solution is simple and straight-forward.

Our websites make it easier for your community to find content by providing multiple navigation paths to each page. Our designs reinforce self-service to enable 24x7 online access to your organization's services.

We create your website using Drupal, an industry-leading content management system. Since Drupal is open-source, your website is truly yours unlike those of many other government redesign companies that use their own proprietary software.

We are thrilled at the opportunity to partner on such an important initiative.

Our Response to your specific RFP Requirements

Feature	(Yes / No)	Comments/Description
Agenda Management	Yes	Our website comes standard with the ability to easily post meeting agendas and minutes. We also offer a best-in-class, full-featured meeting and agenda management solution (Municode MEETINGS) that integrates seamlessly with the website calendar. Our MEETINGS solution includes agenda-item workflow approval, auto-generation of full agenda packet with PDF Bookmarks/links to the agenda item detail, voting/roll call, meeting minute creation, and integration with video/audio.
Alerts & Emergency Notification	Yes	We provide a notifications and alerts feature as well as an optional email subscription/notification feature. We also allow web page postings to social media such as Facebook and Twitter. We do not provide text alerts.
Approval Rights	Yes	Our solution is configured with granular role-based permissions and each user is required to login with a unique userID and password. We also offer a two-factor authentication option using Google Authenticate. ☑ All staff create and edit content using the same CMS – regardless of microsite / specialty site. ☑ Our solution includes fine-grained role-based permissions for content authoring as well as webmaster administrative controls. ☑ Site administrators can manage all staff roles / permissions from one common interface and restrict content authoring based on microsite ☑ Each microsite (department/board/committee) can control its own homepage, its own sub-menu, sub-calendar, contact info, etc. The header and global navigation will stay intact on every page top ensure a seamless user experience, but the main content area will be customizable. ☑ Our editing solution is among the most user-friendly in the industry, and we lock down the style options that a typical staff member can modify to provide a consistent, template-based page display. ☑ We provide two options for pages – standard pages and custom pages. Standard pages are template-driven to ensure a consistent look across all pages. Staff only receive the ability to create standard pages by default. ☑ We also offer an "Advanced Editor" role that allows users with that role to create custom HTML pages.
Archive Center		Our solution provides a complete audit history of each page update (date/time, user) and the ability to view the pages at each date/timestamp. You can also revert to any previous version of a page.

		The version control record occurs at the page-level and maintains document versions as documents are updated/deleted within a page. For site-level rollback, we provide this service as part of our standard hosting and support agreement. We save daily, weekly, monthly, and annual backups.
Automatic Expirations	Yes	We provide the ability to provide publish-on and publish-off dates for any web pages and associated files/images should you wish to have them auto-removed from public visibility.
Broken Links Finder	Yes	Our solution includes a broken links finder that detects broken links and provides a report that allows you to resolve those issues.
Browser-Based Administration	Yes	Our solution is completely browser-based.
Calendar	Yes	We have a robust calendar and meeting management solution that allows for the following features **Master Calendar and Sub-calendars** • Individual Community Events and Meetings are displayed on a master calendar as well as sub-calendars for each department, board, committee, or commission. **Meeting Archives** • All meetings automatically get added to a meeting archive that is filterable by committee or department. **Upcoming Events/Meetings** • Upcoming events and meetings are displayed within each specific department/committee. In addition, a master list of upcoming events can be displayed on the home page. **Easily create calendar events** • Each calendar event is its own web page with the option of including file attachments, text, photos, and links. **Email Notifications** • When integrated with our email subscription feature, calendar event 'reminder' email notifications can be sent to subscribers based on category. **Google/Outlook/iCal** • Our calendaring solution allows you to import calendar events into iCal or Google.
Citizen Sourcing Tool	Yes	We provide this feature via our online form submission tool.

Content Preview	Yes	Yes, content preview is included
Content Scheduling / Publish/Unpublish / Delete	Yes	We provide the ability to provide publish-on and publish-off dates for web pages and associated files/images should you wish to have them auto-removed from public visibility. Most local government organizations do not want to delete pages due to record retention and public request laws. As a result, we recommend that pages be un-published but not deleted. Deleting a page removes its record from the website database. We do allow for the deleting of pages, but this is an administrative task.
Departmental Home Pages	Yes	Each department/board/committee gets its own microsite, or site-within-a-site. A department can control its own homepage, its own sub-menu, sub-calendar, contact info, etc. The header and global navigation will stay intact on every page to maintain a consistent user experience, but the main content area will be customizable. Should you wish to have exceptions to the rule, we do provide the option of designing and implementing a separate **'specialty sub-site graphic design'** for special sites that might require a unique look, feel, and navigation.
Directories, Listing for Staff and Business	Yes	Our staff directory comes standard and includes the ability to store and maintain organizational contact information in the website database and to display that data in multiple formats. In addition to a master staff directory and departmental sub-directories, you can customize each page with one or more points of contact relevant to that page. When a change is made to an individual contact's information, those changes are automatically propagated throughout the site. We also offer an optional business directory that is integrated with Google Maps and allows for filtering for specific businesses. Please see https://www.ci.durham.nh.us/directory as an example.
Document and File Repository	Yes	Yes, a document center is included, and we index the contents of each file for searchability. We have the best search engine in the industry.
E-Notifications	Yes	We provide your site visitors a full subscribe/unsubscribe capability by category. You create one or more lists for visitors to subscribe to, and you can send email notifications to those users directly via the website. You can also schedule automatic daily or weekly emails based on configurable criteria. We do not offer SMS notifications.

Facility Management	Yes	Yes, this is an optional feature. We are happy to provide a demo to confirm if this meets your requirements.
Forward to a Friend	Yes	We have this feature, but typically keep it disabled due to security issues. We can discuss the pros/cons of enabling such a feature.
Frequently Asked Questions (FAQ)	Yes	We have one of the most intuitive Frequently Asked Questions (FAQs) solutions in the industry. As you add questions and answers for different departments/categories, those FAQS are automatically added to a master list. You also can embed specific FAQs within any web page. When an FAQ is updated or added, the update is automatically applied to all sections of the website where that category of FAQs is referenced.
GIS Mapping	Yes	We have the capability to integrate with 3rd party applications, and we also offer built-in directories integrated with Open Street Maps and Google Maps Examples: Project Directory: https://www.losaltosca.gov/projects Parks and Trails Directory: https://www.cityofvancouver.us/parksites Business Directory: https://www.ci.durham.nh.us/directory Economic Development Property Directory: http://www.cityofestacada.org/biz/properties
HTML Code	Yes	We offer an "Advanced Editor" role that allows users with that role to create custom HTML pages.
Integration to existing systems and databases	Yes	As a base offering, we allow for connecting with external systems via direct links, embed codes, or iframes. We can also embed RSS feeds from external systems into your site and create outbound RSS feeds of your website content for use by external systems. We can provide quotes for more advanced API integrations with specific systems. We would need to discuss those requirements in more detail to provide custom quotes.
Intranet/Extranet (Private Pages)	Yes	We offer the ability to have private pages right on your public-facing website that are restricted to logged in staff members. We also offer the option to add a separate/stand-alone intranet/extranet with LDAP.

Intuitive Navigation	Yes	We implement several techniques to ensure an intuitive path to your content. 1. Home Page Design – we work on an intuitive home page layout that emphasizes search, key action buttons, a main navigational menu, and news/hot topic displays. 2. Search – we ensure that search is a prominent design element and that search results are relevant/accurate 3. Sitemap / menu navigation - in addition to a user-centric and/or service-centric main navigational menu, we also allow each department/committee to have its own sub-navigation menu.
LDAP Integration	Yes	LDAP integration is an optional feature.
Levels of Rights/Permissions	Yes	Our solution is configured with granular role-based permissions and each user is required to login with a unique userid and password. We also offer a two-factor authentication option using Google Authenticate. ☑ All staff create and edit content using the same CMS – regardless of microsite / specialty site. ☑ Our solution includes fine-grained role-based permissions for content authoring as well as webmaster administrative controls. ☑ Site administrators can manage all staff roles / permissions from one common interface and restrict content authoring based on microsite ☑ Each microsite (department/board/committee) can control its own homepage, its own sub-menu, sub-calendar, contact info, etc. The header and global navigation will stay intact on every page top ensure a seamless user experience, but the main content area will be customizable. ☑ Our editing solution is among the most user-friendly in the industry, and we lock down the style options that a typical staff member can modify to provide a consistent, template-based page display. ☑ We provide two options for pages – standard pages and custom pages. Staff only receive the ability to create standard pages by default. ☑ We also offer an "Advanced Editor" role that allows users with that role to create custom HTML pages.
Live Edit	Yes	Yes, included.
Mobile-Friendly	Yes	Our solution is designed with tablets, smartphones, laptops, and desktops in mind. Our websites adjust to the screen size used to view it. We ensure that your website will work on any browser version that represents 0.5% or more usage per the latest W3C browser stats: • http://www.w3schools.com/browsers

		For example, based on January 2018 stats we commit to supporting Opera version O49, Safari S10-S11, Firefox FF52; FF57; FF58, IE11, Edge 15-16, and Chrome C57+.
Multi-Lingual Support	Yes	We provide integration with Google Translate.
News & Announcements / News Releases	Yes	We provide the capability to have a News section that is filterable by press release date. We also provide the ability to provide publish-on and publish-off dates for any web pages (including news pages) should you wish to have them auto-removed from public visibility.

Our auto-monitoring software continually monitors performance and instantly alerts us when problems occur. We act as soon as possible and no later than two hours after problems are detected.

PROJECT TIMELINE AND APPROACH

The typical project takes from 3 to 7 months. The high-level timeline below is an approximation. We will finalize the schedule once we meet with you:

Project Timeline Sample

Client Responsibilities

The client's responsibility and the key to a smooth on-time deployment is providing the initial information and approving proofs quickly.

- ☑ The Client will make available to Municode relevant images, photos, logos, colors, and other branding material as well as an inventory of existing applications, websites, and content at the start of this effort. The Client will create new content copy as needed.
- ☑ The Client will assign a single point of contact for Municode to interact with that will be responsible for coordinating the schedules of other project stakeholders.
- ☑ The Client will review any deliverables requiring formal approval within 5 business days and return all comments/issues at or before those 5 days have elapsed.
- ☑ The Client will assign one person who will act as the "ultimate decision maker" in the case where consensus among the team cannot be reached.
- ☑ The Client must agree to applicable terms of services for Google related services such as Google Analytics and Google Maps to access those features. Municode is not responsible for Google's decisions related to discontinuing services or changing current APIs.

Project Phase Descriptions

Phase 1: Analyze and Confirm Requirements

Website Assessment:

Municode will complete an analysis of your current website(s) to assess the existing navigation, features/functions, and quality of content.

Organizational Overview Inventory/Survey:

Municode will provide an organizational overview document for you to complete as part of this assessment.

Website Design Meeting:

Municode will conduct a design meeting with a client-defined web advisory team. We recommend the advisory team be limited to a maximum of 6 members. This design meeting will allow the website advisory team to provide input regarding the overall design of the new website, including the site branding as well as high-level site navigation. This team will act as the initial review team for website design concepts. In addition, this team will act as the final review team for the website before it is approved for go-live.

Deliverables

- Summary assessment sheet
- Organization Survey
- Website design specification sheet (graphic design and information / navigation design)

Phase 2: Design and Build phase

Design Concept Creation and Approval (Custom Designs):

Municode will complete home page design concepts for the Home Page and inner pages. These design concepts will incorporate all the graphical elements as well as the high-level sitemap. You will select a winning concept after going through a series of iterative design revision meetings. We allow for a total of 6 revisions.

Website Setup, Configure, and Customization:

Municode will create a fully functional website that includes the functional elements described in this proposal. As part of the website setup, Municode will finalize any remaining elements to the approved design and navigation.

Deliverables

- Design concepts
- Finalized design (Photoshop PSD)
- Functional beta website with approved design
- Content migration

Phase 3: Migrate Content

Content Finalization and Departmental Acceptance

Municode migrates initial content and your trained staff finalizes prior to go-live. See pricing section for specific number of included pages.

Meeting Agendas and Minutes: Client completes an excel template with information regarding each meeting plus corresponding files. Municode will then auto-import that content. Files must be provided with a standard naming convention to allow for auto parsing of date. (i.e. minutes_061516.pdf, etc.)

Standard Web Pages: A standard web page is defined as a page that contains a title, body text, and up to a total of 5 links, file attachments, or images. If you require migration of more complex pages, we can provide a custom quote.

Directory pages (Staff Directory, Projects, Commercial/Industrial Properties, Business Directory, Ordinances/Resolutions): Client completes manually or may request a custom quote. For custom quotes, client completes an excel template with directory data and Municode auto-imports directory content.

Deliverables

- Content creation and migration
- Departmental content 'signoff'
